MERGER PROPOSED -- YOUR VOTE IS VERY IMPORTANT

OrthAlliance, Inc. and Orthodontic Centers of America, Inc. have entered into a merger agreement which provides that, subject to approval by OrthAlliance's stockholders and other conditions, a wholly-owned subsidiary of OCA would merge into OrthAlliance, and OrthAlliance would become a wholly-owned subsidiary of OCA. Stockholders of OrthAlliance would receive shares of OCA common stock in exchange for their shares of OrthAlliance Class A and Class B common stock, except for holders of OrthAlliance Class B common stock who properly exercise their appraisal rights under Delaware law, with cash to be paid instead of any fractional shares of OCA common stock.

We cannot complete the merger without the approval of the stockholders of OrthAlliance. OrthAlliance has scheduled a special meeting of its stockholders to vote on the merger agreement. In order for the merger agreement to be approved, a majority of the outstanding shares of OrthAlliance Class A and Class B common stock, voting together as a single class, that are eligible to vote must be voted in favor of the merger agreement. The date, time and place of the special meeting is as follows:

NOVEMBER 7, 2001
9:00 A.M. (PACIFIC TIME)
TORRANCE MARRIOTT HOTEL
3635 FASHION WAY
TORRANCE, CALIFORNIA 90503

The attached Proxy Statement/Prospectus provides you with detailed information about the proposed merger and the companies involved. We encourage you to read it carefully. You can also obtain information about OCA and OrthAlliance from documents each has filed with the Securities and Exchange Commission.

Your vote is very important, regardless of how many shares you own. Whether or not you plan to attend the special meeting of stockholders, please take the time to vote your proxy by completing and mailing the enclosed proxy card to us. If your proxy is properly given and not revoked without indicating how you want to vote, your proxy will be counted as a vote in favor of the merger agreement. If you attend the special meeting of stockholders, you may vote your shares in person if you wish, even though you previously voted your proxy.

The Board of Directors of OrthAlliance recommends that stockholders of OrthAlliance vote "FOR" approval of the merger agreement.

Very truly yours,

QUESTIONS AND ANSWERS
ABOUT THE MERGER

Q: WHAT DO I NEED TO DO NOW?

A: Whether or not you plan to attend the special meeting of OrthAlliance stockholders, please vote your proxy promptly by indicating on the enclosed proxy card how you want to vote, and by signing and mailing the proxy card in the enclosed return envelope as soon as possible so that your shares may be represented at the special meeting of stockholders. If your proxy is properly given and not revoked without indicating how you want to vote, your proxy will be counted as a vote in favor of the merger agreement.

You are invited to the special meeting of OrthAlliance stockholders to vote your shares in person. If you do vote your proxy, you can take it back at any time until OrthAlliance stockholders vote at the special meeting of stockholders, and vote another proxy or attend the special meeting and vote

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

in person.

Regardless of whether you plan to attend the special meeting in person, we encourage you to vote your proxy promptly. This will help to ensure that a quorum is present at the special meeting and will help reduce the costs associated with the solicitation of proxies.

THE BOARD OF DIRECTORS OF ORTHALLIANCE RECOMMENDS THAT STOCKHOLDERS OF ORTHALLIANCE VOTE "FOR" APPROVAL OF THE MERGER AGREEMENT.

Q: IF MY SHARES ARE HELD IN "STREET NAME" BY MY BROKER, WILL MY BROKER VOTE MY SHARES FOR ME?

A: Only if you provide instructions to your broker on how to vote by following the directions your broker provides. Without instructions from you to your broker, your shares will not be voted.

Q: WHAT IS THE PURPOSE OF THIS PROXY STATEMENT/PROSPECTUS?

A: This document serves as OrthAlliance's proxy statement and as OCA's prospectus. As a proxy statement, this document is being provided to OrthAlliance stockholders because OrthAlliance's Board of Directors is soliciting the proxies of OrthAlliance stockholders to vote to approve the merger agreement. As a prospectus, this document is being provided to OrthAlliance stockholders by OCA because OCA is offering OrthAlliance stockholders shares of OCA common stock in exchange for their shares of OrthAlliance Class A and Class B common stock if the merger is completed.

Q: IS THERE OTHER INFORMATION I SHOULD CONSIDER?

A: Yes. Much of the business and financial information that may be important to you is not included directly in this document. Instead, this information is incorporated into this document by references to documents separately filed by OCA and OrthAlliance with the Securities and Exchange Commission. This means that OCA and OrthAlliance may satisfy their disclosure obligations to you by referring you to one or more documents separately filed by them with the SEC. See "WHERE YOU CAN FIND MORE INFORMATION" beginning on page 93 for a list of documents that OCA and OrthAlliance have incorporated by reference into this Proxy Statement/Prospectus and for instructions on how to obtain copies of these documents. The documents are available to you without charge.

Q: WHAT IF I CHOOSE NOT TO READ THE DOCUMENTS INCORPORATED BY REFERENCE?

A: Information contained in a document that is incorporated into this Proxy Statement/Prospectus by reference is part of this Proxy Statement/Prospectus, unless it is superseded by information contained directly in this Proxy Statement/Prospectus or in documents filed by OrthAlliance or OCA with the SEC after the date of this Proxy Statement/Prospectus. Information that is incorporated from another document is considered to have been disclosed to you whether or not you choose to read the document.

OrthAlliance is incorporated in Delaware. OrthAlliance is a leading provider of practice management and consulting services to orthodontic and pediatric dentistry practices in the United States. As of June 30, 2001, OrthAlliance was affiliated with 226 orthodontists and pediatric dentists practicing in 397 centers throughout the United States.

THE MERGER (PAGE 29)

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OCA, OCA Acquisition Corporation and OrthAlliance entered into a merger agreement whereby OCA Acquisition Corporation, a wholly-owned subsidiary of OCA, will merge into OrthAlliance, with OrthAlliance becoming a wholly-owned subsidiary of OCA, subject to approval by OrthAlliance stockholders and other conditions. The merger agreement is attached to this Proxy Statement/Prospectus as Annex A. You should read it carefully.

WHAT ORTHALLIANCE STOCKHOLDERS WILL RECEIVE IN THE MERGER (PAGE 29)

If the merger is completed, OrthAlliance stockholders will receive a fixed number of shares of OCA common stock for each share of OrthAlliance Class A and Class B common stock they own (which is referred to as the "exchange ratio"), except for holders of OrthAlliance Class B common stock who properly exercise their appraisal rights under Delaware law. The amount of the exchange ratio will depend upon how many of 184 designated orthodontists and pediatric dentists, who are owners/employees of

6

professional entities that are parties to OrthAlliance service, management service or consulting agreements, enter into, along with their professional entity, amendments to their respective employment agreements and service, management service or consulting agreements prior to completion of the merger, as provided in the merger agreement, and the percentage of OrthAlliance's service fees during the 12 months ended March 31, 2001 represented by those orthodontists and pediatric dentists. The following chart describes the exchange ratio in the merger:

EXCHANGE RATIO	ORTHALLIANCE AFFILIATED PRACTITIONERS EXECUTING AMENDMENTS	
	NUMBER	PERCENTAGE OF ORTHALLIANCE ANNUAL SERVICE FEES REPRESENTED
0.09214.....	56 or less	or Less than 31.00%
0.10135.....	At least 57 to 75	and At least 31.00%-40.99%
0.11056.....	At least 76 to 93	and At least 41.00%-50.99%
0.12899.....	At least 94 to 112	and At least 51.00%-60.99%
0.16585.....	113 or more	and 61.00% or more

As of October 5, 2001, 72 of these designated orthodontists and pediatric dentists, along with their respective professional entity, have signed amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements, representing about 35.98% of OrthAlliance's service fees during the 12 months ended March 31, 2001. Based upon those amounts, OrthAlliance stockholders would receive 0.10135 shares of OCA common stock for each share of OrthAlliance Class A and Class B common stock in the merger. These amounts, however, may change prior to completion of the merger.

OCA will not issue any fractional shares of OCA common stock. Instead, an OrthAlliance stockholder will receive cash equal to the product of (1) the average of the last reported sale prices per share of OCA common stock as reported on the New York Stock Exchange for the three trading days immediately preceding the date on which the merger is completed, times (2) the fraction of a

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

share of OCA common stock to which the stockholder otherwise would be entitled.

If the merger is completed, each outstanding and unexercised option or warrant to purchase shares of OrthAlliance Class A or Class B common stock will no longer represent a right to acquire shares of OrthAlliance Class A or Class B common stock and will be automatically converted into a right to acquire shares of OCA common stock. The number of shares underlying each new option, as well as the exercise price, will be adjusted by the amount of the exchange ratio.

OCA'S STOCK PRICE WILL FLUCTUATE (PAGE 66)

OCA expects the market price of its common stock to fluctuate due to market factors beyond its control before and following the merger. Because the exchange ratio, once determined, is fixed and the market price of OCA common stock may fluctuate, the value of the shares of OCA common stock that OrthAlliance stockholders will receive in the merger may increase or decrease prior to completion of the merger. OCA cannot assure you that the market price of OCA common stock will not decrease before or after completion of the merger.

SPECIAL MEETING (PAGE 24)

A special meeting of the stockholders of OrthAlliance will be held on November 7, 2001 at the following time and place:

November 7, 2001
9:00 a.m. (Pacific Time)
Torrance Marriott Hotel
3635 Fashion Way
Torrance, California 90503

At the special meeting, stockholders of OrthAlliance will be asked to approve the merger agreement among OCA, OCA Acquisition Corporation and OrthAlliance.

7

ORTHALLIANCE'S BOARD OF DIRECTORS RECOMMENDS THAT ORTHALLIANCE STOCKHOLDERS APPROVE THE MERGER AGREEMENT (PAGE 25)

The Board of Directors of OrthAlliance believes that the proposed merger among OCA, OCA Acquisition Corporation and OrthAlliance is in the best interests of OrthAlliance stockholders, and recommends that OrthAlliance stockholders vote "FOR" the proposal to approve the merger agreement. This belief is based on a number of factors described in this document, including the receipt of a fairness opinion from OrthAlliance's financial advisor.

VOTE REQUIRED TO COMPLETE THE MERGER (PAGE 25)

In order for the merger to be approved, a majority of the outstanding shares of OrthAlliance Class A and Class B common stock, voting together as a single class, that are entitled to vote at the special meeting must be voted in favor of the merger agreement.

The following chart describes the OrthAlliance stockholder vote required to approve the merger agreement:

Number of shares of OrthAlliance Class A and Class B common stock outstanding on September 26, 2001.....	12,249,127
Number of votes necessary to approve the merger agreement...	6,124,564

Percentage of votes that executive officers and directors of OrthAlliance can cast as of September 26, 2001.....	2.70%

RECORD DATE; VOTING POWER (PAGE 25)

You can vote at the special meeting of OrthAlliance stockholders if you owned OrthAlliance Class A and Class B common stock as of the close of business on September 26, 2001, the record date set by OrthAlliance's Board of Directors. Each share of OrthAlliance Class A and Class B common stock is entitled to one vote.

On September 26, 2001, there were 12,249,127 shares of OrthAlliance Class A and Class B common stock outstanding and entitled to vote on the merger agreement.

BACKGROUND OF THE MERGER (PAGE 31)

In 1999, OrthAlliance began to explore various strategic alternatives to enhance stockholder value, including a sale of the company to OCA or a financial investor. During 2000, OrthAlliance engaged U.S. Bancorp Piper Jaffray to advise it in connection with these strategic alternatives and appointed special committees of OrthAlliance's Board of Directors to evaluate these alternatives and consider various acquisition proposals. U.S. Bancorp Piper Jaffray contacted a number of financial investors about their interest in acquiring OrthAlliance, and OrthAlliance engaged in discussions with several financial investors and OCA about a potential transaction. In October 2000, OrthAlliance was contacted by a potential financial buyer about the possibility of engaging in a "going private" transaction involving OrthAlliance's affiliated practitioners. OrthAlliance continued to negotiate with this potential financial buyer until it indicated on May 8, 2001 that it was no longer interested in pursuing a transaction with OrthAlliance. In April 2001, OCA contacted OrthAlliance to explore a potential merger of the two companies. During April and May 2001, representatives of OCA and OrthAlliance had several discussions and meetings about a potential merger and negotiated the terms of a merger agreement.

8

On May 16, 2001, OCA's Board of Directors and OrthAlliance's special committee and Board of Directors each met in separate special meetings to consider the proposed merger between OrthAlliance and OCA and the terms of the proposed merger agreement. OCA's Board of Directors and OrthAlliance's special committee and Board of Directors received presentations from their respective financial advisors, legal counsel, accountants and management regarding the merger. Following these presentations and discussion among the members of the respective boards of directors and OrthAlliance's special committee, the merger agreement was separately approved by OCA's Board of Directors and by OrthAlliance's special committee and Board of Directors on May 16, 2001.

WHY OCA AND ORTHALLIANCE ARE SEEKING TO MERGE (PAGES 37 AND 40)

The merger will combine the strengths of OCA and OrthAlliance. With OrthAlliance becoming a wholly-owned subsidiary of OCA, the companies should be able to achieve superior financial performances compared to each company operating independently. One reason for this is that the combined companies are expected to increase revenue growth by adding over 200 orthodontists and

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

pediatric dentists to OCA's existing base of over 400 affiliated orthodontists. The combined companies should also provide an increase in operating margin because OCA would be able to leverage its computer and operating systems and other resources over a larger base of affiliated practitioners.

BOARD OF DIRECTORS AND MANAGEMENT OF OCA FOLLOWING THE MERGER (PAGE 89)

If the merger is completed, one of the directors of OrthAlliance will be appointed by OCA's Board of Directors to serve as a director of OCA. That director will be selected by the Boards of Directors of OCA and OrthAlliance. Following the merger, Bartholomew F. Palmisano, Sr., currently the Chairman of the Board, President and Chief Executive Officer of OCA, would continue to serve in those positions.

FEDERAL INCOME TAX CONSEQUENCES (PAGE 53)

The merger has been structured as a tax-free reorganization for U.S. federal income tax purposes. Accordingly, OrthAlliance stockholders generally will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of their OrthAlliance Class A and Class B common stock for OCA common stock in the merger, except for OrthAlliance stockholders who receive cash instead of fractional shares of OCA common stock or OrthAlliance Class B stockholders who exercise their appraisal rights under Delaware law. OCA and OrthAlliance, as well as current OCA stockholders, will not recognize any gain or loss for U.S. federal income tax purposes as a result of the merger. Determining the actual tax consequences of the merger to you can be complicated, and will depend on your specific situation and many variables not within our control. Accordingly, we strongly urge you to consult your own tax advisor for a full understanding of the merger's tax consequences.

ACCOUNTING TREATMENT (PAGE 53)

We expect that the merger will be treated as a purchase transaction under generally accepted accounting principles for accounting and financial reporting purposes.

ORTHALLIANCE'S FINANCIAL ADVISOR SAID THAT THE PROPOSED MERGER CONSIDERATION WAS FAIR TO ORTHALLIANCE STOCKHOLDERS FROM A FINANCIAL POINT OF VIEW (PAGE 41)

U.S. Bancorp Piper Jaffray rendered an opinion to a special committee of the Board of Directors of OrthAlliance that, as of the date of the opinion, the merger consideration proposed to be received by the stockholders of OrthAlliance was fair from a financial point of view to the stockholders of OrthAlliance. This opinion is attached as Annex C to this document. You should read it carefully.

9

INTERESTS OF ORTHALLIANCE DIRECTORS AND MANAGEMENT IN THE MERGER (PAGE 54)

Directors and executive officers of OrthAlliance will be issued shares of OCA common stock in the merger on the same basis as other stockholders of OrthAlliance. The following chart shows the number of shares of OCA common stock that may be issued to directors and executive officers of OrthAlliance in the merger:

W. Dennis Summers, the Chairman of the Board and Interim President and Chief Executive Officer of OrthAlliance, is a participant in OrthAlliance's stay bonus and severance plan whereby, if Mr. Summers' employment is terminated for any reason within 12 months following the completion of the merger, he would receive payment of \$200,000. In addition, Mr. Summers is to receive a stay bonus equal to \$33,333 at the earlier of three months following the completion of the merger or termination of his employment by OrthAlliance for any reason other than for cause following the completion of the merger. Various other non-executive officers and employees of OrthAlliance are also participants in this stay bonus and severance plan.

Various other officers of OrthAlliance, including Paul H. Hayase, Senior Vice President, General Counsel and Secretary of OrthAlliance, Stephen M. Toon, Senior Vice President and Chief Development Officer of OrthAlliance, and James C. Wilson, Senior Vice President and Chief Financial Officer of OrthAlliance, are parties to severance or employment agreements with OrthAlliance under which they may be entitled to severance payments and benefits upon termination of their employment following a change in control of OrthAlliance. We anticipate that the merger would be a change in control for purposes of these agreements.

Dr. Randall K. Bennett, Dr. Larry D. Dormois, Dr. Raymond G. W. Kubisch and Dr. Stephen G. Tracey, each of whom is a director of OrthAlliance and an orthodontist or pediatric dentist affiliated with OrthAlliance, are eligible to receive various financial incentives that OCA is offering to OrthAlliance affiliated orthodontists and pediatric dentists who amend their employment agreement and service or consulting agreement with OrthAlliance as provided in the merger agreement, or who enter into OCA's form of business services agreement effective as of the merger. These incentives, which consist of varying amounts of OCA common stock, are conditioned on, among other things, the completion of the merger. As of October 5, 2001, three of these directors have signed amendments to their employment agreement and service or consulting agreement, and are eligible to be granted shares of OCA common stock if the merger is completed.

ORTHALLIANCE CLASS B STOCKHOLDERS HAVE APPRAISAL RIGHTS (PAGE 26)

Holders of OrthAlliance Class B common stock have the right to exercise appraisal rights and to receive payment in cash for the fair value of their shares of OrthAlliance Class B common stock as determined by the Delaware Chancery Court. Holders of Class B common stock have appraisal rights under Delaware law because these shares are neither publicly traded nor held of record by more than 2,000 holders. The fair value of shares of OrthAlliance Class B common stock as determined by the Delaware Chancery Court may be more or less than, or the same as, the value of the OCA common stock to be received by holders of OrthAlliance Class A common stock and OrthAlliance Class B common stock who do not exercise appraisal rights. To exercise appraisal rights, holders of OrthAlliance Class B common stock must follow precisely certain procedures, or the appraisal rights may be lost. These procedures are described in this Proxy Statement/Prospectus and the relevant provisions of Delaware law, and include the requirement that the stockholders file certain notices with OrthAlliance and refrain from voting their

shares in favor of the merger. If they exercise their appraisal rights, their shares of OrthAlliance Class B common stock will not be exchanged for shares of OCA common stock in the merger, and their only right will be to receive the appraised fair value of their shares of OrthAlliance Class B common stock in cash. A copy of the Delaware statute describing these appraisal rights and the procedures for exercising them is attached as Annex B to this Proxy Statement/Prospectus. OrthAlliance Class B stockholders who perfect their appraisal rights and receive cash in exchange for their shares of OrthAlliance Class B common stock may recognize gain or loss for U.S. federal income tax purposes.

OrthAlliance Class A stockholders do not have the right under Delaware law to exercise appraisal rights because OrthAlliance Class A common stock is publicly traded on the Nasdaq Stock Market National Market System.

WE MUST MEET SEVERAL CONDITIONS TO COMPLETE THE MERGER (PAGE 58)

The completion of the merger depends on a number of conditions being met, including the following:

- Stockholders of OrthAlliance approving the merger agreement;
- The New York Stock Exchange listing the shares of OCA common stock to be issued to OrthAlliance stockholders;
- Receipt of all required approvals and the expiration of any regulatory waiting periods;
- The absence of any governmental order blocking completion of the merger or of any proceedings by a government body trying to block it;
- Receipt of opinions of legal counsel to OCA and OrthAlliance that the merger will be treated for U.S. federal income tax purposes as a tax-free reorganization under the Internal Revenue Code;
- The absence of any material adverse effect on OCA and OrthAlliance in general; and

- At least 56 of 184 designated OrthAlliance affiliated professionals, and a number of those OrthAlliance affiliated professionals representing at least 30% of OrthAlliance's annual service fees, amending their respective employment agreement and OrthAlliance service, management service or consulting agreement on terms specified in the merger agreement. As of October 5, 2001, 72 of these designated orthodontists and pediatric dentists, along with their respective professional entity, have signed amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements, representing 35.98% of OrthAlliance's service fees during the 12 months ended March 31, 2001, which exceed the minimum amounts required under this condition. These amounts, however, may change prior to completion of the merger.

In cases where the law permits, a party to the merger agreement could elect to waive a condition that has not been satisfied and complete the merger although the party is entitled not to complete the merger. We cannot be certain whether or when any of these conditions will be satisfied (or waived, where permissible), or that the merger will be completed.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

WE MAY TERMINATE THE MERGER AGREEMENT (PAGE 58)

OrthAlliance and OCA can agree at any time to terminate the merger agreement without completing the merger, even if the stockholders of OrthAlliance have already voted to approve it.

OCA can terminate the merger agreement if the Board of Directors of OrthAlliance recommends, accepts or enters into an agreement or letter of intent relating to an acquisition proposal other than the one described in this document, or withdraws or modifies its recommendation of the merger agreement as described in this document.

OrthAlliance can terminate the merger agreement if its Board of Directors elects to terminate the merger agreement solely to concurrently enter into an agreement relating to an acquisition proposal that the Board determines in good faith is more favorable than the one described in this document, after

11

determining in good faith that the failure to do so would violate the Board's fiduciary duties and giving notice to OCA.

Moreover, either OCA or OrthAlliance can terminate the merger agreement in the following circumstances:

- If the merger isn't completed by November 30, 2001;
- If the stockholders of OrthAlliance do not approve the merger agreement;
- If the other party violates, in a significant way, any of its representations, warranties, covenants or obligations contained in the merger agreement; and
- If the other party does not satisfy its conditions required to complete the merger, and these conditions have become incapable of being fulfilled or cured and have not been waived.

Generally, a party can only terminate the merger agreement in one of these situations if that party is not in violation of the merger agreement or if its violations of the merger agreement are not the cause of the event permitting termination.

FORWARD-LOOKING STATEMENTS MAY PROVE INACCURATE (PAGE 95)

This document, and other documents to which you are referred in this document, contain forward-looking statements that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our operations or the performance of the combined companies after the merger. Forward-looking statements generally refer to a future period and/or include any of the words "believes," "expects," "anticipates," "should," "would," "could," "will," "estimates," "plans" or "intends" or similar expressions. Many possible events or factors could affect each of our future financial results and performance and that of the combined company after the merger and could cause those results or performance to differ materially from those expressed in forward-looking statements. These possible events or factors include the following:

- Problems or delays in bringing us together, either before or after the merger is completed;
- Legal and regulatory risks and uncertainties;
- Economic, political and competitive forces affecting our businesses, markets, constituencies or securities; and
- Inaccuracies in our analyses of these risks and forces, and lack of success of strategies developed to deal with them.

COMPARATIVE UNAUDITED PER SHARE DATA

The following table shows information, for the periods indicated, about OCA's and OrthAlliance's historical net income per share, dividends per share and book value per share. The table also provides similar information that reflects the merger of OCA and OrthAlliance (which is referred to as "pro forma" information). In presenting the comparative pro forma information for certain time periods, we have assumed the use of the purchase method of accounting. In addition, the table provides "pro forma equivalent" information for OrthAlliance, which was obtained by multiplying the OCA and OrthAlliance pro forma amounts by assumed exchange ratios of 0.09214 and 0.16585 (the minimum and maximum amounts of the exchange ratio). It is intended to reflect the fact that OrthAlliance stockholders will be receiving less than one share of OCA common stock for each share of OrthAlliance common stock exchanged in the merger.

SELECTED HISTORICAL FINANCIAL DATA AND UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The following tables show summarized unaudited historical consolidated financial data for OCA and for OrthAlliance and also show similar pro forma information reflecting the merger among OCA, OCA Acquisition Corporation and OrthAlliance. The pro forma information reflects the purchase method of accounting for the merger.

The unaudited pro forma consolidated balance sheet at June 30, 2001 assumes that the merger was completed on June 30, 2001. The unaudited pro forma statements of income for the six months ended June 30, 2001 and the year ended December 31, 2000 assumes that the merger was completed on January 1, 2000. The purchase price allocation used in these unaudited pro forma financial statements is based upon preliminary estimates, which are subject to change as additional information is obtained.

The items in the following two paragraphs have not been factored into these pro forma financial statements but could have a material impact on the actual financial position and operating results of OCA after the merger.

We expect to incur merger-related expenses as a result of combining our companies. We also anticipate that the merger will provide the combined companies with financial benefits such as reduced operating expenses and the opportunity to earn more revenue.

In connection with the proposed merger with OrthAlliance, OCA has implemented six programs under which it may offer shares of its common stock to orthodontists and pediatric dentists who are owners and employees of professional entities that are parties to service, management service or consulting agreements with OrthAlliance and its subsidiaries. Participation in each of these programs would be conditioned upon amendment of the orthodontists' or pediatric dentists' employment agreements and OrthAlliance service, management service or consulting agreements or execution of new business services agreements with OCA prior to the merger, execution of a participation agreement and completion of the proposed merger with OrthAlliance, among other things.

Because these items have not been factored into the pro forma financial statements, the pro forma information, while helpful in illustrating the financial attributes of the combined companies under one set of assumptions, does not attempt to predict or suggest future results. Also, the information provided for the six month period ended June 30, 2001 does not necessarily indicate what the results will be for all of 2001.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

The pro forma adjustments in the pro forma financial statements assume an exchange ratio of 0.10135 shares of OCA common stock for each share of OrthAlliance Class A and Class B common stock and a price per share of OCA common stock of \$30. This assumed exchange ratio was determined based on the number of OrthAlliance affiliated practitioners who, along with their respective professional entity, have signed amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements as of October 5, 2001, and the percentage of OrthAlliance's service fees during the 12 months ended March 31, 2001 represented by these OrthAlliance affiliated practitioners. The actual exchange ratio will depend upon how many of 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to OrthAlliance service, management service or consulting agreements, enter into, along with their professional entity, amendments to their respective employment agreements and service, management service or consulting agreements prior to completion of the merger, as provided in the merger agreement, and the percentage of OrthAlliance's service fees during the twelve months ended March 31, 2001 represented by those orthodontists and pediatric dentists.

Assuming the minimum exchange ratio provided in the merger agreement, which is 0.09214, the purchase price, the adjustment to reflect goodwill from the merger and shareholders' equity would be \$34.30 million, \$23.24 million and \$352.63 million, respectively, in the pro forma balance sheet at June 30, 2001; the number of shares used to compute earnings per share would increase by 1.13 million shares and earnings per share would be the same as the amount presented in the pro forma condensed consolidated statement of income for the year ended December 31, 2000; and the number of shares used to compute

15

earnings per share would increase by 1.13 million shares and earnings per share would be the same as the amount presented in the pro forma condensed consolidated statement of income for the six months ended June 30, 2001.

Assuming the maximum exchange ratio provided in the merger agreement, which is 0.16585, the purchase price, the adjustment to reflect goodwill from the merger and shareholders' equity would be \$61.74 million, \$50.69 million and \$380.08 million, respectively, in the pro forma condensed consolidated balance sheet at June 30, 2001; the number of shares used to compute earnings per share would increase by 2.03 million shares and earnings per share would decrease by \$0.01 from the amount presented in the pro forma condensed consolidated statement of income for the year ended December 31, 2000; and the number of shares used to compute earnings per share would have increased by 2.03 million shares and earnings per share would be the same as the amount presented in the pro forma condensed consolidated statement of income for the six months ended June 30, 2001.

OCA believes that the assumptions used in preparing the unaudited pro forma consolidated financial statements provide a reasonable basis for presenting all of the significant effects of the merger other than any synergies anticipated by OCA and nonrecurring charges directly attributable to the merger and that will result from combining operations, and that the pro forma adjustments give effect to those assumptions in the unaudited pro forma consolidated balance sheet and the unaudited pro forma consolidated statements of income.

The information in the following tables is based on the historical financial information of OCA and OrthAlliance that has been presented in their prior filings with the Securities and Exchange Commission, and which have been incorporated by reference into this Proxy Statement/Prospectus. All of the summary financial information provided in the following tables should be read in connection with this historical financial information. For information on how to

obtain OCA's and/or OrthAlliance's historical financial information presented in their prior filings, you should refer to the section of this document captioned "WHERE YOU CAN FIND MORE INFORMATION." The financial information as of and for the interim periods ended June 30, 2001 and 2000 has not been audited and in the respective opinions of management reflects all adjustments, consisting only of normal recurring adjustments necessary to a fair presentation of such data.

- (1) This amount represents a cumulative effect of a change in accounting principle effective January 1, 1999 related to Statement of Position 98-5, "Reporting on the Costs of Start-Up Activities."
- (2) This amount represents a cumulative effect of a change in accounting principle effective January 1, 2000 related to revenue recognition and Staff Accounting Bulletin No. 101, "Revenue Recognition in Financial Statements" ("SAB 101").
- (3) These amounts represent the dilutive effect of the exercise of common equivalent shares (stock options) outstanding during the year.
- (4) Pro forma amounts were calculated assuming OCA's change in revenue recognition effective January 1, 2000 pursuant to SAB 101 had been in effect for all periods presented.
- (5) These amounts are presented as of the end of the period.
- (6) These amounts represent the growth in fee revenue in the indicated period relative to the comparable prior-year period by orthodontic centers that were affiliated with OCA throughout each of the two periods being compared. There were 53 of these comparable orthodontic centers in 1995, 75 in 1996, 130 in 1997, 227 in 1998, 332 in 1999, 469 in 2000, 468 in the six months

ended June 30, 2000 and 527 in the six months ended June 30, 2001. The amount of that growth has been significantly affected by the number of newly-opened orthodontic centers included in the computation, because newly-opened orthodontic centers have experienced significant growth during their first 26 months of operations. The average term of a patient contract is about 26 months. OCA's affiliated orthodontic centers have typically reached maturity as patients are added during the first 26 months of operations.

- (7) This amount represents the growth in fee revenue in 2000 for orthodontic centers open throughout 1999 and 2000, compared to pro forma fee revenue for these centers in 1999, calculated as if OCA's change in accounting principle pursuant to SAB 101 effective January 1, 2000 had been in effect throughout 1999 and 2000.
- (8) To conform to the balance sheet presentation as of December 31, 2000, amounts reported as of December 31, 1996, 1997, 1998 and 1999 as patient prepayments (previously reported as a liability) have been reclassified as a reduction of service fees receivable.

ORTHALLIANCE SPECIAL MEETING

GENERAL

This Proxy Statement/Prospectus is first being mailed on or about October 10, 2001 to all persons who were OrthAlliance stockholders on September 26, 2001.

Along with this Proxy Statement/Prospectus, OrthAlliance stockholders are being provided with a Notice of Special Meeting and a form of proxy card that is solicited by OrthAlliance's Board of Directors for use at the special meeting of OrthAlliance stockholders and at any adjournments or postponements of that meeting.

At the special meeting, OrthAlliance stockholders will consider and vote upon a proposal to approve and adopt an Agreement and Plan of Merger, dated as of May 16, 2001, among OrthAlliance, OCA and OCA's wholly-owned subsidiary, OCA Acquisition Corporation. The merger agreement provides for the merger of OCA Acquisition Corporation into OrthAlliance, with OrthAlliance thereby becoming a wholly-owned subsidiary of OCA.

The special meeting of OrthAlliance stockholders will be held at the following time and place:

November 7, 2001
9:00 a.m. (Pacific Time)
Torrance Marriott Hotel
3635 Fashion Way
Torrance, California 90503

OCA stockholders are not voting on the merger agreement.

PROXIES

We encourage you to promptly vote your proxy by completing, signing, dating and returning the enclosed proxy card solicited by OrthAlliance's Board of Directors, even if you plan to attend the special meeting.

