PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
OF SEACOAST BANKING CORPORATION OF FLORIDA
May 1, 2003

INTRODUCTION

General

This Proxy Statement is being furnished to the shareholders of Seacoast Banking Corporation of Florida, a Florida corporation ("Seacoast" or the "Company"), in connection with the solicitation of proxies by Seacoast's Board of Directors from holders of Seacoast's common stock ("Common Stock") for use at the 2003 Annual Meeting of Shareholders of Seacoast to be held on May 1, 2003, and at any adjournments or postponements thereof (the "Meeting"). Unless otherwise clearly specified, the terms "Company" and "Seacoast" include the Company and its subsidiaries.

The Meeting is being held to consider and vote upon the proposals summarized below under "Summary of Proposals" and described in greater detail elsewhere herein. Seacoast's Board of Directors knows of no other business that will be presented for consideration at the Meeting other than the matters described in this Proxy Statement.

The 2002 Annual Report to Shareholders ("Annual Report"), including financial statements for the fiscal year ended December 31, 2002, accompanies this Proxy Statement. These materials are first being mailed to the shareholders of Seacoast on or about March 18, 2003.

The principal executive offices of Seacoast are located at 815 Colorado Avenue, Stuart, Florida 34994, and its telephone number is (772) 287-4000.

Summary of Proposals

The proposals to be considered at the Meeting may be summarized as follows:

Proposal 1. To re-elect four Class I directors and to elect two new Class III directors;

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

Proposal 2. To approve an amendment to the Company's Articles of Incorporation to eliminate the existing shareholder supermajority voting requirements for certain business combinations, so that, after giving effect to the amendment, such business combinations may be accomplished either:

(a) by the holders of a simple majority of the outstanding shares of the Company's common stock that are entitled to vote, provided that the business combination is approved by (i) 66-2/3% of the members of the Company's Board of Directors, and (ii) a majority of the members of the Company's Board of Directors who were directors as of February 28, 2003 or who were otherwise determined to be "continuing directors" by the Company's Board of Directors; or

(b) without the prior approval of the Company's Board of Directors, provided that the combination is approved by (i) the holders of 66-2/3% of the outstanding shares of the Company's common stock that are entitled to vote, and (ii) the holders of a majority of the outstanding shares of the Company's common stock that are not owned by the Company's affiliates and persons that became 5% or greater shareholders of the Company after February 28, 2003; and

Proposal 3. To grant the proxy holders discretionary authority to vote to adjourn the Meeting for up to 120 days to allow for the solicitation of additional proxies in the event that there are insufficient shares voted at the Meeting, in person or by proxy, to approve Proposal 2; and

Proposal 4. To transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

Quorum and Voting Requirements

Holders of record of shares of the Company's Common Stock, as of the Record Date (as defined below) are entitled to one vote per share on each matter to be considered and voted upon at the Meeting. As of the Record Date, there were 13,949,905 total votes entitled to be cast by the holders of the outstanding Common Stock.

To hold a vote on any proposal, a quorum must be present, which is a majority of the total votes entitled to be cast by the holders of the outstanding shares of Common Stock. In determining whether a quorum exists at the Meeting for purposes of all matters to be voted on, all votes "for" or "against," as well as all abstentions and broker non-votes, will be counted. A "broker non-vote" occurs when a nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Proposals 1 and 3 require approval by a "plurality" of the votes cast by the holders of the outstanding shares of Common Stock entitled to vote in the election. This means that Proposals 1 and 3 will be approved only if more votes cast at the Meeting are voted in favor of each of the proposals than are voted against them. Neither abstentions nor broker non-votes will be counted as votes cast for purposes of determining whether Proposal 1 has received sufficient votes for approval.

Proposal 2 requires approval by the affirmative vote of 66-2/3% of all votes entitled to be cast at the Meeting. Both abstentions and broker non-votes will have the same effect as votes cast against Proposal 2 for purposes of determining whether the Proposal has received sufficient votes for approval.

Unless otherwise required by the Company's Articles of Incorporation or Bylaws, or by applicable law, any other proposal that is properly brought before

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

the Meeting will require approval by the affirmative vote of a plurality of votes cast at the Meeting. With respect to any such proposal, neither abstentions nor broker non-votes will be counted as votes cast for purposes of determining whether the proposal has received sufficient votes for approval.

Directors and executive officers of the Company beneficially hold approximately 22.91% of all the votes entitled to be cast at the Meeting.

Record Date, Solicitation and Revocability of Proxies

The Board of Directors of Seacoast has fixed the close of business on February 28, 2003 as the record date ("Record Date") for determining the shareholders entitled to notice of, and to vote at, the Meeting. Accordingly, only holders of record of shares of Common Stock on the Record Date will be entitled to notice of, and to vote at, the Meeting. At the close of business on such date, there were 13,949,905 shares of Common Stock issued and outstanding, which were held by approximately 897 holders of record.

Shares of Common Stock represented by properly executed Proxies, if such Proxies are received in time and not revoked, will be voted at the Meeting in accordance with the instructions indicated in such Proxy. If a valid Proxy is returned and no instructions are indicated, such shares of Common Stock will be voted FOR Proposals 1, 2 and 3, and in the discretion of the proxy holder as to any other matter that may come properly before the Meeting.

A shareholder who has given a Proxy may revoke it at any time prior to its exercise at the Meeting by either (i) giving written notice of revocation to the Secretary of Seacoast, (ii) properly submitting to Seacoast a duly executed Proxy bearing a later date, or (iii) appearing in person at the Meeting and voting in person. All written notices of revocation or other communications with respect to revocation of Proxies should be addressed as follows: Seacoast Banking Corporation of Florida, 815 Colorado Avenue, Stuart, Florida 34994, Attention: Sharon Mehl, Secretary.

PROPOSAL 1

ELECTION OF DIRECTORS

General

The Meeting is being held to, among other things, re-elect four Class I directors of Seacoast, each to serve a three year term and until their successors have been elected and qualified, and to elect two new Class III directors, each to serve a two year term and until their successors have been elected and qualified. All of the nominees, except Messrs. Stephen E. Bohner and T. Michael Crook, are presently directors of Seacoast. All of the nominees also serve as members of the Board of Directors of Seacoast's banking subsidiary, First National Bank and Trust Company of the Treasure Coast (the "Bank"). The members of the Boards of Directors of the Bank and the Company are the same except for Marian B. Monroe, and the two nominees, Stephen E. Bohner and T. Michael Crook, who are members of the Bank's Board only.

