TO BE HELD ON JULY 10, 2008

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Greenlight Capital Re, Ltd., or the Company, of proxies for use at the Annual General Meeting of Shareholders of the Company, or the Meeting, to be held at The Grand Pavilion, 802 West Bay Road, Grand Cayman, KY1-1205, Cayman Islands on July 10, 2008 at 9:00 a.m., local time, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting of Shareholders. The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, including financial statements, is included with this Proxy Statement for informational purposes and not as a means of soliciting your proxy. Additional copies of the Annual Report on Form 10-K may be obtained, without charge, by writing to us at the address above.

This Proxy Statement and the accompanying proxy card and Notice of Annual General Meeting of Shareholders are first being mailed to shareholders on or about June 6, 2008.

Unless otherwise indicated or unless the context otherwise requires, all references in this Proxy Statement to "the Company," "we," "us," "our" and similar expressions are references to Greenlight Capital Re, Ltd. All references to Greenlight Re are references to Greenlight Reinsurance, Ltd. the wholly-owned subsidiary of Greenlight Capital Re, Ltd.

VOTING SECURITIES AND VOTE REQUIRED

As of June 2, 2008, the record date for the determination of persons entitled to receive notice of, and to vote at, the Meeting, the following ordinary shares were issued and outstanding:

29,847,787 Class A ordinary shares, par value \$0.10 per share	•
ordinary shares, par value \$0.10 per share	• 6,254,949 Class B

The above ordinary shares are our only classes of equity shares outstanding and entitled to vote at the Meeting.

Class A Ordinary Shares

Each Class A ordinary share is entitled to one vote per share. However, except upon unanimous consent of the Board of Directors, no holder shall be permitted to acquire an amount of shares which would cause any person to own (directly, indirectly or constructively under applicable United States tax attribution and constructive ownership rules) 9.9% or more of the total voting power of the total issued and outstanding ordinary shares. Due to the voting

limitations on our Class B ordinary shares described below, each Class A ordinary share will be effectively entitled to more than one vote per share subject to the 9.9% restriction described in this paragraph.

#### Class B Ordinary Shares

Each Class B ordinary share is entitled to ten votes per share. However, the total voting power of all Class B ordinary shares, as a class, shall not exceed 9.5% of the total voting power of the total issued and outstanding ordinary shares. The voting power of any Class A ordinary shares held by any holder of Class B ordinary shares (whether directly, or indirectly or constructively under applicable United States tax attribution and constructive ownership rules) shall be included for purposes of measuring the total voting power of the Class B ordinary shares.

---

## Table of Contents

Because the applicability of the voting power reduction provisions to any particular shareholder depends on facts and circumstances that may be known only to the shareholder or related persons, we request that any holder of ordinary shares with reason to believe that it is a shareholder whose ordinary shares constitute 9.9% or more of the voting power of the Company, or a 9.9% Shareholder, contact us promptly so that we may determine whether the voting power of such holder's ordinary shares should be reduced. By submitting a proxy, a holder of ordinary shares will be deemed to have confirmed that, to its knowledge, it is not, and is not acting on behalf of, a 9.9% Shareholder. The directors of the Company are empowered to require any shareholder to provide information as to that shareholder's beneficial ownership of ordinary shares, the names of persons having beneficial ownership of the shareholder's ordinary shares, relationships with other shareholders or any other facts the directors may consider relevant to the determination of the number of ordinary shares attributable to any person. The directors may disregard the votes attached to ordinary shares of any holder who fails to respond to such a request or who, in their judgment, submits incomplete or inaccurate information. The directors retain certain discretion to make such final adjustments that they consider fair and reasonable in all the circumstances as to the aggregate number of votes attaching to the ordinary shares of any shareholder to ensure that no person shall be a 9.9% Shareholder at any time.

The attendance of two or more persons representing, in person or by proxy, more than 50% of the issued and outstanding ordinary shares as of June 2, 2008, the record date of the Meeting, is necessary to constitute a quorum at the Meeting. Assuming that a quorum is present, the affirmative vote of the holders of a simple majority of the ordinary shares voted will be required to approve each of the proposals 1, 2, 4 and 5. The affirmative vote of holders of two-thirds of the ordinary shares voted will be required to approve proposal 3.

With regard to any proposal, votes may be cast in favor of or against such proposal or a shareholder may abstain from voting on such proposal. Abstentions will be excluded entirely from the vote and will have no effect except that abstentions and "broker non-votes" will be counted toward determining the presence of a quorum for the transaction of business. Generally, broker non-votes occur when ordinary shares held for a beneficial owner are not voted on a particular proposal because the broker has not received voting instructions from the beneficial owner, and the broker does not have discretionary authority to vote on a particular proposal.

The Board of Directors recommends that the shareholders take the following actions at the Meeting:

1.  
Proposal One: to vote FOR the election of the director nominees named herein to the Company's Board of Directors for terms expiring at the Annual General Meeting of Shareholders in 2009.
2. Proposal Two: to  
vote FOR the election of the director nominees named herein to serve on the Board of Directors of Greenlight Re until the Annual General Meeting of Shareholders in 2009, which pursuant to the Company's Third Amended and Restated Memorandum and Articles of Association, is required to be considered by the shareholders of the Company.
- 3 Proposal Three:  
To vote FOR amendment to Article 11 of our Third Amended and Restated Articles of Association by Special Resolution as set forth in Exhibit A to the Proxy Statement.
4. Proposal Four: to  
vote FOR the ratification of BDO Seidman, LLP, or BDO, an independent registered public accounting firm, as the Company's independent auditor for 2008.
5. Proposal Five: to  
vote FOR the ratification of BDO an independent registered public accounting firm, as Greenlight Re's independent auditor for 2008, which pursuant to the Company's Third Amended and Restated Memorandum and Articles of Association, is required to be considered by the shareholders of the Company.

A representative of BDO will attend the Meeting, and will be available to respond to questions and may make a statement if he or she so desires.

### SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD OF DIRECTORS. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS. Such persons designated as proxies are officers of the Company. Any shareholder desiring to appoint another person to represent him or her at the Meeting may do so by inserting such person's name in the blank space provided on the accompanying form of proxy and delivering an executed proxy to the Secretary of the Company at the address indicated above before the time of the Meeting. It is the responsibility of the shareholder appointing such other person to represent him or her to inform such person of this appointment.

All ordinary shares represented by properly executed proxies that are returned and not revoked will be voted in accordance with the instructions, if any, given thereon. If no instructions are provided in an executed proxy, it will be voted FOR each of the proposals described herein and set forth on the accompanying form of proxy, and in accordance with the proxy holder's best judgment as to any other business as may properly come before the Meeting. If a shareholder appoints a person other than the persons named in the enclosed form of proxy to represent him or her, such person should vote the shares in respect of which he or she is appointed proxy holder in accordance with the directions of the shareholder appointing him or her.