You may revoke any proxy given in connection with this solicitation by:

- Delivering to OrthAlliance's corporate Secretary a written notice revoking the proxy prior to the taking of the vote at the OrthAlliance special meeting;
- Delivering a duly executed proxy relating to the same shares bearing a later date; or
- Attending the meeting and voting in person (although, attendance at the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OrthAlliance special meeting without voting at the meeting will not in and of itself constitute a revocation of a proxy).

You should address all written notices of revocation and other communications with respect to the revocation of proxies to the following:

OrthAlliance, Inc.
21535 Hawthorne Boulevard, Suite 200
Torrance, California 90503
Attention: Paul H. Hayase, Secretary

For a notice of revocation or later proxy to be valid, however, OrthAlliance must actually receive it prior to the vote of OrthAlliance stockholders at the special meeting. OrthAlliance will vote all shares of OrthAlliance common stock represented by valid proxies received through this solicitation and not revoked before they are exercised. If no specification is made, OrthAlliance will vote the proxies in favor of approval of the merger agreement.

OrthAlliance is currently unaware of any other matters that may be presented for action at the OrthAlliance special meeting. If other matters do properly come before the special meeting, then shares of

24

OrthAlliance Class A and Class B common stock represented by proxies will be voted (or not voted) by the persons named in the proxies in their discretion.

SOLICITATION OF PROXIES

In addition to the solicitation of proxies by mail, OrthAlliance will request banks, brokers and other record holders of OrthAlliance Class A and Class B common stock to send proxy cards and proxy material to the beneficial owners of OrthAlliance common stock and obtain their voting instructions, if necessary. OrthAlliance will reimburse these record holders for their reasonable expenses in so doing. OrthAlliance has also made arrangements with Morrow & Co., Inc. to assist them in soliciting proxies from banks, brokers and nominees, and has agreed to pay Morrow & Co., Inc. \$7,500 plus expenses for their services. If necessary, OrthAlliance may also use several of its regular employees, who will not be specially compensated, to solicit proxies from OrthAlliance stockholders, either personally or by telephone, telegram, facsimile or special delivery letter.

RECORD DATE AND VOTING RIGHTS

OrthAlliance's Board of Directors has fixed September 26, 2001 as the record date for the determination of OrthAlliance stockholders entitled to receive notice of and to vote at OrthAlliance's special meeting of stockholders. Accordingly, only OrthAlliance stockholders of record at the close of business on September 26, 2001 will be entitled to notice of and to vote at the special meeting. At the close of business on OrthAlliance's record date, there were 12,249,127 shares of OrthAlliance Class A and Class B common stock entitled to vote together as a single group at the special meeting, held by approximately 132 holders of record, and the directors and executive officers of OrthAlliance beneficially owned about 2.70% of the outstanding shares of OrthAlliance Class A and Class B common stock.

The presence, in person or by proxy, of stockholders holding a majority of the voting power of all outstanding shares of OrthAlliance Class A and Class B common stock entitled to vote will constitute a quorum for the special meeting. Each share of OrthAlliance Class A and Class B common stock outstanding on the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

record date entitles the holder of the share to one vote as to the approval of the merger agreement or any other proposal that may properly come before the special meeting.

For purposes of determining the presence or absence of a quorum for the transaction of business, OrthAlliance will count shares of OrthAlliance Class A and Class B common stock present in person at the special meeting but not voting, and for which OrthAlliance has received proxies but with respect to which holders of such shares have abstained, as present at the special meeting. Abstentions are counted as present at the special meeting for purposes of determining whether a quorum exists and have the effect of a vote "against" any matter as to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they don't have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called "broker non-votes") will be counted as present at the special meeting for purposes of determining whether a quorum exists and have the effect of a vote "against" any proposal as to which instructions on how to vote were not provided.

Under OrthAlliance's bylaws and the Delaware General Corporation Law, approval of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of OrthAlliance Class A and Class B common stock, voting together as a single class, that are entitled to vote at the special meeting. Because approval of the merger agreement requires the affirmative vote of a majority of the outstanding shares of OrthAlliance Class A and Class B common stock, abstentions and broker non-votes will have the same effect as negative votes. Accordingly, OrthAlliance's Board of Directors urges you to complete, date and sign the accompanying proxy card and return it promptly in the enclosed, postage-paid envelope.

RECOMMENDATION OF ORTHALLIANCE'S BOARD OF DIRECTORS

OrthAlliance's Board of Directors has approved the merger agreement. OrthAlliance's Board of Directors believes that the merger is in the best interests of OrthAlliance and its stockholders and

25

recommends that OrthAlliance stockholders vote "FOR" approval and adoption of the merger agreement. The conclusion of OrthAlliance's Board of Directors with respect to the merger is based on a number of factors, including the receipt of a fairness opinion from OrthAlliance's financial advisor. See "THE MERGER -- OrthAlliance's Reasons for the Merger; Recommendation of OrthAlliance's Board of Directors."

APPRAISAL RIGHTS

When the merger is completed, holders of OrthAlliance Class B common stock who do not vote in favor of the adoption of the merger agreement and who comply with the procedures prescribed in Section 262 of the Delaware General Corporation Law will be entitled to a judicial appraisal of the fair value of their shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, and to receive payment of the fair value of their shares in cash, together with a judicially determined fair rate of interest. Appraisal rights are available to holders of OrthAlliance Class B common stock under the Delaware General Corporation Law because OrthAlliance Class B common stock is neither publicly traded nor held of record by more than 2,000 holders. HOLDERS OF ORTHALLIANCE CLASS A COMMON STOCK ARE NOT ENTITLED TO APPRAISAL RIGHTS IN CONNECTION WITH THE MERGER BECAUSE SHARES OF ORTHALLIANCE CLASS A COMMON STOCK ARE QUOTED FOR PUBLIC TRADING ON THE NASDAQ STOCK MARKET NATIONAL MARKET SYSTEM.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

Appraisal rights allow the stockholder to receive cash in the amount of the fair value of the shares as appraised by the Delaware Court of Chancery in lieu of consideration the stockholder would otherwise receive in the merger. A person having a beneficial interest in shares of OrthAlliance Class B common stock that are held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect whatever appraisal rights the beneficial owner may have.

The following discussion is not a complete statement of the law pertaining to appraisal rights under Delaware law. Any holder of OrthAlliance Class B common stock who wishes to exercise such appraisal rights, or who wishes to preserve his or her right to do so, should review Section 262 of the Delaware General Corporation Law, a copy of which is attached as Annex B to this Proxy Statement/Prospectus, and the following discussion carefully. Because of the complexity of Section 262 and the need to comply strictly with various technical requirements, you should read Annex B in its entirety.

The availability of appraisal rights is conditioned upon full compliance with procedures set forth in Section 262 of Delaware General Corporation Law. Failure to comply timely and properly with the procedures specified in that section will result in the complete loss of appraisal rights. Accordingly, any OrthAlliance Class B stockholder who wishes to receive the value of his or her OrthAlliance Class B common stock in cash should consult with his or her own legal counsel.

PROCEDURE FOR THE EXERCISE OF ORTHALLIANCE CLASS B STOCKHOLDERS APPRAISAL RIGHTS. At least 20 days prior to the special meeting at which the merger agreement is submitted to OrthAlliance stockholders for approval, OrthAlliance must notify each holder of Class B common stock that appraisal rights are available under Section 262 of the Delaware General Corporation Law and include in such notice a copy of Section 262. THIS PROXY STATEMENT/PROSPECTUS CONSTITUTES SUCH NOTICE, AND THE APPLICABLE STATUTORY PROVISIONS ARE ATTACHED TO THIS PROXY STATEMENT/PROSPECTUS AS ANNEX B.

In order to be eligible to exercise appraisal rights, an OrthAlliance Class B stockholder must:

- Deliver to OrthAlliance a written demand for appraisal of the stockholder's shares prior to the vote on the merger agreement; and
- Not vote such shares of OrthAlliance Class B common stock in favor of the merger agreement.

A vote against the adoption of the merger agreement will not in and of itself constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand must reasonably inform OrthAlliance of the identity of the stockholder and that the stockholder intends to demand

26

appraisal of the fair value of the shares of OrthAlliance Class B common stock that he or she holds. A stockholder's failure to make the written demand prior to the taking of the vote on the adoption of the merger agreement at the special meeting of OrthAlliance stockholders will constitute a waiver of appraisal rights.

If the merger is completed, within 10 days after the effective date of the merger, OrthAlliance, as the surviving corporation of the proposed merger with OCA Acquisition Corporation, must notify each dissenting holder of OrthAlliance Class B common stock who satisfied the statutory requirements for appraisal

rights of the date of the completion of the merger.

JUDICIAL APPRAISAL OF ORTHALLIANCE CLASS B COMMON STOCK. Within 120 days after the completion of the merger, OrthAlliance or any OrthAlliance Class B stockholder who has complied with Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the holder's shares of OrthAlliance Class B common stock. OrthAlliance is under no obligation to file such a petition and has no present intention to file such a petition. Accordingly, it is the obligation of the holders of OrthAlliance Class B common stock to initiate all necessary action to perfect their appraisal rights in respect of their shares of OrthAlliance Class B common stock within the time period prescribed in Section 262.

Within 120 days after the effective date of the merger, any OrthAlliance Class B stockholder who has complied with the requirements for the exercise of appraisal rights under Section 262 will be entitled, upon written request, to receive from OrthAlliance a statement setting forth the aggregate number of shares of OrthAlliance Class B common stock not voted in favor of the adoption of the merger agreement and with respect to which demands for appraisal have been received and the aggregate number of stockholders of such shares. OrthAlliance must mail such statement within 10 days after receipt of a written request for the statement or within 10 days after the expiration of the period for delivery of demands for appraisal, whichever is later.

If a holder of OrthAlliance Class B common stock timely files a petition for appraisal and a copy of the petition is served upon OrthAlliance, OrthAlliance will be obligated within 20 days to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all holders of Class B common stock who have demanded payments for their shares and with whom agreements as to the value of their shares have not been reached. After notice to such stockholders as required by the court, the Delaware Court of Chancery is empowered to conduct a hearing on such a petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights under Section 262. The Delaware Court of Chancery may require the holders of OrthAlliance Class B common stock who demanded payment for their shares to submit their stock certificates to the Delaware Register in Chancery for notation on the certificate of the pendency of the appraisal proceeding. If any stockholder fails to comply with such direction, the Delaware Court of Chancery may dismiss the proceedings as to such stockholder.

After determining the holders of OrthAlliance Class B common stock entitled to an appraisal, the Delaware Court of Chancery will appraise the fair value of their shares of OrthAlliance Class B common stock, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be fair value. Holders of OrthAlliance Class B common stock considering seeking appraisal should be aware that the fair value of their shares of OrthAlliance Class B common stock as so determined could be more than, the same as or less than the consideration they would receive pursuant to the merger if they did not seek appraisal of their shares of OrthAlliance Class B common stock. They should also be aware that investment banking opinions as to fairness from a financial point of view are not necessarily opinions as to fair value under Section 262. The Delaware Supreme Court has stated that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered in the appraisal proceedings. In addition, Delaware courts have decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be the exclusive remedy of a stockholder seeking appraisal. The Delaware Court of Chancery will also determine

the amount of interest, if any, to be paid upon the amounts to be received by persons whose shares of OrthAlliance Class B common stock have been appraised. The costs of the action may be determined by the court and taxed upon the parties as the court deems equitable. The court may also order that all or a portion of the expenses incurred by any stockholder in connection with an appraisal, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts utilized in the appraisal proceeding, be charged pro rata against the value of all shares entitled to be appraised.

Any holder of OrthAlliance Class B common stock who has duly demanded an appraisal in compliance with Section 262 will not, after the effective time of the merger, be entitled to vote the shares of OrthAlliance Class B common stock subject to such demand for any purpose or be entitled to the payment of dividends or other distributions on those shares of OrthAlliance Class B common stock (except dividends or other distributions payable to holders of record of OrthAlliance Class B common stock as of a record date prior to the completion of the merger).

If any stockholder who demands appraisal of his or her shares of OrthAlliance Class B common stock under Section 262 fails to perfect, or effectively withdraws or loses, such holder's right to appraisal, the shares of OrthAlliance Class B common stock of such stockholder will be deemed to have been converted at completion of the merger into the right to receive the appropriate number of shares of OCA common stock. A stockholder will fail to perfect, or effectively lose or withdraw, the holder's right to appraisal if no petition for appraisal is filed within 120 days after the completion of the merger, or if the stockholder delivers to OrthAlliance a written withdrawal of the holder's demand for appraisal and an acceptance of the merger, except that any such stockholder's attempt to withdraw made more than 60 days after the completion of the merger will require the written approval of OrthAlliance and, once a petition for appraisal is filed, the appraisal proceeding may not be dismissed as to any stockholder absent court approval.

THE MERGER

The discussion in this Proxy Statement/Prospectus of the merger of OCA Acquisition Corporation, a wholly-owned subsidiary of OCA, into OrthAlliance, with OrthAlliance thereby becoming a wholly-owned subsidiary of OCA, does not purport to be complete and is qualified by reference to the full text of the merger agreement and the other annexes attached to, and incorporated by reference into, this Proxy Statement/Prospectus.

DESCRIPTION OF THE MERGER

Upon completion of the merger, OCA Acquisition Corporation, a wholly-owned subsidiary of OCA, will merge into OrthAlliance, the separate corporate existence of OCA Acquisition Corporation will cease, and OrthAlliance will be the surviving corporation and continue to exist as a Delaware corporation and a wholly-owned subsidiary of OCA. Subject to the satisfaction or waiver of certain conditions set forth in the merger agreement, the merger will become effective upon the filing of articles of merger in the offices of the Secretary of State of the State of Delaware in accordance with the Delaware General Corporation Law. See "THE MERGER AGREEMENT -- Conditions to the Merger."

At the effective time of the merger, OrthAlliance stockholders, other than holders of OrthAlliance Class B common stock who perfect appraisal rights under Delaware law, will have no further rights as OrthAlliance stockholders, other

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

than to receive the consideration to be issued to them in the merger. After the effective time, there will be no transfers on OrthAlliance's stock transfer books of shares of OrthAlliance common stock. If, after the effective time of the merger, stock certificates representing shares of OrthAlliance common stock are presented for transfer to the exchange agent for the merger, they will be canceled and exchanged for certificates representing shares of OCA common stock as provided in the merger agreement.

The merger will have the effects set forth in Section 251 of the Delaware General Corporation Law.

Upon completion of the merger, OCA Acquisition Corporation's articles of incorporation and bylaws as in effect upon completion of the merger will be those of OrthAlliance, as the surviving corporation.

EXCHANGE RATIO

At the effective time of the merger, automatically by virtue of the merger and without any action on the part of any party or stockholder, each share of OrthAlliance Class A and Class B common stock outstanding immediately prior to the effective time will become and be converted into the right to receive a fixed number of shares of OCA common stock. The amount of the exchange ratio will depend upon how many of 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to OrthAlliance service, management service or consulting agreements, enter into, along with their professional entity, amendments to their respective employment agreements and service, management service or consulting agreements prior to the merger, as provided in the merger agreement and the percentage of OrthAlliance's service fees during the 12 months ended March 31, 2001 represented by those orthodontists and pediatric dentists. The following chart describes the number of shares of OCA common stock to be exchanged for each share of Class A and Class B common stock:

EXCHANGE RATIO	ORTHALLIANCE AFFILIATED PRACTITIONERS EXECUTING AMENDMENTS	
	NUMBER	PERCENTAGE OF ORTHALLIANCE ANNUAL SERVICE FEES REPRESENTED
0.09214.....	56 or less	or Less than 31.00%
0.10135.....	At least 57 to 75	and At least 31.00%-40.99%
0.11056.....	At least 76 to 93	and At least 41.00%-50.99%
0.12899.....	At least 94 to 112	and At least 51.00%-60.99%
0.16585.....	113 or more	and 61.00% or more

As of October 5, 2001, 72 of these designated orthodontists and pediatric dentists, along with their respective professional entity, have signed amendments to their respective employment agreements and

OrthAlliance service, management service or consulting agreements, representing 35.98% of OrthAlliance's service fees during the 12 months ended March 31, 2001. Based upon those amounts, OrthAlliance stockholders would receive 0.10135 shares of OCA common stock for each share of OrthAlliance Class A and Class B common stock in the merger. These amounts, however, may change prior to completion of

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

the merger.

In the amendment to their respective employment agreement, the OrthAlliance affiliated orthodontist or pediatric dentist, and his or her professional entity, would agree to include OrthAlliance as a third party beneficiary and continue the orthodontist's or pediatric dentist's employment as an orthodontist or pediatric dentist, as applicable, for a period of at least three years following the merger. In the amendment to his or her respective OrthAlliance service, management service or consulting agreement, the OrthAlliance affiliated orthodontist or pediatric dentist, and his or her professional entity, would agree to use OCA's proprietary computer software and business systems in connection with the business functions of his or her practice, maintain the current status of the advertisement or non-advertisement, as the case may be, of his or her practice to the general public, unless OCA otherwise agrees, and continue the orthodontist's or pediatric dentist's employment as an orthodontist or pediatric dentist, as applicable, for a period of at least three years following the merger.

The exchange ratio will not be adjusted to reflect any change in the price of OCA common stock. OCA expects the market price of its common stock to fluctuate due to market factors beyond its control between the date of this Proxy Statement/Prospectus and the date on which the merger is completed and thereafter. Since the exchange ratio, once determined, is fixed and the market price of OCA common stock is expected to fluctuate and may decrease, the implied market value of OCA common stock that OrthAlliance stockholders will receive in the merger may increase or decrease prior to completion of the merger. For further information concerning the historical market prices of OCA common stock and OrthAlliance Class A common stock, see "PRICE RANGE OF COMMON STOCK AND DIVIDENDS." OCA cannot assure you that the market price of OCA common stock will not decrease before or after the merger.

If, prior to the merger, shares of OCA common stock are changed into a different number or class of shares due to any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or if a stock dividend is declared on the shares of OCA common stock with a record date prior to the merger, the exchange ratio will be adjusted accordingly.

Shares of OrthAlliance Class B common stock with respect to which appraisal rights have been properly demanded in accordance with Section 262 of the Delaware General Corporation Law or held directly or indirectly by OCA or OrthAlliance or any of their respective subsidiaries will not be converted into OCA common stock automatically at the effective time of the merger. At the effective time, all shares of OrthAlliance common stock held directly or indirectly by OCA or OrthAlliance or any of their respective subsidiaries will be canceled and will cease to exist, and no OCA common stock or other consideration will be delivered in exchange for such shares. Also at the effective time, all shares of OCA common stock held by OrthAlliance or its subsidiaries will become treasury stock and all other shares of OCA common stock outstanding as of the effective time will remain outstanding.

APPRAISAL RIGHTS

Shares of OrthAlliance Class B common stock as to which appraisal rights have been properly demanded under Delaware law will not be converted into the right to receive, or be exchangeable for, OCA common stock. Instead, the holders of these shares will be entitled to cash payment of the appraisal value of the shares in accordance with Section 262 of the Delaware General Corporate Law. However, if any holder of these shares subsequently delivers a written withdrawal of their demand for appraisal rights, or if any holder fails to establish his or her entitlement to appraisal rights, the holder will forfeit his or her appraisal rights and his or her shares of OrthAlliance Class B common stock will be deemed to have been converted into the right to receive, and to

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

have become exchangeable for, the consideration due under the merger agreement. See "ORTHALLIANCE SPECIAL MEETING -- Appraisal Rights."

30

OUTSTANDING OPTIONS AND WARRANTS

At the effective time of the merger, each unexpired option or warrant granted by OrthAlliance to purchase shares of OrthAlliance Class A or Class B common stock which is outstanding and unexercised immediately prior to the effective time will cease to represent a right to acquire shares of OrthAlliance Class A or Class B common stock and will automatically be assumed by OCA and converted into an option or warrant, as applicable, to purchase a number of shares of OCA common stock at an exercise price determined as follows:

- The number of shares of OCA common stock to be subject to an option or warrant as converted will equal the product of the number of shares of OrthAlliance Class A or Class B common stock subject to the option or warrant times the exchange ratio, with any fractional shares of OCA common stock rounded down to the nearest whole share; and
- The exercise price per share of OCA common stock under an option or warrant as converted will equal the exercise price per share of OrthAlliance Class A or Class B common stock subject to the option or warrant divided by the exchange ratio, with the exercise price rounded up to the nearest cent.

At the effective time of the merger agreement, the other terms of each OrthAlliance option or warrant will continue to apply in accordance with its terms, the applicable stock option plan and applicable law, except that references to OrthAlliance and its subsidiaries will mean OCA and its subsidiaries.

BACKGROUND OF THE MERGER

In 1999, OrthAlliance began a review of its business and corporate strategy in light of the declining market price of OrthAlliance Class A common stock.

In September 1999, representatives of OrthAlliance and OCA engaged in preliminary discussions about the possibility of pursuing a strategic merger or acquisition. OCA indicated that it was not interested in pursuing such a transaction at that time.

On March 9, 2000, OrthAlliance engaged U.S. Bancorp Piper Jaffray to advise OrthAlliance with respect to strategic and financial alternatives to enhance stockholder value and created a special committee of OrthAlliance's Board of Directors to explore proposals for the combination, sale or restructuring of OrthAlliance. This special committee consisted of three directors of OrthAlliance, W. Dennis Summers, G. Harry Durity and Craig McKnight. During Spring 2000, OrthAlliance's Board of Directors and the special committee received presentations from management and U.S. Bancorp Piper Jaffray as to various matters, including an overview of several strategic alternatives. U.S. Bancorp Piper Jaffray then began a process of soliciting indications of interest from parties who might be interested in buying, or making an equity investment in, OrthAlliance. U.S. Bancorp Piper Jaffray and OrthAlliance prepared a confidential offering memorandum describing OrthAlliance and between March 2000 and October 2000, U.S. Bancorp Piper Jaffray contacted approximately 73 potential financial buyers, 37 of whom signed a confidentiality agreement and received the confidential memorandum. The one potential strategic buyer identified by U.S. Bancorp Piper Jaffray was OCA, who at that time did not express an interest in OrthAlliance.

Four potential financial buyers submitted preliminary non-binding indications of interest during Summer 2000, three of whom conducted a due diligence review of OrthAlliance and received presentations from OrthAlliance management. OrthAlliance also received an additional inquiry from another party proposing a \$15 million to \$20 million private equity transaction. In late August 2000, one of the potential financial buyers submitted a non-binding offer to acquire OrthAlliance and the party that submitted the private equity inquiry submitted a revised offer. The special committee's attempts to improve either offer in the succeeding weeks were unsuccessful, and both potential investors soon informed OrthAlliance that they were no longer interested in a transaction with OrthAlliance, even at lower transaction values. Effective October 16, 2000, OrthAlliance's Board of Directors disbanded the special committee, because it determined that none of the potential investors was interested in proceeding and that there were no

31

remaining expressions of interest for OrthAlliance to pursue. On October 16, 2000, the closing price of OrthAlliance's Class A common stock was \$4.1875 per share.

In early November, another potential financial buyer contacted U.S. Bancorp Piper Jaffray to express an interest in participating in a "going private" transaction and over the next several months engaged in discussions with U.S. Bancorp Piper Jaffray and OrthAlliance's management. In mid-December 2000, this potential financial buyer provided a preliminary term sheet to OrthAlliance.

To avoid potential conflicts of interest that could have arisen from the evaluation of the potential financial buyer's proposal for the acquisition of OrthAlliance or other proposals submitted by, or with the participation of, members of OrthAlliance's Board of Directors, management and/or affiliated orthodontists and pediatric dentists, on January 2, 2001, OrthAlliance's Board of Directors formed a new special committee to evaluate all anticipated proposals for the combination, sale or restructuring of OrthAlliance. The special committee was authorized to consider the terms of any such proposals, to negotiate definitive agreements with respect to such proposals and to report to OrthAlliance's Board of Directors the special committee's recommendations and conclusions with respect to any proposals. In making its determinations, the special committee was authorized to establish such procedures, review such information, and engage such financial advisors and legal counsel as it deemed appropriate. OrthAlliance's Board selected Messrs. Durity and McKnight as the members of the special committee. Messrs. Durity and McKnight were members of OrthAlliance's Board of Directors and were not employed by OrthAlliance or any of OrthAlliance's affiliated practices.

In early January 2001, Bartholomew F. Palmisano, Sr., the Chief Executive Officer of OCA, engaged in preliminary discussions with W. Dennis Summers, the Interim Chief Executive Officer of OrthAlliance, regarding the possibility of the parties pursuing a strategic merger. The parties entered into a confidentiality agreement to facilitate the exchange of due diligence materials. On January 5, 2001, Mr. Summers, other representatives of OrthAlliance and two of OrthAlliance's affiliated practitioners met with Mr. Palmisano in Metairie, Louisiana to engage in further preliminary discussions. The parties did not elect to pursue a transaction at that time.

The potential financial buyer conducted due diligence at OrthAlliance's main business office in mid-January 2001 and indicated that it was interested in continuing to proceed with a transaction.

On January 24, 2001, OrthAlliance issued a press release stating that its

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

Board of Directors had adopted resolutions creating a special committee to explore strategic alternatives to increase stockholder value and that the special committee was authorized to hire an investment banker and other advisors to assist the special committee in performing its duties.

On January 31, 2001, OrthAlliance's Board of Directors reconstituted the special committee due to time conflicts in the business schedule of Mr. Durity, replacing Mr. Durity with Robert W. Miller, a newly-appointed member of OrthAlliance's Board. Mr. Miller was not employed by OrthAlliance or any of OrthAlliance's affiliated practices.

On February 9, 2001, the special committee met with U.S. Bancorp Piper Jaffray to discuss the firm's relationship with OrthAlliance, its prior efforts to arrange a strategic transaction for OrthAlliance and its view of OrthAlliance's long-term prospects. U.S. Bancorp Piper Jaffray informed the special committee that it was currently in discussions with several potential bidders, including the potential financial buyer that expressed an interest in pursuing a "going private" transaction. The special committee also met with members of OrthAlliance's management to discuss OrthAlliance's financial condition and future prospects, the status of pending litigation and certain notices received by OrthAlliance from affiliated practitioners threatening to terminate their service, management service and consulting agreements with OrthAlliance.

On February 16, 2001, the special committee again met with U.S. Bancorp Piper Jaffray and formally engaged U.S. Bancorp Piper Jaffray to serve as its financial advisor. At the meeting, the special committee then reviewed with its advisors a draft merger agreement it had received from the potential financial buyer proposing to acquire OrthAlliance for \$4.25 cash per share of OrthAlliance common stock. Members of the special committee expressed concern over several provisions in the draft merger agreement, particularly

32

a "break-up" fee of \$5 million if the transaction was not completed by August 1, 2001 and several conditions to complete the merger that were not within the control of OrthAlliance, such as the following conditions:

- OrthAlliance affiliated practitioners representing at least 75% of OrthAlliance's annual revenue for fiscal year 2000 must have agreed to extend their employment agreements with OrthAlliance's affiliated practices until September 30, 2004;
- OrthAlliance affiliated practitioners must have agreed to co-invest in cash or OrthAlliance common stock approximately \$19 million in a parent company of OrthAlliance's successor; and
- OrthAlliance's revolving credit facility must have remained in place on substantially the same terms following the financial buyer's acquisition of OrthAlliance.

The special committee negotiated with the potential financial buyer and attempted to revise the draft merger agreement to exclude or revise these conditions and to reduce or restructure the break-up fee.

From February 16 to February 22, 2001, U.S. Bancorp Piper Jaffray reviewed certain financial and other information concerning OrthAlliance, met with certain members of OrthAlliance's management and met by telephone with the potential financial buyer to discuss its proposal. During the same period, the special committee met by telephone with the potential financial buyer to negotiate the terms of the draft merger agreement.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

On February 22, 2001, Mr. Miller, on behalf of the special committee, and representatives of the potential financial buyer met in Atlanta, Georgia, to negotiate the terms of the draft merger agreement. During the meeting, the potential financial buyer was unwilling to increase the cash price per share to be paid to OrthAlliance's stockholders and indicated that its initial \$4.25 cash offer would be subject to downward adjustment based on its continuing due diligence review of OrthAlliance. The potential financial buyer also expressed hesitation in acquiring OrthAlliance unless the acquisition was structured as an acquisition led by OrthAlliance affiliated practitioners. At the conclusion of the meeting, the potential financial buyer informed the special committee that it was suspending further negotiations until it discussed with certain OrthAlliance affiliated practitioners their degree of support for the potential financial buyer's acquisition proposal. Those discussions ensued during March 2001.

On March 30, 2001, the special committee received a term sheet containing a revised proposal from the potential financial buyer and from certain of OrthAlliance's affiliated practitioners, including the following members of OrthAlliance's Board: Dr. Randall K. Bennett, Dr. Douglas D. Durbin, Dr. Raymond G. W. Kubisch, Dr. Stephen G. Tracey and Dr. Larry D. Dormois. Since the merger agreement was approved by OrthAlliance's Board of Directors, Dr. Durbin has resigned from the Board. The revised proposal set forth terms substantially similar to the terms contained in the draft merger agreement previously presented to the special committee, although the potential financial buyer now proposed a formula-based price tied to the average market price per share of OrthAlliance's Class A common stock prior to execution of a definitive agreement, rather than a fixed cash price per share. The formula-based price yielded a price per share of OrthAlliance common stock of \$2.79 to OrthAlliance's stockholders as of the date of the revised proposal.

Between April 6, 2001 and April 24, 2001, the parties and their representatives engaged in negotiations regarding the terms of the revised proposal as set forth in a revised draft of the merger agreement. During these negotiations, the potential financial buyer stated that it would be necessary for it to maintain a relationship with OrthAlliance's senior lenders following the potential financial buyer's acquisition of OrthAlliance. The special committee informed the potential financial buyer that OrthAlliance's senior lenders would likely require a reduction in their commitments to OrthAlliance under OrthAlliance's revolving credit facility and/or some form of additional equity investment or reduction of indebtedness prior to consenting to any acquisition of OrthAlliance by the potential financial buyer.

In early April 2001, Mr. Summers was contacted by Mr. Palmisano, OCA's Chief Executive Officer. Mr. Palmisano indicated that OCA might be interested in acquiring OrthAlliance. On April 10, 2001,

33

Mr. Summers informed the special committee, through its legal counsel, of his discussions with Mr. Palmisano. The special committee subsequently directed Mr. Summers to continue discussions with Mr. Palmisano. During April 2001, OCA and its advisors reviewed due diligence materials provided to them by OrthAlliance.

On April 24, 2001, the special committee was informed that negotiations between the potential financial buyer and First Union National Bank, the agent under OrthAlliance's revolving credit facility, over the terms of a consent by OrthAlliance's senior lenders to the potential financial buyer's acquisition of OrthAlliance had been suspended by First Union. Between April 24, 2001 and May 4, 2001, the special committee and its advisors attempted to recommence negotiations between First Union and the potential financial buyer and to arrange a meeting between First Union and the potential financial buyer.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

On April 26, 2001, Mr. Summers informed the special committee that he had arranged a meeting with OCA to discuss a potential transaction with OCA, and that OCA was retaining Banc of America Securities LLC to act as its financial advisor in connection with the potential transaction. On April 27, 2001, Mr. Summers and the special committee's legal counsel met with Mr. Palmisano and OCA's legal counsel, and discussed possible transaction structures, including a stock-for-stock merger of the two companies.

On May 2, 2001, the special committee received a draft merger agreement from OCA's legal counsel. The special committee and its representatives reviewed the terms of the draft merger agreement and determined to schedule a meeting with OCA to further discuss OCA's proposal. Pursuant to the terms of a confidentiality agreement entered into between OrthAlliance and the potential financial buyer, the special committee informed the potential financial buyer that OrthAlliance had received an indication of interest from another bidder.

On May 4, 2001, Mr. Miller, on behalf of the special committee, and Mr. Palmisano, on behalf of OCA, along with their respective legal counsel and financial advisors, met in Atlanta, Georgia. Mr. McKnight attended the meeting by telephone. During the meeting, the parties discussed the terms of the draft merger agreement, including a proposed condition to OCA's obligation to complete the merger based on the execution by a minimum number of OrthAlliance's affiliated practitioners of certain amendments to their existing employment agreements and service, management service and consulting agreements with OrthAlliance.

