**PROXY STATEMENT  
Annual Meeting of Stockholders  
May 25, 2006**

This Proxy Statement is being furnished by Builders FirstSource, Inc. (the Corporation or Builders FirstSource) in connection with a solicitation of proxies by its Board of Directors (the Board of Directors or the Board) to be voted at the annual meeting of the Corporation's stockholders to be held on May 25, 2006 (the annual meeting or meeting). Whether or not you personally attend, it is important that your shares be represented and voted at the annual meeting. Most stockholders have a choice of voting over the Internet, by using a toll-free telephone number, or by completing a proxy card and mailing it in the postage-paid envelope provided. Check your proxy card or the information forwarded by your bank, broker, or other stockholder of record to determine which voting options are available to you. Please be aware that if you vote over the Internet, you may incur costs such as telecommunication and Internet access charges for which you will be responsible. The Internet voting and telephone voting facilities for stockholders of record will be available until the annual meeting begins at 10:00 a.m., local time, on May 25, 2006. This Proxy Statement and the accompanying proxy card were first mailed on or about April 7, 2006.

**SOLICITATION AND RATIFICATION OF PROXIES**

If the enclosed form of proxy card is signed and returned, it will be voted as specified in the proxy, or, if no vote is specified, it will be voted FOR all nominees presented in Proposal 1 and FOR the proposal set forth in Proposal 2. If any matters that are not specifically set forth on the proxy card and in this Proxy Statement properly come to a vote at the meeting, the members of the Proxy Committee will vote in accordance with their best judgments. At any time before it is exercised, you may revoke your proxy by timely delivery of written notice to the Corporate Secretary, by timely delivery of a properly executed, later-dated proxy (including an Internet or telephone vote), or by voting via ballot at the annual meeting. Voting in advance of the annual meeting will not limit your right to vote at the annual meeting if you decide to attend in person. If you are a beneficial owner, but your shares are registered in the name of a bank, broker, or other stockholder of record, the voting instructions form mailed to you with this Proxy Statement may not be used to vote in person at the annual meeting. Instead, to be able to vote in person at the annual meeting you must obtain, from the stockholder of record, a proxy in your name and present it at the meeting. See Questions and Answers about the Meeting and Voting in this Proxy Statement for an explanation of the term stockholder of record.

The proxy accompanying this Proxy Statement is being solicited by the Board of Directors. The Corporation will bear the entire cost of this solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional information furnished to stockholders. In addition to using the mail, proxies may be solicited by directors, executive officers, and other employees of Builders FirstSource or its subsidiaries, in person or by telephone. No additional compensation will be paid to directors, executive officers, or other employees for their services. Builders FirstSource will also request banks, brokers, and other stockholders of record to forward proxy materials, at the Corporation's expense, to the beneficial owners of the shares. The Corporation has retained Mellon Investor Services LLC, a firm of professional proxy solicitors, to aid in this solicitation at an estimated fee of approximately \$5,500, plus normal expenses of approximately \$2,500.

**OUTSTANDING STOCK AND VOTING PROCEDURES**

**Outstanding Stock**

The stockholders of record of Builders FirstSource, Inc. Common Stock ( Common Stock ) at the close of business on March 30, 2006 will be entitled to vote in person or by proxy at the annual meeting. At that time, the Corporation had 33,861,921 outstanding shares of its Common Stock. Each stockholder will be entitled to one vote in person or by proxy for each share of Common Stock held. A quorum for the transaction of business shall be constituted by the presence at the annual meeting, in person or by proxy, of a majority of the outstanding shares of Common Stock entitled to vote. All shares for which proxies or voting instructions are returned are counted as present for purposes of determining the existence of a quorum at the annual meeting. Proxies or voting instructions returned by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers as to that matter ( broker non-votes ) will not be counted as votes on that matter.

**Voting Procedures**

Votes cast by proxy or in person at the meeting will be tabulated by the Inspector of Election from Automatic Data Processing, Inc. In addition, the following voting procedures will be in effect for each proposal described in this Proxy Statement:

*Proposal 1.* Nominees for available director positions of Builders FirstSource are elected by a plurality of the votes cast at the annual meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of such vote because elections of directors are determined on the basis of votes cast, and abstentions and broker non-votes are not counted as votes cast.

*Proposal 2.* Ratification of the appointment of PricewaterhouseCoopers LLC as the Corporation's independent registered public accounting firm requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal. Abstentions and broker non-votes will have no effect in determining whether the proposal has been approved.

If any other matters properly come before the meeting that are not specifically set forth on the proxy card and in this Proxy Statement, such matters shall be decided by the affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting on the matter so proposed, unless otherwise provided in the Corporation's Certificate of Incorporation or Bylaws or the Delaware General Corporation Law. None of the members of our Board have informed the Corporation in writing that they intend to oppose any action intended to be taken by the Corporation.

**NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED. THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE CORPORATION SINCE THE DATE OF THIS PROXY STATEMENT.**

**Table of Contents**

**QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING**

**1. What is a proxy?**

A proxy is your legal designation of another person, called a proxy holder, to vote the shares that you own. If you designate someone as your proxy holder in a written document, that document is called a proxy. We have designated Kevin P. O Meara, our Senior Vice President and Chief Operating Officer, and Charles L. Horn, our Senior Vice President and Chief Financial Officer, to act as proxy holders at the annual meeting as to all shares for which proxies are returned or voting instructions are provided by Internet or telephonic voting.

**2. What is a proxy statement?**

A proxy statement is a document that the Securities and Exchange Commission ( SEC ) regulations require us to give you when we ask you to sign a proxy card designating the proxy holders described above to vote on your behalf.

**3. What is the difference between a stockholder of record and a stockholder who holds stock in street name, also called a beneficial owner?**

If your shares are registered in your name at The LaSalle Bank, you are a stockholder of record.

If your shares are registered at The LaSalle Bank in the name of a broker, bank, trustee, nominee, or other similar stockholder of record, your shares are held in street name and you are the beneficial owner of the shares.

**4. How do you obtain an admission ticket to personally attend the annual meeting?**

*Stockholders of Record.* Your admission ticket is attached to your proxy card. You will need to bring it with you to the meeting.

*Street Name Holders.* You will need to ask your broker or bank for an admission ticket in the form of a legal proxy and you will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting; however, you will not be able to vote your shares at the meeting without a legal proxy. Please note that if you own shares in street name, and you are issued a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person.

