Edgar Filing: DUPONT CANADA INC /FI - Form CB/A

June 3, 2003

TO: PARTICIPANTS IN THE DUPONT CANADA INC. (DUPONT CANADA) EMPLOYEE STOCK OPTION PLAN NOTICE OF SECOND EXTENSION

You previously received our Option Exchange Letter dated April 17, 2003 and our letter dated May 27, 2003, notifying you that DCI Acquisition Inc. (the Purchaser) had extended until June 9, 2003 its Offer (defined below).

The Option Exchange Letter provided you with the opportunity to receive options to acquire shares of common stock of E. I. du Pont de Nemours and Company (EID) upon the successful completion of the Offer (defined below) and upon surrender of all of your unexercised options under the DuPont Canada Employee Stock Option Plan, subject to receipt of all necessary regulatory approvals. EID is pleased to announce that holders of approximately 98% of the DuPont Canada options have elected to exchange their options for EID options in accordance with the terms of the Option Exchange Letter.

The Purchaser has increased to \$21.75 per share and further extended until June 16, 2003 its offer (the Offer) to purchase all of the outstanding class A common shares, series 1 of DuPont Canada not already owned by the Purchaser and its affiliates. The extension will have the following impact on the exchange of your options:

1. The time for you to elect to exchange your DuPont Canada options for EID options has now been extended. If you have not already elected to exchange your options, you may do so at this time by completing the enclosed election form. **Your election form must be received by Computershare Trust Company of Canada (Computershare) no later than Friday June 13, 2003 at 3:00 p.m. EDT.**
2. If you have already elected to exchange your options, YOU SHOULD NOT COMPLETE ANOTHER ELECTION FORM. No election form has been included with this letter if a completed election form applicable to your DuPont Canada options has been received by Computershare.
3. If you now elect or have already elected to exchange your DuPont Canada options, your election is irrevocable. If DuPont Canada options are exchanged for EID options, the number of your DuPont Canada options exchanged will be the total number of unexercised DuPont Canada options which you hold on the Effective Date (defined below). The exchange ratio used to calculate the number of EID options you will receive will reflect the new Offer price of \$21.75.
4. The Offer will not be extended again. The exchange of your DuPont Canada options becomes effective on the last date that the Purchaser takes up shares under the Offer (the Effective Date). If the Offer is successful, this should occur shortly after the expiry of the Offer, which is now scheduled to occur on June 16, 2003. In such event, you will be able to exercise your EID options through Merrill Lynch, the administrator for EID options who will be prepared to receive exercise requests commencing on June 24, 2003.
5. If you have DuPont Canada options that have vested, you may continue to exercise your right to acquire DuPont Canada shares pursuant to those options and tender the resulting shares to the Purchaser under the Offer. Since the Offer now expires on June 16, 2003, there is no guarantee that Computershare will be able to process your request to exercise your options in time for you to receive your share certificates and tender your DuPont Canada shares under the Offer. Please refer to the Option Exchange Letter and the accompanying Questions and Answers previously provided to you for a summary of the tax consequences associated with the exercise of DuPont Canada options and tender of the resulting DuPont Canada shares under the Offer.

If you have any questions, please contact Rhonda Porter at (905) 821-5495.

Sincerely,

John P. Jessup

AND TO: DuPont Canada Inc. (DuPont Canada)

The undersigned option holder (the Option Holder) holds options to purchase class A common shares, series 1 of DuPont Canada under the DuPont Canada Employee Stock Option Plan.

DCI Acquisition Inc. (the Purchaser), a subsidiary of EID, has made an offer (the Offer) to purchase all of the outstanding class A common shares, series 1 of DuPont Canada, not already owned by the Purchaser and its affiliates. The Offer does not extend to DuPont Canada options. In a letter dated April 17, 2003 (the Option Exchange Letter), as supplemented by a letter dated June 3, 2003, EID offered to issue me options to acquire shares of common stock of EID if I surrender all of my DuPont Canada options which are unexercised (whether vested or unvested and whether in the money or not) (the Unexercised Options) as at the Effective Date (as defined below).

