Item 1.01. Entry into a Material Definitive Agreement

On September 30, 2014, certain subsidiaries of Consolidated-Tomoka Land Co. (the "Company") entered into a non-recourse \$30 million fixed rate mortgage debt financing, by and among those certain subsidiaries of the Company, as borrowers, and Wells Fargo Bank N.A., as lender (the "Mortgage Loan.") The proceeds from the financing were used to reduce the outstanding balance under the Company's unsecured credit facility. The financing consists of a twenty-year non-recourse secured loan on six of the Company's income properties. The loan carries a fixed interest rate of 4.33% and requires payments of interest only through the first ten years. After the tenth year of the term, the loan becomes fully pre-payable and requires that the cash flows of the underlying six income properties be swept to pay down the principal balance monthly, and the interest rate is adjusted upward. The loan will mature in October 2034.

The foregoing does not constitute a complete summary of the terms and conditions of, and the descriptions contained herein are qualified in their entirety by reference to, the Mortgage Loan, which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2014.

Item 9.01. Financial Statements and Exhibits

The following exhibits are furnished herewith pursuant to Item 9.01 of this Report and shall not be deemed to be "filed" for any purpose, including for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.