On May 7, 2001, Mr. Miller spoke by telephone with the potential financial buyer to discuss its progress in meetings with First Union and whether First Union was willing to recommend to OrthAlliance's other senior lenders that they approve the potential financial buyer's acquisition of OrthAlliance. The potential financial buyer indicated that First Union would be in a position to consent to the execution of a binding agreement between OrthAlliance and the potential financial buyer on an expedited basis but that it would take between two to three weeks before all of OrthAlliance's senior lenders would be in a position to approve the consummation of the acquisition. The potential financial buyer indicated that First Union and the other senior lenders were still in the process of assessing the new credit relationship that would be established if the potential financial buyer were to acquire OrthAlliance. Mr. Miller informed the potential financial buyer that he was not opposed to entering into a definitive agreement with a limited financing contingency necessitated by the senior lenders' inability to deliver a final approval for the transaction in a timely manner, but that the acquisition price per share originally proposed by the potential financial buyer would need to be increased to account for the addition of such a limited financing contingency. In response, the potential financial buyer proposed a two-tier offer price of either \$2.95 per share contingent upon 70% of OrthAlliance's affiliated practitioners extending their employment agreements through September 30, 2004 or \$2.55 per share contingent upon 60% of OrthAlliance's affiliated practitioners similarly extending their employment agreements. The potential financial buyer further stated that its offer would expire at noon on May 8, 2001.

At a meeting of the special committee on May 7, 2001, the special committee was informed that OrthAlliance's management had received a preliminary proposal from a second potential financial buyer with respect to the acquisition of OrthAlliance through an employee stock ownership plan. The special

34

committee determined that in light of the advanced stages of its negotiations with the initial potential financial buyer and OCA and the complexities of a transaction involving an employee stock ownership plan, it was not in a position

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

to initiate discussions with a new bidder at such time. The special committee, however, instructed U.S. Bancorp Piper Jaffray to communicate to the potential bidder that the special committee would consider its proposal along with other proposals currently being considered by the special committee.

On May 8, 2001, the special committee received a letter from the initial potential financial buyer sent prior to its noon deadline stating that the potential financial buyer was rescinding its offer and was no longer interested in acquiring OrthAlliance. The potential financial buyer stated that pursuing a transaction with OrthAlliance was not viable for the potential financial buyer given the position of OrthAlliance's senior lenders and the terms proposed by the special committee with regard to a limited financing contingency.

Later on May 8, 2001, Mr. Palmisano contacted Messrs. Miller and McKnight and communicated to the special committee a revised proposal for OCA's acquisition of OrthAlliance, including the use of a tiered exchange ratio and changes to the condition to OCA's obligation to complete the merger based upon the amount of OrthAlliance's affiliated practitioners who amended the terms of their employment agreements and service, management service and consulting agreements with OrthAlliance.

At a meeting of the special committee on May 8, 2001, the special committee and its advisors reviewed OCA's revised proposal and determined that in light of the rescission of the potential financial buyer's proposal earlier in the day and the substantial improvement in the terms of OCA's proposal, Mr. Miller would continue his discussions with Mr. Palmisano.

Between May 8, 2001 and May 11, 2001, representatives of OCA, OrthAlliance and the special committee continued to negotiate the terms of a merger agreement between OCA and OrthAlliance.

On May 9, 2001 and May 14, 2001, OCA's Board of Directors met by telephone with OCA's management and its advisors to discuss the terms of a potential merger with OrthAlliance, the results of OCA's due diligence review of OrthAlliance and Banc of America Securities' preliminary views of the proposed financial terms of the merger. OCA's Board of Directors discussed the merits of a transaction with OrthAlliance as well as specific terms of the proposed merger agreement. OCA's Board authorized Mr. Palmisano to continue negotiations with OrthAlliance.

From February 2001 until May 12, 2001, the special committee periodically updated OrthAlliance's full Board of Directors as to the general status of its negotiations with the potential financial buyer and OCA.

On May 12, 2001, OrthAlliance's Board of Directors, together with advisors to OrthAlliance and the special committee, met in Atlanta, Georgia, to consider a revised draft of the merger agreement. OrthAlliance's legal counsel reviewed with OrthAlliance's directors their fiduciary duties in connection with their consideration of the proposed merger. The special committee's legal counsel reviewed the principal terms of the draft merger agreement. U.S. Bancorp Piper Jaffray presented a preliminary analysis of the financial terms of the merger and the results of its due diligence review of OCA. OrthAlliance's directors questioned U.S. Bancorp Piper Jaffray regarding certain aspects of its valuation methodologies and analyses and extensively discussed the advantages and disadvantages of the proposed merger with OCA. At the conclusion of the meeting, OrthAlliance's Board instructed the special committee and its advisors to continue negotiations with OCA.

From May 13, 2001 to May 16, 2001, the parties continued to negotiate specific terms and conditions of the merger agreement, including provisions that related to determination of the exchange ratios.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

On May 16, 2001, OCA's Board of Directors met in a special meeting held by telephone to consider the proposed merger with OrthAlliance and the terms of the proposed merger agreement. OCA's Board received presentations from its advisors regarding the merger, the terms of the proposed merger agreement and the directors' fiduciary duties. Banc of America Securities presented a financial analysis, outlined in

35

materials distributed to OCA's directors, of the exchange ratio in the merger and delivered its oral opinion, which opinion was subsequently confirmed by delivery of its written opinion dated May 16, 2001, to OCA's Board of Directors that as of such date, and based on and subject to the assumptions, limitations and considerations stated therein, the exchange ratio in the merger was fair from a financial point of view to OCA. Following these presentations and discussions among the members of OCA's Board, the definitive merger agreement was approved by OCA's Board of Directors.

Also on May 16, 2001, the special committee, together with its advisors, held a meeting by telephone to discuss the proposed merger with OCA. A copy of the final version of the merger agreement, a fairness opinion from U.S. Bancorp Piper Jaffray and related analyses and other materials had been delivered to the special committee prior to the meeting. The special committee discussed with its advisors the terms of the proposed final version of the merger agreement. U.S. Bancorp Piper Jaffray then presented a financial analysis, outlined in materials distributed to the special committee, of OCA's offer and delivered an opinion addressed to the special committee that the merger consideration proposed to be received by the stockholders of OrthAlliance was fair to the holders of OrthAlliance common stock from a financial point of view. Following the delivery of such opinion, the special committee unanimously determined that:

- The merger, the merger agreement and the transactions contemplated were advisable, fair to and in the best interests of OrthAlliance and its stockholders; and
- The special committee recommend to OrthAlliance's Board of Directors that it approve, accept and declare advisable the merger, the merger agreement and the transactions contemplated thereby and recommend to OrthAlliance's stockholders that they approve the merger and the merger agreement.

Following this meeting of the special committee, OrthAlliance's Board of Directors, together with its advisors and the special committee's legal counsel, held a meeting by telephone to consider the recommendation of the special committee and to consider the proposed merger with OCA. A final version of the merger agreement, the fairness opinion from U.S. Bancorp Piper Jaffray to the special committee and related analyses and other materials had been delivered to the directors prior to the meeting. OrthAlliance's legal counsel reviewed with the directors the fiduciary duties of the directors and discussed the terms of the proposed final version of the merger agreement. U.S. Bancorp Piper Jaffray then presented a financial analysis, outlined in materials distributed to OrthAlliance's Board, of OCA's offer and reviewed its opinion to the special committee that the merger consideration proposed to be received by the stockholders of OrthAlliance was fair to the holders of OrthAlliance common stock from a financial point of view. OrthAlliance's Board extensively discussed the advantages and disadvantages of entering into a merger agreement with OCA. In light of the potential conflicts of interests involving the directors who are practitioners affiliated with OrthAlliance and who might receive incentives, along with other OrthAlliance affiliated practitioners, to amend their employment agreements and service, management service or consulting agreements, the directors held two votes. In the first vote, the directors of OrthAlliance who were not practitioners affiliated with OrthAlliance determined that:

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

- The merger, the merger agreement and the transactions contemplated thereby were advisable, fair to and in the best interests of OrthAlliance and its stockholders;
- OrthAlliance's Board recommend to OrthAlliance's stockholders that they approve the merger and the merger agreement; and
- OrthAlliance's management was authorized to finalize the appropriate documents and execute a definitive merger agreement.

In the second vote, OrthAlliance's full Board of Directors, with one dissent, adopted these same resolutions.

Final negotiations with respect to the merger agreement and related schedules continued through the evening of May 16, 2001 and the merger agreement was executed later that evening. A press release announcing the merger agreement was issued on May 17, 2001.

36

ORTHALLIANCE'S REASONS FOR THE MERGER; RECOMMENDATION OF ORTHALLIANCE'S BOARD OF DIRECTORS

OrthAlliance's Board of Directors considered and approved the merger agreement at a special meeting of the Board held on May 16, 2001. In reaching its decision to approve the merger and the merger agreement, OrthAlliance's Board of Directors considered the following factors:

BUSINESS, FINANCIAL CONDITION AND PROSPECTS. In evaluating the terms of the proposed merger and the merger agreement, OrthAlliance's Board of Directors considered, among other things, information with respect to the financial condition, results of operation, business and prospects of OrthAlliance. The directors particularly considered the future prospects of OrthAlliance, including the following factors:

- Growth Prospects. The Board believed that OrthAlliance's historically low stock price and its restricted ability to incur additional indebtedness had prevented and would continue to prevent OrthAlliance, as an independent company, from realizing its business strategy of expanding its network of affiliated orthodontic and pediatric dental practices. Specifically, although OrthAlliance regularly had met analysts' earnings estimates, the closing price of OrthAlliance's Class A common stock on May 16, 2001, the date of the special meeting of OrthAlliance's Board to consider the merger, was \$3.24 per share, a decrease of 73.0% from OrthAlliance's initial public offering price of \$12.00 per share on August 26, 1997. This low valuation made it difficult for OrthAlliance to utilize its common stock in connection with acquisitions. In addition, OrthAlliance's revolving credit facility restricted the amount of new indebtedness OrthAlliance could incur to fund acquisitions, and OrthAlliance was approaching limitations on its leverage ratio and its fixed charge coverage ratio included in its revolving credit facility, which might also restrict OrthAlliance's ability to affiliate with additional practices. OrthAlliance's Board had also been informed by OrthAlliance's management that cash from operations might not be sufficient to fund OrthAlliance's growth and that OrthAlliance had reduced the number of new affiliations with orthodontists and pediatric dentists in order to conserve capital resources. OrthAlliance's Board further believed that the market price for OrthAlliance Class A common stock could decline further as a result of anticipated decreases in acquisition activity and an associated decrease in revenue growth

attributable to acquisitions. OrthAlliance's Board therefore believed that OrthAlliance was unlikely to be able to fund, except at a minimum level, the expansion of its network of affiliated practices through either issuances of equity, the incurrence of additional debt or through cash from operations.

- Deteriorating Relationship with Certain Affiliated Practitioners. Because many of OrthAlliance's affiliated practitioners received shares of OrthAlliance common stock and options to purchase OrthAlliance common stock in consideration of their affiliation with OrthAlliance, OrthAlliance's Board of Directors believed that the significant decline in the price of OrthAlliance's Class A common stock adversely affected OrthAlliance's relationship with these affiliated practitioners. In the Board's opinion, the discontent with the market price of OrthAlliance Class A common stock led several affiliated practitioners to complain about OrthAlliance's provision of services to such affiliated practices and led certain of these practitioners to send notices of default to OrthAlliance, or institute litigation against OrthAlliance, alleging that OrthAlliance has failed to provide certain services to the practitioners' affiliated practices.

- Potential Loss of Revenue. OrthAlliance's Board believed that, without a significant restructuring of OrthAlliance, a potentially significant portion of OrthAlliance's future service fee revenues were at risk of being lost beginning in August 2002. Approximately 33.0% of OrthAlliance's 2000 net revenue was generated by affiliated practices with affiliated practitioners whose initial employment term expires in August 2002 and whose employment agreements may be terminated upon one-year's prior written notice. In light of the level of dissatisfaction with OrthAlliance by certain of its affiliated practitioners, OrthAlliance's Board believed there was some risk that some affiliated practitioners would exercise their right to terminate their employment agreements with

37

OrthAlliance in August 2001, which might reduce OrthAlliance's future revenues and decrease the market price of OrthAlliance's Class A common stock.

ALTERNATIVE TRANSACTIONS. OrthAlliance's Board considered the opportunities and alternatives available to OrthAlliance if the merger were not to be undertaken, including the possibilities of continuing to operate OrthAlliance as an independent entity, a sale of OrthAlliance through a merger with a company other than OCA and, in respect of each alternative, the timing and likelihood of actually accomplishing these alternatives. OrthAlliance's Board concluded that the merger with OCA was the most viable alternative for addressing the Board's concerns and is more feasible than the alternatives. In light of the extensive process undertaken by OrthAlliance and U.S. Bancorp Piper Jaffray to locate a financial or strategic partner, other than OCA, OrthAlliance's Board concluded it was unlikely that another bidder would make a definitive proposal to effect a business combination with OrthAlliance which would result in a transaction that would provide greater value to OrthAlliance's stockholders. The Board also believed that absent the merger with OCA or a similar transaction or significant restructuring of OrthAlliance, OrthAlliance could possibly follow the experience of other orthodontic practice management companies that have exited the industry because of discontent within their practice network.

OPPORTUNITY TO PARTICIPATE IN COMBINED COMPANY. The overriding reason for the merger is that OrthAlliance's Board believes the proposed combination of

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OrthAlliance and OCA should generate substantially more value for stockholders than OrthAlliance could generate on its own or in connection with any other reasonably possible transaction. The Board considered the fact that the merger would enable OrthAlliance's stockholders to continue to participate in the growth of the combined business conducted by OCA and OrthAlliance following the merger and to benefit from the potential appreciation in value of shares of OCA common stock, based on the expected revenue growth for OCA that would be generated by its acquisition of OrthAlliance.

POTENTIAL PREMIUM. OrthAlliance's Board considered the value of the exchange ratio provided for in the merger agreement relative to the current and historical market price of OrthAlliance Class A common stock. Specifically, based on the minimum exchange ratio of 0.09214, and a closing price of OCA common stock price of \$29.50 per share as of May 16, 2001, the value to be received by OrthAlliance stockholders in the merger represents approximately a 2.23% discount and a 9.16% premium over the average closing price of OrthAlliance Class A common stock for the 30 and 90 days, respectively, prior to the announcement of the merger. Based on the maximum exchange ratio of 0.16585, and a closing price of OCA common stock of \$29.50 per share as of May 16, 2001, the value to be received by OrthAlliance stockholders in the merger represents approximately a 75.97% and 96.47% premium over the average closing price of OrthAlliance Class A common stock for the 30 and 90 days, respectively, prior to the announcement of the merger.

LIQUIDITY OF OCA STOCK. OrthAlliance's Board gave consideration to the fact that OCA's common stock is a highly liquid currency, which will provide OrthAlliance's stockholders with an increased ability to sell their stock in an orderly manner without affecting the stock price. Between April 15, 2001 and May 15, 2001, the 30 day period ending the day before the execution of the merger agreement, OrthAlliance's average daily trading volume was 61,691 shares per day, compared to 484,355 shares per day for OCA common stock for the same time period.

FAIRNESS OPINION. OrthAlliance's Board considered the opinion of the special committee's financial advisor, U.S. Bancorp Piper Jaffray, to the effect that the merger consideration proposed to be received by the stockholders of OrthAlliance was fair to OrthAlliance's stockholders from a financial point of view.

SPECIAL COMMITTEE RECOMMENDATION. OrthAlliance's Board also considered the special committee's recommendation that the Board approve the merger agreement. In determining to make that recommendation, the special committee also considered the factors described in this section.

FIXED EXCHANGE RATIO. OrthAlliance's Board considered that a fixed exchange ratio was more favorable under all of the circumstances than an adjustable exchange ratio, despite the fact that the market price of OCA's common stock could decrease. Because the exchange ratio, once determined, is

38

fixed, the aggregate number of shares of OCA common stock to be issued in the merger will also be fixed. Therefore, as OCA's common stock price fluctuates, so does the value to be received by OrthAlliance stockholders for their shares of OrthAlliance common stock. The market value of OCA common stock would also be subject to the fluctuations of the stock market following the merger.

TERMINATION PROVISIONS. OrthAlliance's Board considered as favorable the provisions of the merger agreement which permit the Board to respond to an unsolicited proposal with respect to an alternative business combination and to terminate the merger agreement and approve a superior proposal that the Board

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

determines in accordance with its fiduciary duties is in the best interest of OrthAlliance's stockholders.

LIKELIHOOD OF CLOSING. OrthAlliance's Board considered as favorable the likelihood that the merger would be completed, given OCA's experience, reputation and financial resources.

TAX CONSEQUENCES. OrthAlliance's Board considered as favorable the expected qualification of the merger as a tax-free reorganization under Section 368(a) of the Internal Revenue Code.

POTENTIAL NEGATIVE FACTORS. OrthAlliance's Board of Directors also considered and balanced against the potential benefits of the merger, a number of potentially negative factors, including, the following:

- The risk that the merger would not be completed, particularly as a result of the inability to satisfy the condition that a minimum amount of OrthAlliance's affiliated practitioners amend their employment agreements and OrthAlliance service, management service or consulting agreements. See "THE MERGER AGREEMENT -- Conditions to the Merger."
- The potential effect of the public announcement of the merger agreement on OrthAlliance's operating revenues and operating results and OrthAlliance's ability to attract and retain key management and other personnel.
- The possibility that the market value of OCA's common stock might decrease, causing less aggregate value to be paid to OrthAlliance stockholders.
- The fact that OrthAlliance's stockholders will not receive the full benefit of any future growth in the value of their equity that OrthAlliance may have achieved as an independent company, and the potential disadvantage to OrthAlliance stockholders if OrthAlliance and OCA do not perform well as a combined company.
- The possibility that some of the provisions of the merger agreement, including the non-solicitation and termination fee payment provisions, might have the effect of discouraging other persons potentially interested in merging with or acquiring OrthAlliance from pursuing such an opportunity. See "THE MERGER AGREEMENT -- No Other Transactions Involving OrthAlliance."
- The possibility that certain members of OrthAlliance's management and Board of Directors may be deemed to have interests in the merger that are different from or in addition to their interests as OrthAlliance stockholders generally. See "-- Interests of Certain Persons in the Merger."

This discussion of the factors considered by OrthAlliance's Board of Directors is not intended to be exhaustive, but is believed to include all material factors considered by OrthAlliance's Board. In view of the number and wide variety of factors considered in connection with its evaluation of the merger and the complexity of these matters, OrthAlliance's Board of Directors did not find it practicable to, nor did it attempt to, quantify, rank or otherwise assign relative weights to the specific factors that it considered. Rather, OrthAlliance's Board of Directors conducted an overall analysis of the factors described above, including thorough discussions with and questioning of OrthAlliance management and its legal, financial and accounting advisors. In considering the factors described above, individual members of OrthAlliance's Board of Directors may have given different weight to different factors. OrthAlliance's Board of Directors considered all of these factors as a whole and

overall considered the factors to be favorable to, and to support, its determination.

39

BASED ON A THOROUGH EVALUATION OF THESE FACTORS, ORTHALLIANCE'S BOARD OF DIRECTORS BELIEVES THE MERGER IS IN THE BEST INTERESTS OF ORTHALLIANCE STOCKHOLDERS. ORTHALLIANCE'S BOARD OF DIRECTORS RECOMMENDS THAT ORTHALLIANCE STOCKHOLDERS VOTE "FOR" APPROVAL AND ADOPTION OF THE MERGER AGREEMENT.

OCA'S REASONS FOR THE MERGER

OCA's Board of Directors believes that the addition of OrthAlliance's affiliated orthodontists and pediatric dentists will complement OCA's existing base of over 400 affiliated orthodontists, and enhance OCA's position as the leading provider of integrated business services to orthodontic practices. OCA's Board of Directors also believes that the merger will provide the opportunity for enhanced revenue growth and increased operating margin, and enable OCA to leverage its computer and operating systems and other resources over a larger base of affiliated practitioners.

OCA's Board of Directors deliberated and approved the merger agreement at a special meeting held on May 16, 2001. In reaching its determination to approve and adopt the merger agreement, OCA's Board of Directors consulted with OCA's management and financial, accounting and legal advisors, and considered a number of factors. The following is a discussion of information and factors considered by OCA's Board of Directors in reaching this determination. This discussion is not intended to be exhaustive, but includes the material factors considered by OCA's Board of Directors. In the course of its deliberations with respect to the merger, OCA's Board of Directors discussed the anticipated impact of the merger on OCA and OCA's stockholders. In reaching its determination to approve and recommend the merger agreement, OCA's Board of Directors did not assign any relative or specific weights to the factors considered in reaching such determination, and individual members of OCA's Board of Directors may have given differing weights to different factors.

The following includes the material factors that were considered by OCA's Board of Directors:

- Its review, based in part on presentations by OCA's management, and legal, accounting and financial advisors, of:
 - The business, operations, technology, dividends, financial condition and earnings of OrthAlliance on an historical and a prospective basis and of the combined company on a pro forma basis,
 - The historical stock price performance of OrthAlliance Class A common stock, and
 - The potential impact on the market value of OCA common stock following the merger;
- The opinion of Banc of America Securities LLC that, as of the date of the opinion and based upon and subject to the assumptions, limitations and considerations stated in that opinion, the exchange ratio in the merger was fair from a financial point of view to OCA (see "-- Fairness Opinion of OCA's Financial Advisor");
- The perceived quality of OrthAlliance's affiliated orthodontists and pediatric dentists;

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

- The terms of the merger agreement, including the amount and form of consideration to be received by OrthAlliance stockholders in the merger, and the expectation that the merger will be a tax-free transaction to OCA, its stockholders, OrthAlliance and its stockholders;
- The likelihood that a reasonable amount of OrthAlliance affiliated orthodontists and pediatric dentists would be willing to extend their commitment to practice in affiliation with OCA and its subsidiaries, and the amount and type of incentives that might be needed to encourage those extensions;

40

- The potential effect of the merger, and announcement of the merger agreement, on OCA's relationships with its affiliated orthodontists, and OCA's ability to service a significantly larger number of affiliated practitioners; and
- The anticipated cost savings, operating efficiencies and opportunities for revenue enhancement available to the combined companies from the merger, and the likelihood that these would be achieved following the merger.

FAIRNESS OPINION OF ORTHALLIANCE'S FINANCIAL ADVISOR

U.S. Bancorp Piper Jaffray was engaged to act as the exclusive financial advisor in connection with the merger based on U.S. Bancorp Piper Jaffray's long-standing relationship with OrthAlliance and its reputation, expertise and experience in similar transactions. On May 16, 2001, U.S. Bancorp Piper Jaffray rendered to the special committee its oral opinion to the effect that, as of such date and based upon and subject to certain matters stated in the opinion, the merger consideration proposed to be received by the stockholders of OrthAlliance was fair, from a financial point of view, to the holders of OrthAlliance common stock. U.S. Bancorp Piper Jaffray subsequently confirmed its oral opinion by delivering a written opinion, dated as of May 16, 2001, to the OrthAlliance special committee.

The full text of the U.S. Bancorp Piper Jaffray written opinion is attached as Annex C to this Proxy Statement/Prospectus. U.S. Bancorp Piper Jaffray's opinion is addressed to the OrthAlliance special committee and does not constitute a recommendation to any stockholder as to how such stockholder should vote at OrthAlliance's special meeting of stockholders. U.S. Bancorp Piper Jaffray's opinion addresses only the fairness, from a financial point of view, of the proposed merger consideration to the holders of OrthAlliance common stock, and U.S. Bancorp Piper Jaffray expresses no opinion as to the merits of the underlying decision by OrthAlliance to engage in the merger. The summary of U.S. Bancorp Piper Jaffray's opinion in this Proxy Statement/Prospectus is qualified in its entirety by reference to the full text of the opinion. You should read the U.S. Bancorp Piper Jaffray opinion carefully and in its entirety.

In connection with its opinion, U.S. Bancorp Piper Jaffray reviewed certain publicly available financial and other information concerning OrthAlliance and OCA and certain internal analyses and other information furnished to, or discussed with, U.S. Bancorp Piper Jaffray by OrthAlliance and OCA. In addition, U.S. Bancorp Piper Jaffray relied upon and assumed the accuracy of OrthAlliance management's concerns that OrthAlliance had limited growth prospects as a stand-alone company, that OrthAlliance's relationships with certain affiliated practices were deteriorating due to the decline in the stock price of OrthAlliance Class A common stock and that there was a potential loss of revenue in connection with the termination of employment agreements of affiliated

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

practitioners in August 2002. U.S. Bancorp Piper Jaffray also engaged in discussions with members of the senior management of OrthAlliance and OCA regarding the business and prospects of their respective companies and the joint prospects of a combined company. In addition, U.S. Bancorp Piper Jaffray:

- Reviewed the reported prices and trading activity for OrthAlliance Class A common stock and OCA common stock;
- Compared certain financial and stock market information for OrthAlliance and OCA with similar information for certain other companies whose securities are publicly traded;
- Reviewed the financial terms of certain recent business combinations that U.S. Bancorp Piper Jaffray deemed comparable in whole or in part;
- Reviewed the terms of the merger agreement and certain related documents; and
- Performed such other studies and analyses and considered such other factors as U.S. Bancorp Piper Jaffray deemed appropriate.

U.S. Bancorp Piper Jaffray did not assume responsibility for independent verification of, and has not independently verified, any information, whether publicly available or furnished to it, concerning

41

OrthAlliance, OCA or the combined company, including, but not limited to, any financial information, forecasts or projections considered in connection with the rendering of its opinion. Accordingly, for purposes of its opinion, U.S. Bancorp Piper Jaffray assumed and relied upon the accuracy and completeness of all such information and has not conducted a physical inspection of any of the properties or assets, and has not prepared or obtained any independent evaluation or appraisal of any of the assets or liabilities, of OrthAlliance or OCA.

With respect to the financial forecasts and projections made available to U.S. Bancorp Piper Jaffray and used in its analyses, including, but not limited to, the analyses and forecasts of certain synergies expected by OrthAlliance and OCA to be achieved as a result of the merger, U.S. Bancorp Piper Jaffray has assumed that they were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of OrthAlliance or OCA, as the case may be, as to the matters covered. In rendering its opinion, U.S. Bancorp Piper Jaffray expresses no view as to the reasonableness of such forecasts and projections, including the synergies, or the assumptions on which they are based. U.S. Bancorp Piper Jaffray's opinion was necessarily based upon economic, market and other conditions as in effect on, and the information made available to it as of, May 16, 2001.

For purposes of rendering its opinion, U.S. Bancorp Piper Jaffray assumed, in all respects material to its analysis, that:

- The representations and warranties of OrthAlliance, OCA and OCA Acquisition Corporation contained in the merger agreement are true and correct;
- OrthAlliance, OCA and OCA Acquisition Corporation will each perform all of the covenants and agreements to be performed by it under the merger agreement; and
- All conditions to the obligations of each of OrthAlliance, OCA and OCA Acquisition Corporation to complete the merger will be satisfied without

waiver of any of these conditions.

U.S. Bancorp Piper Jaffray also assumed that all material governmental, regulatory or other approvals or consents required in connection with the completion of the merger will be obtained and that in connection with obtaining these approvals or consents, or any amendments, modifications or waivers to any agreements, instruments or orders to which either OrthAlliance or OCA is a party or is subject, or by which it is bound, no limitations, restrictions or conditions will be imposed or amendments, modifications or waivers made that would have a material adverse effect on OrthAlliance or OCA or materially reduce the contemplated benefits of the merger to OrthAlliance. U.S. Bancorp Piper Jaffray is expressing no opinion as to the price at which OrthAlliance Class A common stock or OCA common stock will trade at any time. U.S. Bancorp Piper Jaffray assumed that the terms were the most beneficial terms from OrthAlliance's perspective that could, under the circumstances, be negotiated among the parties and expressed no opinion as to whether any alternative transaction might be more favorable to OrthAlliance.

The following is a summary of the material analyses and factors considered by U.S. Bancorp Piper Jaffray in connection with its opinion to the OrthAlliance special committee dated as of May 16, 2001:

ANALYSIS OF SELECTED PUBLIC COMPANIES. U.S. Bancorp Piper Jaffray compared certain financial and stock market information for OrthAlliance with similar information for the following selected publicly held companies:

- American Dental Partners, Inc.;
- Birner Dental Management Services, Inc.;
- Castle Dental Centers, Inc.;
- InterDent, Inc.;
- Monarch Dental Corporation; and
- OCA.

42

U.S. Bancorp Piper Jaffray calculated enterprise value, which U.S. Bancorp Piper Jaffray defined as equity market value plus debt, less cash and equivalents, relative to each company's latest 12 months revenue and earnings before interest, taxes, depreciation and amortization, commonly referred to as EBITDA. U.S. Bancorp Piper Jaffray also calculated share price relative to each company's estimated calendar year 2001 and 2002 earnings per share (commonly referred to as EPS) estimates. All multiples were based on closing stock prices on May 15, 2001. EPS estimates for the selected companies were based on estimates as reported by the Institutional Brokers Estimate System (commonly referred to as IBES) and Advest, Inc., and EPS estimates for OrthAlliance were based on the internal estimates of the management of OrthAlliance. This analysis noted that EPS estimates for 2002 were available for only two of the six companies in this analysis. U.S. Bancorp Piper Jaffray then compared the multiples for the selected companies to the multiples for OrthAlliance assuming OrthAlliance common stock prices of \$2.59 and \$4.66 in the merger. This analysis indicated multiples of selected valuation data as follows:

SELECTED MULTIPLES

	ORTHALLIANCE		SELECTED COMPANIES			
	\$2.59	\$4.66	MEDIAN	MEAN	HIGH	LOW

ANALYSIS OF SELECTED MERGERS AND ACQUISITIONS. U.S. Bancorp Piper Jaffray reviewed multiples of revenue and earnings paid in the following two merger and acquisition transactions, with the acquiror being listed before the target: TA Associates, Inc./Physicians' Specialty Corp. and Vestar Capital Partners/Sheridan Healthcare, Inc. For these selected merger and acquisition transactions, this analysis indicated multiples of enterprise value to the latest 12 months net revenue of 1.0x to 1.6x; multiples of enterprise value to the latest 12 months EBITDA of 6.0x to 9.1x; multiples of enterprise value to the latest 12 months operating income of 7.9x to 11.7x; and multiples of enterprise value to the latest 12 months net income of 9.6x to 17.4x. This analysis noted that there have been no acquisitions of publicly-traded practice management companies since November 1999.

PREMIUM PAID ANALYSIS. U.S. Bancorp Piper Jaffray reviewed the range of premiums paid in 11 change-of-control transactions of healthcare services companies with transaction values greater than \$50 million completed from January 1, 1999 to May 15, 2001. These transactions indicated a range of premiums based on the target company's stock price one-month prior to announcement of the transaction of (7.6)% to 83.3%, with a mean of 44.8% and a median of 58.1%, and a one-week prior premium of 2.0% to 85.3%, with a mean of 37.8% and a median of 34.3%. The premium paid in the merger based on a per share price of \$2.59 of OrthAlliance Class A common stock one-month prior, and one-week prior, to public announcement of the merger were 16.1% and (13.7)%, respectively. The premium paid in the merger based on a per share price of \$4.66 for OrthAlliance Class A common stock for the one-month, and one-week, prior to public announcement of the merger was 109.0% and 55.3%, respectively.

DISCOUNTED CASH FLOW ANALYSIS. U.S. Bancorp Piper Jaffray performed a discounted cash flow analysis for OrthAlliance to estimate the present value of the stand-alone, unleveraged, after-tax free cash flows that OrthAlliance could generate through December 31, 2005 based on estimates provided by the management of OrthAlliance. The stand-alone discounted cash flow analysis was determined by adding the present value at March 31, 2001 of the projected free cash flows generated by OrthAlliance over the period from April 1, 2001 through December 31, 2005, the present value of OrthAlliance's estimated terminal value in 2005 and OrthAlliance's cash at March 31, 2001, and subtracting OrthAlliance's total debt on March 31, 2001. The analysis assumed that 70% of practitioner revenue is renewed in future periods. The range of estimated terminal values for OrthAlliance was calculated by applying terminal value multiples ranging from 3.0x to 6.0x to the projected 2005 EBITDA of OrthAlliance. The cash flows and terminal values were discounted to present value using discount rates ranging from 23.0% to 27.0% to reflect the uncertainty of contract renewals for OrthAlliance affiliated orthodontists and pediatric dentists.

