Item 8.01 Other Events

General Motors Corporation ("GM") has been cooperating with the U.S. Securities and Exchange Commission ("SEC") in connection with investigations reported by the media concerning pension and Other Post-Employment Benefits ("OPEB") and certain transactions between General Motors and Delphi Corporation ("Delphi").

The SEC has issued subpoenas to GM in connection with various matters involving GM that it has under investigation. These matters include GM's financial reporting concerning pension and OPEB, certain transactions between General Motors and Delphi, GM's recovery of recall costs from suppliers and supplier price reductions or credits, and any obligation GM may have to fund pension and OPEB costs in connection with Delphi's proceedings under Chapter 11 of the U.S. Bankruptcy Code.

Separately, SEC and federal grand jury subpoenas have been served on GMAC entities in connection with industry wide investigations into practices in the insurance industry relating to loss mitigation insurance products such as finite risk insurance.

GM and its subsidiaries are cooperating with all these investigations. GMAC has no further comment at this time.