As provided in Seacoast's Articles of Incorporation, the Company's Board of Directors is divided into three classes: Class I directors, who presently are serving a term expiring at the Company's 2003 annual meeting of shareholders; Class II directors, who presently are serving a term expiring at the Company's 2004 annual meeting of shareholders; and Class III directors, who presently are

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

serving a term ending at the Company's 2005 annual meeting of shareholders. Currently, the Board is classified as follows:

Class	Term	Names of Directors
Class I	Term Expires at the 2003 Annual Meeting	Jeffrey C. Bruner Christopher E. Fogal Dale M. Hudson John R. Santarsiero, Jr.
Class II	Term Expires at the 2004 Annual Meeting	John H. Crane Jeffrey S. Furst Dennis S. Hudson, Jr. Thomas H. Thurlow, Jr.
Class III	Term Expires at the 2005 Annual Meeting	Evans Crary, Jr. A. Douglas Gilbert Dennis S. Hudson, III

Upon approval of Proposal 1, the Class I directors will be re-elected for a three year term expiring at the 2006 Company annual meeting of shareholders, and Messrs. Stephen E. Bohner and T. Michael Crook will become newly elected Class III directors and serve a term ending at the 2005 Company annual meeting of shareholders.

All shares represented by valid Proxies, and not revoked before they are exercised, will be voted in the manner specified therein. If no specification is made, the Proxies will be voted FOR the election of each of the six nominees listed below. Although all nominees are expected to serve if elected, if any nominee is unable to serve, then the persons designated as Proxies will vote for the remaining nominees and for such replacements, if any, as may be nominated by Seacoast's Nominating/Governance Committee. Proxies cannot be voted for a greater number of persons than the number of nominees specified herein (six persons). Cumulative voting is not permitted.

The affirmative vote of the holders of shares of Common Stock representing a plurality of the votes cast at the Meeting at which a quorum is present is required for the election of the directors listed below.

The nominees have been nominated by Seacoast's Board of Directors and the Board unanimously recommends a vote "FOR" the election of all six nominees listed below.

The following table sets forth the name and age of each nominee for director, as well as each incumbent director who is not a nominee and each executive officer of the Company who is not a director or nominee, the year in which he was first elected a director or executive officer, as the case may be, a description of his position and offices with Seacoast or the Bank, a brief description of his principal occupation and business experience, and the number of shares of Common Stock beneficially owned by him as of February 28, 2003. During 2002, the entire Board of Directors served as the Nominating Committee for the purpose of nominating persons to serve on the Board of Directors. The Board held one meeting in its capacity as the Nominating Committee during 2002. Effective _____, 2003, the Nominating Committee was replaced with the newly-formed Nominating/Governance Committee composed of Messrs. Furst (Chairman), Bohner and Santarsiero, all of whom are independent directors. The purpose of the Nominating/Governance Committee is to conduct reviews, investigations and evaluations, make recommendations, develop policies or guidelines and take other actions regarding the composition of Seacoast's Board of Directors, effectiveness and succession, regulatory and legal compliance, and governance and conduct matters. While nominees recommended by shareholders may be considered, the Nominating/Governance Committee has not actively solicited recommendations and has not established any procedures for this purpose.

Board members who are not executive officers of the Company are paid an annual retainer of \$20,000 for their service as directors of the Company and its subsidiaries. In addition to the annual retainers, outside Board members receive

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

\$600 for each Board meeting attended, \$600 for each committee meeting attended and \$700 for each committee meeting chaired.

Executive Officers

Executive officers are appointed annually at the organizational meeting of the respective Boards of Directors of Seacoast and the Bank following the annual meetings of shareholders, to serve until the next annual meeting and until successors are chosen and qualified. The table set forth under "- Election of Directors" lists the nominees for election to the Board of Directors, directors of Seacoast who are not nominees and the Named Executive Officers (as defined below) of Seacoast and the Bank who are not nominees to or members of the Board of Directors, their ages and respective offices held by them, the period each such position has been held, a brief account of their business experience for at least the past five years, and the number of shares of Common Stock beneficially owned by each of them on February 28, 2003.

Management Stock Ownership

As of February 28, 2003, based on available information, all directors and executive officers of Seacoast as a group (15 persons) beneficially owned approximately 3,196,195 outstanding shares of Common Stock, constituting 22.91% of the total number of shares of Common Stock outstanding at that date. Seacoast's directors and executive officers beneficially owned, as of that date, outstanding shares of Common Stock having 3,196,195 votes, or 22.91% of the total votes represented by Common Stock outstanding on the Record Date and entitled to vote at the Annual Meeting. In addition, as of the Record Date, various subsidiaries of Seacoast, as fiduciaries, custodians, and agents, had sole or shared voting power over _____ outstanding shares, or _____% of the issued and outstanding shares, of Seacoast Common Stock, including shares held as trustee or agent of various Seacoast employee benefit and stock purchase plans. See "Quorum and Voting Requirements," "Record Date, Solicitation and Revocability of Proxies" and "- Principal Shareholders."

EXECUTIVE COMPENSATION

Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to its chief executive officer and other executive officers, including the four other most highly compensated executive officers (collectively, the "Named Executive Officers"). The disclosure requirements for the Named Executive Officers include the use of tables and a report explaining the rationale and considerations that led to fundamental executive compensation decisions affecting these individuals.

The following report reflects Seacoast's compensation philosophy as endorsed by the Board of Directors and the Salary and Benefits Committee and resulting actions taken by Seacoast for the reporting periods shown in the various compensation tables supporting the report. The Salary and Benefits Committee either approves or recommends to the Board of Directors payment amounts and award levels for executive officers of Seacoast and its

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

subsidiaries.

Salary and Benefits Committee Report

General

The Salary and Benefits Committee of the Board of Directors is composed of six members, none of whom were officers or employees of Seacoast or the Bank. Messrs. Bruner and Dennis S. Hudson, Jr. have resigned from the Salary and Benefits Committee, effective immediately following the Meeting, to increase the Committee's independence. The Board of Directors designates the members and Chairman of such committee.

Compensation Policy

The policies that govern the Salary and Benefits Committee's executive compensation decisions are designed to align changes in total compensation with changes in the value created for the Company's shareholders. The Salary and Benefits Committee believes that compensation of executive officers and others should be directly linked to Seacoast's operating performance and that the achievement of performance objectives over time is the primary determinant of share price.

The underlying objectives of the Salary and Benefits Committee's compensation strategy are to establish incentives for certain executives and others to achieve and maintain short-term and long-term operating performance goals for Seacoast, to link executive and shareholder interests through equity-based plans, and to provide a compensation package that recognizes individual contributions as well as overall business results. At Seacoast, performance-based executive officer compensation includes: base salary, short-term annual cash incentives, and long-term stock and cash incentives.

Base Salary and Increases

In establishing executive officer salaries and increases, the Committee considers individual annual performance and the relationship of total compensation to the defined salary market. The decision to increase base pay is recommended by the chief executive officer and approved by the Salary and Benefits Committee using performance results documented and measured annually. Information regarding salaries paid in the market is obtained through formal salary surveys and other means, and is used to evaluate competitiveness with Seacoast's peers and competitors. Seacoast's general philosophy is to provide base pay competitive with the market, and to reward individual performance while positioning salaries consistent with Company performance.

