As a result of the implementation of a new Enterprise Resource Planning (ERP) system during the fourth quarter 2018, GP Strategies Corporation (the "Company") experienced unanticipated delays in completing the year end closing process.

The Company has not fully completed the activities required to complete Form 10-K for the fiscal year ended December 31, 2018. Therefore, the Company is not in a position to file its Form 10-K within the presented time period without unreasonable expense and effort. In addition, although the Company has not concluded its assessment of the effectiveness of its internal controls over financial reporting as of December 31, 2018, it expects to report material weaknesses in internal control over financial reporting relating to the implementation of the new ERP system.

The Company expects to file its Form 10-K within the 15 day period specified by Rule 12b-25 of the Securities and Exchange Act of 1934, as amended.