This analysis yielded an implied equity reference range for OrthAlliance common stock of \$0.06 to \$5.56 per share, as compared to the closing price per share of OrthAlliance Class A common stock on May 15, 2001 of \$3.20.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

CONTRIBUTION ANALYSIS. U.S. Bancorp Piper Jaffray analyzed the relative contribution of OrthAlliance to the estimated revenues, EBITDA and net income of the combined company in calendar years 2001, 2002 and 2003 based on estimates provided by the management of OrthAlliance and, with respect to OCA, estimates of U.S. Bancorp Piper Jaffray. Assuming that all services fees are paid under OrthAlliance's existing contracts and that no contracts are renewed upon expiration, this analysis indicated the following:

- For calendar year 2001, OrthAlliance would have contributed approximately 32.7% of the revenues, 22.2% of the EBITDA and 15.3% of the net income of the pro forma combined company;
- In calendar year 2002, OrthAlliance would have contributed approximately 28.4% of the revenues, 18.9% of the EBITDA and 12.6% of the net income of the pro forma combined company; and
- In calendar year 2003, OrthAlliance would have contributed approximately 20.5% of the revenues, 14.0% of the EBITDA and 7.2% of the net income of the pro forma combined company.

Based on the minimum amount of the exchange ratio, current holders of OrthAlliance common stock would own approximately 2.2% of the equity of the pro forma combined company upon completion of the merger. Based on the maximum amount of the exchange ratio, current holders of OrthAlliance common stock would own approximately 3.9% of the equity of the pro forma combined company upon completion of the merger.

The summary set forth above does not purport to be a complete description of the opinion of U.S. Bancorp Piper Jaffray to the OrthAlliance special committee or the financial analyses performed and factors considered by U.S. Bancorp Piper Jaffray in connection with its opinion. The preparation of a fairness opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances, and, therefore, such an opinion is not readily susceptible to summary description. U.S. Bancorp Piper Jaffray believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses, without considering all analyses, or selecting portions of the above summary, without considering all factors and analyses, could create a misleading or incomplete view of the processes underlying such analyses and opinion.

In performing its analyses, U.S. Bancorp Piper Jaffray made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of OrthAlliance and OCA. No company, transaction or business used in such analyses as a comparison is identical to OrthAlliance, the pro forma combined company or the proposed merger, nor is an evaluation of the results of such analyses entirely mathematical. Rather, such analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, businesses or transactions being analyzed. The estimates contained in such analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, such analyses and estimates are inherently subject to substantial uncertainty.

U.S. Bancorp Piper Jaffray's opinion and financial analyses were only one of many factors considered by OrthAlliance's special committee and Board in

their evaluation of the proposed merger and should not be viewed as determinative of the views of OrthAlliance's management with respect to the proposed merger consideration or the merger.

FAIRNESS OPINION OF OCA'S FINANCIAL ADVISOR

In April 2001, OCA retained Banc of America Securities LLC to act as its financial advisor in connection with the merger. Banc of America Securities is a nationally recognized investment banking firm and regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. OCA selected Banc of America Securities to act as its financial advisor on the basis of Banc of America Securities' experience and expertise in transactions similar to the merger, its reputation in the investment community and its historical investment banking relationship with OCA.

On May 16, 2001, Banc of America Securities delivered its oral opinion, which opinion was subsequently confirmed by delivery of its written opinion dated May 16, 2001, to OCA's Board of Directors that, as of such date, and based on and subject to the assumptions, limitations and considerations stated therein, the exchange ratio in the merger was fair from a financial point of view to OCA.

The full text of the Banc of America Securities opinion to OCA's Board of Directors is attached as Annex D. You should read this opinion carefully and in its entirety in connection with this Proxy Statement/Prospectus. However, also included is the following summary of the Banc of America Securities opinion,

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

The Banc of America Securities opinion was necessarily based on economic, market and other conditions as in effect on, and the information made available to it as of, the date of its opinion. Accordingly, although developments after May 16, 2001 may affect its opinion, Banc of America Securities did not assume any obligation to update, revise or reaffirm its opinion, which speaks only as of the date of the opinion.

The following is a brief summary of the material financial analyses performed by Banc of America Securities and reviewed with OCA's Board of Directors in connection with providing Banc of America Securities' opinion to OCA's Board. Some of the summaries of financial analyses performed by Banc of America Securities include information presented in tabular format. In order to understand fully the financial analyses performed by Banc of America Securities, you should read the tables together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

Considering the data set forth in the tables without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses performed by Banc of America Securities. The following information, to the extent based on market data, is as of May 15, 2001, and does not necessarily indicate current or future market conditions.

Banc of America Securities performed an analysis of the latest 12 month trading range, an analysis of selected comparable public companies, an analysis of precedent transactions, an analysis of selected premiums paid and an analysis of discounted cash flow for OrthAlliance as described below. Based on these valuation methodologies, and taking into account both the variations in the exchange ratio based on the number of OrthAlliance's affiliated orthodontists, pediatric dentists and professional corporations that amend their employment agreements and service, management service or consulting agreements, as contemplated by the merger agreement, and the potential adverse effect on OrthAlliance's future operating results of less than all of the OrthAlliance orthodontists, pediatric dentists and professional corporations amending their agreements, Banc of America Securities derived the following aggregate implied per share equity reference range for OrthAlliance Class A and Class B common stock, as compared to the merger consideration based on the closing price of OCA common stock on May 15, 2001:

SELECTED COMPARABLE PUBLIC COMPANIES ANALYSIS. Based on public and other available information, Banc of America Securities calculated the multiples of the aggregate value of OrthAlliance, which Banc of America Securities defined as equity value plus debt, less cash and cash equivalents, to OrthAlliance's revenues, earnings before interest, taxes, depreciation and amortization (commonly referred to as EBITDA) and earnings before interest and taxes (commonly referred to as EBIT) for the latest 12 months. Banc of America Securities also calculated the ratios of equity value to book value and the multiples of share price to earnings per share (commonly referred to as EPS), for both the latest 12 months and those estimated for calendar year 2001. Banc of America Securities then compared those results to the results of similar calculations made with respect to the following companies that Banc of America Securities deemed to be comparable to OrthAlliance:

- American Dental Partners, Inc.;
- InterDent, Inc.;
- Pediatrix Medical Group, Inc.;
- Hanger Orthopedic Group, Inc.;
- US Oncology, Inc.;
- Ameripath, Inc.;
- Radiologix, Inc.; and
- Monarch Dental Corporation.

Each company was selected because it had an active public trading market for its equity securities, was a physician practice management company and Banc of America Securities believed the company had operating characteristics similar to those of OrthAlliance. The comparable company analysis compared OrthAlliance to the comparable companies on the basis that the companies selected were the most relevant given the factors considered above. Consequently, Banc of America Securities did not include every company that could be deemed to be a participant in the same industry. Estimated financial data for the selected companies were based on publicly available research analysts' consensus estimates, where available, and for OrthAlliance were based on internal estimates of OrthAlliance management.

The following table sets forth multiples indicated by this analysis:

No transaction used in the precedent transaction analysis is identical to the merger. Accordingly, an analysis of the foregoing results is not mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of OrthAlliance and other factors that could affect the transactions to which the merger is being compared.

SELECTED PREMIUMS PAID ANALYSIS. Banc of America Securities analyzed the premiums paid in 3,396 domestic, all-stock acquisitions announced since 1997, as reported by Thomson Financial Data, and the premiums paid in the selected comparable transactions listed above. Banc of America Securities calculated the premiums offered relative to the stock prices of the acquired companies one day and one month prior to the announcement of the transactions. The following table sets forth the median and mean of the premiums paid in these transactions:

	PREMIUMS TO CLOSING PRICE			
	ONE DAY PRIOR		ONE MONTH PRIOR

Selected Comparable Transactions.....	11.2%	15.5%	22.7%	21.8%

Banc of America Securities then applied a range of selected premiums for the selected transactions to corresponding data of OrthAlliance, which yielded

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

implied share prices for OrthAlliance as follows:

	PREMIUM RANGE	IMPLIED ORTHALLIANCE SHARE PRICE

DISCOUNTED CASH FLOW ANALYSIS. Banc of America Securities performed discounted cash flow analyses by using financial cash flow projections of OrthAlliance for the fiscal year 2001 through fiscal year 2005 prepared by the respective management of OCA and OrthAlliance assuming a (i) 60% and (ii) 30% level of OrthAlliance affiliated practitioners electing to amend their respective employment agreements and OrthAlliance service, management service or consulting agreements as provided in the merger agreement. In conducting these analyses, Banc of America Securities assumed that OrthAlliance would perform in accordance with these projections. Banc of America Securities first estimated the terminal value of the

50

projected cash flows by applying multiples to OrthAlliance's projected 2005 EBITDA, which multiples ranged from 6.0x to 7.0x. Banc of America Securities then calculated the present values of the projected cash flows and the terminal values using discount rates ranging from 13.0% to 17.0%. The 60% signage rate analysis yielded implied share prices of \$3.71 to \$5.34, while the 30% signage rate analysis yielded implied share prices of \$1.41 to \$3.50.

PRO FORMA ANALYSES. In addition, Banc of America Securities performed an analysis of relative contribution and an analysis of accretion/dilution for the combined company as described below.

- Contribution Analysis. Banc of America Securities used the projections of the respective managements of OrthAlliance and OCA to review the estimated contribution of each company to the revenue, EBITDA, EBIT and net income for each of the last 12 months, estimated calendar year 2001 and projected calendar year 2002 assuming a (i) 60% and (ii) 30% level of OrthAlliance affiliated practitioners elected to amend their respective employment agreements and OrthAlliance service, management service or consulting agreements as provided in the merger agreement. These analyses did not take into account any potential synergies following completion of the merger. These analyses indicated that OrthAlliance would contribute the following percentages of the items listed below for the combined company:

	ORTHALLIANCE CONTRIBUTION	
	30% LEVEL OF AMENDMENTS	60% LEVEL OF AMENDMENTS
Revenue		
Latest 12 Months.....	33.9%	33.9%
Estimated 2001.....	30.8%	30.8%
Projected 2002.....	25.2%	26.2%

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

EBITDA		
Latest 12 Months.....	20.8%	20.8%
Estimated 2001.....	16.8%	16.8%
Projected 2002.....	13.2%	13.8%
EBIT		
Latest 12 Months.....	18.6%	18.6%
Estimated 2001.....	14.1%	14.1%
Projected 2002.....	10.6%	11.3%
Net Income		
Latest 12 Months.....	11.5%	11.5%
Estimated 2001.....	8.1%	8.1%
Projected 2002.....	5.6%	6.3%

Banc of America Securities then compared these percentages to the pro forma share ownership of OrthAlliance's stockholders in the combined company implied by the transaction, based on OrthAlliance's and OCA's closing stock prices on May 15, 2001. Banc of America Securities noted that on a pro forma basis, the implied ownership of OrthAlliance stockholders in the combined company on a fully diluted basis was 4.4%, assuming a 60% level of amendments, and 2.5%, assuming a 30% level of amendments.

- Accretion/Dilution Analysis. Using financial forecasts based on the projections of the management of OrthAlliance and the projections of the management of OCA, and assuming pre-tax operating synergies as estimated by management of OCA, Banc of America Securities reviewed the pro forma effects of the merger, assuming first a 60% level of amendments and then a 30% level of amendments. Banc of America Securities compared the estimated EPS on a stand-alone basis for OCA to the estimated EPS of the combined company for projected calendar years 2002 through 2005. These analyses indicated that the proposed merger would be accretive to OCA's estimated EPS in calendar years 2002 through 2005. The actual results achieved by the combined company may vary from projected results and the variations may be material.

51

OTHER FACTORS. In the course of preparing its opinion, Banc of America Securities also reviewed and considered other information and data, including:

- Research analysts' reports for OCA common stock and OrthAlliance Class A common stock;
- The historical price performance of OCA common stock and OrthAlliance Class A common stock; and
- The relative price performance and trading characteristics of OCA common stock and OrthAlliance Class A common stock and the relationship between movements in OCA common stock, movements in OrthAlliance Class A common stock and movements in selected stock indices.

As noted above, the foregoing discussion is merely a summary of the analyses and examinations that Banc of America Securities considered to be material to its opinion. It is not a comprehensive description of all analyses and examinations actually conducted by Banc of America Securities. The preparation of a fairness opinion is not susceptible to partial analysis or summary description. Banc of America Securities believes that its analyses and the summary above must be considered as a whole. Banc of America Securities further believes that selecting portions of its analyses and the factors considered, without considering all analyses and factors, would create an incomplete view of the process underlying the analyses set forth in its

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

presentation to OCA's Board of Directors. Banc of America Securities did not assign any specific weight to any of the analyses described above. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that that analysis was given greater weight than any other analysis. Accordingly, the ranges of valuations resulting from any particular analysis described above should not be taken to be Banc of America Securities' view of the actual value of OCA or OrthAlliance.

In performing its analyses, Banc of America Securities made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of OCA and OrthAlliance. The analyses performed by Banc of America Securities involve the application of complex methodologies and educated judgment and are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those suggested by these analyses. These analyses were prepared solely as part of Banc of America Securities' analysis of the financial fairness of the exchange ratio to be paid by OCA in the merger and were provided to OCA's Board of Directors in connection with the delivery of Banc of America Securities' opinion. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or the prices at which any securities have traded or may trade at any time in the future, and these estimates are inherently subject to uncertainty.

As described above, Banc of America Securities' opinion and presentation to OCA's Board of Directors were only one of the many factors taken into consideration by OCA's Board of Directors in evaluating the proposed merger, and should not be viewed as determinative of the views of OCA's Board or management with respect to the merger or the exchange ratio provided for in the merger.

Under an engagement letter dated April 25, 2001, OCA agreed to pay Banc of America Securities a fee of \$500,000, which was payable upon delivery of the fairness opinion and will be credited against a fee equal to the greater of \$1,200,000 or 1.0% of the value of the merger payable upon completion of the merger. OCA's Board of Directors was aware of this fee structure and took it into account in considering Banc of America Securities' fairness opinion and in approving the merger. The engagement letter calls for OCA to reimburse Banc of America Securities for its reasonable out-of-pocket expenses, including reasonable fees and disbursements of Banc of America Securities' counsel, up to \$50,000, and OCA has agreed to indemnify Banc of America Securities and related persons against certain liabilities, including liabilities under the federal securities laws.

In the ordinary course of its business, Banc of America Securities or its affiliates actively trade the debt and equity securities of OCA and OrthAlliance for their own account and for the accounts of customers. Accordingly, Banc of America Securities or its affiliates may at any time hold a long or short position in those securities. Banc of America Securities and its affiliates have, in the past, performed

52

various financial advisory and financing services for OCA, including acting as documentation agent under OCA's revolving credit facility, and received fees for rendering such services.

ACCOUNTING TREATMENT

OCA intends to account for the merger as a purchase transaction under generally accepted accounting principles.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

The following is a summary of the material anticipated U.S. federal income tax consequences of the merger to OrthAlliance stockholders who hold shares of OrthAlliance Class A and Class B common stock as a capital asset. The summary is based on the Internal Revenue Code, applicable Treasury regulations, and administrative rulings and court decisions in effect as of the date of this Proxy Statement/Prospectus, all of which are subject to change at any time, possibly with retroactive effect.

This summary is not a complete description of all of the consequences of the merger. In particular, this summary does not address U.S. federal income tax considerations applicable to stockholders subject to special treatment under U.S. federal income tax law, such as:

- Non-U.S. persons;
- Financial institutions;
- Dealers in securities;
- Insurance companies;
- Tax-exempt entities;
- Holders of shares of OrthAlliance Class B common stock who exercise their appraisal rights;
- Holders who acquired shares of OrthAlliance Class A and Class B common stock upon the exercise of an employee stock option or right or otherwise as compensation; and
- Holders who hold shares of OrthAlliance Class A and Class B common stock as part of a hedge, straddle or conversion transaction.

In addition, no information is provided in this summary with respect to the tax consequences of the merger under applicable foreign, state or local laws.

OCA has received an opinion of Waller Lansden Dortch & Davis, PLLC, and OrthAlliance has received an opinion of Munger, Tolles & Olson LLP, that, as of the respective dates of the opinions, the merger will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and that OCA and OrthAlliance will each be a party to that reorganization within the meaning of Section 368(b) of the Internal Revenue Code. It is a condition to the obligation of each of OCA and OrthAlliance to complete the merger that their respective tax counsel confirm its opinion as of the closing date. These opinions do not bind the Internal Revenue Service and do not preclude the IRS or the courts from adopting a contrary position. OCA and OrthAlliance do not intend to obtain a ruling from the IRS on the tax consequences of the merger.

The opinions of the parties' respective tax counsel regarding the merger have relied, and the opinions regarding the merger as of the closing date will each rely, on (1) representations and covenants made by OCA and OrthAlliance, including those contained in certificates of officers of OCA and OrthAlliance, and (2) specified assumptions, including an assumption regarding the completion of the merger in the manner contemplated by the merger agreement. In addition, the opinions of the parties' respective tax counsel have assumed, and the tax counsel's ability to provide the opinions at the closing of the merger will depend on, the absence of changes in existing facts or in law between the date of this Proxy Statement/ Prospectus and the closing date. If any of those representations, covenants or assumptions is inaccurate, the parties' respective tax counsel may not be able to provide one or more of the required opinions to be

delivered at the closing of the merger and/or the tax consequences of the merger could differ from those described in the opinions that tax counsel have delivered.

OCA and OrthAlliance expect that, for U.S. federal income tax purposes:

- The merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code;
- No gain or loss will be recognized by OCA or OrthAlliance as a result of the merger;
- No gain or loss will be recognized by OrthAlliance stockholders on the exchange of all of their respective shares of OrthAlliance Class A and Class B common stock solely for shares of OCA common stock in the merger, except with respect to cash received in lieu of a fractional share of OCA common stock; and
- The aggregate tax basis of the OCA common stock received by OrthAlliance stockholders in exchange for all of their respective shares of OrthAlliance Class A and Class B common stock will be the same as the aggregate tax basis of shares of OrthAlliance Class A and Class B common stock surrendered in exchange therefor, reduced by any amount allocable to a fractional share of OCA common stock for which cash is received.

Generally, cash received by an OrthAlliance stockholder in lieu of a fractional share of OCA common stock will be treated as received in redemption of that fractional share interest, and the OrthAlliance stockholder should generally recognize capital gain or loss for federal income tax purposes measured by the difference between the amount of cash received and the portion of the tax basis of the share of OrthAlliance Class A or Class B common stock allocable to that fractional share of OCA common stock. This gain or loss should be a long-term capital gain or loss if the holding period for the share of OrthAlliance Class A or Class B common stock is greater than one year at the effective time of the merger. The holding period of a share of OCA common stock received in the merger, including a fractional share interest deemed received and redeemed as described in this paragraph above, will include the holder's holding period in OrthAlliance Class A and Class B common stock surrendered in exchange for OCA common stock.

This discussion of material U.S. federal income tax consequences is intended to provide only a general summary, and is not a complete analysis or description of all potential federal income tax consequences of the merger. This discussion does not address tax consequences that may vary with, or are contingent on, individual circumstances. In addition, it does not address any non-income tax or any foreign, state or local tax consequences of the merger. ACCORDINGLY, ORTHALLIANCE STOCKHOLDERS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE MERGER TO THEM, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND OF POTENTIAL CHANGES TO APPLICABLE TAX LAW.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

Certain members of OrthAlliance's management and Board of Directors may be deemed to have interests in the merger that are in addition to their interests as OrthAlliance stockholders generally. OrthAlliance's Board of Directors was aware of these interests and considered them, among other matters, in approving the merger agreement.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

W. Dennis Summers, the Chairman of the Board and Interim President and Chief Executive Officer of OrthAlliance, is a participant in OrthAlliance's stay bonus and severance plan, whereby, if Mr. Summers' employment is terminated for any reason within 12 months following completion of the merger, he will receive payment of \$200,000. In addition, Mr. Summers would receive a stay bonus equal to \$33,333 at the earlier of three months following the completion of the merger or termination of his employment by OrthAlliance for any reason other than for cause following the completion of the merger. Various other non-executive officers and employees of OrthAlliance are also participants in this bonus and severance plan.

54

Various officers of OrthAlliance, including Paul H. Hayase, Senior Vice President, General Counsel and Secretary of OrthAlliance, Stephen M. Toon, Senior Vice President and Chief Development Officer of OrthAlliance, and James C. Wilson, Senior Vice President and Chief Financial Officer of OrthAlliance, are parties to severance or employment agreements with OrthAlliance under which they may be entitled to severance payments and benefits upon termination of their employment following a change in control of OrthAlliance. We anticipate that the merger would be a change in control for purposes of these agreements.

Dr. Randall K. Bennett, Dr. Larry D. Dormois, Dr. Raymond G. W. Kubisch and Dr. Stephen G. Tracey, each of whom is a director of OrthAlliance and an orthodontist or pediatric dentist affiliated with OrthAlliance, are eligible to receive various financial incentives that OCA is offering to OrthAlliance affiliated orthodontists and pediatric dentists who amend their employment agreement and service, management service or consulting agreement with OrthAlliance as provided in the merger agreement, or who enter into OCA's form of business services agreement effective as of the merger. These incentives, which consist of varying amounts of OCA common stock, are conditioned on, among other things, the completion of the merger. As of October 5, 2001, three of these directors have signed amendments to their employment agreement and service, management service or consulting agreement, and are eligible to be granted shares of OCA common stock if the merger is completed.

Directors and executive officers of OrthAlliance will receive shares of OCA common stock in the merger on the same basis as other OrthAlliance stockholders. The following chart shows the number of shares of OCA common stock that may be issued to directors and executive officers of OrthAlliance in the merger:

COMPARISON OF RIGHTS OF STOCKHOLDERS

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

At the effective time of the merger, OrthAlliance stockholders will automatically become OCA stockholders (except for those holders of OrthAlliance Class B common stock who properly exercise appraisal rights under Delaware law). OCA is a Delaware corporation governed by provisions of the Delaware General Corporation Law and OCA's restated certificate of incorporation and bylaws. OrthAlliance is a Delaware corporation governed by provisions of the Delaware General Corporation Law and OrthAlliance's amended and restated certificate of incorporation and bylaws. See "COMPARISON OF RIGHTS OF STOCKHOLDERS."

RESTRICTIONS ON REALES BY AFFILIATES

The shares of OCA common stock issuable to OrthAlliance stockholders upon completion of the merger have been registered under the Securities Act of 1933. These shares may be traded freely without restriction by those stockholders who are not deemed to be "affiliates" of OrthAlliance, as that term is defined in SEC rules under the Securities Act. An "affiliate" of a company generally includes its directors and executive officers and holders of a significant amount of the company's voting stock.

55

Shares of OCA common stock received by those OrthAlliance stockholders who are deemed to be "affiliates" of OrthAlliance, as that term is defined in SEC rules under the Securities Act, at the time of the OrthAlliance special meeting may be resold without registration under the Securities Act only as permitted by Rule 145 under the Securities Act. Under Rule 145, during the one-year period following completion of the merger, affiliates of OrthAlliance may resell shares of OCA common stock received by them in the merger subject to limitations on the number of shares that may be sold during any three-month period and the manner in which the shares may be sold, including the use of a broker and non-solicitation of a buyer.

56

THE MERGER AGREEMENT

The following summary of certain terms and provisions of the merger agreement is qualified in its entirety by reference to the merger agreement, which is incorporated into this document by reference and, with the exception of exhibits and schedules to the merger agreement, is attached as Annex A to this Proxy Statement/Prospectus.

EXCHANGE OF CERTIFICATES

OCA will deposit with EquiServe, as the exchange agent for the merger, certificates representing the shares of OCA common stock and cash to be paid in lieu of fractional shares of OCA common stock to which a holder of certificates formerly representing shares of OrthAlliance Class A and Class B common stock would otherwise be entitled based on the exchange ratio.

Promptly after the completion of the merger, the exchange agent will mail to each holder of record of a certificate formerly representing shares of OrthAlliance Class A or Class B common stock a form letter of transmittal for use in exchanging such stockholder's OrthAlliance certificates for shares of OCA common stock and/or cash due under the merger agreement. Upon surrender of an OrthAlliance certificate for exchange and cancellation to the exchange agent, together with a duly executed letter of transmittal, the holder of an OrthAlliance certificate will be entitled to receive the number of whole shares of OCA common stock and cash for any fractional shares to which such holder has

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

become entitled in accordance with the merger agreement. OCA will pay to each OrthAlliance stockholder who would otherwise be entitled to a fractional share of OCA common stock, after taking into account all OrthAlliance certificates delivered by the stockholder, an amount in cash to be paid in lieu of fractional shares, without interest, determined by multiplying such fraction by the average of the last sale prices of OCA common stock as reported on the New York Stock Exchange for the three trading days immediately preceding the merger. OrthAlliance certificates so surrendered will immediately be canceled. No interest will be paid or accrued on any cash to be paid upon such surrender, whether in lieu of fractional shares of OCA common stock or with respect to unpaid dividends or distributions thereon.

ORTHALLIANCE STOCKHOLDERS SHOULD NOT SEND IN THEIR STOCK CERTIFICATES UNTIL THEY RECEIVE THE TRANSMITTAL MATERIALS FROM THE EXCHANGE AGENT.

Any part of the OCA common stock certificates and cash deposited with the exchange agent that remains unclaimed by OrthAlliance stockholders for 12 months after the merger will be paid to OCA. After that time, OrthAlliance stockholders may look only to OCA for payment of the shares of OCA common stock, cash in lieu of fractional shares of OCA common stock and any unpaid dividends and distributions on OCA common stock deliverable in respect of each share of OrthAlliance common stock held by the stockholder, in each case, without interest. OCA, OrthAlliance, the exchange agent and any other person will not be liable to any former OrthAlliance stockholder for any amounts properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws. If any OrthAlliance certificate is not surrendered prior to the end of the applicable period under any applicable escheat or similar law, or immediately prior to the date on which any shares of OCA common stock, any cash in lieu of fractional shares of OCA common stock or any dividends or distributions with respect to the certificates would escheat to or become the property of any governmental authority, then the shares of OCA common stock, cash and dividends or distributions with respect to the OrthAlliance certificates will, to the extent permitted by applicable law, become the property of OCA.

If any certificate formerly representing OrthAlliance common stock is lost, stolen or destroyed, OCA can require the holder to give an affidavit of that fact and to post a bond in an amount that OCA or the exchange agent may direct as indemnity against any claim that may be made with respect to this OrthAlliance certificate. Upon making such affidavit and/or posting such bond, the exchange agent will issue the shares of OCA common stock and/or cash due under the merger agreement.

No dividends or other distributions with respect to OCA common stock declared after the merger and payable to OCA stockholders of record will be paid to the holder of any unsurrendered OrthAlliance

57

certificate until the holder of the certificate surrenders the OrthAlliance certificate. After the proper surrender of an OrthAlliance certificate, the record holder of the certificate will receive any such dividends or other distributions, without any interest, which the holder would have received if he or she had exchanged his OrthAlliance certificate immediately after the merger.

CONDITIONS TO THE MERGER

The obligations of OrthAlliance and OCA to complete the merger are subject to the satisfaction, or waiver, where legally allowed, at or prior to the effective time of the merger, of a number of conditions, which are set forth in the merger agreement. These conditions include:

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

- Approval of the merger agreement by OrthAlliance stockholders;
- The New York Stock Exchange listing the shares of OCA common stock to be issued to OrthAlliance stockholders as consideration under the merger agreement;
- Any waiting period, and any extension, applicable to the completion of the merger under the Hart-Scott-Rodino Act having expired or being terminated;
- The absence of any legal prohibition to completion of the merger;
- Absence of an event or change that has a material adverse effect on either OCA or OrthAlliance;
- The accuracy of the parties' representations and warranties and performance of the parties' obligations under the merger agreement; and
- Receipt of the required tax opinions.

OCA's obligation to complete the merger is also conditioned upon at least 56 of 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to service or consulting agreements with OrthAlliance, and a number of those orthodontists and pediatric dentists representing at least 30% of OrthAlliance's service fees during the 12 months ended March 31, 2001, executing, along with their professional entity, amendments to their respective employment agreement and service, management service or consulting agreement, as provided in the merger agreement. As of October 5, 2001, 72 of these designated orthodontists and pediatric dentists, along with their respective professional entity, have signed amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements, representing 35.98% of OrthAlliance's service fees during the 12 months ended March 31, 2001, which exceed the minimum amounts required under this condition. These amounts, however, may change prior to completion of the merger.

We cannot guarantee that the conditions precedent to the merger will be satisfied or, where legally permitted, waived by the party permitted to do so, or that the merger will be completed.

TERMINATION OF THE MERGER AGREEMENT

BY MUTUAL AGREEMENT. The merger agreement may be terminated at any time prior to the completion of the merger, whether before or after approval of the merger by OrthAlliance stockholders, as set forth in the merger agreement, including by mutual consent of OCA and OrthAlliance.

BY EITHER PARTY. In addition, the merger agreement may be terminated by either party if:

- The merger is not completed by November 30, 2001;
- OrthAlliance's stockholders fail to approve the merger agreement;
- The other party materially breaches its representations or covenants set forth in the merger agreement and fails to cure that breach within the prescribed time limit; or
- The other party does not satisfy its conditions required to complete the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

merger, and these conditions have become incapable of being fulfilled or cured and have not been waived.

58

BY OCA. OCA may terminate the merger agreement if:

- OrthAlliance's Board of Directors fails to recommend in this Proxy Statement/Prospectus that OrthAlliance's stockholders approve the merger agreement;
- OrthAlliance's Board of Directors withdraws, modifies in a way adverse to OCA or discloses its intention to withdraw its approval or recommendation of the merger agreement;
- OrthAlliance's Board of Directors approves or recommends, or publicly proposes to approve or recommend, any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus;
- OrthAlliance's Board of Directors recommends a superior acquisition proposal and withdraws or modifies its approval or recommendation of the merger agreement, or terminates the merger agreement solely to concurrently enter into a merger agreement, acquisition agreement, option agreement or letter of intent with respect to the superior acquisition proposal, after determining in good faith that the failure to do so would violate the Board's fiduciary duties and giving notice to OCA. The superior acquisition proposal must be a bona fide, written tender offer, exchange offer, merger proposal or other proposal or offer to acquire all or substantially all of the capital stock or assets of OrthAlliance, which OrthAlliance's Board of Directors determines, in good faith, is more favorable to OrthAlliance and its stockholders than the merger described in this Proxy Statement/ Prospectus, with any required financing being fully committed and reasonably capable of being obtained, and is reasonably capable of being completed without undue delay; or
- OrthAlliance accepts or enters into an agreement or letter of intent with respect to any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus.

BY ORTHALLIANCE. OrthAlliance may terminate the merger agreement if its Board of Directors elects to terminate the merger agreement solely to concurrently enter into a merger agreement, acquisition agreement, option agreement or letter of intent with respect to the superior acquisition proposal, after determining in good faith that the failure to do so would violate the Board's fiduciary duties and giving notice to OCA. The superior acquisition proposal must be a bona fide, written tender offer, exchange offer, merger proposal or other proposal or offer to acquire all or substantially all of the capital stock or assets of OrthAlliance, which OrthAlliance's Board of Directors determines, in good faith, is more favorable to OrthAlliance and its stockholders than the merger described in this Proxy Statement/Prospectus, with any required financing being fully committed and reasonably capable of being obtained, and is reasonably capable of being completed without undue delay.