Please note that whether you are a stockholder of record or street name holder, you will also need to bring a government-issued photo identification card to gain admission to the annual meeting.

**5. What different methods can you use to vote?**

*By Written Proxy.* All stockholders may vote by mailing the written proxy card.

*By Telephone and Internet Proxy.* All stockholders of record may also vote by telephone from the U.S. using the toll-free telephone number on the proxy card, or by the Internet, using the procedures and instructions described on the proxy card and other enclosures. Street name holders may vote by telephone or the Internet if their bank, broker, or other stockholder of record makes those methods available, in which case the bank, broker, or other stockholder of record will enclose the instructions with the Proxy Statement. The telephone and Internet voting procedures, including the use of control numbers, are designed to authenticate stockholders' identities, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded.

*In Person.* All stockholders may vote in person at the meeting (unless they are street name holders without a legal proxy, as described in question 4).

**Table of Contents**

**6. What is the record date and what does it mean?**

The record date for the annual meeting is March 30, 2006. The record date is established by the Board of Directors as required by Delaware law. Stockholders of record at the close of business on the record date are entitled to receive notice of the annual meeting and to vote their shares at the meeting.

**7. What are your voting choices for director nominees, and what vote is needed to elect directors?**

For the vote on the election of the Class I director nominees to serve until the 2009 annual meeting, stockholders may:

vote in favor of all nominees,

vote to withhold votes from all nominees, or

vote to withhold votes as to specific nominees.

Directors will be elected by a plurality of the votes cast in person or by proxy at the annual meeting. The Board recommends a vote FOR each of the director nominees.

**8. What is a plurality of the votes?**

In order to be elected, a director nominee does not have to receive a majority of the affirmative votes cast for directors. Instead, the three nominees elected are those who receive the most affirmative votes of all the votes cast on Proposal 1 in person or by proxy at the meeting.

**9. What are your voting choices on the ratification of the appointment of PricewaterhouseCoopers LLP as the Corporation's independent registered public accounting firm, and what vote is needed to ratify their appointment?**

In the vote on the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm, stockholders may:

vote in favor of the ratification,

vote against the ratification, or

abstain from voting on the ratification.

The proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm will require the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal in person or by proxy at the meeting. The Board recommends a vote FOR proposal 2.

**10. What if a stockholder does not specify a choice for a matter when returning a proxy?**

Stockholders should specify their choice for each proposal described on the enclosed proxy. However, proxies that are signed and returned will be voted FOR proposals described in this proxy statement for which no specific instructions are given.

**11. How are abstentions and broker non-votes counted?**

Both abstentions and broker non-votes are counted as present for purposes of determining the existence of a quorum at the annual meeting. However, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote on Proposals 1 or 2.

**ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION**

There are currently nine members of the Board of Directors. Pursuant to the Corporation's By-Laws, the Board is classified, which means it is divided into three classes of directors based on the expiration of their

**Table of Contents**

terms. Under the classified Board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are staggered so that the terms of approximately one-third of the directors expire each year. Accordingly, this Proposal 1 seeks the election of three directors whose terms expire in 2006.

The terms of three directors, Michael Graff, Robert C. Griffin and Brett N. Milgrim, will expire at the annual meeting in 2006. The Board of Directors has nominated Messrs. Graff, Griffin and Milgrim for election to a term that will expire at the annual meeting in 2009.

Unless otherwise indicated, all proxies that authorize the proxy holders to vote for the election of directors will be voted FOR the election of the nominees listed below. If a nominee becomes unavailable for election as a result of unforeseen circumstances, it is the intention of the proxy holders to vote for the election of such substitute nominee, if any, as the Board of Directors may propose. As of the date of this Proxy Statement each of the nominees has consented to serve and the Board is not aware of any circumstances that would cause a nominee to be unable to serve as a director.

**PROPOSAL 1 ELECTION OF DIRECTORS**

The Board of Directors has nominated the following directors for election. Each of the following nominees, a current director with a term expiring at the 2006 annual meeting, has furnished to the Corporation the following information with respect to his principal occupation or employment and principal business directorships:

**INFORMATION REGARDING THE BOARD AND ITS COMMITTEES**

**Board Purpose and Structure**

The mission of the Board is to provide strategic guidance to the Corporation's management, to monitor the performance and ethical behavior of the Corporation's management, and to maximize the long-term financial return to the Corporation's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of nine directors.

**Director Independence**

The Board of Directors comprises one management director, Mr. Sherman, who is the Corporation's President and CEO, and eight non-management directors. Three of our non-management directors (Chairman Levy and Messrs. Frank and Milgrim) are affiliated with JLL Partners, affiliates of which control JLL Partners Fund V, L.P., the beneficial owner of 25.9% of our Common Stock through Building Products, LLC, our majority stockholder. Three of our non-management directors, Messrs. Barr, Graff and Kruse are affiliated with Warburg Pincus LLC, affiliates of which control Warburg Pincus Private Equity IX, L.P., the beneficial owner of 25.9% of our Common Stock through Building Products, LLC. Our Board of Directors has affirmatively determined that Messrs. Barr, Christophe, Graff, Griffin, and Kruse are independent under the director independence criteria adopted under the NASDAQ National Market listing standards. In addition, our Board of Directors has affirmatively determined that Messrs. Christophe and Griffin are also independent under the SEC's standards for independent audit committee members. As part of its annual evaluation of director independence, the Board examined (among other things) whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Corporation, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and members of the senior management of Builders FirstSource or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criteria. Each year, the independent directors meet in regularly scheduled executive sessions outside the presence of management representatives. Interested parties, including stockholders, may communicate with the Chairman or the independent directors as a group through the process described in this Proxy Statement under the heading "Corporate Governance Policy on Stockholder-Director Communications."

**Board Meetings and Attendance**

We became a public company in June of 2005. Our Board of Directors met a total of five times, and the Audit Committee of the Board met a total of four times in 2005, including regularly scheduled and special meetings. During 2005, all of the Corporation's directors attended 100% percent of the meetings of the Board and at least 75% of the meetings of the Audit Committee held during the period in which they served on the Board or such committees. Pursuant to the Builders FirstSource, Inc. Policy on Director Attendance at Annual Meetings of Stockholders (available on the corporate governance section of our Web site), all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an Annual Meeting of Stockholders is expected to notify the Chairman of the Board in advance of such meeting.

