Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- (1) The reporting person owns share units in a company stock fund under the Issuer's Profit Sharing and Savings Plan. These share units were erroneously reported in the original Form 4 as well as previous Form 4s as non-derivative securities rather than derivative securities. The original Form 4 and previous Form 4s also reported the number of company stock fund share units held by the reporting person rather than the corresponding number of shares of the Issuer's common stock. Because share units in the company stock fund do not correspond on a one-for-one basis with shares of common stock of the Issuer, the number of securities held by the reporting person was overstated. This amendment is being filed to correct the securities type and the number of securities held by the reporting person.

Edgar Filing: MGIC INVESTMENT CORP - Form 4/A

Pursuant to Instruction 9(b) to Form 4, only the lines of the Form 4 requiring correction or amendment are being restated on this amended Form 4.

- (2) The conversion price varies with the price of the Issuer's common stock. At any given time, the conversion price is equal to the closing price of the Issuer's common stock on the New York Stock Exchange on the previous trading day.
- (3) These derivative securities may be exercised at any time.
- (4) These derivative securities do not have an expiration date.
- (5) As of March 9, 2016.

Remarks:

This Form 4 is signed and submitted by the reporting person's attorney-in-fact pursuant to a previously filed limited power of attorney.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
