PROXY STATEMENT FOR THE 2005
ANNUAL MEETING OF SHAREHOLDERS

ABOUT THE MEETING

WHY AM I RECEIVING THESE MATERIALS?

The Board of Directors of Engelhard Corporation (sometimes referred to as "Engelhard" or "we" or "our") is providing these proxy materials for you in connection with our Annual Meeting of Shareholders, which will take place on Thursday, May 5, 2005. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

WHO IS ENTITLED TO VOTE?

Holders of Common Stock as of the close of business on March 15, 2005 will be entitled to vote. On such date there were outstanding and entitled to vote 121,964,460 shares of Common Stock of Engelhard, each of which is entitled to one vote with respect to each matter to be voted on at the Meeting.

WHAT CONSTITUTES A QUORUM?

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum. If you hold your shares in "street name" through a broker or other nominee, shares represented by "broker non-votes" will be counted in determining whether there is a quorum.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it to Engelhard, it will be voted as you direct. If you are a registered shareholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" shareholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

If you are a record holder of Common Stock (that is, if you hold Common Stock in your own name in Engelhard's stock records maintained by our transfer agent, Mellon Investor Services LLC), you may vote through the Internet or by using a toll-free telephone number by following the instructions included with your proxy card. If you are not a record holder of Common Stock (that is,

if you hold Common Stock in "street name" through a broker or other nominee),

Edgar Filing: ENGELHARD CORP - Form DEF 14A

you may vote your shares by following the instructions included with your proxy card. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible. The Internet and telephone voting facilities for shareholders of record will close at 11:59 p.m. Eastern Daylight Savings Time on May 4, 2005.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD OR AFTER I VOTE ELECTRONICALLY OR BY TELEPHONE?

Yes. After you have submitted a traditional proxy card, you may change your vote at any time before the proxy is exercised by submitting either a notice of revocation or a duly executed proxy bearing a later date. If you previously submitted your proxy through the Internet or by telephone, you may revoke that proxy simply by voting again prior to the time at which such facilities close, by following the same procedures used in casting your prior vote; in that event the later submitted vote will be recorded and the earlier vote revoked.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- o for election of the nominated slate of Directors (see page 5); and
- o for ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm (see page 32).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

Each item to be voted on at the Annual Meeting requires the affirmative vote of the holders of a majority of the votes cast with respect to such item. A properly executed proxy marked "ABSTAIN" and a broker non-vote with respect to any such matter will not be treated as a vote cast, although it will be counted for purposes of determining whether there is a quorum.

WHO WILL BEAR THE EXPENSE OF SOLICITING PROXIES?

The cost of soliciting proxies in the form enclosed will be borne by Engelhard. In addition to the solicitation by mail, proxies may be solicited personally or by telephone, by our employees. We have also engaged D.F. King & Co., Inc., 77 Water Street, New York, New York 10005, to assist in such solicitation at an estimated fee of \$14,000 plus disbursements. Engelhard may reimburse brokers holding Common Stock in their names or in the names of their nominees for their expenses in sending proxy material to the beneficial owners of such Common Stock.

CORPORATE GOVERNANCE

HOW OFTEN DID THE BOARD OF DIRECTORS MEET DURING 2004?

Our Board of Directors held a total of seven meetings during 2004. During 2004, all of our Directors attended more than 90% of the meetings of the Board and meetings of committees of the Board on which they served.

Engelhard's Corporate Governance Guidelines provide that directors are expected to attend the annual meeting of shareholders. All then members of Engelhard's Board of Directors attended the Annual Meeting of Shareholders in 2004.

WHAT COMMITTEES DOES THE BOARD OF DIRECTORS HAVE?

Initially in 2004, the standing committees of the Board of Directors included an Audit Committee, a Compensation Committee and a Stock Option/Stock Bonus Committee. Effective February 12, 2004, the Board of Directors revised its committee structure. Among the standing committees of the Board of Directors are the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. Copies of the charters for these committees, as well as Engelhard's Corporate Governance Guidelines, Engelhard's Policies of Business Conduct and Senior Financial Officer Ethics Code, are available under the Corporate Governance portion of the Investor Relations section of our website at WWW.ENGELHARD.COM and without charge in print to any shareholder who requests them from our Corporate Secretary. The Board of Directors also has a Pension and Employee Benefit Committee and an Executive Committee.

AUDIT COMMITTEE

The members of the Audit Committee are Mr. Watson (Chairman), Mr. Burner and Mr. Napier. The Audit Committee assists the Board of Directors' oversight of (a) the integrity of Engelhard's financial statements, (b) the independent auditor's qualifications and independence, (c) the performance of Engelhard's internal audit function and independent auditors and (d) Engelhard's compliance with legal and regulatory requirements. The Audit Committee has the sole authority to appoint and terminate Engelhard's independent auditors. The Board of Directors has determined that all three members of the Audit Committee are audit committee financial experts as described in Item 401(h) of Regulation S-K. In addition, the Board of Directors has determined that each of the members of the Audit Committee is "independent" as defined by the New York Stock Exchange