Short-Term Incentives

Seacoast's Key Manager Incentive Plan seeks to align short-term cash compensation with individual performance and performance for the shareholders. Funding for this annual incentive plan is dependent on Seacoast first attaining a defined performance threshold for earnings per share. Once this threshold is attained, the Salary and Benefits Committee, using recommendations from the Company's chief executive officer, approves awards to those officers who have made superior contributions to Company profitability as measured and reported through individual performance goals established at the beginning of the year. As specified in the plan, the payout schedule is designed to pay a smaller number of officers the highest level of funded cash incentives to ensure that a meaningful reward is provided to the organization's top performers. This

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

philosophy better controls overall compensation expenses by reducing the need for significant annual base salary increases as a reward for past performance, and places more emphasis on annual profitability and the potential rewards associated with future performance. Salary market information is used to establish competitive rewards that are adequate in size to motivate strong individual performance during the year. The Key Manager Incentive Plan paid an aggregate of \$702,500 in 2002, which was distributed among 15 persons.

Long-Term Incentives

Stock options granted under Seacoast's long-term incentive plans, the 1991 Incentive Plan and the 1996 Incentive Plan, are designed to motivate sustained high levels of individual performance and align the interests of key employees with those of the Company's shareholders by rewarding capital appreciation and earnings growth. Upon the recommendation of the chief executive officer, and subject to approval by the Salary and Benefits Committee, stock options are awarded periodically to those key officers whose performance has made a significant contribution to Seacoast's long-term growth. No stock options were awarded in 2002.

Deduction Limit

At this time, because of its compensation levels, Seacoast does not appear to be at risk of losing deductions under Section 162(m) of the Code, which generally establishes, with certain exceptions, a \$1 million deduction limit on executive compensation for all publicly held companies. As a result, Seacoast has not established a formal policy regarding such limit, but will evaluate the necessity for developing such a policy in the future.

Chief Executive Pay

The Salary and Benefits Committee formally reviews the compensation paid to the chief executive officers of the Company and the Bank during the first quarter of each year. Final approval of chief executive compensation is made by the Board of Directors. Changes in base salary and the awarding of cash and stock incentives are based on overall financial performance and profitability related to objectives stated in the Company's strategic performance plan and the initiatives taken to direct the Company. In addition, utilizing published surveys, databases, and proxy statement data, including, for example, public information compiled from the SNL Executive Compensation Review and the Wyatt Financial Institution Benchmark Compensation Report (collectively, the "Survey Data"), the Salary and Benefits Committee surveyed the total compensation of chief executive officers of comparable-sized financial institutions located in comparable markets nationally, as well as of locally-based banks and thrifts. While there is likely to be a substantial overlap between the financial institutions included in the Survey Data and the banks and thrifts represented in the Nasdaq Bank Index line on the shareholder return performance graph, below, the groups are not exactly the same. The Salary and Benefits Committee believes that most direct competitors for executive talent are not necessarily the same as the companies that would be included in the published industry index established for comparing shareholder returns.

After reviewing the Survey Data, the salary for Mr. Dennis S. Hudson, III, President and Chief Executive Officer of Seacoast, was increased by \$20,100 to \$422,100 annually, beginning in 2002. This adjustment maintained Mr. Hudson's

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

total compensation at the median of the comparative groups. Based on specific accomplishments and the overall financial performance of Seacoast, including the achievement of targeted performance goals in 2002, Mr. Hudson III was awarded a cash incentive award of \$125,000 for 2002 under the Key Manager Incentive Plan.

Summary

In summary, the Salary and Benefits Committee believes that Seacoast's compensation program is reasonable and competitive with compensation paid by other financial institutions of similar size. The program is designed to reward managers for strong personal, Company and share value performance. The Salary and Benefits Committee monitors the various guidelines that make up the program and reserves the right to adjust them as necessary to continue to meet Company and shareholder objectives.

Audit Committee Report

The Audit Committee monitors the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee operates under a written charter adopted by the Board of Directors on June 20, 2000, and subsequently revised on March 21, 2001. The Audit Committee's charter was published in its entirety as Exhibit A to the Company's 2001 Proxy Statement. This report reviews the actions taken by the Audit Committee with regard to the Company's financial reporting process during 2002 and particularly with regard to the Company's audited consolidated financial statements as of December 31, 2002 and 2001 and for the three years in the period ended December 31, 2002.

The Audit Committee currently is composed of four persons, all of whom are "independent," as defined by the National Association of Securities Dealers, Inc. ("NASD"). None of the committee members is or has been an officer or employee of the Company or any of its subsidiaries, has engaged in any business transaction or has any business or family relationship with the Company or any of its subsidiaries or affiliates. The Audit Committee also serves as the audit committee of the Bank, and one of its members, T. Michael Crook, is a Bank director and a director nominee under Proposal 1.

The Company's management has the primary responsibility for the Company's financial statements and reporting process, including the systems of internal controls and reporting. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor the integrity of the Company's financial reporting process and system of internal controls and to monitor the independence and performance of the Company's

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

independent auditors and internal auditors.

The Audit Committee believes that it has taken the actions it deems necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met seven times during 2002.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements to be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, including a discussion of the quality (rather than just the acceptability) of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee also reviewed with the Company's independent auditors, PricewaterhouseCoopers LLP, their judgments as to the quality (rather than just the acceptability) of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, the Audit Committee discussed with PricewaterhouseCoopers LLP, its independence from management and the Company, including the written disclosures, letter and other matters required of PricewaterhouseCoopers LLP by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee also considered whether the provision of services during 2002 by PricewaterhouseCoopers LLP that were unrelated to its audit of the financial statements referred to above and to their reviews of the Company's interim financial statements during 2002 is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Additionally, the Audit Committee discussed with the Company's internal and independent auditors the overall scope and plan for their respective audits. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board that the Company retain PricewaterhouseCoopers LLP as the Company's independent auditors for 2003. The Board has approved and ratified such recommendation.

Profit Sharing Plan

Seacoast sponsors a Retirement Savings Plan for Employees of the First National Bank & Trust Company of the Treasure Coast (the "Profit Sharing Plan"). The Profit Sharing Plan has various features, including employer matching contribution for salary deferrals of up to 4% of the employee's compensation for each calendar quarter. The Company matches 100% of any Elective Profit Sharing Contribution that is deferred into the Profit Sharing Plan. In addition, the Profit Sharing Plan has a Code Section 401(k) feature that allows employees to make voluntary "salary savings contributions" ranging from 1% to 18% of compensation (as defined by the Plan), subject to federal income tax limitations. After-tax contributions may also be made by employees with "voluntary contributions" of up to 10% of compensation (as defined in the Profit Sharing Plan for each plan year), subject to certain statutory limitations.

A retirement contribution is made on an annual discretionary basis by the Company of up to 2% of "retirement eligible compensation," as defined in the Profit Sharing Plan. At the end of each plan year, the Company's Board of Directors decides whether to make a profit sharing contribution for the plan year. If it decides to make such a contribution, the contribution is allocated among eligible employees based on each employee's "eligible compensation" as defined in the Profit Sharing Plan. At least 50% of this contribution (the "Non-Elective Profit Sharing Contribution") is contributed to the employee's Profit Sharing account. The balance (the "Elective Profit Sharing Contribution") may be deferred into the Profit Sharing Plan or taken in cash by the employee, at the employee's election.