Proxies must be received by us not less than 24 hours prior to the holding of the Meeting. A shareholder may revoke his or her proxy at any time up to one hour prior to the commencement of the Meeting by filing a written revocation with the Secretary of the Company at our address set forth above, by filing a duly executed proxy bearing a later date or by appearing in person and voting by ballot at the Meeting. A shareholder may vote his or her shares in person even if he or she has returned a proxy.

### PROPOSAL ONE ELECTION OF DIRECTORS OF THE COMPANY

Our Third Amended and Restated Memorandum and Articles of Association, or the Articles, provide that the Board of Directors shall be appointed annually for a term of appointment that shall end at the conclusion of the Annual General Meeting of Shareholders following the one at which they were appointed. Currently, we have seven directors serving on our Board of Directors. The Board of Directors has nominated Alan Brooks, David Einhorn, Leonard Goldberg, Ian Isaacs, Frank Lackner, Bryan Murphy and Joseph Platt to serve as the directors of the Company, to be voted on by all holders of record of ordinary shares as of the Record Date. The Board of Directors has no reason to believe any nominee will not continue to be a candidate or will not be able to serve as a director of the Company if elected. In the event that any nominee is unable to serve as a director, the proxy holders named in the accompanying proxy have advised that they will vote for the election of such substitute or additional nominee(s) as the Board of Directors may propose. The Board of Directors unanimously recommends that you vote FOR the election of each of the nominees.

Each of the director nominees is currently serving as a director of the Company. Unless otherwise directed, the persons named in the proxy intend to vote all proxies FOR the election of the following director nominees.

The Nominating and Governance Committee also reviews the performance of the Board of Directors and the Company's succession planning. All of these members of our Nominating and Governance Committee are independent as defined under the Nasdaq stock market rules and applicable SEC rules and regulations. The Nominating and Governance Committee is governed by a written charter approved by our Board of Directors, which outlines its primary duties and responsibilities and which can be found on our website at [www.greenlightre.ky](http://www.greenlightre.ky).

The Nominating and Governance Committee is responsible for reviewing with the Board of Directors, on an annual basis, the requisite skills and characteristics of new directors as well as the composition of the Board of Directors as a whole. When the Board of Directors determines to seek a new member, whether to fill a vacancy or otherwise, the Nominating and Governance Committee generally does not use third-party search firms. The Nominating and Governance Committee considers recommendations from other directors, management and others, including shareholders. In general, the Nominating and Governance Committee looks for directors possessing superior business judgment and integrity who have distinguished themselves in their chosen fields of endeavor and who have knowledge or experience in the areas of insurance, reinsurance, financial services or other aspects of the Company's business, operations or activities.

The Nominating and Governance Committee will consider, for director nominees, persons recommended by shareholders, who may submit recommendations to the Nominating and Governance Committee in care of the Company's Secretary, Greenlight Capital Re, Ltd., The Grand Pavilion, 802 West Bay Road, P.O. Box 31110, Grand Cayman, KY1-1205, Cayman Islands. To be considered by the Nominating and Governance Committee, such recommendations must be accompanied by a description of the qualifications of the proposed candidate and a written statement from the proposed candidate that he or she is willing to be nominated and desires to serve if elected. Nominees for director who are recommended by shareholders to the Nominating and Governance Committee will be evaluated in the same manner as any other nominee for director. Nominations by shareholders may also be made at an Annual General Meeting of Shareholders in the manner set forth under "Shareholder Proposals for Annual General Meeting in 2009."

## Director Compensation

We currently have five independent directors who receive compensation from us for their services. Under the Articles, our directors may receive such compensation for their services as may be determined by the Board of Directors. Neither Mr. Einhorn nor Mr. Goldberg is eligible for compensation as a member of the Board of Directors. During 2007, we revised our director compensation package. From January 1, 2007 until April 30, 2007, we paid our directors, excluding Messrs. Einhorn and Goldberg, an annual retainer of \$10,000, a per board meeting fee of \$2,000 and a per committee meeting fee of \$1,000. A director who attended a meeting telephonically received one-half of the

scheduled fee. We reimburse directors for usual and customary expenses while on company business.

On February 15, 2007, the Compensation Committee determined that the annual retainer we pay to our directors, excluding Mr. Einhorn and Mr. Goldberg, should be increased from \$10,000 to \$50,000, effective May 1, 2007, payable at the election of the directors either quarterly (for quarters commencing May 1) in arrears, in cash or once in restricted shares, which restricted shares will vest at

the earlier of the date of the one year anniversary of the grant date and the next Annual General Meeting of Shareholders. In addition, the Compensation Committee determined to cease the payment of per meeting fees. Each independent director will also be annually awarded 2,000 restricted shares, which will vest at the earlier of the date of the one year anniversary of the grant date and the next Annual General Meeting of Shareholders. The Compensation Committee also determined that, effective May 2007, the Chairman of the Audit Committee will receive an additional \$20,000 in cash annually, payable quarterly (for quarters commencing May 1) in arrears.

Platt, Lackner, Isaacs and Brooks, in respect of 5,000 Class A ordinary shares each under our stock incentive plan. The restricted stock awards vested one third on each of September 20, 2005, September 20, 2006 and September 20, 2007, subject to the director’s continued service. If the director’s service terminates for any reason other than the director’s death, disability or upon a change in control prior to the vesting dates, any unvested shares subject to the restricted stock award will be forfeited by the director and cancelled by us. Due to his resignation from our Board of Directors on February 16, 2007, Mr. Isaacs forfeited 1,667 shares of his restricted stock award.

On February 28, 2006, we granted options to four directors, Messrs. Platt, Lackner, Isaacs and Brooks, to acquire 2,000 Class A ordinary shares each with a per share exercise price of \$12.05. Each of the options vests and becomes exercisable with respect to 666 shares on each of February 28, 2007,

### COMPENSATION DISCUSSION AND ANALYSIS

#### Compensation Policy

In general, we seek to pay salaries and living expenses that are commensurate with the salaries and living expenses paid by other reinsurance companies to executives in similar positions. However, as we are the first global reinsurer in the Cayman Islands, no direct comparisons may be made.

Our performance-driven compensation policy consists of the following three components:

- base salary;
- bonuses; and
- stock incentive plan awards.

We use short-term compensation comprised of base salary and annual cash bonuses and long-term compensation comprised of deferred bonuses, stock options and restricted stock in an effort to align our employees' and executive officers' interests with those of our shareholders with the goal of increasing long-term growth in book value per share. We compensate our current executive officers, Messrs. Goldberg, Hedges and Courtis, or the named executive officers, according to the terms of their employment agreements.