Edgar Filing: ENGELHARD CORP - Form DEF 14A

("NYSE") Listing Standards and the rules of the SEC applicable to audit committee members. The Audit Committee meets the definition of an audit committee as set forth in Section 3(a)(58)(A) of the Securities Exchange Act of 1934. See "Report of Audit Committee" on page 30 for more information. The Audit Committee held 12 meetings during 2004 and conducted a review and self-assessment in 2005. Mr. Burner currently serves on three other audit committees, in addition to Engelhard's. The Board of Directors has determined that such service would not impair Mr. Burner's ability to effectively serve on Engelhard's Audit Committee, and has approved such service pursuant to our Corporate Governance Guidelines.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Messrs. Antonini (Chairman) and Slack and Mrs. Pace. The Compensation Committee assists the Board of Directors by taking direct responsibility for (a) reviewing and approving corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluating the Chief Executive Officer's compensation in light of these goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determining and approving the Chief Executive Officer's compensation level based on this evaluation, (b) reviewing and approving compensation for executives (other than the Chief Executive Officer) and reviewing and making recommendations to the Board with respect to incentive compensation and equity-based plans, and (c) producing an annual report on executive compensation for inclusion in the Company's proxy statement in accordance with applicable laws, rules and regulations. The Board of Directors has determined that each member of the Compensation Committee is "independent" as defined by the NYSE Listing Standards. The Compensation Committee (and its predecessor) held seven meetings during 2004 and conducted a review and self-assessment in 2005. See "Compensation Committee Report on Executive Compensation" on page 24 for more information.

NOMINATING AND GOVERNANCE COMMITTEE

The members of the Nominating and Governance Committee are Messrs. Antonini (Chairman) and Watson. The Nominating and Governance Committee is primarily responsible for (a) identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next annual meeting of shareholders or to be appointed by the Board to fill an existing or newly created vacancy on the Board, (b) overseeing the evaluation of the Board and management and (c) developing and recommending to the Board the Corporate Governance Guidelines applicable to the Company. The Board of Directors has determined that each member of the Nominating and Governance Committee is "independent" as defined by the NYSE Listing Standards and our Director Independence Standards. The Nominating and Governance Committee was formed in February 2004, held one meeting in 2004 and conducted a review and self-assessment in 2005.

The Nominating and Governance Committee selects each nominee based on the nominee's skills, achievements and experience. As set forth in Engelhard's Corporate Governance

Guidelines, the following criteria will be considered in selecting candidates for the Board: independence, wisdom, integrity, an understanding and general acceptance of Engelhard's corporate policy, valid business or professional knowledge and experience that can bear on Engelhard's and the Board of Directors' challenges and deliberations, a proven record of accomplishment with

Edgar Filing: ENGELHARD CORP - Form DEF 14A

excellent organizations, an inquiring mind, a willingness to speak one's mind, an ability to challenge and stimulate management, future orientation, a willingness to commit time and energy, diversity, and international/global experience.

When seeking candidates for Director, the Nominating and Governance Committee may solicit suggestions from incumbent Directors, management, shareholders or others. After conducting an initial evaluation of a candidate, the Nominating and Governance Committee may also ask the candidate to meet with management. If the Committee believes a candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election. The Nominating and Governance Committee has the authority under its charter to retain a search firm. The Company has engaged an executive recruitment firm, reporting to the Nominating and Governance Committee, to identify and conduct preliminary evaluations of potential nominees.

Engelhard's Corporate Governance Guidelines provide that the Governance and Nominating Committee will consider proposals for nominees for Director by shareholders, which are made in writing to Corporate Secretary, Engelhard Corporation, 101 Wood Avenue, Iselin, New Jersey 08830. In order to nominate a director at the Annual Meeting, Engelhard's By-Laws require that a shareholder follow the procedures set forth in Article II, Section 7 of Engelhard's By-Laws. In order to recommend a nominee for a director position, a shareholder must be a shareholder of record at the time it gives notice of recommendation and must be entitled to vote for the election of directors at the meeting at which such nominee will be considered. Shareholder recommendations must be made pursuant to written notice delivered to the Secretary at the principal executive offices of Engelhard (i) in the case of a nomination for election at an annual meeting, not less than 60 days prior to the first anniversary of the date of Engelhard's notice of annual meeting for the preceding year's annual meeting; and (ii) in the case of a special meeting at which directors are to be elected, not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the meeting and of the nominees proposed by the Board to be elected at the special meeting. In the event that the date of the annual meeting is changed by more than 30 days from the anniversary date of the preceding year's annual meeting, the shareholder notice described above will be deemed timely if it is received not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

The shareholder notice must set forth the following:

- o As to each person the shareholder proposes to nominate for election as a director, all information relating to such person that would be required to be disclosed in solicitation of proxies for the election of such nominees as Directors pursuant to Regulation 14A under

the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and such person's written consent of the nominee to serve as a director if elected, and

- o As to the nominating shareholder and the beneficial owner, if any, on whose behalf the nomination is made, such shareholder's and beneficial owner's, name and address as they appear on Engelhard's books, the class and number of shares of Engelhard's common stock which are owned beneficially and of record by such shareholder and such beneficial owner, and whether either such shareholder or such beneficial owner

Edgar Filing: ENGELHARD CORP - Form DEF 14A

intends to deliver a proxy statement and form of proxy to shareholder.

In addition to complying with the foregoing procedures, any shareholder nominating a director must also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder.

HOW DOES THE COMPANY MAKE INDEPENDENCE DETERMINATIONS FOR DIRECTORS?

Under the Company's Corporate Governance Guidelines, a majority of the Board must be comprised of directors who are independent under the Corporate Governance Standards of the New York Stock Exchange. To be deemed "independent," the Board must determine, after due deliberation, that the director has no material relationship with the Company other than as a director. In making such determination, the Board adheres to all of the specific tests for independence included in the New York Stock Exchange listing standards and considers all other facts and circumstances it deems necessary or advisable and the standards of director independence established by the Company. During the course of a year, directors are expected to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as independent.

The basis for a Board's determination that a relationship is not material must be disclosed in the Company's annual proxy statement. In this regard, pursuant to the Corporate Governance Standards of the New York Stock Exchange, the Board adopted the Director Independence Standards to assist it in making determinations of independence. A copy of the Director Independence Standards used to determine is attached as Appendix B to this Proxy Statement. Any determination of independence for a director who does not meet these standards must be specifically explained.

