COMMON SHARES, PREFERRED SHARES, WARRANTS AND DEBT SECURITIES

Entertainment Properties Trust is a self-administered real estate investment trust formed to invest in entertainment-related properties. As of March 1, 2004, EPR's real estate portfolio was comprised of 49 megaplex movie theatre properties (including three joint venture properties) located in eighteen states and Ontario, Canada, six entertainment retail centers (including one joint venture property) located in Westminster, Colorado, New Rochelle, New York and Ontario, Canada, a water park located in Garland, Texas, and land parcels leased to restaurant and retail operators adjacent to several of our theatre properties.

To preserve our qualification as a real estate investment trust for U.S. federal income tax purposes and for other purposes, we impose restrictions on ownership of our common and preferred shares. See "Description of Securities" and "U.S. Federal Income Tax Consequences" in this prospectus.

Through this prospectus, we may periodically offer common shares of beneficial interest, preferred shares of beneficial interest, warrants or debt securities. The maximum aggregate initial public offering price of the securities we may offer through this prospectus will be \$400,000,000.

The securities may be sold directly or through agents, underwriters or dealers. If any agent or underwriter is involved in selling the securities, its name, the applicable purchase price, fee, commission or discount arrangement, and the net proceeds to us from the sale of the securities will be described in a prospectus supplement. See "Plan of Distribution."

Our common shares and 9.50% Series A Cumulative Redeemable Preferred Shares ("Series A Preferred Shares") are traded on the New York Stock Exchange under the ticker symbols EPR and EPR PrA, respectively. The last reported sales price of our common shares on March 12, 2004 was \$39.45 per share.

We caution you not to place undue reliance on any forward-looking statements, which reflect our analysis only.

2

RISK FACTORS

Before you invest in our securities, you should be aware that purchasing our securities involves various risks, including those described below. You should carefully consider these risk factors, together with the other information in this prospectus and accompanying prospectus supplement, before purchasing our securities.

RISKS THAT MAY IMPACT OUR FINANCIAL CONDITION OR PERFORMANCE

WE COULD BE ADVERSELY AFFECTED BY A TENANT'S BANKRUPTCY

If a tenant becomes bankrupt or insolvent, that could diminish the income

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

we expect from that tenant's leases. We may not be able to evict a tenant solely because of its bankruptcy. On the other hand, a bankruptcy court might authorize the tenant to terminate its leases with us. If that happens, our claim against the bankrupt tenant for unpaid future rent would be subject to statutory limitations that might be substantially less than the remaining rent owed under the leases. In addition, any claim we have for unpaid past rent would likely not be paid in full.

The development of megaplex movie theatres has rendered many older multiplex theatres obsolete. To the extent our tenants own a substantial number of multiplexes, they have been, or may in the future be, required to take significant charges against earnings resulting from the impairment of those assets. Megaplex theatre operators have also been and may in the future be adversely affected by any overbuilding of megaplex theatres in their markets and the cost of financing, building and leasing megaplex theatres. Two of our tenants, Edwards Theatre Circuits, Inc. (now part of Regal Entertainment Group), which operates two of our theatres, and Loews Cineplex Entertainment, which operates two of our theatres, have filed for, and emerged from, bankruptcy reorganization. We did not incur any significant expenses or loss of revenue as a result of those bankruptcy reorganizations.

OPERATING RISKS IN THE ENTERTAINMENT INDUSTRY MAY AFFECT THE ABILITY OF OUR TENANTS TO PERFORM UNDER THEIR LEASES

The ability of our tenants to operate successfully in the entertainment industry and remain current on their lease obligations depends on a number of factors, including the availability and popularity of motion pictures, the performance of those pictures in tenants' markets, the allocation of popular pictures to tenants and the terms on which the pictures are licensed. Neither we nor our tenants control the operations of motion picture distributors. Megaplex theatres represent a greater capital investment, and generate higher rents, than the previous generation of multiplex theatres. For this reason, the ability of our tenants to operate profitably and perform under their leases could be dependent on their ability to generate higher revenues per screen than multiplex theatres typically produce.