EFFECTS OF TERMINATION. If the merger agreement is terminated, it will become void and have no effect, except with respect to the parties' obligations

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

regarding confidential information, expenses and certain break-up fees payable upon termination of the merger agreement in some circumstances, as set forth in the merger agreement. Termination of the merger agreement also will not relieve or release a breaching party from liability or damages for its breach of the merger agreement.

BREAK-UP FEES

BREAK-UP FEE TO OCA UPON TERMINATION FOR CERTAIN EVENTS. If the merger agreement is terminated because:

- OrthAlliance's Board of Directors fails to recommend in this Proxy Statement/Prospectus that OrthAlliance's stockholders approve the merger agreement;
 - OrthAlliance's Board of Directors withdraws, modifies in a way adverse to OCA or discloses its intention to withdraw its approval or recommendation of the merger agreement;
- 59
- OrthAlliance's Board of Directors approves or recommends, or publicly proposes to approve or recommend, any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus;
 - OrthAlliance's Board of Directors recommends a superior acquisition proposal and withdraws or modifies its approval or recommendation of the merger agreement, or terminates the merger agreement solely to concurrently enter into a merger agreement, acquisition agreement, option agreement or letter of intent with respect to the superior acquisition proposal, after determining in good faith that the failure to do so would violate the Board's fiduciary duties and giving notice to OCA. The superior acquisition proposal must be a bona fide, written tender offer, exchange offer, merger proposal or other proposal or offer to acquire all or substantially all of the capital stock or assets of OrthAlliance, which OrthAlliance's Board of Directors determines, in good faith, is more favorable to OrthAlliance and its stockholders than the merger described in this Proxy Statement/ Prospectus, with any required financing being fully committed and reasonably capable of being obtained, and is reasonably capable of being completed without undue delay;
 - OrthAlliance accepts or enters into an agreement or letter of intent with respect to any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus; or
 - The merger is not completed by November 30, 2001 or OrthAlliance's stockholders fail to approve the merger agreement, and, at any time after May 16, 2001 and before termination of the merger agreement, any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus, is publicly announced or otherwise communicated to OrthAlliance's stockholders and is not publicly withdrawn or rescinded, and OrthAlliance or its subsidiary enters into a definitive agreement with respect to the acquisition

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

proposal within 12 months after termination of the merger agreement;

then OrthAlliance is to pay \$4,000,000 in cash to OCA and reimburse OCA for all of its reasonable out-of-pocket costs and expenses incurred in connection with the merger agreement, this Proxy Statement/ Prospectus, other documents or actions contemplated or related to the merger agreement and any related financing in an aggregate amount not to exceed \$500,000.

BREAK-UP FEE TO ORTHALLIANCE UPON TERMINATION BY OCA FOR NON-SATISFACTION OF CONDITION TO CLOSING. If OCA terminates the merger agreement solely as a result of non-satisfaction of the condition that at least 56 of 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to service, management service or consulting agreements with OrthAlliance, and a number of those orthodontists and pediatric dentists representing at least 30% of OrthAlliance's service fees during the 12 months ended March 31, 2001, execute, along with their professional entity, amendments to their respective employment agreement and OrthAlliance service, management service or consulting agreement prior to the merger, as provided in the merger agreement, then:

- OCA will pay \$1,000,000 in cash to OrthAlliance; and
- For a period of two years following the date of termination, OCA will not directly or indirectly solicit or induce any orthodontist, pediatric dentist or professional entity that was a party to, or an owner and employer of a professional entity that was a party to, a service, management service or consulting agreement with OrthAlliance or its subsidiaries as of May 16, 2001, to terminate their employment agreement or their service, management service or consulting agreement with OrthAlliance.

60

NO OTHER TRANSACTIONS INVOLVING ORTHALLIANCE

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OrthAlliance has agreed to "non-solicitation" provisions prohibiting it from seeking an alternative transaction. Under these non-solicitation provisions, OrthAlliance agreed that it and its subsidiaries, officers, directors, employees, attorneys, investment bankers and other representatives will not directly or indirectly:

- Encourage, solicit, initiate, facilitate, entertain or accept any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or

63

substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus;

- Enter into any agreement with respect to any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/ Prospectus;
- Enter into any arrangement, understanding or agreement requiring it to abandon, terminate or fail to complete the merger;
- Propose or make any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, to any person other than OCA and OCA Acquisition Corporation;
- Participate in discussions or negotiations with, or furnish or disclose any information to, any person, other than OCA and OCA Acquisition Corporation, in connection with or with respect to any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus; or
- Authorize or permit any subsidiary, officer, director, employee, attorney, investment banker or other representative of OrthAlliance to take any of these actions.

OrthAlliance also agreed that it will notify OCA within 24 hours after receiving any request for information or tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, or any inquiry, proposal, discussions or negotiations with respect to any such acquisition proposal, and promptly provide OCA with the terms and conditions of the proposal, copies of any written materials received in connection with the proposal and the identity of the person making the proposal. OrthAlliance must keep OCA fully informed of the status and details of any such acquisition proposal and promptly provide to OCA any non-public information concerning OrthAlliance provided to any other person in connection with any such acquisition proposal which was not previously provided to OCA.

OrthAlliance further agreed that its Board of Directors will not withdraw, or modify in a manner adverse to OCA or OCA Acquisition Corporation, the Board's approval and recommendation of the merger agreement. OrthAlliance further agreed that its Board of Directors will not approve or recommend any tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, other than the merger described in this Proxy Statement/Prospectus.

However, in response to an unsolicited, bona fide, written tender offer, exchange offer, merger proposal or other proposal or offer to acquire 15% or more of the equity interest in, or all or substantially all of the assets of, OrthAlliance or its subsidiaries, OrthAlliance may, after giving notice to OCA, take one or more of the following actions if OrthAlliance's Board of Directors determines in good faith that failure to take the action or actions would violate the Board's fiduciary duties:

- Participate or engage in discussions or negotiations with the person making the acquisition proposal;
- Provide information to the person making the acquisition proposal, based on a confidentiality agreement with terms that are no more favorable to that person than the terms of the confidentiality agreement between OrthAlliance and OCA; and
- Authorize and permit its officers, directors, employees, attorneys, investment bankers and other representatives to take these actions.

In addition, OrthAlliance's Board of Directors may recommend a superior acquisition proposal and withdraw or modify its approval or recommendation of the merger agreement, or terminate the merger agreement solely to concurrently enter into a merger agreement, acquisition agreement, option agreement

64

or letter of intent with respect to the superior acquisition proposal, if the Board determines in good faith that the failure to do so would violate the Board's fiduciary duties and gives notice to OCA. The superior acquisition proposal must be a bona fide, written tender offer, exchange offer, merger proposal or other proposal or offer to acquire all or substantially all of the capital stock or assets of OrthAlliance, which OrthAlliance's Board of Directors determines, in good faith, is more favorable to OrthAlliance and its stockholders than the merger described in this Proxy Statement/Prospectus, with any required financing being fully committed and reasonably capable of being obtained, and is reasonably capable of being completed without undue delay.

OrthAlliance may also take or disclose to its stockholders a position contemplated under the SEC's tender offer rules or make any disclosure to its stockholders if OrthAlliance's Board of Directors determines in good faith that the failure to do so would violate the Board's fiduciary duties.

INDEMNIFICATION

OCA agreed to provide indemnification of the directors and officers of OrthAlliance as provided by OrthAlliance in its certificate of incorporation for six years after the merger and to provide, for six years after the merger, directors' and officers' liability insurance for the directors and officers of OrthAlliance at an annual premium not to exceed 200% of the amount expended by OrthAlliance as of May 16, 2001.

AMENDMENT OF THE MERGER AGREEMENT

The merger agreement may be amended only by a written instrument signed on behalf of each of OrthAlliance, OCA and OCA Acquisition Corporation at any time prior to the effective time of the merger, and before or after OrthAlliance stockholders approve the merger agreement.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

WAIVER

At any time prior to the effective time of the merger, OCA and OrthAlliance may extend the time for the performance of any of the obligations or other acts of the other party under the merger agreement, waive any inaccuracies in the representations and warranties of the other party contained in the merger agreement or waive compliance with any of the agreements or conditions of the other party contained in the merger agreement.

EXPENSES

OCA and OrthAlliance will each bear all expenses incurred by it in connection with the merger agreement and the merger.

Accordingly, OCA does not anticipate that it will declare or pay any cash dividends on its common stock for the foreseeable future. The declaration, payment and amount of future dividends, if any, will depend upon OCA's future earnings, results of operations, financial position and capital requirements, among other factors. In addition, OCA's revolving credit facility

does not permit it to pay cash dividends.

OCA'S AFFILIATED ORTHODONTIC PRACTICES

OCA believes that its retail-oriented approach to developing orthodontic practices has resulted in significant increases in productivity and profitability for its affiliated orthodontists. OCA's affiliated orthodontists have experienced significantly greater operating results than traditional orthodontists, including significantly greater patient volume, productivity and patient revenue, as reflected in the following table:

- (1) Information for OCA affiliated orthodontists is for 2000.
 - (2) Information for traditional orthodontists is for 1998, and is derived from the 1999 Journal of Clinical Orthodontists Orthodontic Practice Study, a biennial study of the U.S. orthodontic industry. Information for 1999 and 2000 has not been published.
 - (3) For traditional orthodontists, this amount represents a weighted average.
 - (4) For OCA affiliated orthodontists, this amount represents the standard fee for a term of treatment that averages 26 months.
 - (5) For OCA affiliated orthodontists, this amount is based upon orthodontists who had been affiliated with OCA for at least 12 months as of January 1, 2000.

OCA develops and implements marketing and advertising plans for its affiliated orthodontists, using television, radio and print advertising and internal marketing promotions. During 2000, OCA spent an average of \$66,439 per affiliated orthodontist on direct marketing costs and advertising. In contrast, traditional orthodontists, who rely primarily on referrals from dentists and patients, spent an average of \$4,400 on marketing and advertising in 1998.

OCA believes that its marketing and advertising strategy has allowed its affiliated orthodontists to generate significantly greater patient volume than traditional orthodontists. Each of OCA's affiliated orthodontists who had been affiliated with OCA and its subsidiaries for at least one year generated an average of 538 new case starts during 2000, as compared to the 1998 national average of 200 new case starts per orthodontist. During 2000, OCA's affiliated orthodontists generated a total of about 161,000 new case starts, representing initial new patient contract balances of \$494.1 million for 2000, an increase of 33.9% from \$369.1 million for 1999.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OCA's operating systems and office designs, along with the efficient use of an average of five orthodontic assistants per orthodontic center, have enabled OCA's affiliated orthodontists to treat more patients per day as compared to traditional orthodontists. OCA's innovative office designs permit an affiliated orthodontist to treat patients without moving from room to room. OCA's proprietary patient scheduling system groups appointments by the type of procedure and dedicates certain days exclusively to new patients. During 2000, OCA's affiliated orthodontists who practiced in orthodontic centers open throughout 1999 and 2000 treated an average of 78 patients per operating day, as compared to an average of 45 patients per operating day treated during 1998 by orthodontists in the United States generally.

69

Orthodontists who had been affiliated with OCA for at least three years earned pre-tax practice income of about \$420,000 during 2000, which was 40.0% higher than the average pre-tax practice income of \$300,000 reported in the 1999 Journal of Clinical Orthodontists Orthodontic Practice Study as earned by orthodontists in the United States during 1998.

The following table provides information about the growth in the number of OCA's affiliated orthodontic centers during the periods shown:

	YEAR ENDED DECEMBER 31,					SIX

Of OCA's 611 affiliated orthodontic centers at June 30, 2001, 323 were developed by OCA, 364 were existing orthodontic practices the assets of which were acquired by OCA and 76 were consolidated into another affiliated orthodontic center. OCA expects that future growth in the number of its affiliated orthodontic centers will come from both developing orthodontic centers with existing and newly recruited orthodontists affiliated with OCA and its subsidiaries and acquiring the assets of, and entering into service and consulting agreements with, existing orthodontic practices.

ORTHALLIANCE

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OVERVIEW

OrthAlliance was incorporated on October 21, 1996 and provides practice management and consulting services to orthodontic and pediatric dental practices throughout the United States. OrthAlliance manages or provides consulting services with respect to certain business aspects of orthodontic and pediatric dental practices affiliated with OrthAlliance, which are sometimes referred to as "allied practices," and provides capital for the development and growth of allied practices.

OrthAlliance's wholly-owned subsidiaries are each incorporated in Delaware and include PedoAlliance, Inc., OrthAlliance Finance, Inc., OrthAlliance Properties, Inc., OrthAlliance Services, Inc., OrthAlliance Holdings, Inc., and OrthAlliance New Image, Inc. The subsidiaries were formed to provide practice management, patient financing, consulting and other services to allied orthodontic and pediatric dental practices or their patients. OrthAlliance New Image was formed specifically in connection with OrthAlliance's acquisition of substantially all of the assets of New Image Orthodontic Group, Inc., which was effective March 1, 2000.

On August 26, 1997, OrthAlliance affiliated with 55 allied practices, including 81 orthodontists and one pediatric dentist operating 147 offices in 16 states, pursuant to long-term management service and consulting agreements, and commenced its initial operations. From August 26, 1997 to June 30, 2001, OrthAlliance increased the number of allied practices, including pediatric dental practices, to a net total of 174, with approximately 226 orthodontists and pediatric dentists, which are sometimes referred to as "allied practitioners," operating approximately 397 offices in 32 states at June 30, 2001. OrthAlliance Finance was formed in December 1997 to offer financing alternatives to the patients of the allied practices. During 2000, OrthAlliance Finance funded 289 loans to patients for a total value of \$0.8 million and had \$1.4 million of loans outstanding as of June 30, 2001.

OrthAlliance provides fee-based management or consulting services to its allied practices which allows its allied orthodontists and pediatric dentists to concentrate on providing cost effective, quality patient care. OrthAlliance does not practice orthodontics or dentistry, but generally acquires certain operating assets of an orthodontic and pediatric dental practice, employs the practice staff and administrative employees (except orthodontists and dentists, and where applicable law requires, hygienists and dental assistants), and enters into service, management service or consulting agreements with the allied practices. Pursuant to these agreements, OrthAlliance provides management or consulting services to the allied practices, including billing and collections, cash management, purchasing, inventory management, payroll processing, advertising and marketing, financial reporting and analysis, productivity reporting and analysis, training, associate orthodontist recruiting and capital for satellite office development and acquisitions. Where state law allows and upon request by an allied practice, OrthAlliance leases equipment or office space to the allied practices.

ORTHALLIANCE'S OPERATING STRATEGY

OrthAlliance's operating strategy focuses on enabling the allied practices to compete more effectively and realize greater profitability than other practices, thereby providing an inducement for additional practices to affiliate with OrthAlliance.

Management of OrthAlliance believes that the services and support that OrthAlliance provides to its allied orthodontists impact the level of patient care positively by increasing the allied orthodontists' and pediatric dentists' time available to concentrate on patient care. The qualifications of providers of orthodontic and pediatric dental services vary from general dentists who have

taken weekend courses to graduates of accredited three-year programs. Nearly all allied orthodontists and pediatric dentists affiliated with the allied practices are graduates of accredited orthodontic or pediatric dental programs. OrthAlliance established two clinical care advisory committees, one consisting of allied orthodontists and the other consisting of allied pediatric dentists, to formulate educational and training programs and to consult with each other on current treatments, techniques and issues.

71

OrthAlliance identifies practice-level strategies that have proven successful for individual allied practices and shares this information among other allied practices. OrthAlliance provides its allied orthodontists and pediatric dentists with comparative operating and financial data to enable the allied orthodontists and pediatric dentists to detect areas of their practices that could be improved. OrthAlliance provides its own analysis of such operating and financial data and recommends changes to improve performance. OrthAlliance consults with its allied practices that have demonstrated success in a certain area and generally seeks to facilitate communication among allied practices through periodic conferences and meetings and through the Internet.

OrthAlliance implements a variety of operating procedures and systems to improve the productivity and profitability of its allied practices and to achieve economies of scale including, without limitation, centralized payroll processing and national group purchasing contracts. Operating efficiencies and economies are instituted with the allied orthodontist's and pediatric dentist's consent on a per allied practice need basis.

OrthAlliance assists its allied practices in developing and implementing payment plans designed to make orthodontic and pediatric dental services more affordable to prospective patients. Many of OrthAlliance's allied practices historically receive a down payment of approximately 25% of the total treatment plan fee at the early stages of the procedure. Recognizing that orthodontic services are largely discretionary and that a significant down payment is often a deterrent to prospective patients, OrthAlliance believes that flexible payment plans or financing opportunities are an effective means of increasing patient volume. Payment plans are tailored to respond to the various market demands and opportunities. OrthAlliance makes general recommendations to its allied practices with respect to instituting flexible payment plans and develops and implements market-tailored plans at the request of individual allied practices. In addition, OrthAlliance provides access to working capital necessary for its allied practices to implement flexible payment plans which may result in the reduction or elimination of down payments.

In consultation with and upon approval of its allied practices, OrthAlliance develops and implements marketing plans to augment each allied practice's referral and other marketing systems. Certain allied practices have developed referral systems with local dentists. Upon the request of an allied practice and in appropriate markets, OrthAlliance attempts to assist such allied practice in reaching potential patients through print, local television and radio advertising.

ORTHALLIANCE'S GROWTH STRATEGY

OrthAlliance's growth strategy includes affiliation with existing practices in both new and existing markets, the development of satellite offices for existing allied practices and internal growth through improved operating efficiencies.

OrthAlliance offers a variety of operating procedures and systems to improve the productivity and profitability of its allied practices. OrthAlliance implements payroll processing, financial reporting and analysis, national group

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

purchasing, discounted contracts and assists with appropriate credit and collection policies which accommodate specific needs of its allied practices. Operating efficiencies and economies are instituted on a per allied practice need basis.

If management determines market demand supports practice expansion, OrthAlliance assists allied orthodontists and pediatric dentists in developing satellite offices to be integrated into allied practices. OrthAlliance provides a certain amount of capital for practice expansion, market research, site selection, office design and marketing support for satellite office development.

OrthAlliance targets for affiliations a market that includes approximately half of the orthodontic and pediatric dental practices in the United States (approximately 4,500 orthodontic practices and 1,500 pediatric dental practices), which practices fit OrthAlliance's model of quality and opportunity for revenue

72

and earnings growth. OrthAlliance believes that affiliation will be an attractive option for existing practices, because OrthAlliance:

- Provides access to capital to open and integrate new offices into existing allied practices;
- Makes available best practice ideas from other allied practices;
- Designs and offers business and clinical procedures for allied practices;
- With the approval of the allied orthodontist or pediatric dentist, employs the necessary business and non-professional personnel for allied practices;
- Helps allied practices by recommending marketing and advertising strategies; and
- Assists allied orthodontists and pediatric dentists with administrative and business related tasks.

OrthAlliance has reduced the number of affiliations with existing practices in order to conserve capital resources. This is partially due to OrthAlliance's low stock price, which has made it difficult for OrthAlliance to raise capital and affiliate with practices.

In addition to traditional affiliations, OrthAlliance believes that a complementary element to OrthAlliance's growth strategy includes the development of de novo practices, or new practices. De novo practice development represents an opportunity for OrthAlliance to build practices from the ground up in key strategic markets. By drawing on the experiences of its existing members, OrthAlliance can help to identify and implement the "best practices" for de novo operations. OrthAlliance has, to date, established two de novo practices.

PAYMENT PLAN AND CASE FEES

In the allied practitioners' offices at the initial orthodontic treatment, generally the patient signs a contract outlining the terms of the treatment, including the anticipated length of treatment, total fees and payment terms. OrthAlliance's allied orthodontists determine the appropriate fee to charge for services to patients based upon market conditions in the respective areas served by the allied orthodontists. Generally, the amount charged by OrthAlliance's allied orthodontists is independent of the patient's source of payment. The

number of required monthly payments is estimated at the beginning of the case and generally corresponds to the anticipated number of months of treatment. Generally, OrthAlliance's allied practices require approximately 25% of the treatment contract to be paid upon installation of the braces, and the remaining 75% evenly over the remainder of the treatment term.

If the treatment period exceeds the period originally estimated by the allied orthodontist, the patient and the allied orthodontist will determine whether payment for additional treatment will be required. If the treatment is completed prior to the scheduled completion date, the patient is required to pay the remaining balance of the contract. If a patient terminates the treatment prior to the completion of the treatment period, the patient is required to pay the balance due for services rendered to date.

Other payment plans with lower monthly payments are available for patients who have insurance coverage for the treatment. Payments from patients with insurance may be lower, depending upon the amount of the fee paid on behalf of the patient by insurance policies. For patients with insurance coverage, the portion of the fee not covered by insurance is paid by the patient.

AGREEMENTS WITH ORTHALLIANCE ALLIED PRACTICES AND ALLIED PRACTITIONERS

Each of OrthAlliance's allied practices has entered into the following three material agreements:

- An acquisition agreement, which may be in the form of a purchase and sale agreement whereby OrthAlliance acquires certain of the assets, or stock of an entity holding certain assets, of the allied practice, or an agreement and plan of reorganization, whereby the allied practice transfers certain assets to OrthAlliance;

73

- Either a service agreement or a consulting agreement, depending upon the applicable state regulatory requirements or a management service agreement for OrthAlliance New Image practices, whereby OrthAlliance provides management or consulting services to the allied practice; and
- An employment agreement between the allied practice and each related allied practitioner who is an equity holder in the allied practice or who provides orthodontic or pediatric dental services through such practice for more than ten days each month.

Each acquisition agreement generally results in the sale by the allied practice of its equipment, licenses, inventory, accounts receivable, furniture and other personal property, or some combination thereof based on applicable state laws or regulations, in exchange for consideration based on the allied practice's adjusted patient revenue. The aggregate purchase price paid by OrthAlliance is generally payable in cash, shares of OrthAlliance Class A common stock, or a promissory note as determined by each allied practice and OrthAlliance. The aggregate consideration, including acquisition costs, paid by OrthAlliance in connection with the affiliation of the 174 allied practices net of consolidation from August 26, 1997 to June 30, 2001 was approximately \$218.1 million, comprised of approximately \$91.4 million in cash, 8.3 million shares of OrthAlliance Class A common stock and promissory notes of \$30.6 million.

Each service agreement generally requires or permits OrthAlliance to perform certain services for its allied practices, including providing and maintaining specified furnishings and equipment; providing necessary employees, except practitioners and, where applicable law requires, hygienists and dental assistants; establishing appropriate business systems; purchasing and

maintaining inventory; performing payroll and accounting functions; providing billing and collection services with respect to patients, insurance companies and third-party payors; arranging certain legal services not related to malpractice litigation; designing and executing a marketing plan; advising with respect to new office locations; and managing and organizing the allied practice's files and records, including patient records where permitted by applicable law. If the allied practice lacks sufficient funds to pay its current expenses, OrthAlliance is required to advance funds to the allied practice for the purpose of paying such expenses, subject to terms to be agreed upon. In exchange for performing the services described above, OrthAlliance receives a management fee based on one of three fee structures. These fees are structured as follows:

- A designated percentage ranging from 13.5% to 20.0% of adjusted patient revenue;
- A designated percentage of patient revenue, ranging from 14.0% to 17.0%, subject to annual adjustments based upon improvements in the allied practice's operating margin in the most recent calendar year as compared with the immediately preceding calendar year; or
- A fixed dollar fee with annual fixed dollar increases for each year of the term of the management agreement.

OrthAlliance has entered into agreements with certain allied practices to make the payment of such management fees after the first two years contingent on various factors, including practice profitability compared to acquisition consideration, timely reporting of information, participation in practice improvement programs and orthodontist hours worked. Prior patient revenue is not necessarily indicative of the level of revenue that these practices may be expected to generate in the future.

The term of each service, management service or consulting agreement is for 20, 25 or 40 years, subject to prior termination by either party in the event the other party becomes subject to voluntary or involuntary bankruptcy proceedings or materially breaches the agreement, subject to a cure period. In addition, the allied practices may terminate the service agreements upon the occurrence of a change of control of OrthAlliance, which does not include a transaction approved by OrthAlliance's Board of Directors. Upon the expiration or termination of the service agreement, the allied practice may, and in certain circumstances must, repurchase for cash, at book value, certain assets, including all equipment, and assume certain liabilities of OrthAlliance related to the allied practice.

Each service agreement is generally not assignable by either party thereto without the written consent of the other party; however, OrthAlliance may assign the service agreement without the allied practice's

consent to any entity under common control with OrthAlliance. OrthAlliance and the allied practice indemnify each other for costs and expenses incurred by the other party that are caused directly or indirectly by, as the case may be, OrthAlliance's or the allied practice's intentional or negligent acts or omissions. In the case of the allied practice's obligation to indemnify OrthAlliance, such obligation also applies to intentional or negligent acts and omissions occurring prior to the date of the service agreement. As of June 30, 2001, OrthAlliance was a party to service agreements with 76 allied practices.

Certain provisions of the consulting agreement are substantially similar to the service agreement, including provisions relating to OrthAlliance's

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

obligation to loan funds to the allied practice in the event the allied practice is unable to pay its current expenses, termination of the consulting agreement, repurchase of assets and assumption of liabilities by the allied practice upon expiration or termination, assignment and indemnification.

The services available to the allied practice under each consulting agreement generally include consulting with respect to equipment and office needs; preparing staffing models appropriate for an allied practice; advising and training with respect to business systems; purchasing and maintaining inventory; advising with respect to and providing or arranging accounting and bookkeeping services; advising with respect to developing a marketing plan; assessing the financial feasibility of establishing new offices; providing billing and collection services; and assisting the allied practice in organizing and developing filing and recording systems. In exchange for such services, OrthAlliance receives a consulting fee based on one of the three fee structures. As of June 30, 2001, OrthAlliance was a party to consulting agreements with 69 allied practices.

Pursuant to both the service agreements and consulting agreements, OrthAlliance's allied practitioners maintain professional control over and ownership of their practices, determine which personnel will be allied with the allied practices and set their own standards of practice. OrthAlliance does not engage in the practice of orthodontics or dentistry. Each of OrthAlliance's allied practitioners is responsible for compliance of his or her allied practice with state and local regulations applicable to the practice of orthodontics and dentistry and with licensing or certification requirements. Each of OrthAlliance's allied practices, in its sole discretion, determines the fees to be charged for services provided to patients based upon market conditions in the service area and other factors deemed appropriate by the allied practice. Each allied practice executes payor contracts and acquires and pays for its own malpractice insurance coverage.

In March 2000, OrthAlliance and OrthAlliance New Image assumed the obligations of New Image under the various management service agreements between New Image and the orthodontic practices with whom it had entered into management service agreements. The form of management service agreements provides for a variation of the service fee calculation compared to the traditional OrthAlliance form defined in the service or consulting agreement. Under the management service agreements, the service fee amount varies monthly depending on the allied practice's financial performance and represents the residual amount after the payment of practice expenses and contractually determined practice distributions. The service fee is affected by two variables, (i) total allied practice gross revenue, less refunds, and (ii) operating expenses. Service fees are calculated based on two separate standardized grids set forth in the management service agreement that determine:

- The percent of practice revenue that is distributed to the allied practice based on that allied practice's gross revenue, less refunds; and
- Any additional or offsetting percentage of gross revenue, less refunds, that is distributed to the allied practice based upon that allied practice's overhead.

Pursuant to the gross revenue grid, in general, OrthAlliance's retained service fees increase if the allied practice's gross revenue increases and decrease if the allied practice's gross revenue decreases. Pursuant to the overhead grid, in general, OrthAlliance's retained service fees decrease if the allied practice's overhead expenses increase and the retained service fees increase if the allied practice's overhead decreases. The maximum retained service fee percentage is 20.0%. The average service fee percentage for

the OrthAlliance New Image allied practices is approximately 16.1%. In addition, a few OrthAlliance New Image management service agreements provide for a fixed percentage service fee.

Each allied practitioner who is or becomes an equity holder in an allied practice or who provides orthodontic or dental services through an allied practice for more than 10 days a month is required to execute an employment agreement with the allied practice. Each employment agreement generally provides that the allied practitioner will perform professional services for the allied practice for a period of five years, subject to prior termination (i) for cause by the allied practice, which generally means death, incapacity, willful misconduct, conviction for a felony, or chronic alcoholism or drug addiction, and (ii) by the allied practitioner in the event of a material breach by the allied practice. The allied practitioner agrees that following termination or expiration of the employment agreement, he or she will not compete for a period of two years in the market in which the allied practice operates an office and will limit the methods of advertising in the area in which an allied practice is located.

ORTHALLIANCE MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

GENERAL. OrthAlliance derives net revenues by providing services pursuant to long-term service, management service and consulting agreements with allied practices. OrthAlliance provides management or consulting services to each allied practice and assumes substantially all operating expenses except for compensation to the allied practitioners and other employees that OrthAlliance cannot employ according to applicable state laws. In exchange for assuming these expenses and providing services, OrthAlliance records revenues in amounts equal to the assumed expenses plus a service fee, management service fee or consulting fee, as described below. In general, the service, management service and consulting agreements provide for the recognition of fees to OrthAlliance based on a negotiated percentage of the adjusted patient revenue of allied practices. The timing of the payment of such service fees is based upon cash collected. Adjusted patient revenue is net patient revenue, as determined under accounting principles generally accepted in the United States, including certain accrual adjustments, including those related to patient prepayments, and adjustments for contractual allowances and other discounts, plus an adjustment for uncollectible accounts.

Patient revenue is recognized as services are performed. For orthodontic services, approximately 20% of the orthodontic contract revenues are recognized at the time of initial treatment and generally approximates 25% of the total treatment plan revenues collected by the allied practice. The balance of the contract revenue is realized evenly over the remaining treatment period. The 20% estimated revenue at the initial treatment date is based on the estimated costs incurred by OrthAlliance at that time as compared to the total costs of providing the contracted services and is consistent with industry standards. The percentage includes the estimated costs of diagnosis and treatment plan development, initial treatment by OrthAlliance employees at the allied practices, orthodontic supplies and associated administrative services.

The service fee is earned and paid monthly to OrthAlliance by each of its allied practices using one of three different fee structures set forth in its service and consulting agreements:

- A designated percentage ranging from 13.5% to 20.0% of the adjusted patient revenue. The average designated percentage is 17.0% for OrthAlliance's allied practices subject to this fee structure. In some cases, the allied practice must guarantee a minimum level of service fees

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

to be paid by the allied practice for a portion of the agreement ranging from one to 25 years;

- A designated percentage of adjusted patient revenue, ranging from 14.0% to 17.0%, subject to an annual adjustment based upon improvements in the allied practice's operating margin in the most recent calendar year as compared with the immediately preceding calendar year. No annual adjustment will be made which would result in reducing the designated percentage below the percentage applicable during the first year of the service, management service or consulting agreement. Operating margin is defined as the percentage determined by dividing operating profit by adjusted patient revenue. Operating profit is equal to adjusted patient revenue less operating expenses, excluding the service fee and such expenses associated with the allied practices which

76

OrthAlliance is prohibited from incurring, primarily consisting of orthodontist compensation. The average designated percentage is 16.2% for the allied practices subject to this fee structure; or

- A fixed dollar fee with annual fixed dollar increases for each year of the term of the service, management service or consulting agreement.

OrthAlliance has entered into agreements with certain allied practices to make the payment of service fees after the first two years contingent on various factors, including practice profitability compared to acquisition consideration, timely reporting of information, participation in practice improvement programs and orthodontist hours worked.

In March 2000, OrthAlliance assumed the obligations of New Image under the various management service agreements between New Image and the orthodontic practices with whom it had entered into management service agreements. The form of management service agreement provides for a variation of the service fee calculation compared to the traditional OrthAlliance form defined in the service or consulting agreement. Under the management service agreements, the service fee amount varies monthly depending on the allied practice's financial performance and represents the residual amount after the payment of practice expenses and contractually determined practice distributions. The service fee is affected by two variables: (1) total allied practice gross revenue, less refunds, and (2) overhead. Service fees are calculated based on two separate standardized grids set forth in the management service agreement that determine:

- The percent of practice revenue that is distributed to the allied practice based on that allied practice's gross revenue, less refunds, which is referred to as the "gross revenue grid;" and
- Any additional or offsetting percentage of gross revenue, less refunds, that is distributed to the allied practice based upon that allied practice's overhead, which is referred to as the "overhead grid."

