-

Item 8.01 Other Events

David L. Hatcher, a former director and Chairman of the Board of Directors of KMG Chemicals, Inc. (the “Company”), has entered into a stock trading plan under Rule 10b5-1 of the Securities and Exchange Act. Under Rule 10b5-1, directors, officers and other employees who are not in possession of material non-public information may adopt a pre-arranged plan or contract for the sale of Company securities under specified conditions and at specified times. Using these 10b5-1 plans, individuals can gradually diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact, and avoid concerns about transactions occurring at a time when they might possess material non-public information.

Under his 10b5-1 plan, Mr. Hatcher may sell up to 377,370 shares of the Company’s common stock over a period commencing on April 7, 2015 and ending April 6, 2016. Shares will be sold under Mr. Hatcher’s plan on the open market at prevailing market prices and subject to minimum price thresholds specified in his plan.