Our Compensation Committee reviews all recommendations made with respect to discretionary compensation and approves all discretionary compensation decisions for all of our employees, including our named executive officers. Each year, our named executive officers provide information and recommendations to the Compensation Committee with respect to individual performance to assist the Compensation Committee with its analysis and evaluation of each employee's compensation. However, while the Compensation Committee considers this information, it is not bound by the named executive officers' recommendations. While the Compensation Committee is generally familiar with the compensation of similarly situated individuals and does consider this information when making compensation decisions, given the nature of our business and compensation, the Compensation Committee has not felt it necessary to utilize the services of a compensation consultant or to do any formal benchmarking.

#### Base Salary

We use base salary to recognize the experience, skills, knowledge, roles and responsibilities of our employees and executive officers. When establishing the base salaries of our named executive officers, our Compensation Committee considered a number of factors, including:

- the individual's years of underwriting and actuarial experience;
- the functional role of the position;
- the level of the individual's responsibility;
- our ability to replace the individual; and
- the limited number

of well-qualified candidates available in or willing to relocate to the Cayman Islands.

Base salaries, which may include a living allowance, are expected to be reviewed by the Compensation Committee for possible increases at least every three years.

#### Bonuses

We use bonuses to reward individual and company performance. We expect our bonuses to be highly variable from year to year. Our Compensation Committee determines each named executive officer's target bonus, expressed as a percentage of his base salary.

Mr. Goldberg's employment agreement specifies a target bonus of 100% of base salary. Mr. Hedges' employment agreement specifies a target bonus of 100% of base salary. Mr. Courtis'

## Table of Contents

employment agreement specifies a target bonus of 50% of base salary. Actual bonuses paid during 2007 with respect to 2006 performance were \$600,000 to Mr. Goldberg, \$520,000 to Mr. Hedges and \$103,333 to Mr. Courtis.

Our Compensation Committee approved a new bonus program, which became effective as of the 2007 year and in which all our employees, including our named executive officers, participate. Under the new bonus program, each employee's target bonus consists of two components: a quantitative component based on return on deployed equity relating to our reinsurance operations and a discretionary component based on a qualitative assessment of each employee's performance. Each employee is assigned a percentage of the portion of his or her bonus that will be determined based upon the quantitative component of his or her bonus. An employee's quantitative bonus percentage may be adjusted annually by the Compensation Committee. The remaining portion of the target bonus is discretionary and determined based on a qualitative assessment of the employee's performance in relation to certain annual performance goals and objectives.

The quantitative portion of an employee's annual bonus is not calculated and paid until two years from the end of the fiscal year in which the business was underwritten. The employee's receipt of the quantitative portion of his or her bonus is therefore deferred for two years so that we can better determine the actual performance of the reinsurance contracts for such underwriting year. An employee must be employed by us on the last day of the applicable fiscal year in order to receive the quantitative component of his or her bonus with respect to such year, but need not be employed by us at the date of payment of the deferred amounts. We note that the Compensation Committee has the discretion to reduce or increase any employee's quantitative component bonus award based on his or her individual performance or other extraordinary factors.

We do not provide financial guidance relative to our return on deployed equity relating to our reinsurance operations; we believe that disclosure of the specific details of our return on deployed equity methodology and the levels required for bonus payments would cause us competitive harm. Moreover, 2007 is the first year in which our Compensation Committee employed this bonus program, and we only commenced our underwriting operations in April 2006. Therefore, we have not reached our first two year deferral period and we cannot assess whether the levels required for payment of quantitative bonuses, or any portion thereof, will be attained, with any degree of certainty. However, we believe that the levels required for quantitative bonus payments to each of our employees are attainable.

The discretionary portion of an employee's annual bonus is determined by taking into account the employee's achievement of individual performance goals established by the employee and management and reviewed and approved by our Chief Executive Officer (in the case of non-management employees) or the Compensation Committee (in the case of management employees). An employee must be employed by us or one of our subsidiaries on the last day of the year in order to receive the discretionary component of his or her bonus for the year.

With respect to the 2007 discretionary bonuses of our named executive officers, the Compensation Committee considered the individual performance of each of our named executive officers taking into account their respective achievements in relation to certain goals and objectives and such other criteria as the Compensation Committee deemed appropriate. The following is a non-exclusive list of factors considered by the Compensation Committee in making 2007 qualitative bonus determinations, none of which were assigned any particular weight and none of which were necessarily applicable to any particular named executive officer:

Expanding new lines of business;

relationships with brokers, agents and managing general agents;

- 
- Developing

regulatory issues and relationships, including with rating agencies;  
letters of credit facilities;  
of Directors and committee meetings run efficiently and effectively;

developing staff;

- Recruiting and
- Developing and
- Developing
- Producing

managing relationships with outside experts, including financial advisors, attorneys and accountants;

expertise in SEC reporting requirements; and

underwriting analyses and reports which help the Company track the progress of its business.

As a result of these analyses, the Compensation Committee approved discretionary bonus amounts at 100% of target with respect to 2007 performance, resulting in a \$100,000 qualitative bonus payment to Mr. Goldberg, a \$90,000 qualitative bonus payment to Mr. Hedges and a \$90,000 qualitative bonus payment to Mr. Courtis.

The discretionary bonus amounts were paid on March 7, 2008.

## Stock Incentive Plan Awards

In 2004, we adopted a stock incentive plan, which was amended and restated effective as of August 15, 2005, February 14, 2007 and May 4, 2007. We have historically granted stock options to our employees, including our named executive officers, at employment inception that vest ratably over three years. Pursuant to the terms of his employment agreement, Mr. Goldberg also receives annual option grants. In accordance with Mr. Goldberg's employment agreement, on August 15, 2007, our Board of Directors granted Mr. Goldberg options to acquire 50,000 Class A ordinary shares at an exercise price of \$19.60 per share, which was the fair market value of the shares on the grant date.

The Compensation Committee has decided that over the long term, restricted stock will be the preferred form of equity compensation as it better aligns management with long-term shareholder value creation. The Compensation Committee has established the target value of restricted stock grants that each named executive officer may receive. The actual value of restricted stock grants will depend upon each named executive officer's performance, as determined by the Compensation Committee and may be less than or greater than the target value. The restricted stock will be subject to three-year cliff vesting. Unvested restricted shares will be forfeited if a named executive officer terminates employment for any reason (other than death or disability). Currently, we expect long-term compensation, or the deferred portion of our bonus program and stock incentive plan awards, to represent the majority of each named executive officer's compensation.

