Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on September 25, 2018, a shareholder action was filed against Globalstar, Inc. (the “Company” or “Globalstar”), members of the Board of Directors, Thermo Companies, Inc., and certain members of Globalstar management in the Court of Chancery of the State of Delaware, captioned Mudrick Capital Management, LP, et al. v. Monroe, et al., C.A. No. 2018-0699-TMR (the “Action”).

On December 14, 2018, all parties to the Action, including plaintiffs Mudrick Capital Management, L.P. (“Mudrick Capital”) and Warlander Asset Management (“Warlander”, and, together with Mudrick Capital, the “Plaintiffs”), entered into a settlement agreement (the “Settlement Agreement”). The material provisions of the Settlement Agreement are described below.

¶The Plaintiffs have agreed to release and dismiss with prejudice all claims in the Action.

The Company has agreed to conduct an equity offering pursuant to which shares of its Common Stock will be sold to investors at market price (unless otherwise agreed by the settling parties), as measured by the volume-weighted average closing price of the Company’s Common Stock during the two (2) business days of trading prior to the pricing of such offering), in an amount of not more than \$60 million (excluding the underwriter’s over-allotment option), that is open to all the qualified and readily identifiable holders of the Company’s Common Stock on a pro rata basis based on their ownership (such offering, the “Financing”).

Each of the Plaintiffs and Thermo have agreed to support the Financing by (i) committing to purchase, upon the signing of the Settlement Agreement, their pro rata share of the financing, on equal terms and based on their respective ownership of the Company’s outstanding shares (5.6% for Mudrick Capital, 2.8% for Warlander and 53.0% for Thermo) and (ii) upon signing the Settlement Agreement, providing a backstop commitment to purchase the shares offered to persons other than the Plaintiffs and Thermo but not purchased by such persons, on a pro rata basis based on their current respective ownership of the Company’s outstanding shares (9.1% for Mudrick Capital, 4.6% for Warlander and 86.3% for Thermo).

The Company has agreed to amend its Certificate of Incorporation and Bylaws to provide that, so long as Thermo and its affiliates beneficially own at least 45% of the Company’s outstanding Common Stock, two of the seven members of the Company’s Board of Directors (the “Minority Directors”) will be elected by the vote of a plurality of the holders of the Company’s Common Stock other than Thermo and its affiliates (the “Independent Stockholders”).

The initial Minority Directors, Ben Wolff and Keith Cowan, have been designated by the Plaintiffs. The parties have agreed that Michael Lovett will be appointed to the Board as an independent director and Tim Taylor will be appointed to the Board as a director. One of the Minority Directors will be appointed to the Company’s Compensation Committee and one of the Minority Directors will be appointed to Nominating & Corporate Governance Committee. To permit the addition to the Board of Mr. Wolff, Mr. Cowan, Mr. Lovett and Mr. Taylor, four of the Company’s current directors agreed upon by the parties will resign.

The Company has agreed to amend its Certificate of Incorporation and Bylaws to provide that so long as Thermo and its affiliates beneficially own at least 45% of the Company’s Common Stock, subject to certain exceptions, approval by a majority of shares held by Independent Stockholders is required for any related-party transaction with a value of \$5 million or more between the Company and Thermo and its affiliates.

¶The Company has also agreed to amend its Certificate of Incorporation and Bylaws to provide that so long as Thermo and its affiliates beneficially own at least 45% of the Company’s outstanding Common Stock, the Company will maintain a strategic review committee of its Board of Directors (the “Strategic Review Committee”). The Strategic

Review Committee will consist of the two then-serving Minority Directors and two independent directors appointed by the then-serving Board; provided, however, that, subject to the Minority Directors' right to remove him with or without cause, Mr. Taylor will initially be a member of the Strategic Review Committee. The other initial members of the Strategic Review Committee will be Mr. Wolff, Mr. Cowen and Mr. Hasler.

---

To the extent permitted by applicable law, the Strategic Review Committee will have exclusive responsibility for the oversight, review and approval of (i) subject to certain exceptions, any acquisition by Thermo and its affiliates of additional newly-issued securities of the Company; (ii) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (iii) any sale or transfer of a material amount of assets of Company or any sale or transfer of assets of any of its subsidiaries which are material to the Company; (iv) any further change in the Board, including any plans or proposals to change the number or term of directors (provided that only elections of Minority Directors shall be within the authority of the Strategic Review Committee); (v) subject to certain exceptions, any material change in the present capitalization or dividend policy of the Company; (vi) any other material changes in the Company's lines of business or corporate structure; and (vii) subject to certain exceptions, any transaction between the Company and Thermo and its affiliates with a value in excess of \$250,000. The approval of any of the foregoing transactions will require the vote of at least three members of the Strategic Review Committee.

Thermo has agreed that it will convert all its outstanding subordinated debt to equity at the contractual conversion price within five business days after any of the following events: (i) the refinancing of 85% or more of the Company's bank debt; (ii) extension of the maturity of all of the Company's bank debt of two years or more; (iii) a refinancing of at least \$150 million of the Company's bank debt with a minimum two year extension on the remaining balance, or (iii) an amortization holiday or holidays pursuant to which the Company is relieved of the obligation to make principal payments on the Company's bank debt for two years or longer.

The Company has also agreed, upon execution of the Settlement Agreement, to publicly issue a press release disclosing the principal terms of the settlement and stating that it is anticipated that the first order of business of the Strategic Review Committee will be to assess financing options for the Company's balance sheet.

An agreement that the Plaintiffs reserve the right to make a petition to the Court for an award of attorneys' fees and expenses; however, any award to Plaintiffs' counsel for fees and expenses shall be determined by the court of the State of Delaware.

The effectiveness of the Settlement Agreement is subject to satisfaction of reasonable due diligence by the Plaintiffs, as well as approval by the Court of Chancery of the State of Delaware. The foregoing description of the settlement is qualified in its entirety by reference to the full text of the Settlement Agreement, a copy of which is attached as Exhibit 10.1.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In connection with the Settlement Agreement, Richard S. Roberts, J. Patrick McIntyre, Kenneth M. Young and John M. R. Kneuer have volunteered to step down from their positions on the Company's Board of Directors. Their resignations will be effective concurrent with the effectiveness of the Settlement Agreement.