HOW CAN I COMMUNICATE WITH BOARD MEMBERS?

Except as otherwise designated, the Chairman of the Nominating and Governance Committee will serve as the presiding Director of regularly scheduled meetings of the Non-Management Directors. Engelhard's Corporate Governance Guidelines provide that shareholders of Engelhard and other interested parties may communicate with one or more of the Non-Management Directors by mail in care of General Counsel, 101 Wood Avenue, Iselin, New Jersey 08830. Such communications should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations or communications, will be forwarded to any specific addressee and any other appropriate Director or Directors for review. Unsolicited commercial materials will be available to any Non-Management Director who wishes to review it.

13

HOW ARE DIRECTORS COMPENSATED?

Directors who are not our employees each receive a retainer at the annual rate of \$50,000. In addition, Non-employee Directors receive a \$1,500 fee for each Board meeting attended. Non-employee Directors also receive a \$1,500 fee for each committee meeting attended; a \$5,000 annual retainer for each committee on which they serve; and the chairman of the audit and compensation committee receives an additional \$10,000 annual retainer, whereas the chairman of each other committee receives an additional \$7,500 annual retainer. Directors who are employed by us do not receive any Directors' fees or retainers.

Pursuant to our Deferred Stock Plan for Non-Employee Directors (the "Deferred Stock Plan"), each Non-employee Director is credited with deferred

Edgar Filing: ENGELHARD CORP - Form DEF 14A

stock units, each of which evidences the right to receive a share of Common Stock of Engelhard upon the Director's termination of service. Deferred stock units were credited to the accounts of the Non-employee Directors annually on each May 31 with an amount of deferred stock units calculated by dividing an amount equal to 40% of the annual retainer payable to such Non-employee Director then in effect by the average daily closing price per share of Common Stock of Engelhard for the 20 trading days ending two days prior to such date. For years beginning with 2003, the date deferred stock units will be credited to accounts of Non-employee Directors has been changed to the record date for payment of dividends on shares of Common Stock of Engelhard occurring in the last month of the second calendar quarter of each year, and deferred stock units will be credited only to Non-employee Directors serving on the May 31 immediately preceding the crediting date. When a regular cash dividend is paid on the Common Stock, the dividend equivalent on deferred stock units is reinvested in additional deferred stock units. The entire balance of a Non-employee Director's account under the Deferred Stock Plan will be paid to the Non-employee Director, in either a lump sum or installments at the election of such Non-employee Director, in shares of our Common Stock upon the Non-employee Director's termination of service. If a "change in control" occurs and the Non-employee Director ceases to be a Director or the Deferred Stock Plan is terminated, shares equal to the entire balance of the account will be distributed within 30 days.

Pursuant to our Stock Bonus Plan for Non-Employee Directors (the "Directors Stock Bonus Plan"), each person who becomes a Non-employee Director prior to June 30, 2006 shall be awarded 7,593 shares of our Common Stock effective as of such person's election to our Board of Directors. Such shares will tentatively vest in equal increments over a ten-year period. Directors are entitled to receive cash dividends on and to vote shares which are the subject of an award prior to their distribution or forfeiture. Upon termination of the Director's service as a Non-employee Director, the Director (or, in the event of his or her death, his or her beneficiary) shall be entitled, in the discretion of the committee formed to administer the Directors Stock Bonus Plan, to receive the shares awarded to such Director which have tentatively vested up to the date of such termination of service. Shares may be received prior to such date if there has been a "change in control." If receipt of shares is accelerated due to a change in control, an additional payment will be made to compensate for the loss of the tax deferral.

14

Pursuant to our Directors Stock Option Plan, each Non-employee Director in office on the date of the regular meeting of the Board in December of each year will automatically be granted an option to purchase 3,000 shares of Common Stock with an exercise price equal to the fair market value of such shares at the date of grant. Each option becomes exercisable in four equal installments, commencing on the first anniversary of the date of grant and annually thereafter. Each option terminates on the tenth anniversary of the date of grant. Each option held by a director which was granted more than one year before his or her termination of service as a director shall become fully exercisable upon termination if such termination is a result of disability, death or retirement after attaining age 65; options may become exercisable prior to such date if there has been an "acquisition of a control interest."

Pursuant to our Deferred Compensation Plan for Directors, Non-employee Directors may elect to defer payment of all or a designated portion of their compensation for services as a Director into a cash or stock account. Under our Deferred Compensation Plan for Directors, deferred amounts will be paid at time of a "change in control" if the participant has made an advance election to that effect. In the event distribution of deferred amounts is so accelerated, an

Edgar Filing: ENGELHARD CORP - Form DEF 14A

additional payment will be made in order to compensate for the loss of tax deferral resulting from the accelerated payment.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our Executive Officers and Directors and persons who own more than 10% of a registered class of Engelhard's equity securities to file initial reports of ownership and changes in ownership with the SEC and the NYSE. Such Executive Officers, Directors and shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to us and written representations from our Executive Officers and Directors, all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis for 2004.

CERTAIN TRANSACTIONS

Citibank, N.A., a subsidiary of Citigroup Inc., which reports beneficial ownership of more than 5% of our Common Stock, participated with other lenders in lines of credit available to Engelhard under revolving credit facilities. Citibank's total commitment was \$39,000,000, none of which was drawn in 2004. In 2004, Citibank received an initial fee of \$6,000 and annual facility fees of approximately \$35,500 for these facilities. We use subsidiaries of Citigroup, as well as other firms, to provide cash management services to Engelhard. Fees to subsidiaries of Citigroup for these services aggregated less than \$30,000 in 2004.