In order to prevent the backdating of equity awards and to ensure that the timing of awards or the release of material information will not be accelerated or delayed to allow an award recipient to benefit from a more favorable stock price, the Board of Directors and the Compensation Committee adopted a policy with respect to the equity grant practices which delineates specific procedures which must be followed when granting equity awards. We believe this policy will help the integrity of our equity award grant practices.

With respect to the 2006 year, the Compensation Committee approved and we granted awards of 37,000, 33,500 and 19,065 Class A ordinary restricted shares to Messrs. Goldberg, Hedges and Courtis, respectively, under the stock incentive plan. The shares were granted on March 15, 2007 and are restricted and subject to three-year cliff vesting. These stock awards reflect the Compensation Committee's assessment of each individual's successful performance during 2006 with respect to building the Company's underwriting platform and efforts made to prepare the Company for a successful initial public offering.

With respect to the 2007 year, the Compensation Committee approved and we granted awards of 24,935 Class A ordinary restricted shares to each of Messrs. Goldberg, Hedges and Courtis under the stock incentive plan. The shares were granted on March 24, 2008 and are restricted and subject to three-year cliff vesting.

### Other

Our named executive officers are currently parties to employment agreements. We do not contemplate amending these agreements, except to the extent necessary to comply with Section 409A of the Internal Revenue Code of 1986, as amended, or the Code. In addition, we intend to continue to maintain our current benefits and perquisites for our executive officers. However, the Compensation Committee may revise, amend or add to these benefit programs at its discretion.

Because we are not a U.S. taxpayer, our compensation program has not been designed to comply with Section 162(m) of the Code.

### Ordinary Share Ownership Guidelines

We believe that broad-based share ownership by our employees, including our named executive officers, is the most effective method to deliver superior shareholder returns by increasing the alignment between the interests of our employees and our shareholders. We do not, however, have a formal requirement for share ownership by any group of employees.

### Change in Control and Severance

Upon termination of employment or a change in control, the named executive officers may receive accelerated vesting of awards granted under our stock incentive plan and severance payments under their employment agreements.

Under our stock incentive plan, the Compensation Committee generally has the discretion to vest unvested awards upon a change in control as described below under “—The Stock Incentive Plan.” This discretion allows the Compensation Committee to determine at the time of the change in control whether, and the extent to which, additional vesting is warranted. In addition, Mr. Goldberg’s option agreements and each named executive officer’s restricted stock award agreement provide for accelerated vesting upon termination of employment under certain circumstances, including upon a change in control. For more details on these termination provisions, see “Potential Payments upon Termination or Change in Control.”

Upon termination of employment without cause or for good reason, our named executive officers are eligible for severance payments which, depending upon the circumstances surrounding termination, may include:

- a cash payment equal to one year’s annual salary and bonus;
- a pro-rated target bonus for the year of termination; and
- one year of continued health benefits.

The amount of our severance obligations is designed to be competitive with the amounts payable to executives in similar positions at other global reinsurance companies with which we compete for talent. Severance payments are made monthly and are contingent upon the named executive officer’s continued compliance with the restrictive covenants in his employment agreement. Mr. Goldberg’s agreement contains a special provision whereby he may terminate his employment and receive severance benefits in the event of a change in control (as defined under the description of his employment agreement). We agreed to this provision in consideration of the risk Mr. Goldberg took

by joining us in our formation stages and our recognition of his willingness to take the risk and his confidence in both our overall strategy and the strength of our Board of Directors.

#### Compensation Committee Report

In February 2008, the Compensation Committee reviewed and discussed the compensation discussion and analysis required by Regulation S-K, Item 402(b) promulgated under the Exchange Act, with management. Based on the review and discussions referred to in the preceding sentence, the Compensation Committee recommended to the Board of Directors that the compensation discussion and analysis disclosure be included in this Proxy Statement.

Represents the discretionary portion of the named executive officer's bonus, which was paid on March 7, 2008. (2) Includes a signing bonus of \$50,000, which Mr. Hedges received in accordance with the terms of his employment agreement. (3) All stock awards were granted under our stock incentive plan. We account for the stock incentive plan under SFAS No. 123R. The value reported above under Stock Awards is the amount we expensed during 2007 for each named executive officer's restricted stock award. (4) All stock options were granted under our stock incentive plan at fair value on the date of grant. The value reported above under Option Awards is the amount we expensed during 2007 and 2006 for each named executive officer's stock option award. (5) The quantitative portion of each named executive officer's bonus for 2007 is only an estimate. As discussed in the "Compensation Discussion & Analysis" section of this proxy statement, such quantitative component is calculated and paid two years following the end of the fiscal year in which the business is underwritten (in this case, 2007 is the underwriting year and the quantitative portion of the bonus will be paid in 2010). As of December 31, 2007, we believe that these bonus amounts would equal approximately \$984,000 for Mr. Goldberg, \$885,000 for Mr. Hedges and \$148,000 for Mr. Curtis. We note, however, that the ultimate amount of the quantitative portion of the bonus for each named executive officer may differ materially from the estimate provided herein. (6) The amounts shown in this column include a housing allowance and the amounts we contributed to our defined contribution pension plan on behalf of each named executive officer. (7) Includes a \$120,000 housing allowance and amounts contributed to our defined contribution pension plan on behalf of Mr. Goldberg. (8) Includes a \$72,000 housing allowance and amounts contributed to our defined contribution pension plan on behalf of Mr. Hedges. (9) Includes a \$72,000 housing allowance and amounts contributed to our defined contribution pension plan on behalf of Mr. Curtis. (10) Includes a \$25,000 relocation allowance, a \$48,000 housing allowance and amounts that we contributed to our defined contribution pension plan on behalf of Mr. Curtis.

Mr. Goldberg is subject to a six-month post-termination non-competition restriction and a one-year post-termination non-solicitation restriction in addition to perpetual confidentiality and non-disparagement requirements. The non-competition restriction does not apply if Mr. Goldberg’s employment terminates at the end of its term under circumstances that do not entitle him to receive severance payments. The Compensation Committee is currently negotiating a new employment agreement with Mr. Goldberg to be effective after the termination of his existing agreement on August 15, 2008.

## The Stock Incentive Plan

### General

On August 11, 2004, we adopted the Greenlight Capital Re, Ltd. 2004 stock incentive plan, or the stock incentive plan, which was amended and restated on August 15, 2005, February 14, 2007 and May 4, 2007. The general purpose of the stock incentive plan is to enable us and our affiliates to retain the services of eligible employees, directors and consultants through the grant of stock options, stock bonuses and rights to acquire restricted stock (collectively referred to as the awards).