The success of "out-of-home" entertainment venues such as megaplex theatres and entertainment retail centers also depends on general economic conditions and the willingness of consumers to spend time and money on out-of-home entertainment.

A SINGLE TENANT REPRESENTS A SUBSTANTIAL PORTION OF OUR LEASE REVENUES

As of March 1, 2004, approximately 65% of our megaplex theatre properties were leased to American Multi-Cinema, Inc. ("AMC"), a subsidiary of AMC Entertainment, Inc. ("AMCE") and one of the nation's largest movie exhibition companies. AMCE has guaranteed AMC's performance under the leases. We have diversified and expect to continue to diversify our real estate portfolio by entering into lease transactions with a number of other leading theatre operators and acquiring other types of entertainment-related properties. Nevertheless, our revenues and our continuing ability to pay shareholder dividends and interest on any debt securities we may offer are currently substantially dependent on AMC's performance under its leases and AMCE's performance under its guaranty.

It is also possible, although not verifiable, that some theatre operators may be reluctant to lease from us because of our strong relationship with AMC. We believe AMC occupies a strong position in the industry and

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

we intend to continue acquiring and leasing back AMC theatres. However, if for any reason AMC failed to perform under its lease obligations and AMCE did not perform under its guaranty, we could be required to reduce or suspend our shareholder dividends and any debt security interest payments, and may not have sufficient funds to support operations, until substitute tenants are obtained. If that happened, we cannot predict when or whether we could obtain substitute quality tenants on acceptable terms.

THERE IS RISK IN USING DEBT TO FUND PROPERTY ACQUISITIONS

We have used leverage to acquire properties and expect to continue to do so in the future. Although the use of leverage is common in the real estate industry, our use of debt to acquire properties does expose us to some risks. If a significant number of our tenants fail to make their lease payments and we don't have sufficient cash to pay principal and interest on the debt, we could default on our debt obligations. Our debt financing is secured by mortgages on our properties. If we fail to make our mortgage payments, the lenders could declare a default and foreclose on those properties.

A PORTION OF OUR SECURED DEBT HAS "HYPER-AMORTIZATION" PROVISIONS WHICH MAY REQUIRE US TO REFINANCE THE DEBT OR SELL THE PROPERTIES SECURING THE DEBT PRIOR TO MATURITY

As of December 31, 2003, we had approximately \$98.1 million outstanding under a single secured mortgage loan agreement that contains a "hyper-amortization" feature, in which the principal payment schedule is rapidly accelerated, and our principal payments are substantially increased, if we fail to pay the balance on the anticipated prepayment date of July 11, 2008. We undertook this debt on the assumption that we can refinance the debt prior to the hyper-amortization payments becoming due. If we cannot obtain acceptable refinancing at the appropriate time, the hyper-amortization payments will require substantially all of the revenues from those properties securing the debt to be applied to the debt repayment, which would substantially reduce our common share dividend rate and could adversely affect our financial condition and liquidity.

WE MUST OBTAIN NEW FINANCING IN ORDER TO GROW

As a REIT, we are required to distribute at least 90% of our net income to shareholders in the form of dividends. This means we are limited in our ability to use internal capital to acquire properties and must continually raise new capital in order to continue to grow and diversify our real estate portfolio. Our ability to raise new capital depends in part on factors beyond our control, including conditions in equity and credit markets, conditions in the cinema exhibition industry and the performance of real estate investment trusts generally. We continually consider and evaluate a variety of potential transactions to raise additional capital, but we cannot assure that attractive alternatives will always be available to us, nor that our common share price will increase or remain at a level that will permit us to continue to raise equity capital privately or publicly.

IF WE FAIL TO QUALIFY AS A REIT WE WOULD BE TAXED AS A CORPORATION, WHICH WOULD SUBSTANTIALLY REDUCE FUNDS AVAILABLE FOR PAYMENT OF DIVIDENDS TO OUR SHAREHOLDERS

If we fail to qualify as a REIT for U.S. federal income tax purposes, we will be taxed as a corporation. We are organized and believe we qualify as a REIT, and intend to operate in a manner that will allow us to continue to qualify as a REIT. However, we cannot assure you that we will remain qualified in the future. This is because qualification as a REIT involves the application of highly technical and complex provisions of the Internal Revenue Code on which there are only limited judicial and administrative interpretations, and depends

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

on facts and circumstances not entirely within our control. In addition, future legislation, new regulations, administrative interpretations or court decisions may significantly change the tax laws, the application of the tax laws to our qualification as a REIT or the U.S. federal income tax consequences of that qualification.

