ITEM 2. Identity and Background.

(a), (b) and (c) This statement is filed by Plug Power Inc., a Delaware corporation with its principal place of business and executive office at 968 Albany-Shaker Rd., Latham, NY 12110 ("Plug Power").

ITEM 4. Purpose of Transactions.

(a) and (b) On November 11, 2002, Plug Power entered into an Agreement and Plan of Merger (the "Merger Agreement") with Monmouth Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Plug Power ("MergerCo") and the Company pursuant to which, MergerCo will be merged with and into the Company (the "Merger"). Under the terms of the Merger Agreement, Plug Power will acquire the Company in a stock-for-stock exchange valued at approximately \$50.7 million. The exchange ratio is initially set at approximately eight-tenths of a share of Plug Power for each Company share. Based on this initial exchange ratio, shareholders of the Company would receive shares of common stock of Plug Power equaling approximately \$4.70 per share for each share of the Company. The initial exchange ratio will vary within upper and lower bounds of 10% in the event that the value of Plug Power common stock during a defined pre-closing period varies by more than 10% from \$5.88 per share. In addition, the value to be paid will vary depending on the amount of the Company's cash, assets and liabilities at the closing date. The Merger is subject to customary closing conditions and regulatory approvals, as well as the approval of the stockholders of Plug Power and the Company.

In connection with the Merger Agreement, Plug Power entered into voting agreements (the "Voting Agreements") with Dr. H. Frank Gibbard, Dr. Arthur Kaufman and ECO Fuel Cells, LLC, (collectively, the "Stockholders"). Pursuant to the Voting Agreements, each of the Stockholders agreed to vote and has granted to Plug Power an irrevocable proxy and power of attorney to vote his or its shares of common stock of the Company owned as of November 11, 2002 and acquired thereafter (the "Shares") (i) in favor of approval of the Merger Agreement and the Merger and any matter necessary for consummation of the Merger; (ii) against (x) approval of any Acquisition Proposal (including, without limitation, any Superior Proposal) (y) any proposal for any action or agreement that would result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Company under the Merger Agreement or which could result in any of the conditions of the Company's obligations under the Merger Agreement not being fulfilled, and (z) any action which could reasonably be expected to impede, interfere with, delay, postpone or materially adversely affect consummation of the transactions contemplated by the Merger Agreement; and (iii) in favor of any other matter necessary for consummation of the transactions contemplated by the Merger Agreement which is considered at any such meeting of stockholders or in such consent, and in connection therewith to execute any documents which are necessary or appropriate in order to effectuate the foregoing or, at the request of Plug Power, to permit Plug Power to vote such Shares directly. The term "Acquisition Proposal" shall mean any proposed or actual tender offer, merger, consolidation or other business combination involving the Company, or sale, lease or other disposition, directly or indirectly, by merger, consolidation, share exchange or otherwise, of any material assets of the Company or the Company Subsidiaries or any securities of the Company or the Company Subsidiaries, or any transaction which is similar in form, substance or purpose to any of the foregoing transactions; provided, however, that the term "Acquisition Proposal" shall not include the Merger and related transactions. The term "Superior Proposal" shall mean an unsolicited, bona fide written offer made by a third party to consummate an Acquisition Proposal, which Acquisition Proposal is likely to be consummated, and that (i) the board of directors of the Company determines in good faith, after

consulting with its outside legal counsel and its financial advisor, would, if consummated, result in a transaction that is more favorable to the stockholders of the Company than the Merger and related transactions (taking into account all legal, financial, regulatory and other aspects of the proposal and the person making the proposal), and (ii) is for one hundred percent (100%) of the Common Stock of the Company.

The purpose of the transactions contemplated by the Voting Agreements is to consummate the transactions contemplated under the Merger Agreement.

(c) Not applicable.

(d) If the Merger is consummated, in accordance with the terms of the Merger Agreement, the directors of MergerCo immediately prior to the effective time of the Merger shall be the directors of the Company immediately after the effective time of the Merger until their successors shall have been duly elected or appointed and qualified or until their earlier death, resignation or removal. The officers of MergerCo immediately prior to the effective time of the Merger shall be the officers of the Company immediately after the effective time of the Merger until their successors shall have been duly elected or appointed and qualified or until their earlier death, resignation or removal.

(e) Other than as a result of the Merger described in Item 4(a) above, not applicable.

(f) Not applicable.

(g) If the Merger is consummated, in accordance with the terms of the Merger Agreement, at the effective time of the Merger, the certificate of incorporation of the Company shall be amended in its entirety to read as the articles of incorporation of MergerCo (except that the name of the Company will remain H Power Corp.) and such articles of incorporation shall be the articles of incorporation of the Company until thereafter amended as provided therein or by applicable law. If the Merger is consummated, in accordance with the terms of the Merger Agreement, at the effective time of the Merger, the bylaws of MergerCo, as in effect at the effective time of the Merger, shall be the bylaws of the Company until thereafter amended as provided therein or by applicable law.

(h) and (i) As a result of the Merger, Plug Power expects that the Company will request that its Common Stock be delisted from The Nasdaq National Market and that the Company will file a Form 15 terminating registration of the Common Stock pursuant to the Securities Exchange Act of 1934, as amended.

(j) Except as set forth above or in Item 5, Plug Power currently does not have any plans or proposals concerning the Company with respect to the matters set forth in subparagraphs (a) through (j) of Item 4 of this Schedule.

References to, and descriptions of, the Merger, the Merger Agreement and the Voting Agreements as set forth herein are qualified in their entirety by reference to the copies of the Merger Agreement and the form of voting agreement included as Exhibits 99.1 and 99.2,

respectively, to this Schedule 13D, and such agreements are incorporated herein in their entirety where such references and descriptions appear.

ITEM 5. Interest in Securities of the Issuer.

Edgar Filing: H POWER CORP - Form SC 13D

(a) and (b) As a result of the Voting Agreements, Plug Power may be deemed to have sole power to control the vote of the Shares on the matters related to the Merger. Plug Power has no voting power with respect to any other matters. More specifically, pursuant to the Voting Agreements, Plug Power has the sole power to vote, and may be deemed to be the beneficial owner of an aggregate of 1,339,035 shares of the Common Stock of the Company, representing approximately 12.2% of the outstanding shares of the Common Stock of the Company outstanding (including any stock options of the Stockholders which may be exercisable within 60 days of the date hereof). This percentage is based upon 10,776,548 outstanding shares of the Company's Common Stock as listed in the Company's capitalization representation and warranty set forth in the Merger Agreement. Plug Power has no power to dispose of the Shares.

(c) Neither Plug Power nor, to the knowledge of Plug Power, any person named in Schedule I hereto has effected any transactions in the Company's Common Stock in the past sixty (60) days.

(d) To Plug Power's knowledge, each Stockholder has the right to receive or the power to direct the receipt of dividends from or the proceeds from the sale of, the Shares owned by them. To Plug Power's knowledge, other than ECO Fuel Cells, LLC, which owns 8.8%, no other Stockholder owns more than 5% of the Company's Common Stock.

(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The description of the Merger Agreement, the Merger and the Voting Agreements in Items 4 and 5 above are incorporated herein by reference. Other than the Merger Agreement and the Voting Agreements, to the best knowledge of Plug Power, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons or entities referenced in Item 2 or between such persons or entities and any other person or entity with respect to the securities of the Company, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees or profits, divisions of profits or loss, or the giving or withholding of proxies.