**Controlled Company Exemption and Committees**

As of the date hereof, we continue to be a Controlled Company for purposes of Rule 4350(c)(5) of the NASD Rules (the "NASDAQ Rules") by virtue of the fact that Building Products, LLC, our majority stockholder, continues to hold of record 51.8% of the voting power of our Common Stock. As a Controlled Company, we are exempt from the provisions of the NASDAQ Rules that require us to have a board of directors comprised of a majority of independent directors (although we currently have a majority of independent directors under these rules) and to maintain compensation and nominating committees comprised solely of independent directors. Accordingly, the Board has only one standing committee: the Audit

## **Table of Contents**

Committee. The Board believes that in light of its current status as a Controlled Company and its adoption of the Policy on the Director Nomination Process, it has in place adequate processes to identify, evaluate, select and nominate qualified director candidates. If we cease to be a Controlled Company under the NASDAQ rules, we will come into full compliance with all of the requirements thereof within the applicable transition periods provided for by the NASDAQ Rules.

### **Audit Committee**

The Audit Committee is composed of two independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations), Messrs. Christophe and Griffin, as well as Mr. Milgrim. Mr. Griffin serves as the Chairman of the Audit Committee. The Audit Committee met four times during 2005 (including two in-person meetings). During each in-person meeting, the Audit Committee met privately with the Corporation's independent registered public accounting firm and the Corporation's director of internal audit. The Board of Directors has affirmatively determined that all Audit Committee members are financially literate and possess financial sophistication as defined by NASDAQ National Market listing standards. The Board of Directors has designated Mr. Christophe and Mr. Griffin, as audit committee financial experts under the SEC's guidelines. The Board has also determined that Messrs. Christophe and Griffin meet the independence standards of both the SEC rules and the NASDAQ Rules for Audit Committee members. The Board has also determined that the service of Mr. Milgrim, who as a Managing Director of JLL Partners, Inc. is affiliated with Building Products, LLC (our majority stockholder), on the Audit Committee is required by the best interests of the Corporation and its stockholders, given his financial experience and knowledge of the Corporation.

The primary function of the Audit Committee is to assist the Board of Directors of the Corporation in fulfilling its oversight responsibilities relating to (i) the quality and integrity of the Corporation's financial reports and other financial information provided by the Corporation to its stockholders, the public and others; (ii) the Corporation's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications, independence and performance and (iv) the performance of the Corporation's internal audit function, including its systems of internal controls. The Committee's functions also include preparation of the audit committee report included in this proxy statement. The Board adopted an amended charter for the Audit Committee on October 25, 2005, and a copy of this charter is available on the corporate governance section of our Web site<sup>(1)</sup> and as Appendix A to this Proxy Statement.

Stockholders and other interested parties may contact any member (or all members) of the Board (including without limitation the non-management directors as a group, any Board committee or any chair of any such committee) in writing by mail or overnight service or electronically. To communicate with the Board of Directors, any individual directors or any group or committee of directors,

correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at 2001 Bryan Street, Suite 1600, Dallas, Texas 75201.

All communications received will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that legitimately relate to the business and operation of the Corporation and that are not in the nature of advertising, promotions of a product or service, patently offensive material, charitable requests, repetitive materials, or designed to promote a political or similar agenda will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

**Policy on the Director Nomination Process**

The Board of Directors has also adopted a Policy on the Director Nomination Process that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. A current copy of the Policy on the Director Nomination Process is available on the governance section of our Web site.

The Board of Directors believes that the minimum qualifications for serving as a director of the Corporation are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Corporation and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who, after taking into account their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, are believed to enhance the Board's ability to manage and direct, in an effective manner, the affairs and business of the Corporation, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or listing requirements of The NASDAQ National Market, Inc.

In general, nominees for director generally should have an understanding of the workings of large business organizations such as the Corporation as well as the ability to make independent, analytical judgments, the ability to be an effective communicator, and the ability and willingness to devote the time and effort to be an effective and contributing member of the Board. In addition, the Board will examine a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Corporation.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criteria described above. The Board may also, from time to time, engage firms that specialize in identifying director candidates. As described further in the Corporation's Policy on Stockholder Recommendations for Director Candidates and Stockholder-Director Communications, the Board will also consider candidates recommended by stockholders.

Once a person has been identified by the Board as a potential candidate, the Board may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Board determines that the candidate warrants further consideration, the Chairman of the Board or another member of the Board will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Board will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the Board might be considering, and conduct one or more interviews with the candidate. In certain instances, Board members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Board's evaluation process does not vary based on whether or not a candidate is recommended by a

**Table of Contents**

stockholder, although the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Notwithstanding the foregoing, so long as the Corporation continues to be a Controlled Company (within the meaning of NASDAQ Rule 4350(c)(5)), the Board will be guided by the recommendations of the Corporation's majority stockholder, Building Products, LLC, in its nomination process.

**Auditor Services Pre-Approval Policy**

The Charter of the Audit Committee of Builders FirstSource, Inc., attached as Appendix A to this Proxy Statement, defines the principles and procedures followed by the Audit Committee in pre-approving audit and non-audit services performed by the Corporation's independent registered public accounting firm.

**REPORT ON EXECUTIVE COMPENSATION**

**The Role of the Board of Directors**

The Board of Directors determines and oversees compensation for the executive officers of the Corporation, reviews and approves corporate goals and objectives relevant to compensation of the CEO and other executive officers, and evaluates the performance of the CEO and other executive officers in light of those goals and objectives. The Board of Directors determines and approves the compensation of the CEO and other executive officers based on these evaluations, and makes decisions with respect to incentive-compensation plans and equity-based plans.

This report on executive compensation was prepared by the Board of Directors following the Board's February 2006 meeting, at which time the Board of Directors determined each executive officer's individual cash bonus award for the 2005 performance year, established annual incentive targets and performance measures for the 2006 performance year, and considered and approved salary adjustments and long-term equity incentive awards for executive officers of the Corporation.

**Compensation Strategy**

The Board of Directors views establishing compensation policies that facilitate the achievement of the Corporation's business strategy, in order to ultimately create value for stockholders, as one of its principal responsibilities. In this regard, policies and programs adopted by the Board of Directors are intended to enhance the ability of the Corporation to attract, retain, and motivate exceptionally knowledgeable and experienced executives committed to the successful operation and management of the Corporation.

The compensation policies and programs of the Corporation are considered by the Board of Directors within the context of an integrated total rewards framework. Within this framework, the Board of Directors considers and determines various components of Pay—base salary, annual incentive compensation, long-term equity incentive compensation, benefits and perquisites. It is through the considered combination of these programs that the Board of Directors believes it can most effectively support and facilitate the ultimate creation of value for stockholders.

