We caution readers that forward-looking statements, including, without limitation, those relating to our future business prospects, revenues, working capital, liquidity, capital needs, interest costs and income, are subject to certain risks and uncertainties that could cause actual results to differ materially from those indicated in the forward-looking statements, due to several important factors. These factors include our ability to find suitable acquisition properties at favorable terms, financing, licensing, business conditions, risks of downturns in economic conditions generally, satisfaction of closing conditions such as those pertaining to licensure, availability of insurance at commercially reasonable rates, and changes in accounting principles and interpretations among others, and other risks and factors identified from time to time in our reports filed with the Securities and Exchange Commission. We are not obligated to update or revise these forward-looking statements to reflect new events or circumstances.