4

If we fail to qualify as a REIT we will face tax consequences that will substantially reduce the funds available for payment of dividends:

- We would not be allowed a deduction for dividends paid to shareholders in computing our taxable income and would be subject to U.S. federal income tax at regular corporate rates
- We could be subject to the U.S. federal alternative minimum tax and possibly increased state and local taxes
- Unless we are entitled to relief under statutory provisions, we could not elect to be treated as a REIT for four taxable years following the year in which we were disqualified

In addition, if we fail to qualify as a REIT, we will no longer be required to pay dividends on our common shares. As a result of these factors, our failure to qualify as a REIT could adversely affect the market price for our shares.

OUR DEVELOPMENT FINANCING ARRANGEMENTS EXPOSE US TO FUNDING AND PURCHASE RISKS

Our ability to meet our construction financing obligations which we may enter into from time to time depends on our ability to obtain equity or debt financing in the required amounts. There is no assurance we can obtain this financing at rates which will lock-in a spread between our cost of capital and the rent payable under the leases to be entered into upon completion of construction. We will be obligated to purchase and lease-back the theatres that are subject to these arrangements at predetermined rates.

RISKS THAT APPLY TO OUR REAL ESTATE BUSINESS

THERE ARE RISKS ASSOCIATED WITH OWNING AND LEASING REAL ESTATE

Although the terms of our single-tenant leases obligate the tenants to bear substantially all of the costs of operating the properties, investing in real estate involves a number of risks, including:

- The risk that tenants will not perform under their leases, reducing our income from the leases or requiring us to assume the cost of performing obligations (such as taxes, insurance and maintenance) that are the tenant's responsibility under a net lease
- The risk that changes in economic conditions or real estate markets may adversely affect the value of our properties
- The risk that local conditions (such as oversupply of megaplex theatres or other entertainment-related properties) could adversely affect the value of our properties
- We may not always be able to lease properties at favorable rates
- We may not always be able to sell a property when we desire to do so at a favorable price

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

- Changes in tax, zoning or other laws could make properties less attractive or less profitable

If a tenant fails to perform on its lease covenants, that would not excuse us from meeting any mortgage debt obligation secured by the property and could require us to fund reserves in favor of our mortgage lenders, thereby reducing funds available for payment of dividends on our shares and interest payments on any debt securities we may offer. We cannot be assured that tenants will elect to renew their leases when the terms expire. If a tenant does not renew its lease or if a tenant defaults on its lease obligations, there is no assurance we could obtain a substitute tenant on acceptable terms. If we cannot obtain another quality movie exhibitor to lease a megaplex theatre property, we may be required to modify the property for a different use, which may involve a significant capital expenditure and a delay in re-leasing the property.

SOME POTENTIAL LOSSES ARE NOT COVERED BY INSURANCE

Our net leases require the tenants to carry comprehensive liability, casualty, workers' compensation, extended coverage and rental loss insurance on our properties. We believe the required coverage is of the type,

5

and amount, customarily obtained by an owner of similar properties. We believe all of our properties are adequately insured. However, there are some types of losses, such as catastrophic acts of nature, for which we or our tenants cannot obtain insurance at an acceptable cost. If there is an uninsured loss or a loss in excess of insurance limits, we could lose both the revenues generated by the affected property and the capital we have invested in the property. We would, however, remain obligated to repay any mortgage indebtedness or other obligations related to the property. Since September 11, 2001, the cost of insurance protection against terrorist acts has risen dramatically. There can be no assurance our tenants will be able to obtain terrorism coverage, or that any coverage they do obtain will adequately protect our properties against loss from terrorist attacks.