With respect to the compensation of executive officers, actual pay decisions take into consideration several additional factors, including individual performance, scope of responsibility, prior experience, breadth of knowledge, and comparison against the competitive practices of relevant comparator companies of similar size, as well as indicators derived from published compensation surveys of both building supply and general industry companies. The Board of Directors considers the advice of an independent compensation consultant regarding these matters.

**Review of All Components of Compensation**

The Board of Directors most recently determined executive compensation in February 2006, when it determined incentive payments for 2005 and set the Company's 2006 compensation framework for executive

## **Table of Contents**

officers. In determining such compensation, the Board of Directors evaluated all components of the CEO's and other Named Executive Officers' compensation, including salary, bonus, accumulated realized and unrealized gains under outstanding equity awards, the dollar value to the executive and cost to the Corporation of perquisites and other personal benefits, and reviewed actual projected payout obligations under potential severance and change-in-control scenarios. A tally sheet setting forth all the above components was prepared and reviewed affixing dollar amounts for these items.

Based on this review, the Board of Directors finds the CEO's and other Named Executive Officers' total compensation (and, in the case of the severance and change-in-control scenarios, the potential payments) in the aggregate to be reasonable and not excessive, based on their roles in substantially improving the Corporation's financial performance, in further establishing our position as a leader in our industry, in continuing to develop and retain a dedicated and experienced management team, and in continuing to successfully integrate the Corporation's numerous acquisitions.

It should be noted that when the Board of Directors considers any component of the CEO's or any other Named Executive Officer's total compensation, the aggregate amounts and mix of all the components are taken into consideration in the Board of Directors' decisions. Proposed compensation is first presented to the Board of Directors electronically as soon as practicable prior to the meeting of the Board at which compensation decisions are made. This information is then reviewed and analyzed by the Board in the context of all the components of the executive officer's total compensation. Members then have additional time prior to the meeting to ask for additional information and to raise and discuss further questions. The discussion is continued at a Board of Directors meeting, after which a vote is taken.

### **Base Salaries**

While the Board of Directors believes that a substantial portion of each executive officer's total compensation should be at-risk, the Board of Directors believes it important and seeks to assure that base salaries are competitive with market practices and adequately compensate executive officers for their roles and responsibilities. The minimum base salaries of the CEO and three of the Named Executive Officers of the Corporation are set by employment agreements. These base salaries are also annually reviewed, and any changes approved, by the Board of Directors after consideration of the factors as described in this report. In the absence of employment agreements, base salaries were determined based on each individual's pay position relative to the market range and value to the Corporation reflected in the executive officer's knowledge, experience and contribution to the success in achieving the Corporation's objectives.

### **Management Incentive Plan**

The Board of Directors believes that cash incentive bonuses facilitate the communication of objectives that are of primary importance during the coming year and are intended to motivate executive officers to attain those objectives. To this end, the Corporation has in place a management incentive plan that provides for the potential payment of annual bonuses, pursuant to cash incentive bonus plans, to our executive officers. The Management Incentive Plan is administered by the Board of Directors.

In approving the budget for the Corporation each year, the Board of Directors determines the performance goals applicable to each cash incentive bonus under the plan, which may be based on one or more criteria. The plan provides for the development of performance goals based on, for example, pre- or after-tax income, cash flow, return on assets, equity or investment, stock price or total stockholder return, earnings before or after interest, taxes, depreciation, amortization or extraordinary or special items, net tangible assets or return on net tangible assets, or other criteria determined by the Board of Directors to be appropriate. For 2005 and 2006, the selected performance criteria for executive officer cash incentive bonus awards are return on tangible net assets, operating cash flow and percentage increase in operating income.

Performance goals may be expressed in terms of attaining a specified level of the particular criteria or the attainment of a percentage increase or decrease in the particular criterion and may be applied to one or more of the Corporation or one of our affiliates, or a division or business group of the Corporation, all as determined

## **Table of Contents**

by the Board of Directors. Performance goals may include threshold, target and maximum levels of performance. The achievement of performance goals are subject to certification by the Board of Directors.

In the discretion of the Board of Directors, equitable adjustments may be made to performance goals in recognition of unusual or non-recurring events affecting the Corporation or one of our affiliates, in response to changes in applicable laws or regulations, to account for items of extraordinary gain, loss or expense, or to account for dispositions or changes in accounting principles. In addition, a percentage of each cash incentive bonus is discretionary and based upon a performance and development review.

Awards under the plan may be expressed as a dollar amount or as a percentage of the participant's annual base salary. For Messrs. O'Meara, Horn and McAleenan (see titles below), each of their employment agreements with the Corporation provides that the executive officer is eligible for an annual cash incentive bonus with a target bonus percentage of 100% of the executive's base salary. Pursuant to these employment agreements, this target bonus percentage will not be less than 100% of the executive's base salary. Mr. Schenkel's target bonus percentage is 90% of his base salary. Depending upon the attainment of pre-established performance standards, the payout to each executive under his respective annual cash incentive bonus plan could exceed the target percentage of the executive officer's base salary or could be as little as zero. Although as a technical matter no payment to any executive officer may exceed \$5.0 million in any performance period (which may be no longer than 12 months), the Board of Directors does not anticipate that any annual payment made to an executive officer under the Management Incentive Plan would exceed an amount equal to 250% of the annual base salary of such executive officer.

### **Long-Term Equity Incentives**

To retain and reward employees, the Corporation uses stock options and restricted stock grants as its primary long-term equity incentive vehicles. In keeping with the Corporation's desire to provide a total compensation package that favors at-risk components of pay, such long-term equity incentives comprise a significant portion of each Named Executive Officer's total Pay. The purpose of these incentives is principally to align the interests of these individuals with the interests of the Corporation's stockholders and the Corporation's growth in real value over the long-term. In determining individual long-term incentive awards, the Board of Directors considers each individual's levels of responsibility, prior experience, historical award data, various performance criteria, total potential rewards from other elements of compensation, and the compensation practices of the comparator companies discussed above. The Board of Directors considered the performance of both the Corporation and the individual when determining the size of these grants.

Through March 2004, the Corporation granted the majority of its stock options through the Corporation's 1998 Stock Incentive Plan. In June 2005, the Corporation's stockholders approved the 2005 Equity Incentive Plan, replacing the 1998 Stock Incentive Plan.