Subject to adjustment in accordance with the terms of the stock incentive plan, 2,000,000 Class A ordinary shares are available for the grant of awards under the stock incentive plan. The maximum number of Class A ordinary shares with respect to which options may be granted to any participant during any calendar year is 500,000 Class A ordinary shares. As of December 31, 2007, 1,179,000 options and 139,757 restricted shares have been granted under the stock incentive plan.

### Administration

The Compensation Committee administers the stock incentive plan and has broad discretion, subject to the terms of the stock incentive plan, to determine which eligible participants will be granted awards, prescribe the terms and conditions of awards, establish rules and regulations for the interpretation and administration of the stock incentive plan and adopt any modifications, procedures or sub-plans that may be necessary or desirable to comply with the laws of foreign countries in which we or our affiliates operate to assure the viability of awards granted under the stock incentive plan.

### Options

Options are subject to such terms and conditions as the Compensation Committee deems appropriate. The Compensation Committee determines the per share exercise price of options which will not be less than 100% of the fair market value of the Class A ordinary shares on the date of grant. Options expire ten years from the date of grant and vest and become exercisable as determined by the Compensation Committee on the date of grant.

Unless otherwise provided in an individual option agreement and subject to the stock incentive plan's adjustment provision, a change in control of the Company will not affect any options granted under the stock incentive plan.

### Restricted Stock Awards

Restricted stock awards are subject to such terms and conditions as the Compensation Committee deems appropriate as set forth in individual award agreements. Participants may be entitled to vote the restricted stock while held in our custody. The Compensation Committee determines the purchase price, if any, of restricted Class A ordinary shares.

#### Stock Bonus Awards

Stock bonus awards are subject to such terms and conditions as the Compensation Committee deems appropriate. To the extent permitted so that the Class A ordinary shares awarded will be treated as fully paid, a stock bonus may be awarded in consideration for past services rendered.

## Table of Contents

### Adjustments

The Compensation Committee will determine the appropriate adjustments to be made in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available with respect to an award upon the occurrence of certain events affecting our capitalization such as a dividend or other distribution, recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, spin-off or sale, transfer or disposition of all or substantially all of our assets or stock. For example, the Compensation Committee may adjust the number of Class A ordinary shares subject to outstanding awards and the exercise price of outstanding options.

### Amendment/Termination

Our Board of Directors may amend the stock incentive plan at any time. Except as provided in the stock incentive plan, no amendment will be effective unless approved by our shareholders to the extent shareholder approval is necessary to satisfy any applicable law or any national securities exchange listing requirement, and no amendment will be made that would adversely affect rights under an award previously granted under the stock incentive plan without the consent of the affected participants. The Compensation Committee may suspend or terminate the stock incentive plan at any time.

Unless sooner terminated, the stock incentive plan will terminate on August 10, 2014.

### Potential Payments Upon Termination or Change in Control

### Employment Agreements

In the event that we terminate Mr. Goldberg's employment without cause (as defined below), Mr. Goldberg terminates for good reason (as defined below) or his employment terminates at the end of the term of his employment agreement without an offer from us of continued employment on substantially similar terms, we will pay Mr. Goldberg a lump sum payment as soon as practicable following termination equal to accrued but unpaid base salary, bonus, and vacation pay; and a pro-rated portion of the target bonus that would have been paid for the year in which his employment terminated assuming targets had been achieved. In addition, we will pay him as severance in twelve monthly installments the sum of his annual base salary and target bonus provided that he does not breach the restrictive covenants in his employment agreement. These payments will be delayed for six months if the Board of Directors determines that Mr. Goldberg is a "specified employee" within the meaning of Section 409A of the Code.

If Mr. Goldberg's employment terminates as a result of his death or permanent retirement from the reinsurance industry, Mr. Goldberg and/or his beneficiary, legal representatives or estate are entitled to accrued but unpaid base salary, bonus and vacation pay; and a pro-rated portion of the target bonus that would have been paid for the year in which his employment terminated assuming targets had been achieved, as soon as practicable following termination. In addition, if Mr. Goldberg's employment terminates as a result of his death, his spouse and dependents are entitled to receive health benefits for one year. We may terminate Mr. Goldberg's employment agreement upon 30 days' prior written notice if he becomes disabled. If Mr. Goldberg's employment terminates because of disability (as defined below), in addition to the accrued but unpaid compensation discussed above and pro-rated bonus, Mr. Goldberg is entitled to receive base salary and continued health benefits for the lesser of one year or until Mr. Goldberg is eligible to receive long-term disability benefits under any long-term disability plan that we may establish. Continued base salary payments will be paid in accordance with our regular payroll schedule. If we are not able to provide Mr. Goldberg, his spouse, or dependents with continued participation in our health plan, we will pay Mr. Goldberg for the cost of such benefits which does not exceed the amount which we would have paid if they had been entitled to

participate. The cost of such benefits will be paid in accordance with the procedures we establish.

We may require that Mr. Goldberg execute a release of claims against us as a condition for compensation or benefits payable upon any termination of employment.

## Table of Contents

In the event that we terminate Mr. Curtis' or Mr. Hedges' employment without cause (as defined below), or either named executive officer terminates his employment for good reason, (as defined below), we will pay him accrued but unpaid base salary, bonus and vacation pay; and a pro-rated portion of the target bonus that would have been paid for the year in which he was terminated assuming targets had been achieved, as soon as practicable following termination. In addition, we will pay him severance in twelve monthly installments equal to the sum of his annual base salary and target bonus assuming targets had been achieved, provided that he does not breach the restrictive covenants in his employment agreement. Because he would need to relocate upon his termination from the Company, Mr. Curtis is also entitled to receive an additional \$25,000 lump sum payment at the same time he receives his first monthly severance payment. Payments will be delayed for six months if the Board of Directors determines that Mr. Curtis or Mr. Hedges is a "specified employee" within the meaning of Section 409A of the Code.