THERE ARE RISKS INVOLVED IN JOINT VENTURE INVESTMENTS

We may continue to acquire or develop properties in joint ventures with third parties when those transactions appear desirable. We would not own the entire interest in any property acquired by a joint venture. Significant decisions with respect to the ownership, leasing, management or disposition of a joint venture property may require the consent of the joint venture partner. If we have a dispute with a joint venture partner, we may feel it necessary or become obligated to acquire the partner's interest in the venture. However, we cannot assure you that the price we would have to pay or the timing of the acquisition would be favorable to us. If we own less than a 50% interest in a joint venture, or if the joint venture is jointly controlled, the assets and financial results of the joint venture may not be reportable by us on a consolidated basis, and the liabilities of the joint venture may not be included within the liabilities reported on our consolidated balance sheet. To the extent we owe commitments to, or are dependent on, any such "off-balance sheet" arrangements, or if those arrangements or their properties or leases are subject to material contingencies, our liquidity, financial condition and operating results could be adversely affected by those commitments to off-balance sheet arrangements.

OUR MULTI-TENANT PROPERTIES EXPOSE US TO ADDITIONAL RISKS

Our entertainment retail centers in Westminster, Colorado, New Rochelle, New York and Ontario, Canada and similar properties we may seek to acquire or

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

develop in the future involve risks not typically encountered in the purchase and lease-back of megaplex theatres which are operated by a single tenant. The ownership or development of multi-tenant retail centers exposes us to the risk that a sufficient number of suitable tenants may not be found to enable the center to operate profitably and provide a return to us. Retail centers are also subject to tenant turnover and fluctuations in occupancy rates, which could affect our operating results. Multi-tenant retail centers also expose us to the risk of potential "CAM slippage," which may occur if common area maintenance fees paid by tenants are exceeded by the actual cost of taxes, insurance and maintenance at the property.

FAILURE TO COMPLY WITH THE AMERICANS WITH DISABILITIES ACT AND OTHER LAWS COULD RESULT IN SUBSTANTIAL COSTS

The operators of our U.S. properties must comply with the Americans with Disabilities Act ("ADA"). The ADA requires that public accommodations reasonably accommodate individuals with disabilities and that new construction or alterations be made to commercial facilities to conform to accessibility guidelines. Failure to comply with the ADA can result in injunctions, fines, damage awards to private parties and additional capital expenditures to remedy noncompliance. Our U.S. leases require the tenants to comply with the ADA.

The operators of our properties are also subject to various other federal, state or provincial and local regulatory requirements. We believe the properties are in material compliance with all applicable regulatory requirements. However, we do not know whether existing requirements will change or whether compliance with future requirements will involve significant unanticipated expenditures. Although these expenditures would be the responsibility of our tenants, if tenants fail to perform these obligations, we may be required to do so.

6

POTENTIAL LIABILITY FOR ENVIRONMENTAL CONTAMINATION COULD RESULT IN SUBSTANTIAL COSTS

Under federal, state and local environmental laws, we may be required to investigate and clean up any release of hazardous or toxic substances or petroleum products at our properties, regardless of our knowledge or actual responsibility, simply because of our current or past ownership of the real estate. If unidentified environmental problems arise, we may have to make substantial payments, which could adversely affect our cash flow and our ability to make distributions to our shareholders. This is so because:

- As owner we may have to pay for property damage and for investigation and clean-up costs incurred in connection with the contamination
- The law may impose clean-up responsibility and liability regardless of whether the owner or operator knew of or caused the contamination
- Even if more than one person is responsible for the contamination, each person who shares legal liability under environmental laws may be held responsible for all of the clean-up costs
- Governmental entities and third parties may sue the owner or operator of a contaminated site for damages and costs

These costs could be substantial and in extreme cases could exceed the value of the contaminated property. The presence of hazardous substances or petroleum products or the failure to properly remediate contamination may adversely affect our ability to borrow against, sell or lease an affected property. In addition, some environmental laws create liens on contaminated

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

sites in favor of the government for damages and costs it incurs in connection with a contamination.