### **Executive Benefits**

Executive officers and other executives of the Corporation are eligible for only a modest number of benefits that are not available to all employees of the Corporation. These supplemental benefits include employment agreements with selected executive officers of the Corporation containing severance provisions (See Employment Agreements and Termination of Employment and Change in Control Arrangements for a summary of the provisions of these agreements) and certain additional perquisites, such as an auto allowance and relocation assistance, available to a limited number of employees, including executive officers in some cases, of the Corporation. The Board of Directors has reviewed a tally sheet summarizing these perquisites, which are set forth under Executive Compensation Summary Compensation Table on Page 19 of this Proxy Statement.

The Corporation seeks to maintain an egalitarian culture in its facilities and operations. The Corporation does not provide its officers with parking spaces or separate dining or other facilities, nor does it have programs defraying the cost of personal entertainment or family travel. Corporation-provided air travel for the Corporation's officers is for business purposes only, and the Corporation's use of non-commercial aircraft on a rental basis is limited to appropriate business-only travel. The Corporation's health care, insurance, 401(k)

## **Table of Contents**

and other welfare and employee-benefit programs are the same for all eligible employees, including the Corporation's Named Executive Officers, except that employees making over \$100,000 annually make higher monthly contributions for their health insurance benefits. The Corporation has no outstanding loans of any kind to any of its executive officers, and since our initial public offering, federal law has prohibited the Corporation from making any new loans to its executive officers. The Corporation expects its officers to be role models under its Code of Business Conduct and Ethics, which are applicable to all employees, and its officers are not entitled to operate under lesser standards.

### **Compensation of the Chief Executive Officer**

The Board of Directors annually reviews and approves the compensation of Floyd F. Sherman, the Corporation's President and Chief Executive Officer. Mr. Sherman's employment agreement was entered into on September 1, 2001, and, as amended on June 1, 2005, has a two-year term, with automatic renewals each year commencing on the first anniversary of the effective date of the employment agreement, unless either party provides at least 90 days' notice of non-renewal. In addition to providing for his annual base salary and employee benefits, Mr. Sherman's employment agreement sets his base salary at \$600,000, subject to annual review and increase as deemed appropriate by the Board of Directors. At his request, Mr. Sherman's base salary has remained unchanged since September 2001.

Mr. Sherman's employment agreement also provides that Mr. Sherman will be eligible for an annual cash incentive bonus of up to 133% of his base salary, as determined by the Board of Directors. The Board of Directors may increase the amount of Mr. Sherman's bonus if it deems such an increase appropriate. Based upon the Board of Directors' assessment of Mr. Sherman's performance in 2005, Mr. Sherman was awarded a bonus of \$1,099,500, which constitutes 155% of his base salary for 2005. Mr. Sherman's bonus amount was determined following the Board's evaluation of (a) the Company's performance against the selected criteria of return on tangible net assets, operating cash flow and percentage increase in operating income; and (b) a performance and development review by the Board of Mr. Sherman's performance. The agreement also provided for an initial grant of an option to purchase 1,135,753 shares of our common stock. This option, which was granted in 2002, is now fully vested. At Mr. Sherman's request, he has not received any additional stock option grants, and Mr. Sherman has requested that the Board of Directors not consider him for additional option grants at this time.

Mr. Sherman's employment agreement provides that if he is terminated by the Corporation without cause (as defined in the employment agreement) he will be entitled to payment of his annual base salary and health and welfare benefits for the remainder of the term of the employment agreement. His employment agreement further provides that, during his employment with the Corporation and for one year thereafter, he may not disclose confidential information and may not directly or indirectly compete with the Corporation. In addition, he may not solicit any employees of the Corporation or any of its subsidiaries during his employment with the Corporation and for two years thereafter.

Mr. Sherman does not receive the auto allowance or relocation assistance perquisites described above under Executive Benefits.

### **Agreements with Other Named Executive Officers**

Each current executive officer named in the Summary Compensation Table in this proxy statement (each, a Named Executive Officer), other than Mr. Schenkel, is employed by the Corporation pursuant to a written employment agreement. The employment agreements with Messrs. O'Meara, Horn, and McAleenan were entered into on January 15, 2004. Each of these agreements has a one-year term, with automatic one-year renewals commencing on the first anniversary of the effective date of the employment agreement, unless either party provides at least 90 days' notice of non-renewal. In addition to providing for an annual base salary and employee benefits, each of these agreements provides, among other things, that the executive officer is eligible for an annual cash incentive bonus, as described above under Management Incentive Plan.

Each employment agreement reflects the specific terms that the Board of Directors believed were appropriate and/or necessary to retain the services of the particular executive officer, within the framework of

**Table of Contents**

the Corporation's compensation policies. These employment agreements provide the Corporation with protection in the form of restrictive covenants, including non-competition, non-solicitation, and confidentiality covenants, for the benefit of Builders FirstSource, Inc. The Board of Directors considered the advisability of using employment agreements with its executive officers and determined that they are in the best interests of the Corporation insofar as they permit the Corporation to achieve its desired goals of retaining the best possible executive talent and obtaining post employment non-competition and non-solicitation covenants from executive officers.

Copies of the Corporation's employment agreements with Named Executive Officers and other plan documents referenced above are Exhibits to the Corporation's Annual Report on Form 10-K, filed with the SEC on March 13, 2006.

**Compliance with Section 162(m)**

Section 162(m) of the Internal Revenue Code ( Code ) provides that certain compensation in excess of \$1 million that is paid to a Named Executive Officer will not be deductible by the Corporation for federal income tax purposes, unless the compensation is performance-based and is paid pursuant to a plan meeting certain requirements of the Code. The Board of Directors has determined that amounts paid under compensation arrangements adopted before the Corporation's June 2005 initial public offering that are paid thereafter will not be subject to the Section 162(m) deduction limitations and therefore are tax deductible to the Corporation. Also, in accordance with applicable IRS regulations, the Board of Directors has determined that award amounts paid under the Corporation's 2005 Equity Incentive Plan and the Management Incentive Plan during the four-year period following the Corporation's initial public offering will not be subject to the Section 162(m) deduction limitations unless this plan is materially modified, thereby making such amounts tax deductible to the Corporation.

The Board of Directors has carefully considered the implications of Section 162(m) of the Internal Revenue Code. The Board of Directors believes tax deductibility of compensation is an important consideration. Accordingly, the Board of Directors, where possible and considered appropriate, strives to preserve corporate tax deductions, including the deductibility of compensation to Named Executive Officers.