If either Mr. Curtis' or Mr. Hedges' employment terminates as a result of his death, his beneficiary, legal representatives or estate are entitled to accrued but unpaid base salary, bonus and vacation pay; and a pro-rated portion of the target bonus that would have been paid for the year in which his employment terminated assuming targets had been achieved, as soon as practicable following termination. In addition, his spouse and dependents are entitled to receive health benefits for one year. We may terminate Mr. Curtis' or Mr. Hedges' employment agreement upon 30 days' prior written notice if he becomes disabled. If Mr. Curtis' or Mr. Hedges' employment terminates because of disability, he is entitled to accrued but unpaid base salary, bonus and vacation pay; a pro-rated portion of the target bonus that would have been paid for the year in which his employment was terminated assuming targets had been achieved, as soon as practicable following termination; and base salary and continued health benefits for the lesser of one year or until he is eligible to receive long-term disability benefits under any long-term disability plan that we may establish. Continued base salary payments will be paid in accordance with our regular payroll schedule. If we are not able to provide either Mr. Curtis or Mr. Hedges, their spouses or dependents with continued participation in our health plan, we will pay for the cost of such benefits which does not exceed the amount which we would have paid if they have been entitled to participate. The cost of such benefits will be paid in accordance with the procedures we establish. If Mr. Hedges' employment is terminated without cause in connection with a dissolution of Greenlight Re which occurs prior to January 10, 2009, he is entitled to receive accrued but unpaid base salary, bonus and vacation pay; and a pro-rated portion of the target bonus that would have been paid for the year in which his employment terminated assuming targets had been achieved, as soon as practicable following termination. In addition, under such circumstances, Mr. Hedges will receive a lump sum cash payment on the same date severance would otherwise be payable equal to the greater of the sum of his annual base salary and target bonus for the year of termination or the aggregate sum of base salary which Mr. Hedges would have received from the date of termination through January 10, 2009.

We may require that Mr. Curtis or Mr. Hedges execute a release of claims against us as a condition for compensation or benefits payable upon any termination of employment.

For purposes of the employment agreements, "cause" generally means:

- the named executive officer's drug or alcohol use which impairs his ability to perform his duties;
- conviction by a court, or plea of "no contest" or guilty to a criminal offense;
- engaging in fraud, embezzlement or any other illegal conduct with respect to us and/or any of our affiliates;
- willful violation of the restrictive covenants set forth in his employment agreement;

refusal to perform the duties under his employment agreement; or

- willful failure or
- breach of any

material provision of his employment agreement or any of our or any of our affiliates' policies related to conduct which is not cured, if curable, within ten days after written notice is given.

## Table of Contents

For purposes of the employment agreements, “good reason” generally means any of the following events which is not cured, if curable, within 30 days after the named executive officer has given notice thereof:

- any material and adverse change to the named executive officer’s duties or authority which are inconsistent with his title and position;
- a reduction of the named executive officer’s base salary; or
- a failure by us to comply with any other material provisions of the employment agreement.

In addition to the above provisions, the definition of “good reason” in Mr. Goldberg’s employment agreement also includes a diminution of his title or position or a change in control (change in control has the same definition as in the stock incentive plan discussed above).

For purposes of the employment agreements, “disability” generally means if, as a result of incapacity due to physical or mental illness, the named executive officer is substantially unable to perform his duties for an entire period of at least 90 consecutive days or 180 non-consecutive days within any 365-day period.

## Stock Incentive Plan and Awards Granted Thereunder

Under the terms of the stock incentive plan, unless an option award provides otherwise, upon termination other than for cause, death or disability (as defined below), all unvested options terminate and the participant may exercise his or her vested options within the period ending upon the earlier of three months following termination or ten years from the grant date of the option (i.e., the option’s expiration date). Unless an option award provides otherwise, upon termination for cause (as defined below), all vested and unvested options will terminate. Unless an option award provides otherwise, upon termination for death or disability, all unvested options will terminate, and the vested portion of the option may be exercised for the period ending upon the earlier of twelve months following termination or the option’s expiration date.

Under the terms of the option grants which Mr. Goldberg received in 2005, 2006 and 2007, any unvested portion of each option award vests upon our termination of his employment without cause, (as defined in his employment agreement, see description above), or Mr. Goldberg’s termination of employment for good reason (as defined in his employment agreement, see description above), or when his employment period expires if we do not offer Mr. Goldberg continued employment on substantially similar terms, and the option will remain exercisable until the expiration date. Upon Mr. Goldberg’s termination for death or disability (as defined in his employment agreement, see description above), any unvested portion of the option will terminate and any vested portion of the option will remain exercisable until the expiration date. If we terminate Mr. Goldberg’s employment due to his permanent retirement from the reinsurance industry, any unvested portion of the option will terminate, and the vested portion will remain exercisable until the tenth anniversary of the date of grant, unless Mr. Goldberg becomes employed by an entity which competes with any aspect of our or our affiliates’ business, in which case, the option will immediately terminate. If we terminate Mr. Goldberg’s employment for cause, all vested and unvested portions of the option will terminate. If Mr. Goldberg’s employment terminates under any other circumstances, the unvested portion of the option will terminate and the vested portion will remain exercisable for 90 days, but no later than the expiration date.

Under the terms of the option grants awarded to Mr. Courtis and Mr. Hedges, upon termination of employment, the awards remain exercisable in accordance with the terms of the stock incentive plan, except that upon termination,

other than for cause, death or disability each as defined below, all vested options remain exercisable for the period ending upon the earlier of 90 days or the expiration date.

Under the terms of the restricted stock awards granted to each of Messrs. Goldberg, Hedges and Curtis in 2007, the awards will automatically vest upon the executive's termination of employment due to death or disability or upon the occurrence of a change in control (as defined in the stock

## Table of Contents

incentive plan, see description above). If the executive's employment terminates for any other reason, the unvested shares of restricted stock will be automatically repurchased by the Company for par value and cancelled.

Upon a change in control (as defined in the stock incentive plan, see description above), the Compensation Committee has the discretion to vest unvested options. In the tables below, it is assumed that the Compensation Committee exercised its discretion to vest unvested options.

For purposes of the stock incentive plan, "cause" generally means: if the participant is a party to an employment agreement or other agreement with us or an affiliate and such agreement provides for a definition of cause, the definition contained in the agreement, or, if no such agreement or definition exists, cause means a participant's:

- material breach of his employment agreement or other agreement;
- continued failure to satisfactorily perform assigned job responsibilities or to follow the reasonable instructions of his superiors, including, without limitation, the Board of Directors;
- commission of a crime constituting a criminal offense or felony (or its equivalent) or other crime involving moral turpitude; or
- material violation of any material law or regulation or any policy or code of conduct adopted by the Company or engaging in any other form of misconduct which, if it were made public, could reasonably be expected to adversely affect our or an affiliate's business reputation or affairs.

For purposes of the stock incentive plan, "disability" generally means, if the participant is a party to an employment agreement or other agreement with us or an affiliate and the agreement provides for a definition of disability, the definition contained in the agreement, or, if no such agreement or definition exists, disability will mean the failure of the participant to perform his duties due to physical or mental incapacity as determined by the Compensation Committee.

