assist the Board of Directors of Southside Bank and the Corporation in the discharge of their respective responsibilities. The purpose and composition of these committees with respect to persons who are directors of the Corporation and Southside Bank are as follows:

AUDIT COMMITTEE OF SOUTHSIDE BANCSHARES, INC.

The Audit Committee of Southside Bancshares, Inc. is responsible for oversight of Management's financial reporting, including oversight of financial reports and other financial information provided by the Corporation to governmental or regulatory agencies. The committee also monitors the internal audit function, internal accounting procedures and assures compliance with all appropriate statutes. The committee consists of Messrs. Mr. Gollob, a senior officer of a CPA firm, serves as chairman of the Audit Committee. The committee met twelve times in 2001.

The Board of Directors has adopted a formal written "Charter" which outlines the purpose of the Audit Committee, delineates the membership requirements and addresses the key responsibilities of the committee (see below).

SOUTHSIDE BANCSHARES, INC AUDIT COMMITTEE OF THE BOARD OF DIRECTORS CHARTER

Purpose

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility to oversee management's conduct of the Corporation's financial reporting process. This includes a review of the

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

financial reports and other financial information provided by the Corporation to any governmental or regulatory body, the public or other users thereof; the Corporation's systems of internal accounting and financial controls and the annual independent audit of the Corporation's financial statements; and the Corporation's legal compliance and ethics programs as established by management and the Board.

In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Corporation and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Audit Committee are in place to represent the Corporation's shareholders; accordingly, the outside auditor is ultimately accountable to the Board and the Audit Committee.

The Audit Committee shall review the adequacy of this Charter on an annual basis.

Membership

The Audit Committee shall be comprised of not less than three members of the Board, and the Audit Committee's composition will meet the requirements of the Audit Committee Policy of the NASD.

2. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Audit Committee. In addition, at least one member of the Audit Committee will have accounting or related financial management expertise.

Key Responsibilities

The Audit Committee's job is one of oversight and it recognizes that the Corporation's management is responsible for preparing the Corporation's financial statements and that the outside auditors are responsible for auditing those financial statements. Additionally, the Audit Committee recognizes that financial management, including the internal audit staff as well as the outside auditors, has more time, knowledge and more detailed information on the Corporation than do Audit Committee members; consequently, in carrying out its oversight responsibilities, the Audit Committee is not providing any expert or special assurance as to the Corporation's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Audit Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Audit Committee may diverge from this guide under appropriate circumstances.

1. The Audit Committee shall review with management and the outside auditors the audited financial statements to be included in the Corporation's Annual Report on Form 10-K and review and consider with the outside auditors the matters required to be discussed by Statement of Audit Standards No. 61.

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

2. As a whole, or through the Audit Committee chair, the Audit Committee shall review with the outside auditors the Corporation's interim financial results to be included in the Corporation's quarterly reports to be filed with the Securities and Exchange Commission and the matters required to be discussed by SAS No. 61; this review will occur prior to the Corporation's filing of the Form 10-Q.
3. The Audit Committee shall discuss with management and the outside auditors the quality and adequacy of the Corporation's internal controls.
4. The Audit Committee shall:
 - o Request from the outside auditors annually, a formal written statement delineating all relationships between the auditor and the Corporation consistent with Independence Standards Board Standard No. 1;
 - o Discuss with the outside auditors any such disclosed relationships and their impact on the outside auditor's independence; and
 - o Recommend that the Board take appropriate action to oversee the independence of the outside auditor.
5. The Audit Committee, subject to any action that may be taken by the full Board, shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditor. The Corporation's independent accountants are ultimately accountable to the Board and the Audit Committee.

The following is the report of the Audit Committee with respect to the Corporation's audited financial statements for the fiscal year ended December 31, 2001, which include the consolidated balance sheets of the Corporation as of December 31, 2001 and 2000, and the related consolidated statements of operations, stockholders' equity and cash flows for each of the three years in the period ended December 31, 2001, 2000 and 1999, and the notes thereto. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed with the SEC," nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that the Corporation specifically incorporates it by reference in such filing.

Review With Management

1 (that relates to the accountant's independence from the Corporation and its related entities) and has discussed with PricewaterhouseCoopers LLP their independence from the Corporation. Based on the above, the Audit Committee recommended that the Board include the financial statements in the 10-K.

Audit Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for professional services rendered for the audit of Southside Bancshares, Inc. annual financial statements for the fiscal year ended December 31, 2001 and for the reviews of the financial statements included in Southside Bancshares, Inc. Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

In January 2001 the Corporation compensated its nonemployee directors with an annual retainer of \$6,000. The Bank compensates nonemployee directors for board/committee service with fees ranging from \$200 to \$500 depending on the type of meeting and they receive an annual retainer of \$1,000 for service as a bank director as well. Officers of the Corporation, who are also directors of Southside Bank, are paid an annual retainer and compensated for board of director meetings only.

Executive Compensation

The following information is furnished for the last three fiscal years ended December 31, with respect to the chief executive officer and highest paid named executive officers receiving at least \$100,000 in compensation. The Corporation does not pay its executive officers a salary, therefore, this information relates to compensation paid by Southside Bank. The named executive officers have not received awards of restricted stock or securities underlying stock options or stock appreciation rights or payouts under long term incentive plans during 2001, 2000 and 1999.

Report on Executive Compensation

General

The purpose of this report is to provide insight into the practice and philosophy of the Board of Directors in establishing the compensation for the Executive Officers of Southside Bank and to elaborate on the relationship between corporate performance and executive compensation.

Executive Officer salary levels reflect an individual's responsibilities and experience and the Compensation Committee's view of competitive marketplace conditions. Compensation levels for executives are established after considering measures including, but not limited to, financial performance of the Corporation and the Bank and labor market conditions. Furthermore, qualitative factors such as commitment, leadership, teamwork and community involvement are considered in compensation deliberations.

In the final analysis, compensation adjustments are based on a broad spectrum of factors rather than one or two specific performance goals. The Compensation Committee recognizes the importance of aligning the shareholders interest and executive compensation.

Chief Executive Officer Compensation

The Compensation Committee, when reviewing the compensation of the Chief Executive Officer, evaluates the factors mentioned above including initiation and implementation of successful business strategies, maintenance of an effective management team and various personal qualities including leadership, commitment as well as professional and community standing.

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

After reviewing the Corporation's 2001 results in the context of comparison to corporate peers, as well as his individual contributions, the Compensation Committee concluded that the Chief Executive Officer, B. G. Hartley, performed with skill and dedication during 2001. The year was marked by record-breaking performances on several levels and Mr. Hartley deserves a large measure of the credit for these accomplishments. Finally, the Compensation Committee believes that Mr. Hartley has set the stage for the continued success of the Bank by leading a seasoned executive staff that has displayed skill in guiding the Bank through an ever-changing financial services market in East Texas.