The Board of Directors also reserves flexibility, where it is deemed necessary and in the best interests of the Corporation and its stockholders to continue to attract and retain the best possible executive talent, and to motivate such executives to achieve the goals inherent in the Corporation's business strategy, to approve compensation arrangements that are not necessarily fully tax deductible to the Corporation. In this regard, certain portions of compensation paid to the Named Executive Officers may not be deductible for federal income tax purposes under Section 162(m). The Board of Directors will continue to review the Corporation's executive compensation practices to determine if other elements of executive compensation qualify as performance-based compensation under the Code.

**2005 BONUSES FOR EXECUTIVE OFFICERS**

On February 14, 2006, the Board of Directors of the Corporation awarded the following bonuses under the Management Incentive Plan to each of the Named Executive Officers for 2005: Floyd Sherman (President and CEO) \$1,099,500, Kevin O Meara (Senior Vice President and Chief Operating Officer) \$656,865, Charles Horn (Senior Vice President and Chief Financial Officer) \$603,900, Don McAleenan (Senior Vice President and General Counsel) \$583,400, and Fred Schenkel (Vice President of Manufacturing) \$383,670.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

In 2005 and 2006, the full Board of Directors of Builders FirstSource, Inc. determined and oversaw executive and director compensation for the Corporation. Other than Floyd F. Sherman, who is the Chief Executive Officer and President of the Corporation, none of the members of the Board of Directors were officers or employees of Builders FirstSource, Inc. or any of its subsidiaries during the last fiscal year, or at any other time, or had any relationship with the Corporation requiring disclosure under Item 404 of Regulation S-K. None of the members of the Board of Directors were executive officers of another entity on whose compensation committee or board of directors an executive officer of the Corporation served.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

In February 2005, with a portion of the net proceeds of our offering of notes and our senior secured credit facility, we paid a dividend to our stockholders (including JLL Partners, Inc., affiliates of which controlled our majority stockholder) and a compensation-based payment to all holders of our outstanding stock options (including vested and unvested options). Such payment to option holders was made in connection with the payment of such dividend, rather than making an adjustment to the exercise price or number of shares subject to such options. The aggregate dividend to stockholders was \$201.2 million. The aggregate payment to option holders was \$35.8 million (excluding applicable payroll taxes of \$0.6 million), which was recognized as stock compensation expense.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee serves an independent oversight role by consulting with and providing guidance to management and the external auditors on matters such as accounting, audits, compliance, controls, disclosure, finance and risk management. The Board of Directors has affirmatively determined that all Audit Committee members are financially literate and possess financial sophistication as defined by NASDAQ National Market listing standards. The Board of Directors has designated the Chairman of the Audit Committee, Robert C. Griffin, and Cleveland A. Christophe, as audit committee financial experts under the SEC's guidelines.

The Audit Committee's purposes and responsibilities are described in its Charter adopted by the Board of Directors, available on the corporate governance section of the Corporation's Web site and attached as Appendix A to this Proxy Statement. They include overseeing the integrity of the Corporation's financial statements and financial reporting processes, overseeing compliance with legal and regulatory requirements, reviewing the external auditors qualifications and independence (including auditor rotation), and reviewing the performance of the Corporation's internal audit function. The Audit Committee members do not act as

**Table of Contents**

accountants or auditors for the Corporation. Management is responsible for the Corporation's financial statements and the financial reporting process, including the implementation and maintenance of effective internal control over financial reporting and for the assessment of, and reporting on, the effectiveness of internal control over financial reporting. The external auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States and for expressing an opinion on management's assessment of the effectiveness of internal control over financial reporting and on the effectiveness of the Corporation's internal control over financial reporting.

The Audit Committee recognizes the importance of maintaining the independence of the Corporation's independent auditor, both in fact and appearance. Consistent with its Charter, the Audit Committee has evaluated PricewaterhouseCoopers' qualifications, performance, and independence, including that of the lead audit partner. As part of its auditor engagement process, the Audit Committee considers whether to rotate the independent audit firm. The Audit Committee has established in its Charter a policy pursuant to which all services, audit and non-audit, provided by the independent auditor must be pre-approved by the Audit Committee or its designee. The Corporation's pre-approval policy is more fully described in this proxy statement under the caption "Proposal 2-Ratification of Selection of Auditors." The Audit Committee has concluded that provision of the non-audit services described in that section is compatible with maintaining the independence of PricewaterhouseCoopers.

In this context, the Audit Committee has reviewed and discussed, with management and the external auditors, the Corporation's audited financial statements for the year ended December 31, 2005. The Audit Committee has discussed with the external auditors the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, Communication with Audit Committees, as amended by SAS 90. In addition, the Audit Committee has received from the external auditors the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with them their independence from the Corporation and its management. The Audit Committee has considered whether the external auditors' provision of non-audit services to the Corporation is compatible with the auditors' independence.

Following the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission and selected PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Corporation's year ending December 31, 2006. The Board is recommending that stockholders ratify that selection at the annual meeting.

- (4) Includes securities remaining available for issuance pursuant to the 2005 Equity Incentive Plan, approved by the Corporation's stockholders in June 2005. Under the 2005 Equity Incentive Plan, the Corporation is authorized to grant stock-based awards in the form of incentive stock options, non-qualified stock options, restricted stock and other common stock-based awards. The maximum number of common shares reserved for the grant of awards under the 2005 Equity Incentive Plan is 2,200,000, subject to adjustment as provided by the plan. In addition, our Board of Directors may determine that an equitable adjustment may take the form of a payment to an award holder in the form of cash or other property.

**1998 Stock Incentive Plan, as amended and restated March 1, 2004**

The following is a summary of the material terms of the 1998 Stock Incentive Plan. The purpose of the 1998 Stock Incentive Plan is to provide our key employees, officers, consultants, and advisors with an opportunity to acquire shares of our Common Stock. Under this plan, our Board of Directors was authorized to grant stock options and other equity based awards, such as stock appreciation rights or restricted stock awards. The plan is administered by our Board of Directors, which had the discretion to determine the persons to whom awards will be granted, the type of awards, the number of awards, vesting requirements, and other features and conditions of awards under the plan, including whether the awards will contain provisions relating to a change in control of the Corporation.

In the event of any extraordinary dividend, stock dividend, recapitalization, reclassification, merger, acquisition, consolidation, stock split, warrant or rights issuance, combination or exchange of shares, or other similar transaction, our Board of Directors has the sole discretion to equitably adjust the exercise price, the number and kind of shares of Common Stock available for issuance under the plan, the number and kind of shares covered by outstanding options, and other awards under the plan to preserve the value of each share of Common Stock and the value of each award.