Assuming Mr. Goldberg's employment terminates under each of the circumstances described above on December 31, 2007, such payments and benefits have an estimated value of:

#### Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our directors, executive officers and the persons who beneficially own more than 10% of our ordinary shares file reports of ownership and changes of ownership on Forms 3, 4 and 5 with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulations promulgated by the SEC to furnish us with copies of all Forms 3, 4 and 5 they file. Based solely on the reports received by us and on the written representations of the reporting persons, we believe that no director, executive officer or greater than 10% shareholder failed to file on a timely basis the reports required by Section 16(a) of the Exchange Act during, or with respect to, fiscal 2007, except that Messrs. Brooks, Courtis, Einhorn, Goldberg, Hedges, Lackner, Platt, Simon and Sherry Diaz each inadvertently failed to file on a timely basis a Form 3 prior to our initial public offering of Class A ordinary shares. Each subsequently filed the necessary Form 3 within one day of the required filing date.

#### CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

##### Related-Party Transaction Policy and Audit Committee Charter

We have established a written related-party transaction policy which provides procedures for the review of transactions in excess of \$120,000 in any year between us and any covered person having a direct or indirect material interest, subject to certain exceptions. Covered persons include any director,

## Table of Contents

executive officer, director nominee, 5% shareholder or any immediate family members of the foregoing. Any such related-party transactions shall require advance approval by a majority of our independent directors or a majority of the members of a committee constituted solely of our independent directors. In addition, our Audit Committee charter provides that the Audit Committee will review and approve all related-party transactions.

### Advisory Agreement and Investment Agreement

During 2007, we entered into an advisory agreement with DME Advisors, which is controlled by David Einhorn, Chairman of our Board of Directors. This advisory agreement was terminated effective January 1, 2008. Pursuant to the terms of the advisory agreement, DME Advisors had the exclusive right to manage our investments, subject to the investment guidelines adopted by our Board of Directors for so long as the advisory agreement was in effect.

Pursuant to the advisory agreement, DME Advisors received two forms of compensation:

- a 1.5% annual fee, regardless of the performance of our investment account, payable monthly based on net value of the assets in our investment account, excluding assets used, if any, to collateralize Regulation 114 Trusts; and
- performance compensation based on the appreciation in the value of our investment account equal to 20% of net profits calculated per annum, subject to a loss carryforward provision. The loss carryforward provision allows DME Advisors to earn a reduced incentive compensation of 10% on profits in any year subsequent to the year in which our investment account managed by DME Advisors incurs a loss, until all the losses are recouped and an additional amount equal to 150% of the loss is earned.

The advisory agreement required that DME Advisors follow our investment guidelines and act in a manner that it considered fair and equitable in allocating investment opportunities to us, but did not otherwise impose any specific obligations or requirements concerning the allocation of time, effort or investment opportunities to us or any restrictions on the nature or timing of investments for our account and for DME Advisors' own account or other accounts which DME Advisors or its affiliates may manage. The advisory agreement was terminated effective January 1, 2008.

For the years ended December 31, 2007, 2006 and 2005, we paid \$7.7 million, \$4.1 million and \$3.2 million, respectively, in management fees and \$6.9 million, \$14.6 million and \$7.0 million in performance fees to DME Advisors.

On January 1, 2008, we entered into an agreement, or the investment agreement, wherein the Company and DME Advisors agreed to create a joint venture for the purposes of managing certain jointly held assets. The term of the investment agreement is January 1, 2008 through December 31, 2010 with automatic three-year renewals unless either Greenlight Re or DME Advisors terminates the agreement by giving 90 days notice prior to the end of the three-year term. Concurrent with the execution of the investment agreement, we terminated the advisory agreement with DME Advisors.

Pursuant to the investment agreement, DME Advisors has the exclusive right to manage our investments, subject to the investment guidelines adopted by our Board of Directors for so long as the agreement is in effect. DME Advisors receives two forms of compensation:

• a 1.5% annual fee, regardless of the performance of our investment account, payable monthly based on the net asset value of our investment account, excluding assets, held in trusts used to collateralize our reinsurance obligations, or Regulation 114 Trusts; and

• performance compensation based on the appreciation in the value of our investment account equal to 20% of net profits calculated per annum, subject to a loss carryforward provision.

The loss carryforward provision allows DME Advisors to earn reduced incentive compensation of 10% on profits in any year subsequent to the year in which our investment account incurs a loss, until all the losses are recouped and an additional amount equal to 150% of the loss is earned. DME Advisors is not entitled to earn performance compensation in a year in which our investment portfolio

## Table of Contents

incurs a loss. However, DME Advisors is entitled to earn reduced incentive compensation on subsequent years to the extent it generates profits for our investment portfolio in such years.

DME Advisors is required to follow our investment guidelines and act in a manner that it considers fair and equitable in allocating investment opportunities to us, but does not otherwise impose any specific obligations or requirements concerning the allocation of time, effort or investment opportunities to us or any restrictions on the nature or timing of investments for our account and for DME Advisors' own account or other accounts that DME Advisors or its affiliates may manage. In addition, DME Advisors can outsource to subadvisors without our consent or approval. In the event that DME Advisors and any of its affiliates attempt to simultaneously invest in the same opportunity, the opportunity will be allocated pro rata as reasonably determined by DME Advisors and its affiliates. Affiliates of DME Advisors presently serve as general partner or investment advisor of Greenlight Capital, L.P., Greenlight Capital Qualified, L.P., Greenlight Capital Offshore, Ltd., Greenlight Masters, L.P., Greenlight Masters Qualified, L.P., Greenlight Masters Offshore, Ltd., Greenlight Masters Offshore I, Ltd. and Greenlight Masters Partners, L.P., or the Greenlight Funds. Each of the Greenlight Funds utilizes an investment strategy that may compete with or diverge from our investment strategy.

We have agreed to use commercially reasonable efforts to cause all of our current and future subsidiaries to enter into substantially similar investment agreements, provided that any such agreement shall be terminable on the same date that the investment agreement is terminable.

We have agreed to release DME Advisors and its affiliates from, and to indemnify and hold them harmless against, any liability arising out of the investment agreement, subject to certain exceptions. Furthermore, DME Advisors and its affiliates have agreed to indemnify us against any liability incurred in connection with certain actions.

We may terminate the investment agreement prior to the expiration of its term only "for cause," which the investment agreement defines as:

- a material violation of applicable law relating to DME Advisors' advisory business;
- DME Advisors gross negligence, willful misconduct or reckless disregard of its obligations under the investment agreement;
- a material breach by DME Advisors of our investment guidelines that is not cured within a 15-day period; or
- a material breach by DME Advisors of its obligations to return and deliver assets as we may request.

## Service Agreement

In February 2007, we entered into a service agreement with DME Advisors, which was amended in August 2007 and October 2007, pursuant to which DME Advisors provides investor relations services to us for compensation of \$5,000 per month (plus expenses). The service agreement has an initial term of one year and will continue for sequential one-year periods until terminated by us or DME Advisors. Either party may terminate the service agreement for any reason with 30 days prior written notice to the other party.