Executive Deferred Compensation Plan

The Bank offers an Executive Deferred Compensation Plan (the "Compensation Deferral Plan") designed to permit a select group of management or highly compensated employees, including the Named Executive Officers, to elect to defer a portion of their compensation until their termination of employment with the Company and to receive matching and other Company contributions which they are restricted from receiving under the Company's Profit Sharing Plan because of legal limitations.

Performance Graph

The following line-graph compares the cumulative, total return on Seacoast's Common Stock from December 31, 1998 to December 31, 2002, with that of the Russell 2000 Index (an average of the 2,000 smallest companies in the Russell 3000 Index) and the Russell 2000 Financial Services Index (an average of all financial service companies included in the Russell 2000 Index). Cumulative total return represents the change in stock price and the amount of dividends received over the indicated period, assuming the reinvestment of dividends.

[GRAPH OMITTED]

Employment and Severance Agreements

The Bank entered into an executive employment agreement with A. Douglas Gilbert on March 22, 1991. Similar agreements were entered into with Dennis S. Hudson, III on January 18, 1994, and with C. William Curtis, Jr. on July 31, 1995. Each such agreement has a three-year term and provides for automatic renewal on an annual basis at the end of that term; provided neither the employee nor the Bank gives written notice electing not to renew such agreement not less than 90 days prior to the end of the agreement's then current term. Each such agreement contains certain non-competition, non-disclosure and non-solicitation covenants.

These employment agreements also provide for a base salary, hospitalization, insurance, long term disability and life insurance in accordance with the Bank's insurance plans for senior management, and reasonable club dues. Each executive subject to these contracts may also receive other compensation including bonuses, and the executives will be entitled to participate in all current and future employee benefit plans and arrangements in which senior management of the Bank may participate. The agreements provide for termination of the employee for cause, including willful and continued failure to perform the assigned duties, crimes, breach of the Bank's Code of Ethics, and also upon death or permanent disability of the executive. Each agreement contains a Change in Control provision which provides that certain events, including the acquisition of the Bank or the Company in a merger, consolidation or similar transaction, the acquisition of 51% or more of the voting power of any one or all classes of Common Stock, the sale of all or substantially all of the assets, and certain other changes in share ownership, will constitute a "change in control" which would allow the executive to terminate the contract within one year following the date of such change in control. Termination may also be permitted by the executive in the event of a change in duties and powers, customarily associated with the office designated in such contract. Upon any such termination following a change in control, the executive's base salary, hospitalization and other health benefits will continue for two years.

SALARY AND BENEFITS COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Crary (Chairman), Bohner, Bruner, Furst, Dennis S. Hudson, Jr. and Santarsiero are the members of the Salary and Benefits Committee, none of whom is an officer or employee of Seacoast or its subsidiaries. Mr. Hudson served as Chairman of the Board of Seacoast from 1990 until June 1998; he served as Chief Executive Officer of Seacoast from 1983 until 1992 and President of Seacoast from 1983 until 1990. See "Proposal 1 - Election of Directors."

Jeffrey C. Bruner, a director of Seacoast and the Bank, is a controlling shareholder of Mayfair Investments, which leases to the Bank 21,400 square feet of space adjacent to the First National Center in Stuart, Florida pursuant to a

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

lease agreement which expires in May 2007. At the end of the lease term, the Bank has an option to extend the lease for a period of five years. The Bank paid rent of \$262,700 on this property in 2002. Seacoast believes the terms of this lease are commercially reasonable and comparable to rental terms negotiated at arm's length between unrelated parties for similar property in Stuart.

Evans Crary, Jr., a director of Seacoast and the Bank, and Chairman of the Bank's Executive Committee and the Company's Salary and Benefits Committee, is a retired member of Crary, Buchanan, Bowdish, Bovie, Beres, Negrón & Thomas, Chartered ("Crary-Buchanan"), a law firm in Stuart, Florida. Crary-Buchanan performed various legal services for Seacoast and the Bank during the fiscal year ended December 31, 2002.

Messrs. Bruner and Dennis S. Hudson, Jr. have resigned as members of the Salary and Benefits Committee, effective immediately following the Meeting, to increase the Committee's independence.

CERTAIN TRANSACTIONS AND BUSINESS RELATIONSHIPS

Several of Seacoast's directors, executive officers and their affiliates, including corporations and firms of which they are directors or officers or in which they and/or their families have an ownership interest, are customers of Seacoast and its subsidiaries. These persons, corporations and firms have had transactions in the ordinary course of business with Seacoast and its subsidiaries, including borrowings, all of which, in the opinion of Seacoast management, were on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unaffiliated persons and did not involve more than the normal risk of collectibility or present other unfavorable features. Seacoast and its subsidiaries expect to have such transactions on similar terms with their directors, executive officers, and their affiliates in the future. The aggregate amount of loans outstanding by the Bank to directors, executive officers, and related parties of Seacoast or the Bank as of December 31, 2002, was approximately \$4,010,127, which represented approximately 3.98% of Seacoast's consolidated shareholders' equity on that date.

For information concerning specific transactions and business relationships between Seacoast or the Bank and certain of its directors or executive officers, see "Salary and Benefits Committee Interlocks and Insider Participation in Compensation Decisions."

THE FOLLOWING PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION IS A SUMMARY ONLY, AND IS QUALIFIED IN ITS ENTIRETY BY THE PROPOSED AMENDED AND RESTATED ARTICLES OF INCORPORATION INCLUDED IN APPENDIX A HERETO.

PROPOSAL 2

AMENDMENTS TO THE BUSINESS COMBINATION PROVISIONS

Article VII of the Company's Amended and Restated Articles of Incorporation presently requires that, for any merger, consolidation, share exchange, sale, lease, exchange or other transfer of all or substantially all of the assets of the Company or any significant subsidiary or any transaction having a similar effect to be approved, the Company must receive (i) the approval of its Board of Directors, and (ii) the approval of a 66-2/3% supermajority of all of its outstanding shares of Common Stock. These votes are required whether or not a shareholder vote is otherwise required by law or by the rules of any securities exchange or market where the Company's shares are listed or traded, except where the Company is issuing shares to make an acquisition of another company, person or entity.

This Proposal 2 would amend the voting requirements of Article VII. In addition, the Company believes that this amendments would clarify the intent that, upon the approval of (i) 66-2/3% of the Whole Board of Directors, and (ii) a majority of the Continuing Directors, the vote of only a majority of Voting Shares would be needed to approve such business combination. Accordingly, where the Board believes a business combination is in the best interests of the Company and its shareholders, the effective vote required for approval of such business combination is being reduced from 66-2/3% to a majority of Voting Shares. The Board of Directors believes that it is appropriate to make these changes in order to give the Company greater flexibility with respect to business combinations that are endorsed overwhelmingly by the Board of Directors, including the Continuing Directors. Capitalized terms that are used but not defined in this paragraph are defined elsewhere in the following paragraphs and more fully in the proposed Articles, which are attached hereto as Appendix A, and which incorporate the amendment proposed by this Proposal 2.