Subsidiaries of Citigroup and other firms, engage in foreign exchange and commodities transactions with Engelhard in the ordinary course of business. All of these transactions are negotiated at arms-length as principals in competitive markets. During 2004, foreign exchange transactions with subsidiaries of Citigroup aggregated approximately \$57,000,000. In addition,

15

during 2004, Engelhard provided services in precious metals financing transactions in which subsidiaries of Citigroup received funds from third parties. Engelhard received approximately \$159,945 in fees from subsidiaries of Citigroup in connection with these transactions.

Vanguard Group, an affiliate of Vanguard Windsor Funds, which reports beneficial ownership of more than 5% of our Common Stock, received \$121,260 for administering 401(k) plans for our employees during 2004.

State Street Bank and Trust Company, which reports beneficial ownership of more than 5% of our Common Stock, provides asset management services for our domestic pension plans. Plan assets under management are \$51,721,370 at December 31, 2004 and fees paid by our pension plan trust totaled \$27,635 for the year ended December 31, 2004.

(1) Our Key Employees Stock Bonus Plan, our Stock Option Plan, our Restricted Cash Incentive Compensation Plan, our 2002 Long Term Incentive Plan and our 2003 Share Performance Incentive Plan provide for acceleration of vesting in the event of a "change in control." For information on what constitutes a "change in control," see "Employment Contracts, Termination of Employment and Change in Control Arrangements" on page 21.

(2) As of December 31, 2004, Messrs. Perry, Sperduto, Dornbusch, Hess and Shaw held 97,062, 13,870, 18,319, 11,456 and 11,854 unvested shares, respectively, of stock and stock units, which were awarded pursuant to our Key Employees Stock Bonus Plan and 2002 Long Term Incentive Plan having a market value of \$2,976,892, \$425,393, \$561,844, \$351,356 and \$363,562, respectively. These amounts do not include the grants of restricted stock which were made in 2005 for services rendered during 2004. Restricted stock awards of Engelhard's Common Stock granted under the Key Employees Stock Bonus Plan and the restricted stock units granted under the 2002 Long Term Incentive Plan vest in five equal annual installments commencing in the

Edgar Filing: ENGELHARD CORP - Form DEF 14A

year following the grant (or in the case of the January 2002 award of 29,300 shares to Mr. Perry, such award vests entirely on the fifth anniversary of the date of grant). Vesting will be accelerated upon the occurrence of a "change in control." We pay dividends on restricted stock and credit dividend equivalents on restricted stock units, if and to the extent paid on Common Stock generally, but pay no dividends on stock options. For information on what constitutes a "change in control," see "Employment Contracts, Termination of Employment and Change in Control Arrangements" on page 21.

- (3) Amounts for 2003 and 2002 represents payouts pursuant to restricted cash awards made in 2000 under the Restricted Cash Incentive Compensation Plan. Amounts for 2004 include payments to Messrs. Perry, Sperduto, Dornbusch and Hess of \$397,707, \$31,339, \$106,585 and \$57,906, respectively, pursuant to the Restricted Cash Incentive Compensation Plan.
- (4) Includes \$750,000 awarded under the 2003 Share Performance Incentive Plan. Under this plan, Mr. Perry was entitled to a formula-based cash award if Engelhard's average closing stock price from January 1, 2003 through December

17

31, 2003 exceeded \$28 and the average return on Engelhard's Common Stock during that period exceeded the average return on the S&P All Chemicals Index, or, if greater, an award of \$750,000 if Engelhard's average closing stock price for the last twenty trading days of 2003 exceeded 115% of the average closing price for the same period in 2002. The average closing price condition was met, and Mr. Perry's award has been credited to a deferred compensation account, and will vest in three equal annual installments beginning on the first anniversary of the date of grant. The amount of any vested bonus, together with interest credited thereon, will generally be payable upon termination of Mr. Perry's employment. Vesting will accelerate upon a termination of Mr. Perry's employment due to disability, retirement or death, and the award will continue to vest if Mr. Perry's employment is terminated by Engelhard not for cause. This award is not included in computation of Mr. Perry's pension benefits.

- (5) Includes \$100,000 for financial and tax planning, legal services and life insurance in 2004. Also includes \$25,000 for life insurance in 2003 and 2002 and \$47,068 for supplemental disability insurance coverage in each of 2004, 2003 and 2002.
- (6) Represents interest accrued during 2004, 2003 and 2002 in excess of 120% of the applicable federal interest rate with respect to salary deferrals.
- (7) In light of the expiration of certain options held by Messrs. Perry, Dornbusch and Hess during a company-mandated blackout period in 2004, the Board authorized cash awards to Messrs. Perry, Dornbusch and Hess, of \$281,984, \$469,973, and \$55,222, respectively, which represented the economic value of the expired options as of the expiration date of the options. These amounts are included in the "All Other Compensation" amount reflected in the Summary Compensation Table.

The following table sets forth information concerning individual grants of stock options made under the 2002 Long Term Incentive Plan in December 2004 and February 2005 for services rendered during 2004 by each of the named Executive Officers.

(2) The Black-Scholes option pricing model was chosen to estimate the grant date present value of the options set forth in this table. Our use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about the future movement of the stock price. The real value of the options in this table depends upon the actual changes in the market price of the Common Stock during the applicable period. The model assumes:

- (a) an option term of 6.75 years, which represents anticipated exercise trends for the named Executive Officers;
- (b) interest rates of 3.85% and 3.94% for December 2004 and February 2005, respectively, that represent the current yield curves as of the grant dates;
- (c) an average volatility of approximately 32.30% calculated using average weekly stock prices for the 6.75 years prior to the grant date; and
- (d) dividend yields of 1.52% and 1.46% for December 2004 and February 2005, respectively (the dividend yields on the applicable grant dates).