Most of our loan agreements require the Company or a subsidiary to indemnify the lender against environmental liabilities. Our leases require the tenants to operate the properties in compliance with environmental laws and to indemnify us against environmental liability arising from the operation of the properties. We believe all of our properties are in material compliance with environmental laws. However, we could be subject to strict liability under environmental laws because we own the properties. There is also a risk that tenants may not satisfy their environmental compliance and indemnification obligations under the leases. Any of these events could substantially increase our cost of operations, require us to fund environmental indemnities in favor of our secured lenders and reduce our ability to service our debt and pay dividends to shareholders.

REAL ESTATE INVESTMENTS ARE RELATIVELY NON-LIQUID

We may desire to sell a property in the future because of changes in market conditions or poor tenant performance or to avail ourselves of other opportunities. We may also be required to sell a property in the future to meet obligations or avoid a loan default. Specialty real estate projects such as megaplex theatres cannot always be sold quickly, and we cannot assure you that we could always obtain a favorable price. We may be required to invest in the restoration or modification of a property before we can sell it.

RISKS THAT MAY AFFECT THE MARKET PRICE OF OUR SECURITIES

WE CANNOT ASSURE YOU WE WILL CONTINUE PAYING DIVIDENDS AT HISTORICAL RATES

Our ability to continue paying dividends on our common shares at historical rates or to increase our common share dividend rate, and our ability to pay preferred share dividends and interest on any debt securities we may offer, will depend on a number of factors, including our financial condition and results of future operations, the performance of lease terms by tenants, provisions in our secured loan covenants, and our ability to acquire, finance and lease additional properties at attractive rates. If we do not maintain or increase our common share dividend rate, that could have an adverse effect on the market price of our common shares and other securities. Our Series A Preferred Shares have a fixed dividend rate which does not increase with any increases in the dividend rate on our common shares. Conversely, payment of dividends on our common

7

shares may be subject to payment in full of the dividends on preferred shares and payment of interest on any debt securities we may offer.

MARKET INTEREST RATES MAY HAVE AN EFFECT ON THE VALUE OF OUR SECURITIES

One of the factors that investors may consider in deciding whether to buy or sell our securities is our dividend rate as a percentage of our share price, relative to market interest rates. If market interest rates increase, prospective investors may desire a higher dividend or interest rate on our securities or seek securities paying higher dividends or interest.

MARKET PRICES FOR OUR SECURITIES MAY BE AFFECTED BY PERCEPTIONS ABOUT THE FINANCIAL HEALTH OR SHARE VALUE OF OUR TENANTS OR THE PERFORMANCE OF REIT STOCKS GENERALLY.

To the extent any of our tenants or other movie exhibitors report losses or slower earnings growth, take charges against earnings resulting from the

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

obsolescence of multiplex theatres or enter bankruptcy proceedings, the market price for our securities could be adversely affected. The market price for our securities could also be affected by any weakness in movie exhibitor stocks generally. We believe these trends had an adverse impact on our common share price in 2000 and 2001.

LIMITS ON CHANGES IN CONTROL MAY DISCOURAGE TAKEOVER ATTEMPTS WHICH MAY BE BENEFICIAL TO OUR SHAREHOLDERS

There are a number of provisions in our Declaration of Trust, Maryland law and agreements we have with others which could make it more difficult for a party to make a tender offer for our common shares or complete a takeover of EPR which is not approved by our Board of Trustees. These include:

- A staggered Board of Trustees that can be increased in number without shareholder approval
- A limit on beneficial ownership of our shares, which acts as a defense against a hostile takeover or acquisition of a significant or controlling interest, in addition to preserving our REIT status
- The ability of the Board of Trustees to issue preferred shares, including any preferred shares offered by this prospectus, and to reclassify preferred or common shares, without shareholder approval
- Limits on the ability of shareholders to remove trustees without cause
- Requirements for advance notice of shareholder proposals at annual shareholder meetings
- Provisions of Maryland law restricting business combinations and control share acquisitions not approved by the Board of Trustees
- Provisions of Maryland law protecting corporations (and by extension REITs) against unsolicited takeovers by limiting the duties of the trustees in unsolicited takeover situations
- Provisions of Maryland law providing that the trustees are not subject to any higher duty or greater scrutiny than that applied to any other director under Maryland law in transactions relating to the acquisition or potential acquisition of control
- Provisions of Maryland law creating a statutory presumption that an act of the trustees satisfies the applicable standards of conduct for directors under Maryland law
- Provisions in secured loan or joint venture agreements putting EPR in default upon a change in control
- Provisions of employment agreements with our officers calling for forgiveness of share purchase loans upon a hostile change in control

Any or all of these provisions could delay or prevent a change in control of EPR, even if the change was in our shareholders' interest or offered a greater return to our shareholders.