The proposed business combination amendments to the Company's Articles set forth certain procedures relating to a "Business Combination," which is broadly defined in the Articles to include, among other things, mergers, consolidations, sales of assets and similar transactions between the Company or any of its Subsidiaries and any other persons, entities or groups, or the acquisition, directly or indirectly, of 5% or more of the Voting Shares of the Company or the voting securities of any Subsidiary by other persons, entities or groups after February 28, 2003, or the acquisition, directly or indirectly, of 5% or more of the Voting Shares of the Company or the voting securities of any Subsidiary by persons, entities or groups that beneficially own 5% or more of the Company's Voting Shares (such persons, entities, and groups are defined as "Related Persons"). The proposed amendment would require approval of Business Combinations by the affirmative vote of 66-2/3% of all of the Voting Shares and an Independent Majority of Shareholders, unless such Business Combination is approved by 66-2/3% of the Whole Board of Directors and a majority of the Continuing Directors, in which event approval requires only a majority of Voting Shares. See Article VII of the attached Articles - "Provisions Relating to Business Combinations".

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

The proposed amendments to the Company's Articles may be briefly summarized as follows:

Approval of Business Combinations. Whether or not a vote of shareholders is otherwise required, and in addition to any votes otherwise required by law, by agreement or resolution, or otherwise, this proposed amendment to the Articles requires an affirmative vote of 66-2/3% of the outstanding "Voting Shares" (i.e., those shares entitled to vote generally in elections of directors), voting separately as a class, and by an "Independent Majority of Shareholders" (i.e., a majority of the outstanding Voting Shares not beneficially owned or controlled by a Related Person) before the Company can enter into certain "Business Combinations."

These provisions would not apply to a Business Combination that is approved by (a) 66-2/3% of the Company's "Whole Board of Directors" (i.e., the total number of directors if there were no vacancies), and (b) a majority of the "Continuing Directors." A "Continuing Director" is a director who either (i) was first elected as a Director of the Company prior to any person becoming a Related Person, or (ii) was designated prior to his initial election as a "Continuing Director" by a majority of the then Continuing Directors. In such event, the required shareholder vote (the "Minimum Vote") shall be a majority of the Company's outstanding Voting Shares. All directors nominated by your Board of Directors for election at the Meeting will be Continuing Directors.

The Board has determined that it continues to be desirable to include provisions in the Articles to encourage persons seeking control of the Company to consult with the Board, and to enable the Board to negotiate and give due consideration on behalf of the Company and its shareholders and other constituencies as to the merits of any offer that may be made. The proposed Business Combination amendments will further this goal. The Articles also grant the Company and its Board of Directors the maximum flexibility to respond to initiatives from others and to pursue acquisition opportunities for the Company using authorized but unissued shares. The Board has determined that it is in the best interests of the organization that it protect its shareholders and the Company from unsolicited, hostile takeover attempts, which are costly and detract from the Company's efforts to serve its communities pursuant to its successful, long-term plan, and to thereby best serve Company shareholders.

Takeovers or changes in management of the Company that are proposed and effected without prior consultation and negotiation with the Company's management are not necessarily detrimental to the Company and its shareholders. However, the Company's Board believes that the benefits of seeking to protect the Board of Directors' ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure the Company outweigh the possible disadvantages of discouraging such proposals.

The ratification, approval and implementation of the Business Combination provisions in the Company's Articles may make more difficult or discourage attempts to take control of the Company by a holder of a substantial block of the Company's capital stock without the prior negotiation with the Company's Board and, therefore, could have the effect of maintaining incumbent management.

This Proposal 2 requires approval by the affirmative vote of 66-2/3% of the outstanding shares of Common Stock entitled to vote at the Meeting.

The Board of Directors unanimously recommends a vote "FOR" Proposal 2.

PROPOSAL 3

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

ADJOURNMENT OF THE ANNUAL MEETING

Proposal 3 would give the proxy holders discretionary authority to vote to adjourn the Meeting for up to 120 days if there are not sufficient shares voted at the Meeting, in person or by proxy, to approve Proposal 2.

If the Company desires to adjourn the Meeting, the presiding officer at the Meeting will request a motion that the Meeting be adjourned for up to 120 days with respect to Proposal 2 (and solely with respect to Proposal 2, provided that a quorum is present at the Meeting), and no vote will be taken on Proposal 2 at the originally scheduled Meeting. Unless revoked prior to its use, any proxy solicited for the Meeting will continue to be valid for any adjourned meeting, and will be voted in accordance with instructions contained therein, and if no contrary instructions are given, for Proposal 2.

Approval of this proposal will allow the Company, to the extent that shares voted by proxy are required to approve a proposal to adjourn the Meeting, to solicit additional proxies to determine whether sufficient shares will be voted in favor of or against Proposal 2. If the Company is unable to adjourn the Meeting to solicit additional proxies, Proposal 2 may fail, not because shareholders voted against the proposal, but rather because there were not sufficient shares represented at the Meeting to approve Proposal 2. The Company has no reason to believe that an adjournment of the Meeting will be necessary at this time.

This Proposal requires approval by the affirmative vote of a plurality of votes cast at the Meeting.

The Board of Directors unanimously recommends a vote "FOR" Proposal 3.

INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed PricewaterhouseCoopers LLP, independent certified public accountants, as independent auditors for Seacoast and its subsidiaries for the current fiscal year ending December 31, 2003. PricewaterhouseCoopers LLP became the independent auditors for Seacoast and its subsidiaries in June 2002, following the dismissal of Arthur Andersen LLP. The decision to replace Arthur Andersen LLP with PricewaterhouseCoopers LLP was made by Seacoast's Board of Directors, upon the recommendation of the Audit Committee, and was not based upon any disagreement on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. PricewaterhouseCoopers LLP's report on Seacoast's financial statements for the fiscal year ended December 31, 2002 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles. PricewaterhouseCoopers LLP has advised Seacoast that neither the firm nor any of its partners has any direct or material interest in Seacoast and its subsidiaries except as auditors and independent certified public accountants of Seacoast and its subsidiaries.

During the Company's 2002 fiscal year, PricewaterhouseCoopers LLP consulted with Seacoast on various matters and provided professional services for the Company for fees and expenses as follows:

- (1) Audit-related fees consisted of fees paid for audits to financial statements of the Company's Profit Sharing Plan and a subsidiary of the Bank, as well as reviews of the Company's internal control structure over financial reporting and Federal Home Loan Bank borrowings.
- (2) Other non-audit fees consisted of fees paid for evaluation of the Company's computer network environment.