In the event of a sale of the Corporation, the Board of Directors, in its sole discretion, may cancel all outstanding stock options issued under the plan and provide for a cash payment to each holder thereof equal to (i) the excess of the consideration received by the Corporation's stockholders pursuant to the sale of the Corporation over the exercise price per share of the option multiplied by (ii) the number of shares of common stock subject to the option.

The Corporation has determined that no further grants will be made under the 1998 Stock Incentive Plan.

After five years of employment, the Corporation's matching contributions are fully vested when paid.

**EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT AND  
CHANGE IN CONTROL ARRANGEMENTS**

**Employment Agreements**

We have entered into employment agreements with four of our Named Executive Officers. These employment agreements provide for Mr. Sherman to serve as our President and Chief Executive Officer, Mr. O'Meara to serve as our Senior Vice President and Chief Operating Officer, Mr. Horn to serve as our Senior Vice President and Chief Financial Officer, and Mr. McAleenan to serve as our Senior Vice President and General Counsel.

**Mr. Sherman's Agreement**

Mr. Sherman's employment agreement was entered into on September 1, 2001, and, as amended on June 1, 2005, has a two-year term, with automatic renewals each year commencing on the first anniversary of the effective date of the employment agreement, unless either party provides at least 90 days' notice of non-renewal. In addition to providing for his annual base salary and employee benefits, Mr. Sherman's employment agreement sets his base salary at \$600,000, subject to annual review and increase as deemed appropriate by the Board of Directors. At his request, Mr. Sherman's base salary has remained unchanged since September 2001.

Mr. Sherman's employment agreement also provides that Mr. Sherman will be eligible for an annual cash incentive bonus of up to 133% of his base salary, as determined by the Board of Directors. The Board of Directors may increase the amount of Mr. Sherman's bonus if it deems such an increase appropriate. Based upon the Board of Directors' assessment of Mr. Sherman's performance in 2005, Mr. Sherman was awarded a bonus of \$1,099,500, which constitutes 155% of his base salary for 2005. Mr. Sherman's bonus amount was determined following the Board's evaluation of (a) the Company's performance against the selected criteria of return on tangible net assets, operating cash flow and percentage increase in operating income; and (b) a performance and development review by the Board of Mr. Sherman's performance. The agreement also provided for an initial grant of an option to purchase 1,135,753 shares of our common stock. This option, which was granted in 2002, is now fully vested. At Mr. Sherman's request, he has not received any additional stock option grants, and Mr. Sherman has requested that the Board of Directors not consider him for additional option grants at this time.

Mr. Sherman's employment agreement provides that if he is terminated by the Corporation without cause (as defined in the employment agreement) he will be entitled to payment of his annual base salary and health and welfare benefits for the remainder of the term of the employment agreement. His employment agreement further provides that, during his employment with the Corporation and for one year thereafter, he may not disclose confidential information and may not directly or indirectly compete with the Corporation. In addition, he may not solicit any employees of the Corporation or any of its subsidiaries during his employment with the Corporation and for two years thereafter.

**Table of Contents**

**Agreements with Other Named Executive Officers**

Each of our other Named Executive Officers other than Mr. Schenkel is employed by the Corporation pursuant to a written employment agreement. The employment agreements with Messrs. O'Meara, Horn, and McAleenan were entered into on January 15, 2004. Each of these agreements has a one-year term, with automatic one-year renewals commencing on the first anniversary of the effective date of the employment agreement, unless either party provides at least 90 days' notice of non-renewal. In addition to providing for an annual base salary and employee benefits, each of these agreements provides, among other things, that the executive officer is eligible for an annual cash incentive bonus, as described above under "Report on Executive Compensation" Management Incentive Plan.

Each employment agreement reflects the specific terms that the Board of Directors believed were appropriate and/or necessary to retain the services of the particular executive officer, within the framework of the Corporation's compensation policies. These employment agreements provide the Corporation with protection in the form of restrictive covenants, including non-competition, non-solicitation, and confidentiality covenants, for the benefit of the Corporation. The Board of Directors considered the advisability of using employment agreements with these executive officers and determined that they are in the best interests of the Corporation insofar as they permit the Corporation to achieve its desired goals of retaining the best possible executive talent and obtaining post employment non-competition and non-solicitation covenants from executive officers.

Under each of these employment agreements, in the event that (a) the executive's employment is terminated by us without cause (as defined in the employment agreement), (b) the executive terminates his employment because of a material adverse diminution in job title or responsibilities or a relocation of his principal place of employment more than 100 miles from its current location without his consent, (c) we notify the executive of our intent not to renew the employment agreement and the executive delivers a notice of resignation (as defined in the employment agreement) within 90 days of receipt of the notice of non-renewal, or (d) the executive's employment is terminated by mutual consent and the parties enter into an agreement whereby the executive agrees to be bound by the post-termination restrictive covenants in the agreement (described below), the executive will be entitled to continuation of his base salary and health benefits for one year after the date of termination, plus payment of an amount equal to his average bonus compensation (defined in the employment agreements as an amount equal to the average of the annual bonus amounts earned by the executive under the Corporation's annual incentive plan during the two most recent fiscal years ended prior to the executive's date of termination). During the executive's employment with us and for one year thereafter, the executive may not disclose confidential information and may not directly or indirectly compete with the Corporation. In addition, the executive may not solicit any employees of the Corporation or any of its subsidiaries during his employment with us and for two years thereafter.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Act ( Section 16(a) ) requires Builders FirstSource's directors and executive officers, and certain persons who own more than ten percent of a registered class of the Corporation's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other security interests of Builders FirstSource. Directors, executive officers, and greater than ten percent stockholders are required by the regulations of the SEC to furnish the Corporation with copies of all Section 16(a) forms they file.

In October of 2005, the Corporation filed, on behalf of our Vice President and Controller Chad Crow, one late report on Form 4, relating to a single grant of stock options about which the individual received late notice. In December of 2005, the Corporation filed, on behalf of our Vice President of Manufacturing Frederick B. Schenkel, one late report on Form 4, relating to stock purchases made by him in August of 2005. In order to avoid similar late filings, we revised our Section 16 reporting procedures and provided supplemental training to relevant personnel. In addition, our Disclosure Committee evaluated the design and function of our disclosure controls and procedures related to Form 4 reporting, and provided its written conclusions in its quarterly report to the CEO and CFO.