Pursuant to the gross revenue grid, in general, OrthAlliance's retained service fees increase if the allied practice's gross revenue increases and decrease if the allied practice's gross revenue decreases. Pursuant to the overhead grid, in general OrthAlliance's retained service fees decrease if the allied practice's overhead expenses increase and the retained service fees increase if the allied practice's overhead decreases. The maximum retained service fee percentage is 20.0%. The average service fee percentage for the New Image allied practices is approximately 16.8% at June 30, 2001. In addition, a few New Image management service agreements provide for a fixed percentage service fee.

Expenses reported by OrthAlliance include certain of the expenses to

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

operate the orthodontic or pediatric dental offices and all of the expenses of any corporate offices, facilities or functions. Therefore, salaries and benefits include the wages, benefits, taxes or other employment costs for all employees of OrthAlliance, including practice office staff, business office staff and management personnel. Rent includes facility expenses for both practice offices and corporate offices. General and administrative expenses include professional services, such as legal and accounting, utilities, advertising, marketing, insurance, telephone, license fees, office supplies and shipping expenses. Advertising and marketing costs, which are included in general and administration costs, includes practice activities to attract new patients and corporate activities to attract new orthodontists or pediatric dentists to join OrthAlliance. Practice supplies include only those expenses required by OrthAlliance's allied practitioners to provide treatment to patients.

From time to time OrthAlliance may receive notices of alleged defaults of certain service, management service or consulting agreements. To date, OrthAlliance believes that such claims of alleged default are without merit and vigorously defends OrthAlliance's position. However, there is no assurance that such present or future disputes will be resolved favorably for OrthAlliance.

RESULTS OF OPERATIONS. The consolidated statements of income of OrthAlliance for the years ended December 31, 1998, 1999 and 2000 include net income of \$7.5 million on net revenues of \$74.4 million, net income of \$9.6 million on net revenues of \$95.7 million, and net income of \$9.5 million on net revenues of \$142.0 million, respectively. The unaudited consolidated statements of income of OrthAlliance

for the six months ended June 30, 2000 and 2001 include net income of \$5.3 million on net revenues of \$66.2 million and net income of \$3.2 million on net revenues of \$76.8 million, respectively. For the years 1998, 1999 and 2000 and the six month periods ended June 30, 2000 and 2001, OrthAlliance had income before income taxes of \$13.7 million, \$16.9 million, \$17.0 million, \$9.4 million and \$5.6 million, respectively. Direct expenses for the fourth quarter of 2000 included approximately \$800,000 in expenses incurred in the separation of OrthAlliance's former chief executive officer and certain other charges.

THREE MONTHS AND SIX MONTHS ENDED JUNE 30, 2001 COMPARED TO THREE MONTHS AND SIX MONTHS ENDED JUNE 30, 2000.

- Operating Income and Net Income. OrthAlliance's operating income for the three months ended June 30, 2001 decreased 37.3% to \$4.2 million from \$6.6 million in the comparable period in 2000. Operating income for the six months ended June 30, 2001 decreased 25.3% to \$9.2 million from \$12.3 million in the comparable period in 2000. The decrease in operating income for the quarter and the six month period ended June 30, 2001 is attributed to the unfavorable effects of approximately \$1.6 million of

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

costs in the three months ended June 30, 2001 associated with OrthAlliance's strategic alternatives project, and \$2.1 million for the six months ended June 30, 2001, consisting primarily of advisors fees and expenses, legal and professional fees and other related transaction costs. These costs have offset the favorable impacts of OrthAlliance's increased net revenue from acquisitions, store-to-store growth and the acquisition of New Image, which was effective March 1, 2000.

Net income for the three months ended June 30, 2001 decreased 48.7% to \$1.4 million from \$2.7 million in the comparable period in 2000. Net income for the six months ended June 30, 2001 decreased 39.4% to \$3.2 million from \$5.3 million in the comparable period in 2000. Despite increased revenues, net income was reduced during the period due to expenses of approximately \$2.1 million related to the OrthAlliance's strategic alternatives project for the six months ended June 30, 2001, costs associated with the severance in November 2000 and the replacement of

78

OrthAlliance's former President and Chief Executive Officer, higher interest expenses related to increased borrowings under OrthAlliance's revolving credit facility and other increased expenses.

- Net Revenues. Net revenues for the three months ended June 30, 2001 increased 5.9% to \$38.2 million from \$36.1 million in the comparable period in 2000. Similarly, net revenues for the six months ended June 30, 2001 increased 16.0% to \$76.8 million from \$66.2 million in the comparable period in 2000. The increase in net revenues for the three and six months ended June 30, 2001 is primarily due to an increase in affiliations of allied practices, the effect of the New Image acquisition, which was effective March 1, 2000, and an increase in the internal growth of comparative same-store collections of approximately 6.3% for the current periods. Net revenues as reported by OrthAlliance include OrthAlliance's contractual service, consulting and management service fees based in part on patient revenues, as well as reimbursed expenses of the allied practices.
- Operating Expenses. Total operating expenses increased 15.7% to \$34.0 million, or 89.1% of net revenues, for the three months ended June 30, 2001 from \$29.4 million, or 81.6% of net revenues, for the comparable period in 2000. Total operating expenses increased 25.4% to \$67.6 million, or 88.1% of net revenues, for the six months ended June 30, 2001 from \$53.9 million, or 81.4% of net revenues, for the comparable period in 2000.

Direct expenses including salaries and benefits, orthodontic and dental supplies, and rent increased 15.1% to \$18.9 million, or 49.4% of net revenues, for the three months ended June 30, 2001 from \$16.4 million, or 45.5% of net revenues, for the comparable period in 2000. Direct expenses increased 25.9% to \$38.0 million, or 49.5% of net revenues, in the six months ended June 30, 2001 from \$30.2 million, or 45.6% of net revenues, for the comparable period in 2000. Direct expenses have increased in absolute dollars as a result of the acquisition of New Image and other allied practices, the expansion and growth of existing allied practices as well as expenses relating to the resignation and replacement of OrthAlliance's former President and Chief Executive Officer. In addition, direct expenses during the six months ended June 30, 2001 include \$2.1 million of expenses in connection with OrthAlliance's strategic alternatives project. The decrease in direct expenses as a percentage of 2000 net revenues is primarily attributable to economies of scale related

to salaries and benefits and other direct expenses.

Salaries and benefits increased 22.4% to \$12.1 million, or 31.6% of revenues, for the three months ended June 30, 2001 from \$9.9 million, or 27.3% of net revenues, for the comparable period in 2000. Salaries and benefits increased 31.5% to \$24.3 million, or 31.6% of revenues, for the six months ended June 30, 2001 from \$18.5 million, or 27.9% of net revenues, for the comparable period in 2000. The increase in salaries and benefits results primarily from the increased affiliations of allied practices, the inclusion of New Image for the entire period in 2001 and an increase in the number of allied practices for which OrthAlliance provides payroll services. OrthAlliance expects that in future periods salaries and benefits will increase in absolute dollars, but may vary as a percentage of net revenues.

General and administrative expenses increased 17.4% to \$13.3 million, or 34.7% of net revenues, for the three months ended June 30, 2001 from \$11.3 million, or 31.3% of net revenues, for the comparable period in 2000. General and administrative expenses increased 25.4% to \$25.8 million, or 33.6% of net revenues, for the six months ended June 30, 2001 from \$20.6 million, or 31.1% of net revenues, for the comparable period in 2000. General and administrative expenses have shown an increase in absolute dollars primarily related to the acquisition of New Image and other allied practices, expansion and growth of previously existing allied practices, expenses incurred in connection with the strategic alternatives project and other costs.

Depreciation and amortization expenses increased approximately 10.6% to \$1.9 million, or 5.0% of net revenues, for the three months ended June 30, 2001 from \$1.7 million, or 4.8% of net revenues, for the comparable period in 2000. Depreciation and amortization expenses increased approximately 21.2% to \$3.8 million, or 5.0% of net revenues, for the six months ended June 30, 2001 from

79

\$3.1 million, or 4.7% of net revenues, for the comparable period in 2000. This increase is attributable to the increase in intangible assets associated with the affiliations of allied practices and the acquisition of New Image. Intangible assets approximated \$121.7 million and \$124.0 million at June 30, 2001 and December 31, 2000, respectively. Depreciation and amortization expenses primarily relate to the depreciation of capital assets and the amortization of excess cost over the fair value of net assets acquired and certain other intangibles. OrthAlliance's policy is to amortize goodwill over the expected period to be benefited, not to exceed the term of the service, management service and consulting agreements.

- Interest Expense. Interest expense, net of interest income, decreased to \$1.7 million for the three months ended June 30, 2001 from \$1.8 million in the comparable period in 2000. Interest expense, net of interest income, increased to \$3.5 million for the six months ended June 30, 2001 from \$2.9 million in the comparable period in 2000. The increase for the six month period ended June 30, 2001 was primarily due to additional interest costs associated with increased borrowings under OrthAlliance's revolving credit facility in support of allied practices and certain debt obligations issued and assumed in connection with the New Image acquisition offset by reductions in the effective interest rates. OrthAlliance's borrowings under the revolving credit facility were \$59.5 million and \$57.0 million at June 30, 2001 and June 30, 2000, respectively, and \$62.0 million at December 31, 2000. Total debt was approximately \$75.9 million, \$81.6 million and \$84.0 million at June 30, 2001 and 2000 and at December 31, 2000, respectively.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

- Provision for Income Taxes. The provision for income taxes decreased 51.7% to \$1.0 million for the three month period ended June 30, 2001 from \$2.1 million for the comparable period in 2000. The provision for income taxes decreased 40.6% to \$2.4 million for the six month period ended June 30, 2001 from \$4.1 million for the comparable period in 2000. OrthAlliance's effective income tax rates for the periods ended June 30, 2001 and 2000 were higher than the statutory tax rate primarily due to the amortization of certain intangible assets not being deductible for income tax purposes. The effective tax rate was 42.4% and 43.8% for the three month periods ended June 30, 2001 and 2000, respectively. The effective tax rate was 43.4% and 43.9% for the six month periods ended June 30, 2001 and 2000, respectively.

YEAR ENDED DECEMBER 31, 2000 COMPARED TO YEAR ENDED DECEMBER 31, 1999.

- Net Income and Operating Income. Net income for the year ended December 31, 2000 of \$9.5 million remained at approximately the same level as net income in 1999. Operating income for the year ended December 31, 2000 increased 25.4% to \$23.7 million from \$18.9 million in 1999. The increase in operating income for the year ended December 31, 2000 is attributable to an overall increase in net revenues related primarily to the acquisition of New Image and other allied practices and internal same store growth. Despite achieving higher operating income, net income remained flat due to the severance of OrthAlliance's former president and chief executive officer, higher than expected interest rates, higher taxes and other increased expenses.
- Net Revenues. Net revenues for the year ended December 31, 2000 increased 48.4% to \$142.0 million from \$95.7 million in 1999. The increase in net revenues is due primarily to an increase in affiliations of allied practices, the acquisition of New Image, as well as internal store to store growth for the year approximating 8.0% compared to 9.0% in 1999. New Image contributed approximately \$20.7 million of the total year 2000 revenues. Net revenues as reported by OrthAlliance include OrthAlliance's contractual service, management service or consulting fees based in part on adjusted patient revenues, as well as reimbursed expenses of the allied practices.
- Operating Expenses. Total operating expenses increased 54.0% to \$118.3 million, or 83.3% of net revenues, for the year ended December 31, 2000 from \$76.8 million, or 80.2% of net revenues, from the prior year.

80

Direct expenses including salaries and benefits, orthodontic and dental supplies and rent increased 47.7% to \$68.1 million, or 48.0% of net revenues, for the year ended December 31, 2000 from \$46.1 million, or 48.2% of net revenues, from the prior year. Direct expenses have increased in absolute dollars as a result of the acquisition of New Image and other allied practices, the expansion and growth of existing allied practices, as well as expenses relating to the resignation of OrthAlliance's former president and chief executive officer. The amount of severance paid to OrthAlliance's former president and chief executive officer totaled approximately \$600,000. The decrease in direct expenses as a percentage of 1999 net revenues is primarily attributable to economies of scale related to salaries and benefits and other direct expenses.

Salaries and benefits increased 49.4% to \$42.5 million, or 29.9% of net revenues, for the year ended December 31, 2000 from \$28.4 million, or 29.7% of net revenues from the prior year. Salaries and benefits have

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

increased in absolute dollars as a result of the acquisition of New Image and allied practices, the expansion and growth of existing allied practices, as well as expenses relating to the resignation of OrthAlliance's former president and chief executive officer.

General and administrative expenses, consisting primarily of administrative operating costs, non-rent facility costs, professional fees and overhead costs, increased 62.7% to \$43.4 million, or 30.6% of net revenues, for the year ended December 31, 2000 from \$26.6 million, or 27.9% of net revenues, from the prior year. General and administrative expenses have shown an increase in absolute dollars and as a percentage of revenue relating primarily to the acquisition of New Image and other allied practices, expansion and growth of previously existing allied practices, and higher laboratory costs.

- Depreciation and Amortization. Depreciation and amortization expense increased approximately 69.1% to \$6.7 million, or 4.7% of net revenues, for the year ended December 31, 2000 from \$4.0 million, or 4.1% of net revenues from the prior year. This increase was attributable to the increase in intangible assets associated with the acquisition of New Image and other allied practices in 2000. Intangible assets increased from \$83.6 million in 1999 to \$124.2 million in 2000. Depreciation and amortization expense primarily relates to the depreciation of capital assets and the amortization of excess cost over the fair value of net assets acquired, often referred to as "goodwill," and certain other intangibles. OrthAlliance's policy has been to amortize goodwill over the expected period to be benefited, not to exceed the term of the service, management service or consulting agreements.
- Interest Expense. For the years ended December 31, 2000 and 1999, interest expense was approximately \$7.4 million and \$2.5 million, respectively and represents interest charges on OrthAlliance's borrowings on its revolving credit facility and notes payable. The increase was primarily due to increased borrowings under the revolving credit facility in support of the acquisition of New Image and other allied practices affiliated during the period. OrthAlliance borrowings under the revolving credit facility increased from \$47.5 million at December 31, 1999 to \$62.0 million as of December 31, 2000. See "-- Liquidity and Capital Resources."
- Provision for Income Taxes. Provision for income taxes for 2000 and 1999 was approximately \$7.5 million and \$7.3 million, respectively. A reconciliation of the provision for income taxes for the years ending December 31, 2000, 1999 and 1998 to the amount computed at the federal statutory rate is included in Note 15 of Notes to Consolidated Financial Statements included elsewhere in this Proxy Statement/Prospectus. OrthAlliance's effective income tax rates for the years ended December 31, 2000 and 1999 were higher than the statutory tax rate primarily due to the amortization of certain intangible assets which were not deductible for income tax purposes. The effective tax rate was 44.0% for the year ended December 31, 2000 compared to 43.0% for the comparable period in 1999.

YEAR ENDED DECEMBER 31, 1999 COMPARED TO YEAR ENDED DECEMBER 31, 1998.

- Net Income and Operating Income. Net income for the year ended December 31, 1999 increased 27.2% to \$9.6 million from \$7.5 million from 1998. Operating income for the year ended

81

December 31, 1999 increased 36.5% to \$18.9 million from \$13.9 million from 1998. The increase in net income and operating income for the year ended December 31, 1999 is attributable to an overall increase in net revenues related to allied

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

practice acquisitions, internal same store growth and a reduction of expenses as a percentage of net revenues.

- Net Revenues. Net revenues increased 28.7% from 1998 to 1999, from \$74.4 million to \$95.7 million. The increase in net revenues is primarily due to an increase in affiliations of allied practices together with an increase of approximately 9.0% attributed to internal growth of comparable existing practices. Net revenues as reported by OrthAlliance include OrthAlliance's contractual service, management service or consulting fees based in part on adjusted patient revenues, as well as reimbursed expenses of the allied practices.
- Operating Expenses. Total operating expenses increased 26.9% to \$76.8 million, or 80.2% of net revenues, for the year ended December 31, 1999 from \$60.5 million, or 81.4% of net revenues, from the prior year.

Direct expenses including salaries and benefits, orthodontic and dental supplies and rent increased 25.8% to \$46.1 million, or 48.2% of net revenues, for the year ended December 31, 1999 from \$36.6 million, or 49.3% of net revenues from the prior year. Direct expenses have increased in absolute dollars as a result of the affiliation of additional allied practices during the period as well as the expansion and growth of previously existing allied practices. The decrease in direct expenses as a percentage of 1999 net revenues is primarily attributable to economies of scale related to salaries and benefits and other direct expenses.

Salaries and benefits increased 24.2% to \$28.4 million, or 29.7% of net revenues, for the year ended December 31, 1999 from \$22.9 million, or 30.8% of net revenues from the prior year. The decrease in salaries and benefits as a percentage of revenues is a result of a significant number of current year practice affiliations whereby their employees remained employees of the allied practice's professional corporations. Accordingly, for these practices, salary and benefit expenses are not reported by OrthAlliance. OrthAlliance expects that in future periods salaries and benefits will increase in absolute dollars, but may vary as a percentage of net revenues.

General and administrative expenses, consisting primarily of administrative operating costs, non-rent facility costs, professional fees and overhead costs, increased 24.4% to \$26.7 million, or 27.9% of net revenues, for the year ended December 31, 1999 from \$21.5 million, or 28.8% of net revenues, from the prior year. General and administrative expenses have shown an increase in absolute dollars primarily related to the acquisition of additional allied practices during the period as well as the expansion and growth of previously existing allied practices offset by reductions in marketing, advertising and other costs.

- Depreciation and Amortization. Depreciation and amortization expense increased approximately \$1.6 million in 1999 from 3.3% to 4.1% of net revenues from the prior year. This increase was attributable to the increase in intangible assets associated with the affiliation of allied practices in 1999. Intangible assets increased from \$50.9 million to \$83.6 million from 1998 to 1999. Depreciation and amortization expense primarily relates to the depreciation of capital assets and the amortization of goodwill and certain other intangibles. OrthAlliance's policy is to amortize goodwill over the expected period to be benefited, not to exceed the term of the service, management service or consulting agreements. For the years ended December 31, 1999 and 1998, depreciation and amortization expense approximates \$4.0 million and \$2.4 million, respectively.
- Interest Expense. For the years ended December 31, 1999 and 1998,

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

interest expense was approximately \$2.5 million and \$0.6 million, respectively, and represents interest charges on OrthAlliance's borrowings on its revolving credit facility. The increase was primarily due to increased borrowings under the revolving credit facility in support of allied practices affiliated during the period. OrthAlliance borrowings under the revolving credit facility increased from \$15.5 million

82

at December 31, 1998 to \$47.5 million as of December 31, 1999. See "-- Liquidity and Capital Resources."

- Provision for Income Taxes. Provision for income taxes for 1999 and 1998 approximates \$7.3 million and \$6.1 million, respectively. A reconciliation of the provision for income taxes for the years ending December 31, 1999, 1998 and 1997 to the amount computed at the federal statutory rate is included in Note 15 of Notes to Consolidated Financial Statements included elsewhere in this Proxy Statement/Prospectus. OrthAlliance's effective income tax rates for the years ended December 31, 1999 and 1998 were higher than the statutory tax rate primarily due to the amortization of certain intangible assets which were not deductible for income tax purposes. The effective tax rate was 43.0% for the year ended December 31, 1999 compared to 45.0% for the comparable period in 1998.

SEASONALITY. Most patients who seek orthodontic treatment are children and young adults, although the number of adults seeking treatment has been increasing in recent years, particularly with the introduction of new products such as Invisalign. Based upon information provided by OrthAlliance's allied practices, and based upon the results of operations in 1998, 1999 and 2000, OrthAlliance generally experiences an increase in new patient volume during the summer months when children are not in school. OrthAlliance also expects the lowest volume of patient starts during the Thanksgiving and Christmas holiday season when children are on vacation and when many of the allied practices are closed. As a consequence, OrthAlliance expects higher patient revenue in the third quarter and lower patient revenue in the fourth quarter. Accordingly, OrthAlliance generally expects a stronger third quarter in terms of revenue.

LIQUIDITY AND CAPITAL RESOURCES. OrthAlliance has funded its operations to date primarily through cash from operations, OrthAlliance's revolving credit facility and other available capital sources. This

83

capital is used for affiliations with new allied practices, development of allied practice enhancements, development of allied practice satellite offices, capital asset additions and general working capital needs. As of June 30, 2001 and December 31, 2000, OrthAlliance had a working capital balance of \$15.5 million and \$11.5 million, respectively. As of June 30, 2001, OrthAlliance's principal sources of liquidity included cash and short term investments of approximately \$6.6 million and the revolving credit facility, which as of that date had \$15.5 million of available credit. OrthAlliance's working capital increased 34.3% to \$15.5 million at June 30, 2001, and decreased 46.0% to \$11.5 million at December 31, 2000 from \$21.5 million at December 31, 1999. Stockholders' equity increased 7.9% to \$77.4 million at June 30, 2001 from \$71.7 million at June 30, 2000.

OrthAlliance's operating activities generated cash of \$11.5 million during the six month period ended June 30, 2001. Net cash used in financing activities approximated \$9.2 million for the six month period ended June 30, 2001 and consisted of borrowings and repayments on the revolving credit facility and other debt and treasury shares purchased. Cash used in investing activities of \$0.7 million for the six month period ended June 30, 2001 consisted of payments in connection with affiliating allied practices and capital expenditures, primarily for office and computer equipment used in OrthAlliance operations. OrthAlliance's operating activities generated cash of \$12.7 million during the year ended December 31, 2000, primarily attributed to net income during the period, increased patient prepayments and other factors which were offset by increases in patient and other receivables, compared to \$15.2 million during the year ended December 31, 1999. Net cash used in financing activities totaled approximately \$1.2 million in the year ended December 31, 2000. Cash used in financing activities consisted of debt repayment and the repurchase of shares of OrthAlliance's Class A common stock. For the year ended December 31, 2000,

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OrthAlliance borrowed approximately \$83.0 million and repaid \$81.5 million. OrthAlliance's repurchase of shares of its Class A common stock totaled approximately \$3.8 million. For the year ended December 31, 1999, \$28.1 million was provided by financing activities and resulted primarily from borrowings under the revolving credit facility. Cash used in investing activities of \$17.8 million in the year ended December 31, 2000 consisted of payments in connection with the acquisition of New Image and the affiliation of allied practices and capital expenditures, primarily for office and computer equipment used in OrthAlliance operations. Cash used in investing activities was \$35.3 million in the year ended December 31, 1999 and consisted of payments in connection with the affiliation of allied practices and capital expenditures, primarily for office and computer equipment used in OrthAlliance operations. OrthAlliance does not currently have any material commitments with respect to any capital expenditures.

On December 30, 1997, OrthAlliance entered into a credit agreement with First Union National Bank to provide a \$25 million revolving line of credit. The interest on borrowings accrues at either the bank's prime rate or the London InterBank Offering Rate, plus a margin. Amounts borrowed are secured by security interests in substantially all of OrthAlliance's assets, which include accounts receivable, service, management service and consulting agreements and the capital stock of OrthAlliance's wholly-owned subsidiaries. OrthAlliance expanded the revolving credit facility on March 26, 1999 from \$25.0 million to \$55.0 million and from \$55.0 million to \$75.0 million on April 14, 2000. Outstanding amounts under the April 14, 2000 agreement are repayable in full on April 13, 2003. As of June 30, 2001 and December 31, 2000 and 1999, the outstanding balance under this credit facility was \$59.5 million, \$62.0 million and \$47.5 million, respectively. There can be no assurance that OrthAlliance will be able to renew or replace its revolving credit facility or obtain alternate financing on reasonable terms, if at all. As of June 30, 2001, OrthAlliance was in compliance with the terms and covenants of the revolving credit facility.

In 1997, after the completion of OrthAlliance's initial public offering and the affiliation of its founding 55 allied practices, OrthAlliance acquired certain operating assets of, or the stock in entities that held certain operating assets of, 11 additional orthodontic practices. The total consideration paid for these allied practices was \$12.4 million, of which \$2.1 million was paid in cash and the balance through the issuance of 863,775 shares of OrthAlliance Class A common stock.

84

For the year ended December 31, 1998, OrthAlliance acquired certain operating assets of, or the stock in entities that held certain operating assets of, 36 additional allied practices. The total consideration paid for these allied practices was \$46.8 million, of which \$24.5 million was paid in cash, \$2.5 million issued in short-term notes payable and the balance through the issuance of 1,640,492 shares of OrthAlliance Class A common stock.

For the year ended December 31, 1999, OrthAlliance acquired certain operating assets of, or the stock in entities that held certain operating assets of, 36 additional allied practices. The total consideration paid for these allied practices was \$39.5 million, of which \$33.0 million was paid in cash, \$5.7 million in long term notes payable and the balance through the issuance of 93,584 shares of OrthAlliance Class A common stock.

For the year ended December 31, 2000, OrthAlliance acquired certain operating assets of, or the stock in entities that held certain operating assets of, 43 additional allied practices. Of the 43 allied practices, 31 practices were acquired on March 1, 2000 by acquiring substantially all of the assets of New Image Orthodontic Group, Inc., a privately held Georgia corporation based in

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

Atlanta, Georgia, for a total consideration, including acquisition costs, of approximately \$32.1 million. The acquisition price included a cash payment of \$5.6 million; an estimated \$0.3 million in acquisition costs; promissory notes issued of approximately \$12.9 million, with interest rates ranging from 6% to 10% and repayable over a one to five year period; the assumption of approximately \$13.4 million of existing debt due to New Image's former orthodontic practices, repayable over the next five years at interest rates approximating 9%; and the issuance of approximately 273,000 stock options.

OrthAlliance's capital resources needed to continue acquisition and development efforts are expected to be funded through a combination of cash flows provided by ongoing operations, OrthAlliance's revolving credit facility, the issuance of equity and debt securities, as described in OrthAlliance's registration statement on Form S-4 which became effective on August 6, 1999, and other sources. OrthAlliance management believes that these sources of capital will be sufficient to meet OrthAlliance's operating capital requirements for the next twelve months.

OrthAlliance's revolving credit facility and its covenants restrict OrthAlliance's ability to incur additional indebtedness. In addition, OrthAlliance's low stock price could further restrict its ability to obtain adequate capital from other sources at favorable costs, if at all. The restrictions and limitations of available capital other than from cash flow from operations could curtail OrthAlliance's business strategy of expanding its network of allied practices through its traditional acquisition strategy and result in a reduction of new affiliations with orthodontic practices and pediatric practices in the future.

OrthAlliance may choose to issue debt or equity to meet its future long-term capital needs, as management deems appropriate. There can be no assurance that OrthAlliance will be able to raise such additional working capital on acceptable terms, if at all. In the event OrthAlliance is unable to raise additional working capital, further measures would be necessary including, without limitation, the delay of new allied practice affiliations, the scale back of its operations or marketing programs and other actions. Certain of such measures may require third party consents or approvals, including the banks under the revolving credit facility, and there can be no such assurance that such consents or approvals can be obtained. OrthAlliance has reduced the number of new affiliations in order to conserve capital resources.

The service, management service and consulting agreements provide for short-term advances by OrthAlliance to its allied practices for working capital requirements and other purposes on terms to be mutually agreed upon. These items are advanced and repaid in a revolving manner. Generally, advances are repaid when allied practices deposit patient revenue into their depository accounts. Advances occur when the allied practice operating expenses paid exceed patient revenue earned. From time to time, OrthAlliance may enter into short-term loan agreements with allied practices for office expansion or satellite office programs. Loans are provided generally at an interest rate at the prime interest rate plus 1.5% with monthly payments through maturity.

ACQUISITION OF NEW IMAGE ORTHODONTIC GROUP, INC. On March 1, 2000, OrthAlliance, through OrthAlliance New Image, a wholly owned subsidiary, closed a purchase and sale agreement with New Image. OrthAlliance acquired substantially all the assets of New Image.

New Image was founded in February 1997 and provides business operations, financial and marketing and administrative services to orthodontic practices across the United States in accordance with long-term service agreements. The

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

transaction was accounted for as a purchase and includes practice management agreements with 36 orthodontic practitioners operating in 50 locations with over \$33 million in annualized revenues.

The collective value of the acquisition of New Image was approximately \$32.1 million. Of this amount, \$5.6 million was paid in cash, an estimated \$0.3 million was paid for acquisition costs, approximately \$13.4 million of debt was assumed, \$12.9 million in promissory notes, with interest rates ranging from 6% to 10%, were issued to the sellers, and approximately 273,000 stock options were issued with an aggregate fair value of approximately \$0.6 million.

During 2000, OrthAlliance integrated New Image into its business operations. OrthAlliance management continues to believe that OrthAlliance will benefit from the economies of scale and synergies resulting from the acquisition.

INTERNAL REVENUE SERVICE EXAMINATION. The Internal Revenue Service has completed its examination of OrthAlliance's federal income tax return for the year ended December 31, 1998. OrthAlliance has agreed with the Internal Revenue Service's proposed adjustment of approximately \$0.6 million of additional tax payments for the years ended 1998 and 1999 which was paid in March 2001. The adjustment related to timing differences between book and tax with regard to certain capitalized practice acquisition costs. OrthAlliance adequately provided reserves in prior years and the additional tax payments did not result in additional income tax expense in fiscal year 2000.

STOCK REPURCHASE PLAN. On December 1, 2000, OrthAlliance announced the extension of its common stock repurchase program to repurchase up to \$6.8 million of its Class A common stock. OrthAlliance had initially announced the program on October 22, 1998. OrthAlliance is authorized to purchase shares on the Nasdaq Stock Market National Market System at prevailing prices through December 31, 2001. During 2000, OrthAlliance had repurchased about 900,000 shares amounting to \$3.8 million under this program. Share repurchases are financed by a combination of operating cash flow and borrowings under the revolving credit facility. The timing and the amount of shares to be purchased will be determined based on the evaluation of working capital needs and stock market conditions. During the six months ended June 30, 2001, OrthAlliance has acquired 4,300 shares of its Class A common stock at a cost of approximately \$13,000. As of June 30, 2001, OrthAlliance's total purchases of Class A common stock totaled approximately \$6.7 million.

OTHER EVENTS. OrthAlliance's Class A common stock is currently quoted on the Nasdaq Stock Market National Market System under the symbol "ORAL." For continued inclusion on the Nasdaq Stock Market National Market System, OrthAlliance must meet certain tests. OrthAlliance disclosed in previous filings that the continued listing of its Class A common stock was permitted under temporary amendments to the listing requirements adopted by the Nasdaq Stock Market. On June 29, 2001, the SEC approved those amendments which include, among other things, a minimum bid price of \$3.00 per share and minimum stockholders' equity of \$10 million. OrthAlliance is currently in compliance with the amended listing standards.

RECENT ACCOUNTING PRONOUNCEMENTS. In June 1998, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards (which is commonly referred to as "SFAS") No. 133 "Accounting for Derivative Instruments and Hedging Activities," as amended by SFAS No. 137 and SFAS No. 138. SFAS No. 133 establishes accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts and for hedging activities. It requires that entities recognize all derivatives as either assets or liabilities on the balance sheet and measure those

instruments at fair value. OrthAlliance management anticipates that the adoption of SFAS No. 133 will not have a material effect on OrthAlliance's results of operations or financial position.

The SEC issued Staff Accounting Bulletin No. 101, Revenue Recognition in Financial Statements, on December 3, 1999. This pronouncement clarifies existing revenue recognition principles and states that revenue is generally realized or realizable and earned when all of the following criteria are met: persuasive evidence of an arrangement exists, delivery has occurred or services rendered, the seller's price to the buyer is fixed or determinable and collectibility is reasonably assured. OrthAlliance management believes OrthAlliance is in compliance with Staff Accounting Bulletin No. 101.