PENSION PLANS

The following table shows estimated annual pension benefits payable to a covered participant at normal retirement age under our qualified defined benefit pension plan, as well as the non-qualified supplemental retirement program. This non-qualified plan provides benefits that would otherwise be denied participants by reason of certain Internal Revenue Code limitations on qualified plan benefits and provides enhanced benefits for certain named key executives, including the individuals named in the Summary Compensation Table, based on remuneration that is covered under the plans and years of service with Engelhard and its subsidiaries.

With respect to each of the individuals named in the Summary Compensation Table on page 17, credited years of service under the plans as of December 31, 2004 are as follows: Mr. Perry, 16 years; Mr. Sperduto, 21 years; Mr. Dornbusch, 28 years; Mr. Hess, 20 years; and Mr. Shaw, 23 years. Benefits shown are computed as a straight line single life annuity beginning at age 65 and the benefits listed in the Pension Plan Table are not subject to any deduction for Social Security or other offset amounts.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

Engelhard entered into an employment agreement with Mr. Perry dated as of August 2, 2001. The initial term of the agreement was extended until December 31, 2003. Mr. Perry's employment agreement is automatically extended for successive periods so that the remaining term shall always be twelve months, unless notice of intention not to extend shall have been given in writing twelve months prior to the expiration of any extended term. The agreement will terminate no later than December 31, 2011. The agreement provides for an annual salary of not less than \$750,000 for calendar year 2001, \$900,000 for calendar year 2002 and \$1,000,000 for calendar year 2003, with increases thereafter to be determined by the Compensation Committee of the Board of Directors. In addition, the employment agreement provides for participation in Engelhard's annual incentive program with target award amounts (not less than one-third of which shall be in the form of a cash bonus) of 75% of the annual salary for 2001, 100% of the annual salary for 2002, and 125% of the annual salary for 2003 and thereafter. The agreement (and similar arrangements established by the Compensation Committee) also provided for a formula-based grant of additional equity awards for 2001, 2002, 2003 and 2004 if Engelhard's average closing stock price and the total return on Engelhard's Common Stock met designated targets. Mr. Perry received awards under these arrangements for 2001 and 2003. Mr. Perry also received an additional five years of credited service under our supplemental retirement program, is entitled to participate in the benefit plans of Engelhard and is entitled to certain other perquisites.

In the event Engelhard terminates Mr. Perry's employment other than for cause (as defined in the agreement) or in the event Mr. Perry terminates his employment for good reason (as defined in the agreement), the employment agreement provides that Mr. Perry will receive an amount equal to two times the lesser of (i) 4.5 times his then current annual base salary or (ii) the average for the three calendar years preceding such calculation of the sum of Mr. Perry's annual base salary, annual bonus and the grant date cash value of equity based awards. Amounts payable pursuant to this termination provision will be

Edgar Filing: ENGELHARD CORP - Form DEF 14A

reduced by certain severance amounts paid to Mr. Perry under the Change in Control Agreements described below. Upon any such termination, Mr. Perry will also be entitled to continued benefits for two years following such termination.

Pursuant to our Change in Control Agreements, we will provide severance benefits in the event of a termination of an Executive (as defined), except a termination:

- (1) because of death,
- (2) because of "Disability,"
- (3) by Engelhard for "Cause," or
- (4) by the Executive other than for "Good Reason,"

within the period beginning on the date of a "Potential Change in Control" (as such terms are defined in the Change in Control Agreement) or "change in control" (as defined below) and ending

21

on the third anniversary of the date on which a "change in control" occurs. The severance benefits include:

- (1) the payment of salary to the Executive through the date of termination of employment together with salary in lieu of vacation accrued;
- (2) an amount equal to a pro-rated incentive pool award under our Incentive Compensation Plan, determined as set forth in the Agreement;
- (3) an amount equal to two times the sum of the highest annual salary and incentive pool award in effect during any of the preceding 36 months, determined as set forth in the Agreement;
- (4) continued coverage under our life, disability, health, dental and other employee welfare benefit plans for up to two years;
- (5) continued participation and benefit accruals under our Supplemental Retirement Program for two years following the date of termination; and
- (6) an amount sufficient, after taxes, to reimburse the Executive for any excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended.

Each of Messrs. Perry, Sperduto, Dornbusch and Hess is defined as an Executive.

For purposes of our Change in Control Agreements, a "change in control" is triggered if one of the following occurs:

- (1) twenty-five percent or more of our outstanding securities entitled to vote in the election of directors shall be beneficially owned, directly or indirectly, by any person or group of persons, other than the groups presently owning the same, or
- (2) a majority of our Board of Directors ceases to consist of the existing membership or successors approved by the existing membership or their similar successors, or

Edgar Filing: ENGELHARD CORP - Form DEF 14A

- (3) shareholders approve a reorganization or merger with respect to which the persons who were the beneficial owners of our outstanding voting securities immediately prior thereto do not, following the reorganization or merger, beneficially own more than 60% of the outstanding voting securities of the corporation resulting from the reorganization or merger in substantially the same proportions as their ownership of our voting securities immediately prior thereto, or
- (4) shareholder approval of either:
- (a) a complete liquidation or dissolution of Engelhard or
 - (b) a sale or other disposition of all or substantially all of the assets of Engelhard, other than to a corporation, with respect to which following such sale or other disposition, more than 60% of Engelhard's outstanding securities entitled to vote generally in the

22

election of directors are thereafter beneficially owned, in substantially the same proportions, by all or substantially all of the individuals and entities who were the beneficial owners of such securities prior to such sale or other disposition.

