Disclosure Controls and Procedures

The Company performed an evaluation, under the supervision and with the participation of the principal executive officer and principal financial officer, of the effectiveness of Ritchie Bros.' disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934) as of December 31, 2010. Based on this evaluation, the Company's principal executive officer and principal financial officer concluded that the Company's disclosure controls and procedures are effective to provide reasonable assurance that information required to be disclosed by the Company in the reports that it files or submits under the Securities Exchange Act of 1934 is accumulated and communicated to its management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. Furthermore, we concluded that our disclosure controls and procedures were effective to ensure that information required to be disclosed in the reports filed under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the U.S. Securities and Exchange Commission's rules and forms.

Management's Report on Internal Control Over Financial Reporting

Management of the Company is responsible for establishing and maintaining adequate internal controls over financial reporting for the Company as defined in Rule 13a-15(f) and 15d-15(f) under the Securities and Exchange Act of 1934. The Company's internal control over financial reporting is a process designed under the supervision of the Company's CEO and CFO, overseen by the Company's Board of Directors and implemented by the Company's management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with Canadian generally accepted accounting principles and the requirements of the United States Securities and Exchange Commission (the SEC).

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with policies and procedures may deteriorate.

Management has assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2010. In making this assessment, management used the criteria described in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on its assessment under the framework in Internal Control - Integrated Framework, management has concluded that the Company's internal control over financial reporting was effective as of December 31, 2010.

Attestation Report of the Registered Public Accounting Firm

The Company's independent registered public accounting firm, KPMG LLP, has audited the Company's internal control over financial reporting, as stated in their report attached hereto as part of Exhibit 2.

Changes in Internal Control Over Financial Reporting

There has been no change in the Company's internal control over financial reporting that occurred during the year ended December 31, 2010 that has materially affected or are reasonably likely to materially affect the Company's internal control over financial reporting.

Audit Committee Financial Expert

The Company's Board of Directors has determined that it has at least one audit committee financial expert serving on its Audit Committee. Ms. Beverley Briscoe has been determined to be such audit committee financial expert and is independent, as that term is defined by the New York Stock Exchange's (NYSE) corporate governance listing standards applicable to the Company for Audit Committee membership. The SEC has indicated that the designation of Ms. Briscoe as an audit committee financial expert: (1) does not make Ms. Briscoe an expert for any purpose; (2) impose any duties, obligations or liability on Ms. Briscoe that are greater than those imposed on members of the Audit Committee and Board of Directors who do not carry this designation, or (3) affect the duties, obligations or liability of any other member of the Audit Committee or Board of Directors.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to all employees, officers and directors. The Code of Conduct includes, among other things, written standards for the Company's principal executive officer, principal financial officer and principal accounting officer that are required by the SEC for a code of ethics applicable to such officers. The Code of Conduct is available at the Company's internet website, www.rbauktion.com or by telephoning the Company's Corporate Secretary at 778-331-5500. The Company intends to disclose on its website within five days following the date of any such amendment or waiver, any amendment or waiver of the code of ethics portion of its Code of Conduct applicable to these officers that is required by SEC rules or regulations to be disclosed publicly, and to keep such disclosure available on the website for at least a 12-month period.

Principal Accountant Fees And Services

KPMG LLP and its predecessor firms have served as Ritchie Bros. auditing firm since 1974. The aggregate fees billed by KPMG LLP and its affiliates during fiscal 2010 and 2009 are detailed below.

	Fiscal 2010	Fiscal 2009
Audit Fees	\$ 1,233,100	\$ 1,254,600
Audit-Related Fees	153,800	37,300
Tax Fees	504,400	494,200
All Other Fees		
Total Fees	\$ 1,891,300	\$ 1,786,100

The nature of each category of fees is as follows:

Audit Fees:

Audit fees were paid for professional services rendered by the auditors for the audit and interim reviews of the Company's consolidated financial statements or services provided in connection with statutory and regulatory filings or engagements.

Audit-Related Fees:

Audit-related fees were paid for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the Audit Fees item above.

Tax Fees:

Tax fees were paid for tax compliance, tax advice and tax planning professional services. These services consisted of: tax compliance, including the review of original and amended tax returns; assistance with questions regarding tax audits; assistance in completing routine tax schedules and calculations; and tax planning and advisory services relating to common forms of domestic and international taxation (i.e., income tax, capital tax, Goods and Services Tax and Value Added Tax).

Pre-Approval Policies and Procedures:

The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence and has adopted a policy governing the provision of these services. This policy requires the pre-approval by the Audit Committee of all audit and non-audit services provided by the external auditor, other than any *de minimus* non-audit services allowed by applicable law or regulation. The policy outlines the procedures and the conditions pursuant to which permissible services proposed to be performed by KPMG LLP are pre-approved, provides a general pre-approval for certain permissible services and for subsequent reporting to the Audit Committee, and outlines a list of prohibited services. For 2010, less than 5% of the fees for the services described above were approved by the Audit Committee pursuant to the *de minimus* exemption.

All requests for KPMG LLP to provide services that do not require specific approval by the Audit Committee are reported to and documented by the Company's Chief Financial Officer. If the proposed services are not covered by a pre-approval and the estimated fees for the proposed engagement are more than CA\$5,000, the engagement of KPMG LLP to provide such services requires specific approval by the Audit Committee. Any proposed engagement to provide services that requires specific approval by the Audit Committee pursuant to the terms of the policy is submitted to the Chief Financial Officer for presentation to the Audit Committee for its consideration. Less than 5% of KPMG's fees, excluding audit and review fees, were subject to a waiver of the pre-approval requirement in 2010.