In April 2000, the Financial Accounting Standards Board (which is commonly referred to as "FASB") issued FASB Interpretation No. 44, Accounting for Certain Transactions Involving Stock Compensation: an Interpretation of APB Opinion No. 25. This pronouncement seeks to interpret the application of APB No. 25, primarily in relation to modifications to the terms of existing awards and to the scope of APB No. 25. The adoption of FASB Interpretation No. 44 did not have a material impact on OrthAlliance's results of operations or its financial position.

In July 2001, FASB issued SFAS No. 141, "Business Combinations," and SFAS No. 142, "Goodwill and Other Intangible Assets."

SFAS No. 141 requires that all business combinations be accounted for under the purchase method and requires recognition of identifiable intangible assets separately from goodwill. This pronouncement is effective for all business combinations initiated after June 30, 2001. OrthAlliance has evaluated the requirements of SFAS No. 141 and believes that its intangible assets are fairly stated and that the adoption of SFAS No. 141 will not have a material impact on OrthAlliance's results of operations or financial position.

SFAS No. 142 requires that all identifiable intangible assets acquired shall be recognized and measured initially at fair value. All identifiable intangible assets should be amortized over the period which it is expected that they will benefit OrthAlliance and tested for impairment in accordance with SFAS No. 121. Goodwill and identifiable intangible assets whose useful lives are indefinite are not to be amortized and are to be tested for impairment annually or more frequently if circumstances indicate potential impairment. SFAS No. 142 is effective for fiscal years beginning after December 15, 2001. OrthAlliance believes that its intangible assets, which are based on underlying contractual rights, are fairly stated; therefore, it will continue to amortize intangible assets on a basis consistent with current practice. OrthAlliance believes the adoption of SFAS No. 142 will not have a material effect on OrthAlliance's results of operations or its financial position.

INFLATION. OrthAlliance does not believe that inflation has had a material effect on its results of operations. There can be no assurance that OrthAlliance's business will not be affected by inflation in the future.

QUANTITATIVE AND QUALITATIVE DISCLOSURE ABOUT MARKET RISK. OrthAlliance does not have any derivative financial instruments as of June 30, 2001. Further, OrthAlliance is not exposed to interest rate risk as OrthAlliance's revolving credit facility has a variable interest rate. Therefore, the fair value of these instruments is not affected by changes in market interest rates. OrthAlliance believes that the market risk arising from not hedging its financial instruments is not material.

LEGAL PROCEEDINGS. From time to time, OrthAlliance is involved in various

legal proceedings, claims and litigation matters arising in the ordinary course of business, including labor and personnel related issues. In the opinion of management, the outcome of such routine matters will not have a material adverse effect on OrthAlliance's business, financial condition or results of operations.

From time to time, OrthAlliance has been, and can expect to be, involved in disputes and/or litigation with certain of its allied practices. Certain allied practitioners have also sent notices of default to, or commenced litigation against, OrthAlliance alleging that OrthAlliance has failed to provide certain services under the service, management service and consulting agreements with the allied practices. Other litigation

87

alleges that certain provisions of OrthAlliance's service, management service or consulting agreements may be unenforceable, among other claims. OrthAlliance vigorously defends against such claims and believes that such claims are without merit. The number of such claims and notices of default have increased since the date of OrthAlliance's merger agreement with OCA. OrthAlliance believes that such claims and disputes will not have a material adverse effect on OrthAlliance. See "THE MERGER -- OrthAlliance's Reasons For the Merger; Recommendation of OrthAlliance's Board of Directors."

88

MANAGEMENT AND OPERATIONS FOLLOWING THE MERGER

BOARD OF DIRECTORS

After the merger is completed, one member of OrthAlliance's Board of Directors will be appointed by OCA's Board of Directors to serve as a director of OCA. This individual will be selected by the Boards of Directors of OCA and OrthAlliance.

At the effective time of the merger, the directors of OCA Acquisition Corporation immediately prior to the effective time will be the directors of OrthAlliance.

MANAGEMENT

The officers of OCA prior to the merger would continue to serve as the officers of OCA upon the merger.

Following the merger, the then Board of Directors of OrthAlliance will select the individuals who would serve as the officers of OrthAlliance.

89

COMPARISON OF RIGHTS OF STOCKHOLDERS

OrthAlliance stockholders, whose rights are currently governed by OrthAlliance's amended and restated certificate of incorporation, bylaws and by the Delaware General Corporation Law, will become stockholders of OCA upon completion of the merger. As such, the rights of the former OrthAlliance stockholders will thereafter be governed by OCA's restated certificate of incorporation, its bylaws and the Delaware General Corporation Law.

While it is impractical to summarize all of the pertinent differences, set forth below are the material differences between the rights of OrthAlliance

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

stockholders under OrthAlliance's governing documents and the rights of OCA stockholders under OCA's governing documents. Because OCA and OrthAlliance are both organized under the laws of Delaware, the differences in stockholders rights arise solely from the differences in the governing documents, rather than governing law.

VOTING RIGHTS; ACTION BY WRITTEN CONSENT

OCA. OCA's restated certificate of incorporation provides that each issued and outstanding share of OCA common stock entitles the holder to one vote on each matter with respect to which stockholders are entitled to vote. A majority of votes cast by OCA stockholders entitled to vote at a OCA stockholder meeting is sufficient to approve any matter which properly comes before the meeting. OCA's bylaws provide that stockholders may take action by the unanimous written consent of all stockholders entitled to vote on any matter accompanied by a written waiver of any right to dissent signed by each stockholder entitled to notice of the meeting but not entitled to a vote at it.

ORTHALLIANCE. OrthAlliance's amended and restated certificate of incorporation provides that each issued and outstanding share of OrthAlliance Class A and Class B common stock entitles the holder to one vote on each matter with respect to which stockholders are entitled to vote. A majority of votes by stockholders of OrthAlliance Class A common stock and Class B common stock that are voting together as a single class is necessary to decide all matters. OrthAlliance's bylaws provide that stockholders may take action by the written consent of no less than the minimum number of votes that would be necessary at a meeting of the stockholders entitled to vote on any matter.

CLASSES OF COMMON STOCK; STOCKHOLDER CONVERSION RIGHTS

OCA. OCA's governing documents do not provide for classes of OCA common stock or stock conversion rights for holders of OCA common stock.

ORTHALLIANCE. OrthAlliance's amended and restated certificate of incorporation provides that holders of OrthAlliance Class B common stock are prohibited from transferring their shares of Class B common stock, except to the stockholder's close relatives. Holders of OrthAlliance Class B common stock may convert these shares into an equal number of shares of OrthAlliance Class A common stock at any time. In addition, holders of OrthAlliance Class B common stock are required to convert their shares of Class B common stock to Class A common stock when the market price of OrthAlliance Class A common stock reaches and maintains for 20 consecutive trading days certain levels. The first conversion price equals 150% of Class A common stock's share price at its initial public offering (which was \$12.00 per share), or \$18.00 per share. The second conversion price equals 120% of the first conversion price, or \$21.60. The third conversion price equals 120% of the second, or \$25.92. The fourth conversion price equals 120% of the third, or \$31.10. The fifth conversion price equals 120% of the fourth, or \$37.32. Adjustments are made for any stock splits or stock dividends. When the Class A common stock reaches a conversion price level, 20% of the total number of shares of Class B common stock outstanding, allocated on a pro rata basis, will be converted into Class A common stock, with each such share of Class B common stock being converted into eight shares of Class A common stock. Six years after August 1997, each remaining share of Class B common stock will automatically convert into one share of Class A common stock. OrthAlliance's bylaws provide that OrthAlliance will reserve at all times shares of Class A common stock sufficient to effect a conversion of all outstanding shares of Class B common stock.

STOCKHOLDER NOMINATIONS AND PROPOSALS

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

OCA. OCA's governing documents do not contain any provisions which require OCA stockholders to provide advance notice to OCA prior to proposing business or nominating persons at an annual meeting or a special meeting of stockholders.

ORTHALLIANCE. OrthAlliance's bylaws provide that OrthAlliance stockholders propose to bring business to be considered, or to nominate individuals for election of directors, at an annual meeting of stockholders must notify OrthAlliance not later than 120 calendar days and not earlier than 150 calendar days prior to the first anniversary of the date of the preceding year's annual meeting. In the case of a special meeting, OrthAlliance stockholders must notify OrthAlliance not less than 30 days prior to the date of the meeting. OrthAlliance's bylaws also require that any stockholder notice of nomination for election of a director provide certain information concerning the stockholder and his or her nominee, including, among other things, the information regarding the nominee as would be required to be included in a proxy statement filed under the proxy rules of the Securities and Exchange Commission, and the consent of the nominee to serve as a director of OrthAlliance if elected. The presiding officer of the meeting may refuse to acknowledge any stockholder proposals or nominations that are not made in compliance with these procedures.

BOARD OF DIRECTORS

OCA. OCA's Board of Directors is to consist of two to 15 members, as determined from time to time by OCA's Board of Directors, and as of October 5, 2001 consisted of eight members. Any vacancy arising from a director's early retirement from the Board of Directors or an increase in the number of members of the Board of Directors is to be filled by a majority vote of the remaining directors. The members of OCA's Board of Directors are divided into three classes, with the classes elected for staggered three-year terms. At each annual meeting of stockholders, OCA stockholders elect for a term of three years successors to the class of directors whose term expires at the annual meeting. A director may resign at any time by providing written notice to OCA, OCA's Board of Directors, the Chairman of the Board or the President.

ORTHALLIANCE. OrthAlliance's Board of Directors is to consist of up to nine directors, as determined from time to time by OrthAlliance's Board of Directors, and as of October 5, 2001 OrthAlliance's Board of Directors consisted of eight directors. The members of OrthAlliance's Board of Directors are divided into three classes, with the classes elected for staggered three-year terms. At each annual meeting of stockholders, OrthAlliance stockholders elect for three-year terms successors to the class of directors whose term expires at the annual meeting. However, any vacancy or an increase in the number of members of OrthAlliance's Board of Directors is to be filled by majority vote of the OrthAlliance directors then in office, even if less than a quorum or by a plurality of the votes cast at a meeting of the directors. Any OrthAlliance director so elected will serve only until the next annual meeting when his or her successor is elected.

CHANGE OF CONTROL

OCA. OCA's governing documents contain several provisions which make a change of control of OCA more difficult to accomplish without the approval of OCA's Board of Directors, including the following:

- OCA's Board of Directors is divided into three classes so that approximately one-third of the directors will be subject to re-election at each annual meeting of the stockholders of OCA;

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

- A director may be removed only for cause by a vote of the holders of at least two-thirds of the shares entitled to vote; and
- OCA's Board of Directors may determine the rights and preferences of preferred stock which OCA may issue without stockholder approval.

91

ORTHALLIANCE. OrthAlliance's governing documents contain several provisions which make a change of control of OrthAlliance more difficult to accomplish without the approval of OrthAlliance's Board of Directors, including the following:

- OrthAlliance's Board of Directors is divided into three classes with the classes elected for staggered three-year terms so that approximately one-third of the directors will be subject to re-election at each annual meeting of the stockholders of OrthAlliance;
- Stockholders of OrthAlliance Class A common stock and Class B common stock will receive the same consideration per share in the event of a merger, consolidation, purchase or acquisition of property or stock;
- OrthAlliance's Board of Directors may determine the rights and preferences of preferred stock which OrthAlliance may issue without stockholder approval; and
- OrthAlliance's bylaws provide that nominations by stockholders for election of directors at any annual meeting of stockholders must notify OrthAlliance not later than 120 calendar days and not earlier than 150 calendar days prior to the first anniversary date of the preceding year's annual meeting. In the case of a special meeting, OrthAlliance stockholders must notify OrthAlliance not less than 30 days prior to the date of the meeting.

REMOVAL OF DIRECTORS

OCA. OCA's governing documents provide that a director of OCA may be removed only for cause by the affirmative vote of the holders of at least two-thirds of the shares entitled to vote.

ORTHALLIANCE. OrthAlliance's governing documents provide that a director of OrthAlliance may be removed only for cause by the affirmative vote of the holders of a majority of the shares entitled to vote.

We have audited the accompanying consolidated balance sheets of OrthAlliance, Inc. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

1. BUSINESS AND ORGANIZATION

a. ORGANIZATION

OrthAlliance, Inc. ("OrthAlliance"), a Delaware corporation, was incorporated on October 21, 1996 and provides practice management and consulting services to orthodontic and pediatric dental practices throughout the United States. Effective prior to the closing of the initial public offering of shares of OrthAlliance's Class A Common Stock (the "Offering" or "IPO"), Premier Orthodontic Group, Inc. ("Premier") and US Orthodontic Care, Inc. ("USOC") merged with and into OrthAlliance. In the merger, the outstanding common stock of USOC and Premier converted into shares of Class A Common Stock ("Common Stock") and shares of Class B Common Stock ("Class B Common Stock"). On August 26, 1997, OrthAlliance acquired (the "Acquisitions") simultaneously with the closing of the IPO certain operating assets of or the stock of entities holding certain tangible and intangible assets and assumed certain liabilities of 55 orthodontic practices in exchange for shares of Common Stock and cash. The Acquisitions were accounted for in accordance with the Securities and Exchange Commission's Staff Accounting Bulletin No. 48.

OrthAlliance's wholly owned subsidiaries, incorporated in Delaware, include PedoAlliance, Inc. ("PedoAlliance") and OrthAlliance Finance, Inc. ("OA Finance") were formed in December 1997. PedoAlliance Properties Inc., a wholly owned subsidiary of PedoAlliance, OrthAlliance Properties, Inc. and OrthAlliance Services, Inc. were incorporated in California in April 1999. OrthAlliance Holdings, Inc., incorporated in Texas, and OrthAlliance New Image, Inc. ("OA New Image") were formed in January 2000. These subsidiaries were formed to provide practice management, patient financing, consulting and other services (collectively "Management Services") to allied orthodontic and pediatric dental practices (the "Allied Practices") or their patients. OrthAlliance, Inc. and its subsidiaries are collectively referred to as "OrthAlliance" or the "Company".

b. AGREEMENTS WITH ALLIED PRACTICES

The Company is party to management service agreements with the Allied Practices. These are either "Service Agreements," "Consulting Agreements," or "Management Service Agreements," collectively "Management Agreements." The term of each Management Agreement is 20, 25 or 40 years, subject to prior termination by either party in the event the other party becomes subject to voluntary or involuntary bankruptcy proceedings or materially breaches the agreement, subject to a cure period. The type of Management Agreements are determined by the Company and each Allied Practice based primarily on applicable state laws and

regulations and are as follows:

Service Agreements

The parties to each Service Agreement include the Company and the Allied Practice, which typically is a professional corporation or association owned by the related Orthodontist or Pediatric Dentist. Each Service Agreement generally requires the Company to perform the following services for the Allied Practices: provide and maintain specified furnishings and equipment; provide necessary employees (except Orthodontists and Pediatric Dentists, and where applicable law requires, hygienists and dental assistants); establish appropriate business systems; purchase and maintain inventory; perform payroll and accounting functions; provide billing and collection services with respect to patients, insurance companies, and third-party payors; arrange certain legal services not related to malpractice litigation; design and execute a marketing plan; advise with respect to new office locations; and manage and organize the Allied Practices' files and records, including patient records where permitted by applicable law. If the Allied Practice lacks

sufficient funds to pay its current operating expenses, the Company is also required to advance funds to the Allied Practice for the purpose of paying such expenses. In exchange for performing the services described above, the Company receives a management fee based on one of the three fee structures described in section c. below.

The Allied Practices may terminate the Service Agreements upon the occurrence of a change of control of OrthAlliance (as defined therein, which does not include a transaction approved by the Company's Board of Directors). Upon the expiration or termination of the Service Agreement, the Allied Practice may, and in certain circumstances must, repurchase for cash (at book value) certain assets, including all equipment, and assume certain liabilities of the Company related to the Allied Practice.

Service Agreements are generally not assignable by either party thereto without the written consent of the other party; however, the Company may assign the Service Agreement without the Allied Practice's consent to any entity under common control of the Company. The Company and the Allied Practice agree to indemnify each other for costs and expenses incurred by such other party that are caused directly or indirectly by, as the case may be, the Company's or the Allied Practice's intentional or negligent acts or omissions. In the case of the Allied Practice's obligation to indemnify the Company, such obligation also applies to intentional or negligent acts and omissions occurring prior to the date of the Service Agreement.

Consulting Agreements

The parties to each Consulting Agreement include the Company and the Allied Practice. Certain provisions of the Consulting Agreement are substantially similar to the Service Agreement, including provisions relating to the Company's obligation to loan funds to the Allied Practice in the event the Allied Practice is unable to pay its current operating expenses; termination of the Consulting Agreement; repurchase of assets and assumption of liabilities by the Allied Practice upon expiration or termination; assignment; and indemnification.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

The services provided by the Company to the Allied Practice under each Consulting Agreement generally include consulting with respect to equipment and office needs; preparing staffing models appropriate for an Allied Practice; advising and training with respect to business systems; purchasing and maintaining inventory; advising with respect to and providing or arranging accounting and bookkeeping services; advising with respect to developing a marketing plan; assessing the financial feasibility of establishing new offices; providing billing and collection services; and assisting the Allied Practice in organizing and developing filing and recording systems. In exchange for such services, the Company receives a consulting fee based on one of the three fee structures described below.

Management Service Agreements

In March 2000, the Company and OA New Image assumed the obligations of New Image under the various Management Service Agreements ("MSA") between New Image and the orthodontic practices with whom it had entered into MSAs. The form of MSA provides for a variation of the service fee calculation compared to the traditional Company form defined in the service or consulting agreement. Under the MSAs, the service fee amount varies monthly depending on the Allied Practices financial performance and represents the residual amount after the payment of practice expenses and contractually determined practice distributions. The service fee is affected by two variables, (1) total Allied Practice gross revenue, less refunds, and (2) overhead. Service fees are calculated based on two separate standardized grids set forth in the MSA that determine (i) the percent of practice revenue that is

distributed to the Allied Practice based on that Allied Practice's gross revenue, less refunds ("Gross Revenue Grid"), and (ii) any additional or offsetting percentage of gross revenue, less refunds, that is distributed to the Allied Practice based upon that Allied's Practice's overhead ("Overhead Grid"). Pursuant to the Gross Revenue Grid, in general, the Company's retained service fees increase if the Allied Practice's gross revenue increases and decrease if the Allied Practice's gross revenue decreases. Pursuant to the Overhead Grid, in general, the Company's retained service fees decrease if the Allied Practice's overhead expenses increase and the retained service fees increase if the Allied Practice's overhead decreases. The maximum retained service fee percentage is 20.0%. The average service fee percentage for the OA New Image Allied Practices is approximately 16.1%. In addition, a few OA New Image MSAs provide for a fixed percentage service fee.

c. CALCULATION OF MANAGEMENT FEES

Management fees are calculated pursuant to the Management Agreements based upon the Allied Practice's Adjusted Patient Revenue calculated on the accrual basis. There are three economic models by which the management fee may be calculated under the Management Agreements discussed above which are as follows:

(i) a designated percentage ranging from 13.5% to 20.0% of Adjusted Patient Revenue. The average designated percentage is 17.0% for the Allied Practices subject to this fee structure. In some cases, the Allied Practice must guarantee a minimum level of management fees to be paid by the Allied Practice for a portion of the agreement ranging from one to 25 years.

(ii) a designated percentage of Adjusted Patient Revenue, ranging from 14.0% to 17.0%, subject to an annual adjustment based upon improvements in the Allied Practice's operating margin in the most recent calendar year as compared with the immediately preceding calendar year. No annual adjustment will be made which would result in reducing the designated percentage below the percentage applicable during the first year of the Management Agreement. Operating margin is defined as the percentage determined by dividing operating profit by Adjusted Patient Revenue. Operating profit is equal to Adjusted Patient Revenue less operating expenses, excluding the management fee and such expenses associated with the Allied Practices which the Company is prohibited from incurring, primarily consisting of orthodontist compensation. The average designated percentage is 16.2% for the Allied Practices subject to this fee structure.

(iii) a fixed dollar fee with annual established fixed increases for each year of the Management Agreement.

The Company has entered into agreements with certain Allied Practices to make the payment of service fees after the first two years contingent on various factors, including practice profitability compared to acquisition consideration, timely reporting of information, participation in practice improvement programs and orthodontist hours worked.

The Company earns revenue by providing services pursuant to Management Agreements with Allied Practices. The Company provides management or consulting services to each Allied Practice and assumes substantially all operating expenses except for compensation to the allied orthodontists and pediatric dentists ("Allied Practitioners") and other employees that the Company may not employ according to applicable state laws. In exchange for assuming these expenses and providing services, the Company records revenues in amounts equal to the assumed expenses plus a service fee or consulting fee, as described below.

Patient revenue is recognized as services are performed. For orthodontic services, approximately 20% of the orthodontic patient contract revenues are recognized at the time of initial treatment. The balance of the contract revenue is recognized evenly over the remaining treatment period. The 25% estimated revenue at the initial treatment date is based on the estimated costs incurred by the Company at that time as compared to the total costs of providing the contracted services. The percentage includes the estimated costs of diagnosis and treatment plan development, initial treatment by Company personnel, orthodontic supplies, and associated administrative services.

Expenses reported by the Company include certain of the expenses to operate the orthodontic or pediatric dental offices and all of the expenses of any corporate offices, facilities or functions.

d. PATIENT RECEIVABLES AND PATIENT PREPAYMENTS

The difference in the timing of the recognition of adjusted patient revenue and the collection of cash related thereto results in unbilled receivables or patient prepayments. Unbilled patient receivables represent the earned revenue

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

in excess of billings to patients as of the end of each period. Patient prepayments represent collections from patients or their insurance companies which are received in advance of the performance of the related services.

Patient receivables are recorded at net realizable value on the date of affiliation and subsequent collections are used to pay Allied Practice operating expenses, the Company's management fee, and payments to the Allied Practices. Generally, any subsequent uncollectible accounts are recorded as a reduction of net revenues, which reduces the Company's management fees at the applicable service fee percentage.

Generally, the Allied Practices require approximately 25% of the treatment contract to be paid upon installation of the braces, and the remaining 75% evenly over the remainder of the treatment term.

e. AMOUNTS DUE FROM ALLIED PRACTICES

Amounts due from Allied Practices include short-term advances for operating capital and short-term receivables related to a timing difference between when the service fees are paid from the Allied Practice's accounts and when the service fees are deposited by the Company. These items are advanced and repaid in a revolving manner. Generally, advances are repaid when Allied Practices deposit patient revenue into their depository accounts. Advances occur when the Allied Practice operating expenses paid exceed patient revenue earned. Service fees outstanding are generally paid within 30 days.

f. OPERATING EXPENSES OF ALLIED PRACTICES

The Company is responsible for the payment of all operating expenses incurred by the Allied Practice, except for compensation to Allied Practitioners and other expenses of the Allied Practices that the Company is prohibited from paying. Expenses that are the responsibility of the Company include the following: (i) salaries, benefits, payroll taxes, workers compensation, health insurance and other benefit plans, and other direct expenses of all employees of OrthAlliance at each practice office, excluding those costs associated with orthodontists and any other classification of employee which OrthAlliance is prohibited from employing by applicable state laws or regulations; (ii) direct costs of all employees or consultants that provide services to each practice office except for Affiliated Orthodontists and other employees of the Allied Practices that the Company is prohibited from employing, (iii) dental and office supplies as permitted by applicable state laws or regulations, (iv) lease or rent payments as permitted by

state laws or regulations, utilities, telephone and maintenance expenses for practice facilities, (v) property taxes on OrthAlliance assets located at Allied Practice offices, (vi) property, casualty, and liability insurance premiums, (vii) orthodontists recruiting expenses, and (viii) advertising and other marketing expenses attributable to the promotion of practice offices.

All of the above expenses are paid directly to the third party provider of the goods or services indicated. All of the above expenses are incurred by OrthAlliance. Such expenses are classified together with similar expenses of the Company in the consolidated statements of income. In exchange for incurring

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

these expenses and providing management services, the Company records revenue in amounts equal to those incurred expenses.

The Allied Practices retain the responsibility for the payment of any and all direct employment expenses, including benefits, for any Orthodontist or other employee that OrthAlliance is prohibited from employing by applicable state laws or regulations. In addition, the Allied Practices retain the responsibility for the payment of continuing education expenses, seminars, professional licenses, professional membership dues and all other expenses of any Orthodontist.

g. NEW AFFILIATIONS

During the six months ended June 30, 2001, the Company entered into three practice affiliation agreements with practitioners to provide management services and acquire certain operating assets for a total cash consideration (including acquisition costs) of \$1.1 million (unaudited). Each acquired practice operates one location, and the three acquired practices generated combined historical patient revenue of approximately \$1.4 million over the previous 12 months (unaudited). Prior patient revenue is not necessarily indicative of the level of revenue that these practices may be expected to generate in the future.

For the year ended December 31, 2000, the Company entered into or assumed agreements with 43 Allied Practices. Included were 31 practices acquired from New Image on March 1, 2000, as well as 2 pediatric dental practices, to provide management and consulting services and acquire certain operating assets for a total consideration (including acquisition costs) of \$42.6 million. This consideration consisted of options to acquire Class A Common Stock with a fair value of \$0.6 million, \$14.8 million in cash, \$27.2 million in practice affiliation payables and notes payable. These Allied Practices operate 76 locations.

For the year ended December 31, 1999, the Company entered into agreements with 36 Allied Practices, 11 of which were pediatric dental practices, to provide management services and acquire certain operating assets for a total consideration (including acquisition costs) of \$39.5 million. This consideration consisted of 93,584 shares of Common Stock, from the Treasury, with an aggregate value at various acquisition dates of \$0.8 million, payment of \$33.0 million in cash, \$5.7 million in practice affiliation payables and notes payable. These Allied Practices operate 73 locations.

For the year ended December 31, 1998, the Company entered into agreements with 36 Allied Practices, seven of which were related to pediatric dental practices, to provide management services and acquire certain operating assets for a total consideration (including acquisition costs) of \$46.8 million. This consideration consisted of 1,640,492 shares of Common Stock with an aggregate value at various acquisition dates of \$19.8 million, payment of \$24.5 million in cash and the issuance of notes payable in the amount of \$2.5 million. These Allied Practices operate 70 locations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

a. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include OrthAlliance, Inc. and its wholly owned subsidiaries. The Company does not consolidate the operations of the Allied Practices which it manages as the Company's arrangements with its Allied Practices do not meet the requirements for consolidation as set forth in Emerging Issues Task Force consensus opinion 97-2 ("EITF 97-2"). All significant intercompany accounts and transactions have been eliminated in consolidation.

b. INTERIM ACCOUNTING POLICY

The accompanying unaudited financial statements have not been audited by independent public accountants, but in the opinion of the Company's management, such unaudited statements include all adjustments (consisting only of normal recurring accruals) necessary for a fair presentation of the financial position of the Company as of June 30, 2001 and the results of operations and cash flows for the six months ended June 30, 2000 and 2001. Although the Company's management believes that the disclosures in these financial statements are adequate to make the information presented not misleading, certain information normally included in financial statements prepared in accordance with generally accepted accounting principles has been condensed or omitted pursuant to the rules and regulations of the Securities and Exchange Commission. The results of operations for the six months ended June 30, 2001 and 2000 are not necessarily indicative of the results to be expected for the full year.

c. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

d. CASH AND CASH EQUIVALENTS

The Company considers all highly-liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents. All cash equivalents are recorded at cost, which approximate fair value.

e. PROPERTY AND EQUIPMENT, NET

Property and equipment are stated at cost or fair value at acquisition date if acquired upon affiliation with an Allied Practice. Routine maintenance and repairs are expensed when incurred, while costs of improvements and renewals are capitalized. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful lives of the assets or remaining lease terms as follows:

Furniture, fixtures and equipment.....	5 years
Leasehold improvements.....	Shorter of 3-10 years or the related lease term

Depreciation expense for the years ended December 31, 1998, 1999 and 2000 was approximately \$0.9 million, \$1.2 million, and \$1.8 million, respectively. Depreciation expense was \$0.9 million and \$1.2 million for the six month periods ended June 30, 2000 and 2001, respectively (unaudited).

f. INTANGIBLE ASSETS, NET

The Management Agreements with Allied Practices include the acquisition of certain tangible and intangible assets and the assumption of certain liabilities of the Allied Practices. The Company allocates the purchase price to the tangible assets acquired and liabilities assumed based on their estimated fair values. Intangible assets related to the Management Agreements are being amortized using the straight-line method over their respective terms. The Company periodically evaluates whether events and circumstances have occurred that indicate the remaining useful life of the intangible assets may warrant revision or that the remaining balance of the intangible assets may not be recoverable. As of December 31, 1999 and 2000, there were no events or circumstances to indicate that any portion of the recorded net intangible assets may not be recoverable.

Amortization expense related to these intangible assets for the years ended December 31, 1998, 1999 and 2000 was \$1.5 million, \$2.8 million, and \$4.9 million, respectively. Amortization expense was \$2.3 million and \$2.6 million for the six month periods ended June 30, 2000 and 2001, respectively (unaudited).

g. OTHER, NET

Other, net consists primarily of deferred costs related to the Company's revolving credit facility. These costs are amortized using the straight-line method over the expected period to be benefited. The amortization of deferred costs related to the revolving credit facility borrowings is included in interest expense.

h. NET REVENUES

Net revenues primarily consist of management fee income and reimbursed practice operating expenses (See Note 1). Such reimbursed practice operating expenses amounted to \$54.4 million, \$68.9 million, and \$106.1 million for the years ended December 31, 1998, 1999, and 2000, respectively. Reimbursed practice operating expenses were \$48.4 million and \$58.4 million for the six month periods ended June 30, 2000 and 2001, respectively (unaudited).

i. INCOME TAXES

The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards ("SFAS") No. 109, "Accounting for Income Taxes." The statement requires recognition of deferred tax assets and liabilities for expected future tax consequences of events that have been recognized in the financial statements or tax returns. Deferred income taxes are provided for temporary differences in the recognition of certain income and expense items for financial reporting and tax purposes given the provisions of the enacted tax laws.

j. FAIR VALUE OF FINANCIAL INSTRUMENTS

As of December 31, 1999 and 2000 and as of June 30, 2001 carrying amounts of the Company's financial instruments, which include cash and cash equivalents, notes receivable, accounts payable and accrued liabilities, notes payable and

line of credit borrowings, approximate fair value.

k. RECENT ACCOUNTING PRONOUNCEMENTS

In June 1998, the Financial Accounting Standards Board ("FASB") issued FASB Statement of Financial Accounting Standards ("SFAS") No. 133 "Accounting for Derivative Instruments and Hedging Activities," as amended by SFAS 137 and SFAS 138. SFAS 133 establishes accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts and for hedging activities. It requires that entities recognize all derivatives as either assets or liabilities on the balance sheet and measure those instruments at fair value. Management anticipates that the adoption of SFAS 133 will not have a material effect on the Company's results of operations or financial position.

The SEC issued Staff Accounting Bulletin Number 101, Revenue Recognition in Financial Statements, on December 3, 1999 ("SAB 101"). This pronouncement clarifies existing revenue recognition principles and states that revenue is generally realized or realizable and earned when all of the following criteria are met: i) persuasive evidence of an arrangement exists, ii) delivery has occurred or services rendered, iii) the seller's price to the buyer is fixed or determinable and iv) collectibility is reasonably assured. Management believes the Company is in compliance with SAB 101.

In April 2000, the Financial Accounting Standards Board issued FASB Interpretation No. 44, Accounting for Certain Transactions Involving Stock Compensation: an Interpretation of APB Opinion No. 25. This pronouncement seeks to interpret the application of APB No. 25, primarily in relation to modifications to the terms of existing awards and to the scope of APB No. 25. The adoption of FASB Interpretation No. 44 did not have a material impact on the Company's results of operations or its financial position.

In July 2001, FASB issued SFAS No. 141, "Business Combinations," and SFAS No. 142, "Goodwill and Other Intangible Assets."

SFAS No. 141 requires that all business combinations be accounted for under the purchase method and requires recognition of identifiable intangible assets separately from goodwill. This pronouncement is effective for all business combinations initiated after June 30, 2001. OrthAlliance has evaluated the requirements of SFAS No. 141 and believes that its intangible assets are fairly stated and that the adoption of SFAS No. 141 will not have a material impact on OrthAlliance's results of operations or financial position.