I accept the offer contained in the Option Exchange Letter as so supplemented with respect to my Unexercised Options and, conditional upon the Purchaser taking up the shares deposited under the Offer, surrender all of my Unexercised Options to DuPont Canada for cancellation in exchange for options to purchase shares of common stock of EID. The EID options will be issued in accordance with the terms and conditions set forth in the Option Exchange Letter as so supplemented. I understand that the surrender of my Unexercised Options and the issuance of EID options will be effective on the last date that the Purchaser takes up shares under the Offer (the Effective Date).

I understand that if the Purchaser does not take up the shares deposited under the Offer, my surrender will not take effect and I will continue to hold my Unexercised Options.

Edgar Filing: DUPONT CANADA INC /FI - Form CB/A

I acknowledge that by completing and returning this Election Form, all of my Unexercised Options as of the Effective Date will be surrendered and my existing option certificates will be cancelled, subject to the terms and conditions of the Option Exchange Letter supplemented as aforesaid.

NOTICE OF EXTENSION AND VARIATION

June 3, 2003

TO: THE HOLDERS OF COMMON SHARES OF THE COMPANY

DCI Acquisition Inc. (the Offeror) has varied its Offer dated April 17, 2003, as extended and varied by a notice dated May 27, 2003 (the Initial Notice), to purchase all of the issued and outstanding Common Shares (including any Common Shares which may become outstanding after the date of the Offer and prior to the Expiry Time upon the exercise of any Options, warrants or other rights to acquire Common Shares) not already held by the Offeror and its affiliates by: (i) increasing the price payable under the Offer to \$21.75 cash per Common Share; and (ii) extending the Offer.

The Offer, as extended and varied, is open for acceptance until 10:00 p.m. (Toronto time) on June 16, 2003 (the Expiry Time). The \$21.75 offer is final, and the Expiry Time will not be extended further.

Except as otherwise set forth in this Notice of Extension and Variation, the terms and conditions previously set forth in the Offer to Purchase, the Circular, Letter of Transmittal and Notice of Guaranteed Delivery dated April 17, 2003 and the Initial Notice (collectively, the Original Offer) continue to be applicable in all respects and this Notice of Extension and Variation should be read in conjunction with the Original Offer. Unless the context requires otherwise, terms not defined herein have the meanings set forth in the Original Offer. The term Offer means the Original Offer, as amended by this Notice of Extension and Variation.

1. Increase in Price Offered for Common Shares

The Offeror has varied the Original Offer by increasing the price payable for each Common Share taken up under the Offer from \$21.00 cash per Common Share to \$21.75 cash per Common Share. Assuming that all of the conditions of the Offer are satisfied or waived, all Shareholders whose Common Shares are taken up under the Offer, including those Shareholders who have already deposited their Common Shares to the Offer, will receive the increased price for their Common Shares.

The Offeror believes that the increased Offer price represents a meaningful increase to what was already a full and fair offer. Shareholders should accept the enhanced Offer for the following reasons:

- (a) the increased Offer price represents a premium of approximately 26.2% over the \$17.24 pre-announcement closing price of the Common Shares on March 18, 2003 and a premium of approximately 31.9% over the 10-day average closing price of \$16.49 prior to the announcement;
- (b) the opinion of TD Securities Inc. that an offer price of \$21.00 in cash is fair, from a financial point of view, to Shareholders other than the Offeror and its affiliates;
- (c) the consideration to be paid pursuant to the Offer is cash, and is above the mid-point of the range of values for the Common Shares established by TD Securities Inc.;
- (d) the determination of the Special Committee and the Board of Directors, even prior to the increase in the Offer price, that the Offer is fair to Shareholders, other than the Offeror and its affiliates, and their recommendation that Shareholders accept the Offer; and
- (e) Shareholders currently have limited liquidity for their Common Shares, and the Offer provides an opportunity for Shareholders to monetize their investment at a full and fair price.

2. Extension of the Offer

The Offeror has varied the Original Offer by extending the Expiry Time for the Offer from 10:00 p.m. (Toronto time) on June 9, 2003 to 10:00 p.m. (Toronto time) on June 16, 2003. Accordingly, the definition of Expiry Time in the Original Offer is amended to read in full as follows:

Expiry Time means 10:00 p.m. (Toronto time) on June 16, 2003;

3. Conditions of the Offer

The Offeror has the right to withdraw the Offer and not take up and pay for any Common Shares deposited under the Offer, unless all of the conditions of the Offer are satisfied or waived by the Offeror at or prior to the Expiry Time. Those conditions include there having been validly deposited under the Offer and not withdrawn a number of Common Shares which constitutes at least 50.1% of the aggregate outstanding Common Shares (including, for this purpose, Common Shares underlying any Options, warrants or other rights to purchase Common Shares that are exercisable prior to the Expiry Time) not currently owned by the Offeror and its affiliates.