A representative of PricewaterhouseCoopers LLP will be present at the Meeting and will be given the opportunity to make a statement on behalf of the firm, if he so desires, and will also be available to respond to appropriate questions from shareholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of the Company's Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, executive officers and persons owning more than 10% of the Company's Common Stock are required to furnish the Company with copies of all Section 16(a) reports they file. Based on the Company's review of such reports and written representations from the reporting persons, the Company believes that, during and with respect to fiscal 2002, all filing requirements applicable to its directors, executive officers and beneficial owners of more than 10% of its Common Stock were complied with in a timely manner, except that Mr. Gilbert inadvertently neglected to report his acquisition of indirect beneficial ownership of 600 shares of Common Stock during fiscal year 1997. The Company believes that Mr. Gilbert's Form 5 filed on February 10, 2003 reflects his current holdings.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

To be considered for inclusion in the Company's Proxy Statement and Proxy for the 2004 Annual Meeting of Shareholders, a shareholder proposal must be received at the Company's principal executive offices no later than November 19, 2003, which is 120 calendar days before the one-year anniversary of the date the Company mailed this Proxy Statement to shareholders. Any shareholder proposal not received at the Company's principal executive offices no later than February 2, 2004, which is 45 calendar days before the one-year anniversary of the date the Company mailed this Proxy Statement to shareholders, will be considered untimely and, if presented at the 2004 Annual Meeting of Shareholders, the proxy holders will be able to exercise discretionary authority to vote your shares on any such proposal to the extent authorized by Rule 14a-4(c) under the Securities Exchange Act.

OTHER MATTERS

Management of Seacoast does not know of any matters to be brought before the Meeting other than those described above. If any other matters properly come before the Meeting, the persons designated as Proxies will vote on such matters in accordance with their best judgment.

OTHER INFORMATION

Proxy Solicitation Costs

The cost of soliciting Proxies for the Meeting will be paid by Seacoast, which may also pay the reasonable costs of retaining one or more proxy solicitation firms. Seacoast has retained Morrow & Company, Inc., a proxy solicitation firm, to solicit Proxies for the Meeting. The fees of such firm are not expected to exceed approximately \$12,500, plus expenses. In addition to the solicitation of shareholders of record by mail, telephone, electronic mail, facsimile or personal contact, Seacoast will be contacting brokers, dealers, banks, or voting trustees or their nominees who can be identified as record holders of Common Stock; such holders, after inquiry by Seacoast, will provide information concerning quantities of proxy materials and 2002 Annual Reports to Shareholders needed to supply such information to beneficial owners, and Seacoast will reimburse them for the reasonable expense of mailing proxy materials and 2002 Annual Reports to such persons.

Annual Report on Form 10-K

Upon the written request of any person whose Proxy is solicited by this Proxy Statement, Seacoast will furnish to such person without charge (other than for exhibits) a copy of Seacoast's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, including financial statements and schedules thereto, as filed with the Securities and Exchange Commission. Requests may be made to Seacoast Banking Corporation of Florida, P.O. Box 9012, Stuart, Florida 34995, Attention: Dennis S. Hudson III, President & Chief Executive Officer.

6.01 Number. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, each of whose members shall have the qualifications, if any, set forth in the Bylaws, and who need not be residents of the State of Florida. The number of directors of the Corporation (exclusive of directors to be elected by the holders of any one or more series of Preferred Stock voting separately as a class or classes) that shall constitute the Whole Board of Directors shall be between 3 and 14, with the exact number determined from time to time by resolution adopted by the affirmative vote of at least (i) two-thirds (66 2/3%) of the Whole Board of Directors and (ii) a majority of the Continuing Directors. In no event shall the Whole Board of Directors consist of less than 11 persons.

6.02 Classification; Vacancies. The Board of Directors shall be divided into three classes, designated Classes I, II and III, as nearly equal in number as the then total number of directors constituting the Whole Board of Directors permits, with the term of office of one class expiring each year. At the annual meeting of shareholders when the Board of Directors is first classified, directors of Class I shall be elected to hold office for a term expiring at the next succeeding annual meeting, directors of Class II shall be elected to hold office for a term expiring at the second succeeding annual meeting and directors of Class III shall be elected to hold office for a term expiring at the third succeeding annual meeting. Any vacancies in the Board of Directors for any reason, and any newly created directorships resulting from any increase in the number of directors, may be filled only by the Board of Directors, acting by

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

vote of (i) 66 2/3% of the directors then in office and (ii) a majority of the Continuing Directors, although less than a quorum, or if no directors remain by the affirmative vote of not less than (i) 66 2/3% of the Voting Shares and (ii) an Independent Majority of Shareholders, and any directors so chosen shall hold office until the next election of the class of the director they have replaced and until their successors have been elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director. Notwithstanding the foregoing, and except as otherwise required by law, whenever the holders of any one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the terms of the director or directors elected by such holders shall expire at the next succeeding annual meeting of shareholders and vacancies created with respect to any directorship of the directors so elected shall be filled in the manner specified by such series of Preferred Stock. Subject to the foregoing, at each annual meeting of shareholders, the successors to the class of directors whose term is then expiring shall be elected to hold office for a term expiring at the third succeeding annual meeting and until their successors have been elected and qualified.

6.03 Nominations. In addition to the right of the Corporation's Board of Directors to make nominations for the election of directors, nominations for the election of directors may be made by any shareholder entitled to vote generally in the election of directors if that shareholder complies with all of the provisions of this Section 6.03.

(1) Advance notice of such proposed nomination shall be received by the Secretary of the Corporation (a) with respect to an election of directors to be held at an annual meeting, not less than 60 days nor more than 90 days prior to the anniversary of the last annual meeting of Corporation shareholders (or, if the date of the annual meeting is changed by more than 20 days from such anniversary date, within 10 days after the date that the Corporation mails or otherwise gives notice of the date of such meeting) and (b) with respect to an election to be held at a special meeting called for that purpose, not later than the close of the tenth day following the date on which notice of the meeting was first mailed to shareholders.

(2) Each notice under Section 6.03 (1) shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice, (ii) the principal occupation or employment of each such nominee during the past five years, (iii) the number of Shares of the Corporation which are Beneficially Owned by each such nominee; (iv) whether such person or persons are or have ever been at any time directors, officers or beneficial owners of 5% or more of any class of capital stock, partnership interests or other equity interest of any Person and if so a description thereof; any directorships or similar position, and/or Beneficial Ownership of 5% or more of any class of capital stock, partnership interests or other equity interest held by such person or persons in any Person with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended; (v) whether, in the last five years, such person or persons are or have been convicted in a criminal proceeding or have been subject to a judgment, order, finding or decree of any federal, state or other governmental, regulatory or self-regulatory entity, concerning any violation of federal, state or other law, or any proceeding in bankruptcy, in order to evaluate the ability or integrity of the nominee; (vi) the name and address of the nominator and the number of Shares of the Corporation held by the nominator, and a written confirmation that the nominator is and will

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

remain a shareholder of the Corporation through the meeting; (vii) represent that the nominator intends to appear in person or by proxy at the meeting to make such nomination, (viii) full disclosure of the existence and terms of all agreements and understandings, between the nominator or any other person and the nominee with respect to the nominee's nomination, or possible election and service to the Corporation's Board of Directors, or a confirmation that there are no such arrangements or understandings; (ix) the written consent of each such person to serve as a director if elected; and (x) any other information reasonably requested by the Corporation.