Our Key Employees Stock Bonus Plan, our Stock Option Plans and our 2002 Long Term Incentive Plan, in which all of the Executive Officers participate, provide for the acceleration of vesting of awards granted in the event of a "change in control" as defined above, except that a "change in control" is triggered by twenty percent, rather than twenty-five percent, beneficial ownership of Engelhard's outstanding securities entitled to vote in the election of directors, directly or indirectly, by any person or group of persons, other than the groups presently owning the same. If vesting of awards under the Key Employees Stock Bonus Plan is accelerated, an additional payment will be made to compensate for the loss of tax deferral.

Unless a contrary advance election is made, amounts deferred under our Deferred Compensation Plan for Key Employees will be paid in a lump sum upon a "change in control" (a "change in control" for this purpose will occur if either (1) or (2) in the above definition of "change in control" occurs). If payments are so accelerated, an additional payment will be made in order to compensate for the loss of tax deferral. Under our Directors and Executives Deferred Compensation Plans, which provided for elective deferrals of compensation earned for years from 1986 through 1993, deferred amounts will be paid at the time of an "acquisition of a control interest" if the participant has made an advance election to that effect. In the event distribution of deferred amounts is so accelerated, an additional payment will be made in order to compensate for the loss of tax deferral resulting from the accelerated payment. In addition, certain supplemental retirement benefits under our Supplemental Retirement Program will vest upon a "change in control" (defined as described above in the case of the Change in Control Agreements).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Under the overall direction of the Compensation Committee of the Board of Directors and in accordance with our Stock Option Plans and Long Term Incentive Plan approved by our shareholders, we have developed and implemented compensation programs designed to:

- o Attract and retain key employees who can build and continue to grow a successful company;
- o Provide incentive to achieve high levels of company, business, and individual performance; and
- o Maintain and enhance alignment of employee and shareholder interests.

The Compensation Committee is composed entirely of Non-employee Directors individually noted as signatories to this report.

The Compensation Committee is responsible for overseeing the development and for review and approval of:

- o Overall compensation policy;
- o Salaries for the Chief Executive Officer and for approximately 18 other senior managers worldwide;
- o Aggregate cash incentive awards for Engelhard and specific individual cash awards under the annual plan for the Chief Executive Officer and approximately 18 other senior managers worldwide;
- o Plan design and policies related to senior management and employee awards of options and restricted stock; and
- o Individual grants under the Stock Option Plans, Stock Bonus Plan and awards under the 2002 Long Term Incentive Plan to the Chief Executive Officer and other senior employees worldwide.

In exercising those responsibilities and in determining the compensation in particular of Mr. Perry and in general of other senior managers individually reviewed, the Committees examine and set:

1. BASE SALARY

The Compensation Committee reviews salaries annually against industry practices as determined by a number of professional outside consultants who conduct annual surveys. Our current competitive target is to pay at or above the median for positions of comparable level. This target is being achieved on average for the professional, technical, and managerial salaried work force. Salary structures are set each year based on our target and its actual competitive position. A market analysis was done on the existing salary structure and it was determined that no major structure adjustments were necessary. Likewise, merit budgets are established based on a competitive target, actual competitive position, and our desire to

recognize and reward individual contribution. For international employees and non-exempt salaried employees in the United States, structure adjustments and

Edgar Filing: ENGELHARD CORP - Form DEF 14A

merit budgets are determined based on local market conditions.

Individual merit adjustments are based upon the managers' quantitative and qualitative evaluation of individual performance, including feedback from customers served, against business objectives such as earnings, return on capital, free cash flow, market share, new customers, and development of new commercial products. Performance is also considered in the context of expectations for behavior and the individuals' positions in their respective salary-ranges.

Mr. Perry's salary was increased 2.7% for 2005 in accordance with competitive practice. Base salary continues to be less than one-fourth of total compensation for Mr. Perry and generally less than one-half of total compensation for other senior management. This reflects our emphasis on non-fixed compensation, which varies with Engelhard performance, and on other equity vehicles which are closely aligned with shareholder interests.

2. ANNUAL CASH AND LONG TERM EQUITY INCENTIVE COMPENSATION

Our Management Incentive Plan integrates incentive compensation vehicles (including cash bonus award, restricted stock and stock options) to link total compensation for the participant with both competitive practice and the performance of Engelhard and/or the applicable business unit and the individual. The plan facilitates clarity of performance expectations and encourages the identification and commitment to exceptional results. Overall incentive pools are established for cash, restricted stock, and stock options. The pools are determined by a formula based on competitive total compensation for comparable performance; desired compensation mix among cash, restricted stock and options; and on the actual performance of Engelhard and its business units against specific predetermined levels of earnings targets. A threshold level is established below which incentives will not normally be paid. Management, under the direction of the Committee, may adjust these pools up or down based on the economic climate or other special circumstances. Individual awards are determined based on performance against specific objectives within the limits of the pools.

The value of awards made for services in 2004 under Engelhard's Management Incentive Plan increased by 17% from 2003. As provided under this plan, the level of the pool generated for Engelhard overall and each business group depends upon that group's actual performance against targets established at the beginning of 2004. Once each group's pool was established, individual performance based awards were made as described below. In assessing the appropriate level of compensation for Mr. Perry, the Compensation Committee retained an independent compensation consultant, which was charged with reviewing both competitive practice and the Company's performance against applicable comparator companies to ensure that Mr. Perry's compensation was properly aligned with shareholders' interests and to further ensure that his compensation was aligned with performance. As part of this process the Company's performance against a peer group of companies was assessed; among the

25

measures reviewed were one and three year results for operating margin, return on invested capital, total shareholder return, and return on average assets. In the aggregate these measures indicate that the Company's performance was at or about the 75th percentile when reviewed against the equivalent performance of the peer group. (Such review was supplemental to, and supportive of, other similar studies conducted at the Committee's direction during 2004.)

a. ANNUAL CASH INCENTIVE PROGRAM

Edgar Filing: ENGELHARD CORP - Form DEF 14A

This program is designed to provide focus on expected annual results and recognition of accomplishment for the year.