4. Withdrawal of Deposited Common Shares

Shareholders have the right to withdraw Common Shares deposited pursuant to the Offer and not taken up under the circumstances and in the manner described in Section 6 of the Offer to Purchase, *Withdrawal of Deposited Common Shares*. As a result of this Notice of Extension and Variation, Common Shares deposited to the Offer may be withdrawn by or on behalf of the depositing Shareholders at any time prior to midnight (local time) on June 13, 2003 or thereafter if the Common Shares have not been taken up by the Offeror pursuant to the Offer.

5. Take-Up of Deposited Common Shares

Upon the terms and subject to the conditions of the Offer, the Offeror will take up the Common Shares validly deposited under the Offer (and not withdrawn pursuant to Section 6 of the Offer to Purchase, *Withdrawal of Deposited Common Shares*) not later than 10 days after the Expiry Time, subject to applicable laws, and will pay for the Common Shares taken up as soon as possible, but in any event not later than three business days after taking up the Common Shares. See Section 7 of the Offer to Purchase, *Payment for Deposited Common Shares*.

6. Variations to the Original Offer

The Original Offer shall be read as amended in order to give effect to the specified amendments set forth in this Notice of Extension and Variation.

7. Directors Approval

The contents of this Notice of Extension and Variation have been approved, and the sending thereof to the Shareholders has been authorized, by the board of directors of the Offeror.

8. Offerees Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides securityholders of the Company with, in addition to any other rights they may have at law, rights of rescission or damages, or both, if there is a misrepresentation in a circular or notice that is required to be delivered to such securityholders. However, such rights must be exercised within prescribed time limits. Securityholders should refer to the applicable provisions of the securities legislation of their province for the particulars of those rights or consult with a lawyer.

DuPont Announces Increase in Offer to \$21.75

Indicates Final Offer

WILMINGTON, Del., June 2, 2003 DuPont announced today that DCI Acquisition Inc., had increased its offer from Cdn\$21.00 to Cdn\$21.75 per common share in cash for all the class A common shares, Series 1 of DuPont Canada not owned by DuPont or its affiliates. In connection with the increase in the offer price, the offer period has been extended to Monday, June 16 at 10:00PM (Toronto time). DuPont indicated the offer was final, and that the offer period would not be further extended.

A formal Notice of Extension and Variation of the DuPont offer is expected to be mailed to DuPont Canada's shareholders on June 3, 2003.

Our previous (Cdn)\$21.00 offer to the minority shareholders received the unanimous support of the independent directors comprising the Special Committee of DuPont Canada's board, and was deemed fair from a financial point of view by the Special Committee's financial advisor, said John P. Jessup, DuPont vice president and treasurer. Our revised offer of (Cdn)\$21.75 represents a meaningful increase to what was already a full and fair offer.

On May 24, 2003, DuPont announced it had extended its offer to Monday, June 9, 2003, and reduced the minimum condition from 90 percent to 50.1 percent of the outstanding shares not already held by DuPont and its affiliates. Approximately 23 percent of the shares not already held by DuPont and its affiliates were tendered pursuant to the offer as of the initial expiry time.

As previously announced, DuPont plans to separate DuPont Textiles & Interiors (DTI) by the end of 2003, market conditions permitting. DuPont reaffirmed, as stated in the offering circular, that if this offer is unsuccessful DuPont intends to transfer its current share ownership interest in DuPont Canada to DuPont Textiles & Interiors. This transfer is expected to occur prior to any separation of DTI, regardless of the form of separation.

The (Cdn)\$21.75 offer is final, and the expiration date of Monday, June 16, will not be extended further, said Jessup. We believe that the best decision for all shareholders is to take advantage of this increased offer. Whatever the outcome of the tender offer, we will proceed with our previously announced separation of DTI on the current timetable.