(3) The nomination made by a shareholder may only be made in a meeting of the shareholders of the Corporation called for the election of directors at which such shareholder is present in person or by proxy, and can only be made by a shareholder who has therefore complied with the notice provisions of Sections 6.03 (1) and (2). The foregoing provisions are not intended to and shall not limit the responsibilities of any nominator or nominees, or their respective Affiliates or Associates responsibilities under applicable law, including, without limitation, federal and state securities laws.

(4) The chairman of the shareholders' meeting may, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedures, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded. The Corporation's Nominating Committee shall evaluate any proper nomination and may, in its discretion, make a recommendation thereon to the shareholders.

6.04 Removal. Directors may be removed only for cause upon the affirmative vote of ----- (a) 66 2/3 % of all Voting Shares and (b) an Independent Majority of Shareholders at a meeting duly called and held for that purpose upon not less than 30 days' prior written notice.

7.01.3 A person shall be considered the "Beneficial Owner" of and shall be deemed to "beneficially own" any shares of stock (whether or not owned of record):

(1) With respect to which such Person or any Affiliate or Associate of such Person directly or indirectly has or shares (i) voting power, including the power to vote or to direct the voting of such shares of stock and/or (ii) investment power, including the power to dispose of or to direct the disposition of such shares of stock;

(2) Where such Person or any Affiliate or Associate of such Person has (i) the right to acquire (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange or purchase rights, warrants, options, or otherwise, and/or (ii) the right to vote pursuant to any agreement, arrangement or understanding (whether such right is exercisable immediately or only after the passage of time); or

For the purpose only of determining whether a Person is the Beneficial Owner of a percentage specified in this Article VII of the outstanding Voting Shares, such shares shall be deemed to include any interest in Voting Shares which may be issuable, transferred or voted or disposed of pursuant to any agreement, trust, arrangement or understanding or upon the exercise of conversion rights, exchange or purchase rights, warrants, options or otherwise and which Voting Shares are deemed to be beneficially owned by such Person pursuant to the foregoing provisions of this Section 7.01.3.

7.01.4 A "Business Combination" means:

(1) The sale, exchange, lease, transfer or other disposition to or with any Person or any Affiliate or Associate of any such Person by the Corporation or any of its Subsidiaries (in a single transaction or in a series of related transactions) of all or substantially all, or any Substantial Part, of its or their assets or businesses (including, without limitation, any securities issued by a Subsidiary and assets of a Subsidiary);

(3) Any reclassification of securities (including, without limitation, a reverse stock split), recapitalization or other

Edgar Filing: SEACOAST BANKING CORP OF FLORIDA - Form PRE 14A

transaction (other than a redemption in accordance with the terms of the security redeemed) which has the effect, directly or indirectly, of increasing other than pro rata with other Corporation shareholders, the proportionate amount of Voting Shares of the Corporation or any Subsidiary thereof which are Beneficially Owned by a Related Person, or the adoption of any plan or proposal of partial or complete liquidation, dissolution, spinoff, splitoff or splitup of the Corporation or any Subsidiary thereof; and

(4) The acquisition after the date of adoption of these Amended and Restated Articles of Incorporation by a Person of Voting Shares or securities convertible into or exchangeable for 5% or more of the Voting Shares or any voting securities or securities convertible into 5% or more of the voting securities of any Subsidiary of the Corporation, or the acquisition upon the issuance thereof of Beneficial Ownership by a Related Person of any rights, warrants or options to acquire any of the foregoing or any combination of the foregoing Voting Shares or voting securities of a Subsidiary; provided, however, this subsection (4) shall not apply to the acquisition of any such Voting Shares, securities, options, rights or warrants issued pursuant to any stock option plan or any pension, profit sharing, benefit or stock purchase plans maintained by the Corporation or any of its Subsidiaries.

As used in this definition, a "series of related transactions" shall be deemed to include a series of transactions with the same Person considered together with all Affiliates and Associates of such Person.

The foregoing provision of this Section 7.01.4 notwithstanding, a Business Combination shall not include any merger, consolidation, P&A or other transaction described in the definition of Business Combination with the Corporation and/or any of its Subsidiaries, as a result of which a Person who is not a Related Person prior to such transaction does not become a Related Person.

7.01.5 A "Continuing Director" means a member of the Board of Directors who either (i) was first elected as a director of the Corporation prior to February 28, 2003 or (ii) prior to any Person becoming a Related Person and was designated as a Continuing Director by a majority vote of the Continuing Directors.

7.01.6 "Independent Majority of Shareholders" shall mean the holders of a majority of the outstanding Voting Shares that are not Beneficially Owned or controlled, directly or indirectly, by a Related Person.

7.01.7 The term "Person" shall mean any individual, partnership, trust, firm, joint venture, corporation, group or other entity (other than the Corporation, any Subsidiary of the Corporation or a trustee holding stock for the benefit of employees of the Corporation or its Subsidiaries, or any one of them, pursuant to one or more employee benefit plans or arrangements). When two or more Persons act as a partnership, limited partnership, syndicate, association or other group for the purpose of acquiring, holding, or disposing of shares of stock, such partnership, syndicate, association or group shall be deemed a "Person".

7.01.8 "Related Person" means any Person which is the Beneficial Owner as of the date of determination by a majority of the Whole Board of Directors or immediately prior to the consummation of a Business Combination, or both, of 5% or more of the Voting Shares, or any Person who is an Affiliate of the Corporation and at any time within five years preceding the determination of such status by the Whole Board of Directors was the Beneficial Owner of 5% or more of the Corporation's then outstanding Voting Shares; provided, however, that "Related Person" shall not include (i) any Person who is the Beneficial

Owner of more than 5% of the Corporation's Voting Shares on February 28, 2003, (ii) any plan or trust established for the benefit of the Corporation's employees generally or (iii) any Subsidiary of the Corporation that holds Voting Shares in a fiduciary capacity, whether or not it has the authority to vote or dispose of such securities.

7.01.9 The term "Substantial Part" as used with reference to the assets of the Corporation, of any Subsidiary or of any Related Person means assets having a value of more than 10% of the total consolidated assets of the Corporation and its Subsidiaries as of the end of the Corporation's most recent quarter ending prior to the time the determination is being made.

7.01.10 "Subsidiary" shall mean any corporation or other entity of which the Person in question owns not less than 50% of any class of equity securities, directly or indirectly, and "Significant Subsidiary" shall mean a Subsidiary that also meets the tests for a "significant subsidiary" under Securities and Exchange Commission Regulation S-X, Rule 1-02(w).

7.01.11 "Voting Shares" means all Shares of the Corporation entitled to vote generally in the election of Corporation directors.

7.01.12 "Whole Board of Directors" means the total number of directors that the Corporation would have if there were no vacancies.