For 2004, actual cash payments determined under the Management Incentive Plan, including the cash incentive payments to all Executive Officers, were 92% of the competitively defined pool as factored for performance.

For the year 2004, Mr. Perry received a cash incentive award of \$1,760,000, compared with \$2,014,900 for 2003. The 2003 amount includes \$750,000 awarded under the 2003 Share Performance Incentive Plan, a formula-based plan that credits awards to a deferred compensation account and vests in three equal annual installments beginning on the first anniversary of the date of grant. See Note 4 to the Summary Compensation Table contained in "Executive Compensation and Other Information" on page 17. Mr. Perry was eligible for a similar award under the 2004 Share Performance Incentive Plan; however, share performance was not sufficient to generate an actual award. Total cash compensation paid to eligible participants reflects competitive practice for results achieved and is projected to be around the 75th percentile of competitive practice for those employees in businesses whose achievement of targeted results and whose individual performance warrants such compensation.

b. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

Providing for vesting of shares in equal amounts over a period of five years, the Key Employees Stock Bonus Plan is designed to align key employee and shareholder long-term interests by providing designated employees an equity interest in Engelhard. Eligible employees are reviewed annually for award grants determined in the manner previously described.

The total equity value awarded under the Management Incentive Plan to Executive Officers and other participants for 2004 was 92% of the plan generated pool. The Committee determines the amount of the equity pool for the year, which is then converted to a combination of restricted stock and stock options. Approximately one-third of the value of this equity pool, using present value methodologies, awarded for 2004 was in the form of restricted stock.

For the year 2004, Mr. Perry received a restricted stock award of 15,420 shares under the Key Employees Stock Bonus Plan. For 2003, Mr. Perry received a restricted stock award

of 13,190 shares under the Key Employees Stock Bonus Plan. In addition, an award of 21,470 restricted stock units was granted to Mr. Perry for 2003 under the 2002 Long-Term Incentive Plan. These restricted stock units vest ratably over five years with conversion to shares on payout, earn dividend equivalents that accrue interest and are generally comparable in economic benefit to the Company's traditional restricted stock awards, except that these restricted stock units do not vest on retirement absent a determination by the Board. The award of these restricted stock units reflected the Committee's determination, based on the specific report of a nationally recognized compensation consulting firm as well as additional supporting data, that Mr. Perry's annual compensation was

Edgar Filing: ENGELHARD CORP - Form DEF 14A

below the target level in relation to CEO compensation at peer organizations, and that the award of additional restricted stock units to Mr. Perry provided an effective means to address the differential while incentivizing both performance and retention.

In accordance with the terms of his employment agreement, Mr. Perry was also awarded special restricted stock awards for 2001 of 29,300 shares that do not vest until the fifth anniversary of the award, when they vest entirely. See "Employment Contracts, Termination of Employment and Change in Control Arrangements" on page 21.

c. STOCK OPTIONS

Our Stock Option Plans have been designed to link employee compensation growth directly to growth in share price. In conjunction with restricted stock, options are the major driver of senior management compensation aligning their reward with shareholder interests. As noted above, approximately two-thirds of the compensation value of the equity pool was paid in the form of stock options.

In addition, senior managers worldwide including all the Executive Officers are reviewed for annual stock option grants determined under the Management Incentive Plan in the manner previously described. Options vest in equal increments over four years and normally have a ten-year life. Options granted for 2004 under the Management Incentive Plan were 92% of the pool generated.

For the year 2004, Mr. Perry received 258,688 stock option awards under the Management Incentive Plan. He received 238,388 stock options for 2003.

In light of the expiration of certain options held by employees during a company-mandated blackout period in 2004, the Committee authorized cash awards to those employees in an aggregate amount of \$1,109,135, which represented the economic value of the expired options as of the expiration date of the options.

The Committee directs the purchase of compensation survey information from several independent professional consultants in order to renew the base, annual cash incentive, and total compensation of Mr. Perry and other individual senior managers and employee groups. The Committee is generally satisfied that relevant competitive data and achievements of Engelhard indicate the compensation design supported the objectives of attracting and retaining key talent,

27

providing incentives for superior performance, and aligning employee and shareholder interests. Nevertheless, the Committee has reevaluated the compensation program design as part of their ongoing process of oversight on such matters and adopted the Incentive Compensation Plan for Key Employees, which replaces the Management Incentive Plan beginning with 2005. The new plan responds to the Committee's desires to add additional performance measures. The new plan integrates incentive compensation vehicles (including cash bonus award, restricted stock, stock options and long-term performance units) to link total compensation for the participant with the performance of Engelhard and/or the applicable business unit and the individual. Restricted stock, stock option and long term performance unit awards are granted under shareholder approved long term incentive plans. The plan facilitates clarity of performance expectations and encourages the identification and commitment to exceptional results.

Edgar Filing: ENGELHARD CORP - Form DEF 14A

Overall incentive pools are established consisting of cash, restricted stock and stock options. The level of the pool generated for Engelhard overall and each business group depends upon that group's actual performance against targets established at the beginning of each year (which, for executive officers, is based on Engelhard's earnings per share). The pools are determined by a formula based on the base salary of each eligible employee in the pool (including specific designations for Mr. Perry), the actual performance of Engelhard and/or its business units against specific predetermined levels of earnings targets. A threshold level is established for each pool below which incentives will not normally be paid to that pool. Engelhard's Compensation Committee may adjust these pools up or down in its sole discretion. Once each group's pool is established, individual performance based awards are made based on the individual's performance and the performance of the group. In addition, through awards of long term performance units, eligible plan participants will have the opportunity to earn additional cash compensation contingent upon the attainment of cumulative three-year weighted performance objectives. The initial grant is based upon a percentage of base salary, which varies depending on band level.

