<b>Expected</b>	July 14, 2010 (T+5) It is expected	
<b>Settlement</b>	that delivery of the securities will be	
<b>Date:</b>	made against payment therefor on	
	or about July 14, 2010, which will	
	be the fifth business day following	
	the date of pricing of the securities	
	(this settlement cycle being referred	
	to as T+5 ). Under Rule 15c6-1 of	
	the Exchange Act, trades in the	
	secondary market for securities that	
	are priced after 4:30 p.m. Eastern	
	time on the date such securities are	
	priced generally are required to	
	settle in four business days, unless	
	the parties to any such trade	
	expressly agree otherwise.	
	Accordingly, purchasers who wish	
	to trade securities on the date of	
	pricing will be required, by virtue of	
	the fact that the securities initially	
	will settle in T+5, to specify an	
	alternate settlement cycle at the time	
	of any such trade to prevent a failed	
	settlement.	

**Denominations:**

Minimum of \$2,000 and integral multiples of \$1,000 in excess of \$2,000