7.01.13 Certain Determinations With Respect to Article VII. A majority of the Whole Board of Directors shall have the power to determine for the purposes of this Article VII, on the basis of information known to them: (i) the number of Voting Shares of which any Person is the Beneficial Owner, (ii) whether a Person is an Affiliate or Associate of another, (iii) whether a Person has an agreement, arrangement or understanding with another as to the matters referred to in the definition of "Beneficial Owner" as hereinabove defined, (iv) whether the assets subject to any Business Combination constitute a "Substantial Part" as hereinabove defined, (v) whether two or more transactions constitute a "series of related transactions" as hereinabove defined, and (vi) such other matters with respect to which a determination is required under this Article VII.

7.01.14 Fiduciary Obligations. Nothing contained in this Article VII shall be construed to relieve any Related Person from any fiduciary or other obligation imposed by law.

7.02 Approval of Business Combinations.

7.02.1 Maximum Votes Required. Whether or not a vote of the shareholders is otherwise required in connection with the transaction, neither the Corporation nor any of its Subsidiaries shall complete any Business Combination without the prior affirmative vote at a meeting of the Corporation's shareholders as to all shares owned:

(1) By the holders of not less than a two-thirds (66 2/3%) of the Corporation's outstanding Voting Shares, voting separately as classes, and

(2) By an Independent Majority of Shareholders.

The affirmative vote required by this Section is in addition to the vote of the holders of any class or series of Corporation Shares otherwise required by law, these Articles of Incorporation, including, without limitation, any resolution which has been adopted by the Board of Directors providing for the issuance of a class or series of Shares. Such favorable votes shall be in addition to any shareholder vote which would be required without reference to this Section 6.02.1 and shall be required notwithstanding the fact that no vote

may be required, or that some lesser percentage may be specified by law or elsewhere in this Certificate of Incorporation, the Corporation's Bylaws or otherwise.

7.02.2 Minimum Vote Required. The provisions of Section 7.02.1 shall not apply to a particular Business Combination, and such Business Combination shall require only the affirmative vote of a majority of the Corporation's outstanding Voting Shares, if such Business Combination is: (i) approved and recommended to the shareholders by the affirmative vote of two-thirds (66 2/3%) of the Whole Board of Directors of the Corporation, and (ii) a majority of the Continuing Directors.

7.03 Evaluation of Business Combinations, etc. In connection with the exercise of its judgment in determining what is in the best interest of the Corporation and its shareholders when evaluating an actual or proposed Business Combination, a tender or exchange offer, a solicitation of options or offers to purchase or sell Corporation Shares by another Person, or a solicitation of proxies to vote Corporation Shares by another Person, the Corporation's Board of Directors, in addition to considering the adequacy and form of the consideration to be paid in connection with any such transaction, shall consider all of the following factors and any other factors which it deems relevant: (i) the social and economic effects of the transaction or proposal on the Corporation and its Subsidiaries, its and their employees, depositors, loan and other customers, creditors and the communities in which the Corporation and its Subsidiaries operate or are located; (ii) the business and financial condition, and earnings prospects of the acquiring Person or Persons, including, but not limited to, debt service and other existing financial obligations, financial obligations to be incurred in connection with the acquisition, and other likely financial obligations of the acquiring Person or Persons, and the possible effect of such conditions upon the Corporation and its Subsidiaries and the other elements of the communities in which the Corporation and its Subsidiaries operate or are located; (iii) the competence, experience, and integrity of the Person and their management proposing or making such actions; (iv) the prospects for a successful conclusion of the Business Combination; and (v) the Corporation's prospects as an independent entity. This Section 7.03 shall not be deemed to provide any constituency the right to be considered by the Board of Directors in connection with any transaction or matter.

ARTICLE VIII SPECIAL PROVISIONS

In furtherance and not in limitation of the powers conferred by law, the following provisions for regulation of the Corporation, its directors and shareholders are hereby established:

8.01 Bylaws. The Corporation's Board of Directors is authorized and empowered, upon the affirmative vote of two-thirds (66 2/3%) of the Whole Board of Directors and a majority of the Continuing Directors, to amend, alter, change or repeal any and all of the Corporation's Bylaws and to adopt new Bylaws, including, without limitation, establishing the exact number of directors to be fixed by resolution adopted by the Board of Directors from time to time consistent with Section 6.01 of these Articles of Incorporation. The shareholders may also amend the Bylaws by the affirmative vote of 66 2/3% of all Voting Shares entitled to vote on such amendment and by the affirmative vote of an Independent Majority of Shareholders.

8.02 Shareholder Action by Consent. No action may be taken by written consent except as may be provided in the designation of the preferences, limitations and relative rights of any series of the Corporation's Preferred Stock. Any action required or permitted to be taken by the holders of Corporation Common Stock must be effected at a duly called annual or special

meeting of such holders, and may not be effected by any consent in writing by such holders.

8.03 Shareholder Requests for Special Meetings. The Corporation will hold a special meeting of shareholders on a proposed issue or issues at the request of shareholders only upon the receipt from the holders of half (50%) of all the votes entitled to be cast on the proposed issue or issues of signed, dated written demands for the meeting describing the purpose for which it is to be held.

ARTICLE IX SHAREHOLDER PROPOSALS

9.01 Proposals. In addition to the right of the Corporation's Board of Directors to submit proposals for a shareholder vote, proposals for a shareholder vote may be made in connection with any annual meeting of Corporation shareholders by any holder of voting shares ("Proponent") entitled to vote generally in the election of directors if that shareholder complies with all of the provisions of this Section 9.01.

(1) Advance notice of such proposal shall be received by the Secretary of the Corporation (a) with respect to an annual meeting, not less than 60 days nor more than 90 days prior to the anniversary of the last annual meeting of Corporation shareholders (or, if the date of the annual meeting is changed by more than 20 days from such anniversary date, within 10 days after the date that the Corporation mails or otherwise gives notice of the date of such meeting) and (b) with respect to a special meeting, not later than the close of the tenth day following the date on which notice of the meeting was first mailed to shareholders.

(2) Each notice under Section 9.01(1) shall set forth (i) the names and business addresses of the Proponent and all persons acting in concert with the Proponent, (ii) the name and address of the Proponent and persons identified in clause (i), as they appear on the Corporation's books (if they so appear); (iii) the class and number of Voting Shares of the Corporation that are beneficially owned by the Proponent and the persons identified in clause (i); (iv) a description of the proposal containing all material information relating thereto; and (v) such other information as the Board of Directors reasonably determines is necessary or appropriate to enable the Board of Directors and shareholders of the Corporation to consider the proposal.

(3) The proposal made by a shareholder may only be made in a meeting of the shareholders of the Corporation at which such shareholder is present in person or by proxy, and can only be made by a shareholder who has therefore complied with the notice provisions of Sections 9.01(1) and (2), and is subject further to compliance with all applicable laws, including, without limitation, federal and state securities laws.

(4) The Chairman of the shareholders' meeting may, if the facts warrant, determine and declare to the meeting that a proposal was not made in accordance with the foregoing procedures, and if he should so determine, he shall so declare to the meeting and the defective proposal shall be disregarded.
