Explanation of responses:

(1) Pursuant to an election made at least six months prior to the transaction, the reporting person: (a) exercised options to acquire shares of common stock, and (b) deferred the receipt of such shares of common stock. The exercise price was deemed to have been paid based on an attestation by the reporting person that he owned shares with an aggregate market price at least equal to the exercise price. The number of shares realized upon exercise of the option was reduced by that number of shares having a market value at the exercise date equal to the exercise price.