To the Corporation's knowledge, based solely on a review of the copies of such reports furnished to the Corporation and written representations that no other reports were required during the fiscal year ended December 31, 2005, all other Section 16(a) filing requirements were complied with, as applicable to its directors, executive officers, and greater than ten percent owners.

**Table of Contents****PROPOSAL 2 RATIFICATION OF SELECTION OF AUDITORS**

Based upon the recommendation of the Audit Committee, the Board of Directors has selected PricewaterhouseCoopers LLP ( PWC ) to serve as the Corporation's independent registered public accounting firm for the year ending December 31, 2006. As a matter of good corporate governance, the stockholders will be requested to ratify the Audit Committee's selection at the annual meeting. Representatives of PWC will be present at the annual meeting, will have the opportunity to make a statement, if they desire to do so, and will be available to answer appropriate questions.

**Fees Paid to PricewaterhouseCoopers LLP**

The following table shows the fees paid or accrued by the Corporation for the audit and other services provided by PWC for fiscal years 2005 and 2004:

	2005	2004
Audit fees(1)	\$ 2,672,085	\$ 1,257,576
Audit-related fees(2)	60,051	121,640
Tax fees(3)	249,447	483,098
All other fees(4)		
Total PWC fees	\$ 2,981,583	\$ 1,862,314

- (1) Audit fees of PWC for 2005 and 2004 consisted of the examination of the consolidated financial statements of the Corporation and quarterly review of financial statements as well as statutory audits, which are required for certain subsidiaries. Audit fees of PWC also include fees related to filings made with the SEC in connection with debt offerings and the transition from a privately-held company to a publicly-traded company.
- (2) Audit-related fees include, among other items, the required audits of the Corporation's employee benefit plans, as well as accounting advisory fees related to financial accounting matters and mergers and acquisitions.
- (3) Tax fees include assistance with the preparation of tax returns of certain of the Corporation's subsidiaries, assistance with audits, as well as tax planning and advising management as to the tax implications of certain transactions undertaken by the Corporation.

- (4) Not applicable.

The Audit Committee has determined that the provision of services related to audit services, audit-related services, tax compliance, advisory services, and other services is compatible with maintaining the independence of PWC. PWC did not render professional services relating to financial information systems design and implementation for the fiscal year ended December 31, 2004 or the fiscal year ended December 31, 2005.

The Audit Committee has the sole and direct authority to engage, appoint and replace our independent auditors. In addition, the Audit Committee has established in its Charter a policy that every engagement of PWC to perform audit or permissible non-audit services on behalf of the Corporation or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before PWC is engaged to provide those services. Pursuant to the Audit Committee Charter, the Audit Committee reviews and, in its sole discretion, approves in advance the Corporation's independent auditors' annual engagement letter, including the proposed fees contained therein, as well as all audit and, as provided in the Sarbanes-Oxley Act of 2002 and the SEC rules and regulations promulgated thereunder, all permitted non-audit engagements and relationships between the Corporation and such independent auditors (which approval should be made after receiving input from the Corporation's management, if desired). Approval of audit and permitted non-audit services will be made by

**Table of Contents**

the Audit Committee, or by one or more members of the Committee or the Chief Financial Officer as shall be designated by the Committee. The following schedule of approvals is followed:

Less than \$25,000 (\$50,000 in the aggregate) CFO Approval

Between \$25,000 and \$75,000 (\$150,000 in the aggregate) Audit Committee Chairman Approval

Greater than \$75,000 (no limit) Full Audit Committee Approval

The person or persons granting such approval mentioned above are to report such approval to the Committee at the next scheduled meeting.

As a result, the Audit Committee or its designee approved 100% of all services performed by PWC on behalf of the Corporation and its subsidiaries subsequent to June 22, 2005, the date of our initial public offering.

If the stockholders do not ratify the selection of PWC, the selection of independent auditors will be reconsidered by the Audit Committee of the Board of Directors.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF PROPOSAL 2.  
STOCKHOLDER PROPOSALS**

Pursuant to SEC Rule 14a-8, to be considered for inclusion in the Corporation's proxy statement for the 2007 annual meeting any stockholder proposal submitted must be received by the Corporate Secretary not later than December 11, 2006. In addition, our By-laws provide that no business may be brought by a stockholder before an annual meeting of stockholders unless the stockholder (a) is a stockholder of record on the date of the notice of meeting (or any supplement thereto) provided by or at the direction of the Board of Directors (or any duly authorized committee thereof) and is entitled to notice of and to vote at such annual meeting as of such record date, (b) has delivered to the Corporate Secretary within the time limits described in the By-laws a written notice containing the information specified in the Bylaws and (c) such notice is in the proper form as set forth in Section 5 of the By-laws. Accordingly, in order for a stockholder's proposal to be considered timely and to be brought during the 2007 annual meeting pursuant to the Corporation's By-laws, the required written notice must be received by the Corporate Secretary on or after January 25, 2007 but no later than February 26, 2007. A copy of the Bylaws may be obtained on the governance section of our Web site at <http://investor.bldr.com/governance.cfm>, or by written request to the Corporate Secretary, Builders FirstSource, Inc., 2001 Bryan Street, Suite 1600, Dallas, Texas 75201, United States of America.

**REDUCE PRINTING AND MAILING COSTS**

To reduce the expenses of delivering duplicate proxy materials, we may take advantage of the SEC's householding rules that permit us to deliver only one set of proxy materials to stockholders who share an address, unless otherwise requested. If you share an address with another stockholder and have received only one set of proxy materials, you may request a separate copy of these materials at no cost to you by calling Halliburton Investor Relations, our Investor Relations firm, at 1 (972) 458-8000, by email at [inforequest@bldr.com](mailto:inforequest@bldr.com), or by written request to the Corporate Secretary, Builders FirstSource, Inc., 2001 Bryan Street Suite 1600, Dallas, Texas 75201. For future annual meetings, you may request separate voting materials, or request that we send only one set of proxy materials to you if you are receiving multiple copies, by calling or writing to us at the phone number and address given above.

Stockholders may help us to reduce printing and mailing costs further by opting to receive future proxy materials by e-mail. This Notice of Annual Meeting and Proxy Statement and our 2005 Annual Report on Form 10-K are available on our Web site at [www.bldr.com](http://www.bldr.com). Instead of receiving future copies of our Proxy Statement and Annual Report materials by mail, most stockholders can elect to receive an e-mail that will provide electronic links to them. Opting to receive your proxy materials online will save us the cost of producing and mailing documents to your home or business, and also will give you an electronic link to the proxy voting site.
