Explanatory Note

We are filing this Amendment No. 1 on Form 10-K/A (this “Amendment”) to our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as filed with the Securities and Exchange Commission on March 14, 2014 (the “Form 10-K”), solely for the purpose of correcting a typographical error on page 4 under the heading “Advance CereKin, AtoKin, SentiKin and our other product candidates through development and regulatory approval” relating to the timing of potential marketing approvals for our first product candidates. The third sentence under this heading is corrected as follows:

“If these trials and other development activities are successful, we expect to submit NADAs for CereKin starting in mid-2014, and for AtoKin and SentiKin in late 2014, with potential marketing approvals for the first of these products starting in mid-2015.”

No other sections of the Form 10-K are affected by this Amendment. This Amendment should be read in conjunction with the Form 10-K and the registrant’s other filings with the Securities and Exchange Commission. Except as described above, no other changes have been made in this Amendment to modify or update the other disclosures presented in the Form 10-K.