Section 162(m) of the Internal Revenue Code generally limits the deductible amount of annual compensation paid to certain individual executive officers (i.e., the chief executive officer and the four other most highly compensated executive officers of Engelhard) to no more than \$1 million each. The Committee is aware of this limitation and will continue to consider tax consequences as well as other relevant factors in connection with compensation decisions.

REPORT OF AUDIT COMMITTEE

GENERAL

The primary purpose of the Audit Committee is to assist the Board of Directors' oversight of (a) the integrity of Engelhard's financial statements, (b) the independent auditor's qualifications and independence, (c) the performance of Engelhard's internal audit function and independent auditors and (d) Engelhard's compliance with legal and regulatory requirements. The Audit Committee has the sole authority to appoint and terminate Engelhard's independent auditors. The Audit Committee is composed of all independent directors and operates under a written charter adopted and approved by the Board of Directors, attached as Appendix A to this Proxy Statement. During the fiscal year 2004, the Audit Committee held 12 meetings.

It is not the responsibility of the Audit Committee to plan or conduct audits, determine that Engelhard's financial statements are in all material respects complete and accurate in accordance with generally accepted accounting principles, or to certify Engelhard's financial statements. This is the responsibility of management and the independent auditors. It is also not the responsibility of the Audit Committee to guarantee the independent auditor's report or to assure compliance with laws and regulations and Engelhard's Policies of Business Conduct.

Based on the Audit Committee's review of the audited financial statements as of and for the fiscal year ended December 31, 2004 and its discussions with management regarding such audited financial statements, its receipt of written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES), its discussions with the independent auditors regarding such auditor's independence, the matters required to be discussed by the Statement on Auditing Standards 61 (COMMUNICATION WITH AUDIT COMMITTEES) and other matters the Audit Committee deemed relevant and appropriate, the Audit Committee recommended to the Board of Directors that the audited financial statements as of and for the fiscal year ended December 31, 2004 be included in Engelhard's Annual Report on Form 10-K for such fiscal year.

AUDIT COMMITTEE

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

Audit fees are reviewed and explicitly approved by the Audit Committee on an annual basis. Engelhard's Audit Committee has established detailed policies and procedures for the pre-approval of audit, audit-related, tax and other services. These procedures include review and approval of the nature of permissible services in 31 specific service categories. The Audit Committee has pre-approved fees within nine service categories. Additionally, and notwithstanding any pre-approval, any individual service for \$100,000 or more requires explicit review and approval of the Audit Committee before the auditor is engaged. The Chairman has authority to approve engagements within permitted service categories on an interim basis, subject to review at the next Audit Committee meeting.

2. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors is required by law and applicable New York Stock Exchange rules to be directly responsible for the appointment, compensation and retention of the Company's independent registered public accounting firm. The Audit Committee has appointed E&Y as the independent registered public accounting firm for the year ending December 31, 2005. While stockholder ratification is not required by the Company's By-laws or otherwise, the Board of Directors is submitting the selection of E&Y to the stockholders for ratification as part of good corporate governance practices. If the stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain E&Y. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accounting firms at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

The Board of Directors recommends a vote FOR the proposal to ratify the selection of E&Y as the company's independent registered public accounting firm to audit the Company's consolidated financial statements for the year ending December 31, 2005. The persons designated as proxies will vote FOR the ratification of E&Y as the Company's independent registered public accounting firm, unless otherwise directed.

- o such director has received during any twelve-month period more than \$100,000 in direct compensation from the Company or any of its subsidiaries other than: (i) director and committee fees; (ii) pension or other forms of deferred compensation for prior service; provided, however, that such compensation is not contingent in any way on continued service; and (iii) compensation received for former service as an interim Chairman or Chief Executive Officer or other executive officer; or

B-1

COMMERCIAL RELATIONSHIPS

A director will be deemed to be independent unless:

- o such director is a current employee of another company that has made payments to, or received payments from, the Company or any of its subsidiaries for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues; or
- o an immediate family member of such director is a current executive officer of another company that has made payments to, or received payments from, the Company or any of its subsidiaries for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

- o such director is or was employed as an executive officer of another company where any of the Company's or its subsidiaries' present executive officers at the same time serves or served on that company's compensation committee; or

B-2

OTHER RELATIONSHIPS

For relationships not specifically mentioned above, the determination of whether a director has a material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), and therefore would not be independent, will be made by the Board of Directors after taking into account all relevant facts and circumstances. For purposes of these standards, a director who is solely a director and/or a non-controlling shareholder of another company that has a relationship with the Company will not be considered to have a material relationship based solely on such relationship that would impair such director's independence.

Edgar Filing: ENGELHARD CORP - Form DEF 14A

For purposes of the standards set forth above, "immediate family member" means any of such director's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law and brothers and sisters-in-law (other than those who are no longer family members as a result of legal separation or divorce, or those who have died or become incapacitated) and anyone (other than a domestic employee) who shares such director's home. For purposes of the standards set forth above, "executive officer" means the Company's president, principal financial officer, principal accounting officer (or, if there is no such accounting officer, the controller), any vice-president of the Company in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making function, or any other person who performs similar policy-making functions for the Company. Officers of the Company's subsidiaries shall be deemed officers of the Company if they perform such policy-making functions for the Company.

These standards shall be interpreted in a manner consistent with the New York Stock Exchange Corporate Governance Rules.