For the year ended December 31, 2007, we incurred expenses of \$50,000 to DME Advisors for investor relations services.

#### Shareholders' Agreement

Pursuant to our Shareholders' Agreement, Greenlight Capital Investors, LLC, or GCI, had the right to unlimited demand registration rights once we are eligible to use Form S-3 (or similar short form registration statements). GCI assigned its demand registration rights under the Shareholders' Agreement, with our consent, to David Einhorn on January 3, 2007.

#### Concurrent Private Placement Stock Purchase Agreement

On January 11, 2007, the Company entered into a stock purchase agreement to sell \$50 million of Class B ordinary shares to David Einhorn concurrently with the Company's initial public offering. This

## Table of Contents

concurrent private placement which was completed on May 30, 2007, resulted in 2,631,579 Class B ordinary shares purchased by David Einhorn at \$19.00 per share.

Mr. Einhorn has registration rights for all of his Class B ordinary shares, as contemplated under the Shareholders' Agreement.

## OTHER MATTERS

Neither the Board of Directors nor management intends to bring before the Meeting any business other than the matters referred to in the Notice of Annual General Meeting of Shareholders and this Proxy Statement. ### Shareholder Proposals for the Annual General Meeting of Shareholders in 2009

Shareholder proposals must be received in writing by the Secretary of the Company no later than 120 days prior to the Company's Annual General Meeting of Shareholders in 2009 and must comply with the requirements of Cayman Islands corporate law and the Articles in order to be considered for inclusion in the Company's Proxy Statement and form of proxy relating to such Annual General Meeting of Shareholders, or the 2009 Proxy Statement. The Company believes that shareholder proposals received by December 15, 2008 would be considered timely for inclusion in the 2009 Proxy Statement. Such proposals should be directed to the attention of the Secretary, Greenlight Capital Re, Ltd.

Shareholders who intend to nominate persons for election as directors at the Annual General Meeting of Shareholders of the Company must comply with the advance notice procedures and other provisions set forth in the Articles in order for such nominations to be properly brought before an Annual General Meeting of Shareholders.

Exhibit A

BE IT RESOLVED, as a Special Resolution, that Article 11 of the Third Amended and Restated Articles of Association of the Company be amended and restated to read as set forth below:

11. Exercise of power to purchase Shares or securities that may be exchanged for or converted to Shares

(1) Purchase of Ordinary Shares

(a) Subject to the provisions set forth below and the provision of the Statute, the Company shall have the power to purchase its Ordinary Shares, (including any securities that may be exchanged for or converted to Shares and redeemable Shares) provided that the Members shall have approved the manner of purchase by Ordinary Resolution in such manner and on such terms as the Directors may determine and agree with the relevant Member, which shall include, without limitation, the purchase of Shares (or securities that may be exchanged for or converted to Shares) through private negotiations or at market prices through any stock exchange on which such Shares are listed.

(b) Notwithstanding (a) above, if the Board in its absolute and unfettered discretion, on behalf of the Company, determines that ownership of Class A Ordinary Shares (or securities that may be exchanged for or converted to Class A Ordinary Shares) of the Company by any Member (1) would violate the ownership limitations described in Article 11(1)(c) or (2) would result in an increased risk of adverse tax, regulatory or legal consequences to the Company, any of its Subsidiaries or any of the Members; the Company will have the option, but not the obligation, subject to Statute to purchase all or part of the Class A Ordinary Shares (or securities that may be exchanged for or converted to Shares) of the Company held by such Member (to the extent the Board, in the reasonable exercise of its discretion, determines it is necessary to avoid or cure such adverse consequences) with funds available therefor in an amount equal to the Fair Market Value of such Shares on the date the Company sends the Repurchase Notice referred to below (the “Repurchase Price”); provided, that the Board will use reasonable efforts to exercise this option equally among similarly situated Persons (to the extent possible under the circumstances). In that event, the Company will also be entitled to assign its purchase right to a third party or parties including one or more of the other Persons, with the consent of such assignee. Each Member shall be bound by the determination by the Company to purchase or assign its right to purchase such Member’s Shares (or securities that may be exchanged for or converted to Shares) and, if so required by the Company, shall sell the number of Shares (or securities that may be exchanged for or converted to Shares) of the Company that the Company requires it to sell. This authorisation is in accordance with Section 37(2) of the Statute. This Article authorises the purchase by the Company in accordance with the provisions of the Statute of such of its own Shares (including any redeemable Shares) in such manner as referred to in Section 37(d) of the Statute.

(c) The ownership limitations described in this Article 11(1)(c) are as follows: except upon unanimous consent by the Board (i) no Person shall be allowed to acquire Class A Ordinary Shares (or securities that may be exchanged for or converted to Shares) if such acquisition would cause any Person to own (directly, indirectly or constructively under applicable U.S. tax attribution and constructive ownership rules) 9.9% or more of the issued and outstanding Ordinary Shares; and (ii) no Person shall be allowed to acquire Class A Ordinary Shares if such acquisition would cause such Person to own directly 9.9% or more of the issued and outstanding Ordinary Shares.

(d) In the event that the Company or its assignee(s) determines to purchase any such Shares (or securities that may be exchanged for or converted to Shares) subject to this Article 11, the Company shall provide each Person concerned with written notice of such determination (a “Repurchase Notice”) at least seven (7) calendar days prior to such purchase or such shorter period as each such Person may authorise, specifying the date on which any such Shares are to be purchased and the Repurchase Price. The Company may revoke the Repurchase Notice at any time before it (or its

assignee(s)) pays for the Shares (or securities that may be exchanged for or converted to Shares). Neither the Company nor its assignee(s) shall be obliged to give general notice to the Members of any intention to purchase or the conclusion of any purchase of Shares (or securities that may be

exchanged for or converted to Shares) of the Company. Payment of the Repurchase Price by the Company or its assignee(s) shall be by wire transfer or certified check and made at a closing to be held no less than seven (7) calendar days, unless such Person agrees to a shorter period, after receipt of the Repurchase Notice by the Member.

(2) Subject to the provisions of the Statute and to this Article 11 and to Article 55, the Company may issue Shares that are to be redeemed or are liable to be redeemed at the option of the Member or the Company. The redemption of such Shares shall be effected in such manner as the Company may, by Special Resolution, determine before the issue of the Shares.

(3) The Company may make a payment in respect of the redemption or purchase of its own Shares (or securities that may be exchanged for or converted to Shares) in any manner permitted by the Statute, including out of capital.