SFAS No. 142 requires that all identifiable intangible assets acquired shall be recognized and measured initially at fair value. All identifiable intangible assets should be amortized over the period which it is expected that they will benefit OrthAlliance and tested for impairment in accordance with SFAS No. 121. Goodwill and identifiable intangible assets whose useful lives are indefinite are not to be amortized and are to be tested for impairment annually or more frequently if circumstances indicate potential impairment. SFAS No. 142 is effective for fiscal years beginning after December 15, 2001. OrthAlliance believes that its intangible assets, which are based on underlying contractual rights, are fairly stated; therefore, it will continue to amortize intangible

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

assets on a basis consistent with current practice. OrthAlliance believes the adoption of SFAS No. 142 will not have a material effect on OrthAlliance's results of operations or its financial position.

3. ACQUISITION OF NEW IMAGE

Effective March 1, 2000, the Company acquired substantially all of the assets of New Image Orthodontic Group, Inc. ("New Image"), a privately held Georgia corporation based in Atlanta, Georgia, for a total consideration (including acquisition costs) of approximately \$33.8 million. New Image was founded in February 1997 and provided business operations, financial, marketing and administrative services to orthodontic practices in 9 states in accordance with long term service and employment agreements and had practice management agreements with 36 orthodontists operating in 50 locations.

Total consideration (including acquisition costs) consisted of \$5.6 million paid in cash, an estimated \$0.3 million in acquisition costs, promissory notes issued of approximately \$12.9 million, the assumption of approximately \$13.4 million of existing debt due to New Image's former orthodontic practices, and the issuance of approximately 273,000 stock options with an aggregate fair value of \$0.6 million. The promissory notes issued and assumed have interest rates ranging from 6% to 10% and are repayable over a one to five year period. The Company will utilize substantially all the acquired assets in the continued operation of the business. The acquisition has been accounted for using the purchase method of accounting. Intangible assets of approximately \$32.9 million resulted from the acquisition. The results of operations of New Image are included with the results of operations of the Company from March 1, 2000. The Company obtained the appropriate consents from its lenders with regard to this transaction.

The following pro forma results of operations are presented to illustrate the effect of the acquisition on the historical operating results of OrthAlliance and New Image for the twelve month periods ended December 31, 1999 and December 31, 2000. These pro forma results of operation gives effect to the acquisition as if it occurred as of January 1, 2000 and January 1, 1999, respectively. The pro forma results of operations are based on management's current estimates and may not be indicative of the results of operations that actually would have occurred if the transaction had been at the dates indicated.

Certain Allied Practices have signed promissory notes due to the Company. Generally, principal and interest payments are due monthly, with interest accruing at prime plus 1%. Generally, these notes have maturity dates ranging from three to five years, are unsecured and are personally guaranteed by the respective practitioners. Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

Options granted under the Director Plan vest over one year, are exercisable in whole or in installments, and also expire ten years from date of grant. Certain of these warrants have incidental registration rights pursuant to which the Company is obligated to use reasonable efforts to register the shares of Common Stock issued upon their exercise if the Company initiates a public offering and files a registration statement in connection therewith, excluding the registration of shares issued pursuant to an employee stock purchase or option plan or an acquisition or proposed acquisition by the Company.

Accordingly, no compensation expense has been recognized for its stock option compensation plans. Had the fair value method of accounting been applied to the Company's stock option plans, the tax-effected impact follows (unaudited):

To comply with certain regulatory requirements, the Company does not control the practice of the Orthodontists, or control or employ the Orthodontists. There can be no assurance that the legality of any long-term management services agreements that have been entered into will not be successfully challenged. 21. EVENTS SUBSEQUENT TO THE DATE OF THE REPORT OF THE INDEPENDENT PUBLIC ACCOUNTANTS (UNAUDITED)

a. MERGER WITH ORTHODONTIC CENTERS OF AMERICA, INC.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

On May 16, 2001, the Company and Orthodontic Centers of America, Inc. ("OCA") entered into a merger agreement, that is subject to approval by the stockholders of OrthAlliance and certain other conditions, whereby a wholly-owned subsidiary of OCA would merge into OrthAlliance in a stock-for-stock transaction, with the Company becoming a wholly-owned subsidiary of OCA. Under the terms of the merger agreement, the Company's stockholders would receive shares of OCA's common stock based on a fixed exchange ratio, ranging from 0.09214 to 0.16585 of a share of OCA common stock depending on the percentage of the Company's affiliated orthodontists, pediatric dentists and professional corporations that amend their employment and service, consulting or management service agreements in accordance with terms described in the merger agreement.

b. NASDAQ NOTIFICATION AND HEARING

The Company's common stock is traded on the NASDAQ National Market and is subject to certain continued listing requirements. As of December 31, 2000 and March 31, 2001 the Company was not in compliance with Rule 4450(b)(4) which requires among other things a minimum bid price of \$1.00 and tangible net assets of \$4 million. On February 28, 2001 the Company was notified by the National Market that the Company's stock did not meet the compliance requirements of Rule 4450(b)(4) and that the stock may be subject to removal from the NASDAQ National Market.

Pursuant to the April 6, 2001 oral hearing before a NASDAQ Listing Qualifications Panel (the "Panel") the Company requested continued inclusion on the NASDAQ National Market. On May 14, 2001 the Company was notified by NASDAQ that the Panel determined to continue the Company's listing on the National Market pursuant to its pilot program approved by the SEC on May 1, 2001. On March 7, 2001 NASDAQ proposed certain changes to its listing standards that, if approved by the SEC, would result in the Company achieving compliance with all requirements for continued listing. An issuer may satisfy the continued listing requirements under the pilot program or demonstrate compliance with current listing requirements. Under the pilot program, the issuer is required to maintain a minimum bid price of \$3.00 per share and minimum stockholders' equity of \$10 million. As the Company has demonstrated compliance, the Company was placed under the pilot program which was scheduled to extend to July 1, 2001. On June 29, 2001, the SEC approved certain amendments to the NASDAQ listing standards which include, among other things, a minimum bid price of \$3.00 per share and minimum stockholders' equity of \$10 million. The Company is currently in compliance with these amended listing standards.

There can be no assurance that the Company will satisfy the NASDAQ National Market conditions or be able to maintain the continued listing requirements in the future. If the Company's Common Stock were delisted from the NASDAQ National Market, trading of the Company's Common Stock, if any, would be conducted on the NASDAQ Small Cap Market, in the over-the-counter market on the so called "pink sheets" or, if available, the NASD's Electronic Bulletin Board. In any of those cases, investors could find it more difficult to dispose of, or to obtain accurate quotations as to the value of, its Common Stock. The trading price per share of the Company's Common Stock could be reduced as a result.

c. LEGAL PROCEEDINGS

Legal proceedings with Allied Practitioners have increased since the announcement of the Company's merger agreement with OCA. Certain Allied Practitioners have sent notices of default to, or commenced litigation against, the Company alleging that the Company has failed to provide certain services under the Management Agreements. Other litigation alleges that certain provisions of the Management Agreements may be unenforceable, among other claims. The Company vigorously defends against such claims and believes that such claims are without merit.

OrthAlliance shall give OCA prompt notice of any demands for appraisal received by OrthAlliance, withdrawals of such demands and any other instruments served pursuant to the DGCL and received

(a) The number of shares of OCA Common Stock to be subject to such option or warrant as so converted shall be equal to the product of the number of shares of OrthAlliance Common Stock theretofore subject to the option or warrant times the Applicable Exchange Ratio, provided that any fractional shares of OCA Common Stock resulting from such multiplication shall be rounded down to the nearest whole share; and

(b) The exercise price per share of OCA Common Stock under such option or warrant as so converted shall be equal to the exercise price per share of OrthAlliance Common Stock theretofore under the option or warrant divided by the Applicable Exchange Ratio, provided that such exercise price shall be rounded up to the nearest cent.

At the Effective Time, the other terms of each such OrthAlliance Option shall continue to apply in accordance with the terms thereof, the applicable stock option plan and applicable law, except that references to OrthAlliance and its Subsidiaries shall mean OCA and its Subsidiaries.

2.10. Effect on OCA Common Stock. Except for any shares of OCA Common Stock owned by OrthAlliance or any of its Subsidiaries, which shall be converted into treasury stock, the shares of OCA Common Stock issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and such shares shall remain issued and outstanding.

2.11. Conversion of Merger Sub Shares. At the Effective Time, by virtue of the Merger and without any action on the part of OCA as the sole stockholder of OCA Merger Sub, each issued and outstanding share of common stock, par value \$.01 per share, of OCA Merger Sub ("OCA Merger Sub Common Stock") will convert into one share of common stock, par value \$.01 per share, of the Surviving Corporation.

At the Effective Time, the officers of the Surviving Corporation shall be the individuals designated therefor by the board of directors of the Surviving Corporation in accordance with the bylaws of the Surviving Corporation. At or prior to the Closing, OrthAlliance shall deliver to OCA written resignations of each of the directors of OrthAlliance, in form and substance satisfactory to OCA, with such resignations to be effective as of the Effective Time.

2.15. Tax Consequences; Accounting Treatment. It is intended that the Merger shall (i) constitute a reorganization within the meaning of Section 368 of the Code and that this Agreement shall constitute a "plan of reorganization" for the purposes of Section 368 of the Code, and (ii) be accounted for as a purchase under GAAP.

2.16. Closing. The closing of the transactions contemplated herein (the "Closing") shall take place at the offices of Waller Lansden Dortch & Davis, A Professional Limited Liability Company, Nashville, Tennessee at 10:00 a.m. Nashville time on a date designated by OCA within five Business Days following the satisfaction, or waiver by the applicable party, of all of the conditions set forth in Sections 7.1, 7.2 and 7.3 hereof, or at such other location, and on such other date and/or time, as the parties hereto may mutually agree (the "Closing Date"). At the Closing, subject to the satisfaction of the terms and conditions set forth herein, each of OrthAlliance, OCA and OCA Merger Sub will execute and deliver the instruments, certificates and other documents to be executed and delivered hereunder or as may be reasonably requested by any party to consummate the transactions contemplated hereby, all in form and substance reasonably satisfactory to the parties hereto and their respective counsel.

ARTICLE III.

EXCHANGE OF SHARES

3.1. Deposit of Exchange Fund with Transfer Agent. Promptly following the Effective Time, OCA shall deposit, or shall cause to be deposited, with EquiServe or such other bank or trust company (the "Exchange Agent") selected by OCA and reasonably satisfactory to OrthAlliance, in trust for the benefit of the holders of Certificates, for exchange in accordance with this Article III, certificates representing the shares of OCA Common Stock and the cash in lieu of fractional shares (such cash and certificates for shares of OCA Common Stock, together with any dividends or distributions with respect thereto, being hereinafter referred to as the "Exchange Fund") to be issued or paid pursuant to Article II in exchange for outstanding shares of OrthAlliance Common Stock.

3.2. Exchange of Shares. Promptly after the Effective Time, OCA shall cause the Exchange Agent to mail to each holder of record of a Certificate or Certificates a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon actual delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in exchange for certificates representing the shares of OCA Common Stock and the cash in lieu of fractional shares into which the shares of OrthAlliance Common Stock represented by such Certificate or Certificates shall have been converted pursuant to this Agreement. Upon surrender of a Certificate for exchange and cancellation to the Exchange Agent, together with such letter of transmittal, duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor and the Exchange Agent shall promptly mail to such holder following such surrender (i) a certificate representing that number of whole shares of OCA Common Stock to which such holder of OrthAlliance Common

Stock shall have become entitled pursuant to Article II and (ii) a check representing the amount of cash in lieu of fractional shares, if any, which such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of Article II, and the Certificate so surrendered shall forthwith be cancelled. No interest will be paid or accrued on the cash in lieu of fractional shares and unpaid dividends and distributions, if any, payable to holders of Certificates.

3.3. No Dividends Paid To Holders of Unsurrendered Certificates. No dividends or other distributions declared after the Effective Time with respect to OCA Common Stock and payable to the holders of record thereof shall be paid to the holder of any unsurrendered Certificate until the holder thereof shall surrender such Certificate in accordance with this Article III. After the surrender of a Certificate in accordance with this Article III, the record holder thereof shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to shares of OCA Common Stock represented by such Certificate.

3.4. Issuance of Certificate in Name Differing From Surrendered Certificate. If any certificate representing shares of OCA Common Stock is to be issued in a name other than that in which the Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Certificate so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the issuance of a certificate representing shares of OCA Common Stock in any name other than that of the registered holder of the Certificate surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

3.5. Closing of Stock Transfer Books. Upon and after the Effective Time, there shall be no transfers on the stock transfer books of OrthAlliance of the shares of OrthAlliance Common Stock which were issued and outstanding immediately prior to the Effective Time. Promptly following the first anniversary of the Effective Time, the Exchange Agent will deliver to OCA all cash, certificates (including any representing shares of OCA Common Stock) and other documents in its possession relating to the transactions this Agreement describes, and the Exchange Agent's duties will terminate. Any portion of the Exchange Fund that remains unclaimed by the stockholders of OrthAlliance for 12 months after the Effective Time shall be paid to OCA. Any stockholders of OrthAlliance who have not theretofore complied with this Article III shall thereafter look only to OCA for payment of their shares of OCA Common Stock, cash in lieu of fractional shares and unpaid dividends and distributions on OCA Common Stock deliverable in respect of each share of OrthAlliance Common Stock such stockholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. Notwithstanding the foregoing, none of OCA, OrthAlliance, the Exchange Agent or any other person shall be liable to any former holder of shares of OrthAlliance Common Stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws (collectively, "Escheat Law"). If any Certificate is not surrendered prior to the end of the applicable period after the Effective Time under any applicable Escheat Law (or immediately prior to such earlier date on which any shares of OCA Common Stock, any cash in lieu of fractional shares of

OCA Common Stock or any dividends or distributions with respect to such Certificates would otherwise escheat to or become the property of any Governmental Authority) and such shares, cash and dividends or distributions with respect to such Certificates will, to the extent permitted by applicable law, become the property of OCA, free and clear of all claims or interest of any person previously entitled thereto.

3.7. Lost, Stolen or Destroyed Certificates. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by OCA or the Exchange Agent, the posting by such person of a bond in such amount as OCA or the Exchange Agent may direct as indemnity against any claim that may

A-8

be made against OCA or the Exchange Agent with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the shares of OCA Common Stock and cash in lieu of fractional shares deliverable in respect thereof pursuant to this Agreement.

This Agreement has been duly and validly executed and delivered by OrthAlliance, and, assuming due execution and delivery by OCA and OCA Merger Sub, this Agreement constitutes the valid and binding agreement and obligation of OrthAlliance, enforceable against OrthAlliance in accordance with its terms (except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or similar laws now or hereafter in effect affecting creditors' rights generally and general equitable principles, regardless of whether enforceability is considered in a proceeding in law or in equity).

(ii) "Superior Proposal" shall mean a bona fide, written Acquisition Proposal to acquire all or substantially all of the capital stock or assets of OrthAlliance made by a Person which is not an Affiliate of OrthAlliance or its Subsidiaries, and with respect to which the Board of Directors of OrthAlliance determines in good faith that such Acquisition Proposal would be more favorable to OrthAlliance and its stockholders than the transactions contemplated hereby, that financing for such transaction, to the extent required, is fully committed or is reasonably capable of being obtained by such Person and that such transaction is reasonably capable of being consummated without undue delay.

6.5. Registration Statement and Proxy Statement. As soon as practicable following the date hereof, OCA and OrthAlliance shall jointly prepare, and OCA shall file with the SEC, the Registration Statement in which the Proxy Statement will be included as a prospectus. OCA shall also use its reasonable best efforts (other than qualifying to do business in any jurisdiction in which it is not currently qualified) to obtain all necessary state securities law or "Blue Sky" permits and approvals required to carry out the transactions contemplated by this Agreement. The parties will, promptly upon receipt of written comments from the SEC with respect to the Registration Statement, the Proxy Statement and the documents incorporated by reference therein, provide copies thereof to the other party, consult with each other and prepare written responses to such comments. The parties will promptly furnish to the other all information concerning such party and other matters relevant to such party, its stockholders and the transactions contemplated herein, and take such other actions, as the other party or parties hereto may reasonably request in connection with the preparation and filing of the Registration Statement and the Proxy Statement. 6.11. Expenses and Fees. All costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including legal, accounting and financial advisory fees and expenses, will be paid by the party incurring such costs and expenses, except that expenses and fees incurred in connection with the printing and filing of the Registration Statement and the Proxy Statement and with filings under the HSR Act (other than legal, accounting, investment banking and financial advisory fees and expenses, which shall be paid by the party incurring such fees and expenses) will be shared equally by OCA and OrthAlliance. The foregoing shall not affect the legal right, if any, that any party hereto may have to recover expenses from any other party that breaches its obligations hereunder.

6.12. Notification. Each of OrthAlliance and OCA agree to (a) give prompt notice to the other party, and to use their respective reasonable best efforts to prevent or promptly remedy, (i) upon such party obtaining knowledge thereof, the occurrence or failure to occur, or the impending or threatened occurrence or failure to occur, of any event whose occurrence or failure to occur would be likely to cause any of its representations or warranties in this Agreement to be untrue or inaccurate in any material respect at any time from the date hereof to the Effective Time, and (ii) any material failure on its part to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder and (b) give prompt notice to the other party of any fact which, if known by it on the date hereof, would have been required to be set forth or disclosed by it pursuant to this Agreement.

In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full title to all properties, assets, rights, approvals, immunities and franchises of any of the parties to the Merger, the proper officers and directors of each party to this Agreement and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by OCA.

6.14. Reasonable Best Efforts, Cooperation.

(a) Subject to the terms and conditions of this Agreement, each of OCA and OrthAlliance agrees to use its respective reasonable best efforts in good faith to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Merger as promptly as practicable and otherwise to enable consummation of the transactions contemplated hereby and shall cooperate fully with the other party hereto to that end.

6.15. OrthAlliance Credit Agreement. At the Effective Time, OCA, on behalf of OrthAlliance, shall repay in full all borrowings, accrued interest and other amounts then owing under the OrthAlliance Credit Agreement, and agree to the termination of the commitments of the lenders under the OrthAlliance Credit Agreement, unless such lenders otherwise agree in writing and, at or before the Effective Time, provide the requisite consent under the OrthAlliance Credit Agreement to consummation by OrthAlliance of the transactions contemplated hereby.

ANNEX B

DELAWARE CODE

TITLE 8. CORPORATIONS
CHAPTER 1. GENERAL CORPORATION LAW
SUBCHAPTER IX. MERGER, CONSOLIDATION OR CONVERSION

SECTION 262. Appraisal Rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to Section 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to Section 251 (other than a merger effected pursuant to Section 251(g) of this title), Section 252, Section 254, Section 257, Section 258, Section 263 or Section 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of Section 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to Sections 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

B-1

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under Section 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the

constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to Section 228 or Section 253 of this title, each constituent corporation, either before the effective date of the merger or consolidation or within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section; provided that, if the notice is given on or after the effective date of the merger or consolidation, such notice shall be given by the surviving or resulting corporation to all such holders of any class or series of stock of a constituent corporation that are entitled to appraisal rights. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice,

B-2

such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation

or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

Special Committee of the Board of Directors
OrthAlliance, Inc.
21535 Hawthorne Boulevard
Suite 200
Torrance, CA 90503

Members of the Special Committee of the Board of Directors:

In connection with the proposed transaction ("Transaction") in which Orthodontic Centers of America, Inc. ("OCA") will acquire all of the outstanding shares of the common stock of OrthAlliance, Inc. ("OrthAlliance"), you have requested our opinion as to the fairness, from a financial point of view, to the stockholders of OrthAlliance of the proposed consideration to be received by the stockholders of OrthAlliance in the Transaction. It is currently anticipated that the Transaction will be accomplished through a merger whereby OrthAlliance, as the surviving corporation of the merger, becomes a wholly-owned subsidiary of OCA. Under terms of the Agreement and Plan of Merger (the "Agreement"), at the effective time of the Transaction, each issued and outstanding share of the common stock of OrthAlliance, other than shares owned directly or indirectly by OrthAlliance or by OCA, will be converted into a right to receive a minimum of 0.09214 and a maximum of 0.16584 shares of OCA common stock. The precise exchange ratio will be based on the number of OrthAlliance Affiliated Practice Owners and OrthAlliance Affiliated PCs (as defined in the Agreement) that have qualifying contractual agreements with OrthAlliance. The terms and conditions of the Transaction are more fully set forth in the Agreement.

U.S. Bancorp Piper Jaffray Inc., as a customary part of its investment banking business, is engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, underwriting and secondary distributions of securities, private placements and valuations for estate, corporate and other purposes. We have acted as exclusive financial advisor to the Special Committee of the Board of Directors of OrthAlliance in connection with the Transaction (the "Current Engagement") and will receive fees for our services, some of which are contingent upon consummation of the Transaction. In addition, we will receive a separate fee for providing this opinion, which is not contingent upon the consummation of the Transaction. OrthAlliance has also agreed to indemnify us against certain liabilities in connection with our services. We write research on and make a market in the Common Stock of OrthAlliance. Prior to our engagement by the Special Committee, we were engaged by the Company to explore strategic alternatives pursuant to a letter dated March 9, 2000 (the "Prior Engagement") which engagement was terminated at the time of our engagement by the Special Committee. In the ordinary course of our business, we and our affiliates may actively trade securities of OrthAlliance for our own account or the account of our customers and, accordingly, may at any time hold a long or short position in such securities.

In arriving at our opinion, we have undertaken such review, analyses and inquiries as we deemed necessary and appropriate under the circumstances. Among other things, we have reviewed (i) a draft dated May 16, 2001 of the Agreement, (ii) certain publicly available financial, business and operating information relative to OrthAlliance, including the Company's press release dated January 24, 2001, (iii) certain internal financial information, including forecasts and projections, of OrthAlliance prepared for financial planning purposes and furnished by OrthAlliance management, (iv) to the extent publicly

available, information concerning selected transactions deemed comparable to the proposed Transaction, (v) certain publicly available financial and securities data of OrthAlliance and selected public companies deemed comparable to OrthAlliance, (vi) certain publicly available financial and securities data of OCA; and (vii) certain other financial studies and analyses, and our assessment of general economic, market and monetary conditions. We had discussions with members of the management of OrthAlliance concerning the financial condition, current operating results, relations with OrthAlliance Affiliated Practice Owners and OrthAlliance Affiliated PCs and business outlook for OrthAlliance on a stand-alone basis and as a wholly-owned subsidiary of OCA, all of which we considered in arriving at our opinion. We also had discussions with members of OCA concerning the financial condition and business outlook for OrthAlliance and OCA on a combined basis. We considered the results of the Prior Engagement as well as the Current Engagement.

We have relied upon and assumed the accuracy, completeness and fairness of the financial statements and other information provided to us by OrthAlliance or otherwise made available to us, and have not assumed responsibility for the independent verification of such information. OrthAlliance has advised us that it does not publicly disclose internal financial information of the type provided to us and that such information was prepared for financial planning purposes and not with the expectation of public disclosure. We have relied upon the assurance of the management of OrthAlliance that the information provided to us has been prepared on a reasonable basis, and, with respect to financial planning data and other business outlook information, reflects the best currently available estimates, is based on reasonable assumptions and that they are not aware of any information or facts that would make the information provided to us incomplete or misleading. We have also assumed that there have been no material changes in the assets, financial condition, results of operations, business or prospects of OrthAlliance since the respective dates of their last financial statements made available to us.

We have assumed with your consent that the final form of the Agreement will be substantially similar to the May 16th draft reviewed by us, without modification of material terms or conditions by OrthAlliance or OCA.

In arriving at our opinion, we have not performed any appraisals or valuations of any specific assets or liabilities of OrthAlliance or OCA, and have not been furnished with any such appraisals or valuations. We express no opinion regarding the liquidation value of any entity.

This opinion is necessarily based upon the information available to us and facts and circumstances as they exist and are subject to evaluation on the date hereof; events occurring after the date hereof could materially affect the assumptions used in preparing this opinion. We are not expressing any opinion herein as to the price at which shares of the common stock of OrthAlliance have traded or may trade at any future time. We have not undertaken to reaffirm or revise this opinion or otherwise comment upon any events occurring after the date hereof and do not have any obligation to update, revise or reaffirm this opinion.

This opinion is solely for the benefit of the Special Committee of the Board of Directors and for the full Board of Directors of OrthAlliance in connection with its consideration of the Transaction and does not constitute a recommendation to any stockholder of OrthAlliance as to how such stockholder should vote with respect to the Transaction. Our opinion does not address, nor should it be construed to address, the relative merits of the Transaction, on the one hand, or any alternative business strategies or alternative transactions that may be available to OrthAlliance, on the other hand. We were not requested to opine as to, and this opinion does not address, the basic business decision

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

to proceed with or effect the Transaction. This opinion shall not be published or otherwise used, nor shall any public references to us be made, without our prior written approval. If applicable federal or state securities laws require this opinion to be published or referred to, our prior written approval will not be unreasonably withheld.

C-2

Based upon and subject to the foregoing and based upon such other factors as we consider relevant, it is our opinion that the merger consideration proposed to be received by the stockholders of OrthAlliance in the Transaction pursuant to the Agreement is fair, from a financial point of view, to the stockholders of OrthAlliance as of the date hereof.

Sincerely,

/s/ U.S. BANCORP PIPER JAFFRAY

Board of Directors

Metairie, Louisiana 70002

Members of the Board of Directors:

You have requested our opinion as to the fairness from a financial point of view to Orthodontic Centers of America, Inc. (the "Purchaser") of the Applicable Exchange Ratio (as defined below) provided for in connection with the proposed merger (the "Merger") of OrthAlliance, Inc. (the "Company") with a wholly owned subsidiary of the Purchaser. We understand that, pursuant to the terms of the draft Agreement and Plan of Merger, dated as of May 16, 2001 (the "Agreement"), to be entered into by and among the Company, the Purchaser and OCA Acquisition Corporation (the "Merger Sub"), the Merger Sub shall merge with and into the Company, with the Company surviving the Merger as a wholly owned subsidiary of the Purchaser. We also understand that, pursuant to the Agreement, stockholders of the Company will receive for each share of Class A common stock, par value \$.001 per share, of the Company (the "Company Class A Common Stock"), and each share of Class B common stock, par value \$.001 per share, of the Company (the "Company Class B Common Stock," and, together with the Company Class A Common Stock, the "Company Common Stock"), issued and outstanding immediately prior to the Effective Time (as defined in the Agreement), other than (i) shares of the Company which are outstanding immediately prior to the Effective Time and with respect to which appraisal rights shall have been properly demanded in accordance with Section 262 of the General Corporation Law of the State of Delaware or (ii) shares of the Company held directly or indirectly by the Purchaser or the Company or any of their respective Subsidiaries (as defined in the Agreement), an amount of shares of the common stock, par value \$.01 per

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

share, of the Purchaser ("Purchaser Common Stock") equal to the Applicable Exchange Ratio (as defined and set forth in Section 2.4, and subject to Section 2.6, of the Agreement). The terms and conditions of the Merger are more fully set out in the Agreement.

For purposes of the opinion set forth herein, we have:

(i) reviewed certain publicly available financial statements and other business and financial information of the Company and the Purchaser, respectively;

(ii) reviewed certain internal financial statements and other financial and operating data concerning the Company and the Purchaser, respectively, prepared by the managements of the Company and the Purchaser, respectively;

(iii) analyzed certain financial forecasts prepared by the managements of the Company and the Purchaser, respectively;

(iv) reviewed and discussed with the managements of the Purchaser and the Company information relating to certain potential strategic, financial and operational benefits anticipated to result from the Merger, prepared by the managements of the Purchaser and the Company, respectively;

(v) discussed the past and current operations, financial condition and prospects of the Purchaser with senior executives of the Purchaser and discussed the past and current operations, financial condition and prospects of the Company with senior executives of the Company;

D-1

(vi) reviewed certain pro forma information, prepared by the management of the Purchaser, reflecting the potential impact of the Merger on the Purchaser's earnings per share, cash flow, consolidated capitalization and financial ratios;

(vii) reviewed the reported prices and trading activity for the Company Common Stock and the Purchaser Common Stock;

(viii) compared the financial performance of the Company and the Purchaser and the prices and trading activity of the Company Common Stock and the Purchaser Common Stock with that of certain other publicly traded companies we deemed generally relevant;

(ix) compared certain financial terms of the Merger to corresponding financial terms, to the extent publicly available, of certain other business combination transactions we deemed generally relevant;

(x) reviewed a draft dated May 16, 2001 of the Agreement and certain related documents; and

(xi) performed such other analyses and considered such other factors as we have deemed appropriate.

In connection with our review, with your consent, we have not assumed any responsibility for independent verification of any of the information provided to or reviewed by us for the purpose of this opinion and have, with your consent, relied on such information being complete and accurate in all material respects. With respect to the financial forecasts referred to above, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, we have been advised, and have assumed, that they have been reasonably prepared on bases reflecting the best currently available

estimates and good faith judgments of the managements of the Company and the Purchaser as to the future financial performance of the Company and the Purchaser. With your consent, we have not made any independent valuation or appraisal of the assets or liabilities of the Purchaser, nor have we been furnished with any such appraisals. We also have assumed, with your consent, that the Merger will be treated as a tax-free reorganization for federal income tax purposes and that the Merger will be accounted for as a purchase for financial accounting purposes. In addition, representatives of the Purchaser have advised us, and we therefore also have assumed, that the final terms of the Agreement will not vary materially from those set forth in the draft reviewed by us.

Our opinion does not address the Purchaser's underlying business decision to effect the Merger. We have not been asked to, nor do we, offer any opinion as to the material terms of the Agreement or any related documents or the obligations thereunder, or the form of the Merger. In rendering this opinion, we have assumed, with your consent, that each of the Purchaser and the Company will comply with all material covenants and obligations set forth in, and other material terms of, the Agreement and related documents and that the Merger will be validly consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement. We did not participate in negotiations with respect to the terms of the transactions contemplated by the Agreement. Consequently, we have assumed that such terms are the most beneficial terms from the Purchaser's perspective that could under the circumstances be negotiated among the parties to the Agreement, and we express no opinion as to whether any alternative transaction might be more favorable to the Purchaser.

We have acted as sole financial advisor to the Board of Directors of the Purchaser in connection with this transaction and will receive a fee for our services, including a fee which is due upon delivery of this opinion and a fee which is contingent upon the consummation of the Merger. In the past, Banc of America Securities LLC or its affiliates have provided financing services for the Purchaser and have received fees for the rendering of these services. Bank of America, N.A. serves as documentation agent under the Purchaser's senior revolving credit facility and received fees for rendering such services. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities of the Company and the Purchaser for our own account or for the accounts of customers and, accordingly, we or our affiliates may at any time hold long or short positions in such securities.

D-2

It is understood that this letter is for the benefit and use of the Board of Directors of the Purchaser in connection with and for purposes of its evaluation of the Merger and is not for the benefit of, and shall not confer rights or remedies upon, any person other than the Board of Directors. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written consent in each instance. However, this opinion may be included in any filing made by the Purchaser in respect of the Merger with the Securities and Exchange Commission, so long as this opinion is reproduced in such filing in full and any description of or reference to us or summary of this opinion and the related analysis in such filing is in form and substance acceptable to us and our counsel. In furnishing this opinion, we do not admit that we are experts within the meaning of the term "experts" as used in the Securities Act of 1933, as amended (the "Securities Act"), and the rules and regulations promulgated thereunder, nor do we admit that this opinion constitutes a report or valuation within the meaning of Section 11 of the Securities Act. Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 424B3

understood that subsequent developments may affect this opinion and we do not have any obligation to update, revise, or reaffirm this opinion. This opinion does not in any manner address the prices at which the Purchaser Common Stock will trade following announcement or consummation of the Merger.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion on the date hereof that the Applicable Exchange Ratio in the proposed Merger is fair from a financial point of view to the Purchaser.

Very truly yours,

BANC OF AMERICA SECURITIES LLC