THE JOBS AND GROWTH TAX RELIEF RECONCILIATION ACT OF 2003 MAY ADVERSELY AFFECT THE VALUE OF OUR SHARES

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

On May 28, 2003, the President signed the Jobs and Growth Tax Relief and Reconciliation Act of 2003 into law, which provides favorable income tax rates for certain corporate dividends received by individuals through December 31, 2008. Under this new law, REIT dividends are generally not eligible for the preferential rates applicable to dividends unless the dividends are attributable to income that has been subject to corporate-level tax or are attributable to certain other dividends received by us. As a result, substantially all of the dividends paid on our shares are not expected to qualify for such lower rates. This new law could cause stock in non-REIT corporations to be more attractive to investors than stock in REITs, which may negatively affect the value of, and the market for, our shares.

THE MARKET PRICE FOR OUR COMMON SHARES COULD BE ADVERSELY AFFECTED BY ANY PREFERRED SHARES, WARRANTS OR DEBT SECURITIES WE MAY OFFER.

If we offer any additional preferred shares or any warrants or debt securities on terms which are not deemed accretive to our common shareholders, that may adversely affect the market price for our common shares. In addition, the issuance of warrants may create a significant market "overhang" which could be dilutive to our common shareholders and adversely affect our common share price.

RISKS OF OWNING PREFERRED SHARES, WARRANTS OR DEBT SECURITIES

THERE MAY NOT BE A MARKET FOR OUR PREFERRED SHARES, WARRANTS OR DEBT SECURITIES.

We may or may not apply to list any additional preferred shares or any warrants or debt securities we may offer for trading on the New York Stock Exchange. Only our common shares and Series A Preferred Shares are publicly traded at the current time. We cannot assure you there will be a public market for any additional preferred shares or any warrants or debt securities we may offer in the future.

HOLDERS OF OUR PREFERRED SHARES MAY HAVE NO VOTING RIGHTS WITH RESPECT TO THOSE SHARES

Our Series A Preferred Shares are non-voting, except in certain limited circumstances, and we anticipate that any additional preferred shares we may offer in the future may also be non-voting. For this reason, holders of preferred shares may have no voice in the election of trustees or any other matters submitted to a vote of our common shareholders.

ANY PREFERRED SHARES OR DEBT SECURITIES MAY NOT BE CONVERTIBLE INTO OR EXCHANGEABLE FOR COMMON SHARES.

We may offer additional preferred shares or debt securities which are not convertible into or exchangeable for common shares. If there is no market for any such preferred shares or debt securities, the holders of those securities may not have the right to exchange them for a security for which there is a market.

IF YOU PURCHASE DEBT SECURITIES, YOU WILL BE AN UNSECURED CREDITOR BEHIND THE HOLDERS OF OUR SENIOR DEBT.

Any debt securities we may offer will be unsecured obligations of the Company and will be junior in payment to all existing and future mortgage indebtedness of the Company. The holders of any debt securities may have no access to our assets if we default in payment of any interest or principal under the debt securities. All of our existing senior debt is secured by mortgages on our properties, and we anticipate that any additional senior debt we may obtain

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

in the future would also be secured by mortgages. If we liquidate, dissolve or enter bankruptcy proceedings, the holders of our senior secured debt would be entitled to be paid before the holders of any of our debt securities.

OUR SECURED DEBT COVENANTS MAY RESTRICT OUR ABILITY TO PAY DIVIDENDS AND INTEREST ON DEBT SECURITIES.

Our existing secured debt covenants limit our common share dividend rate to 90% of Funds from Operations ("FFO"). (FFO, a non-GAAP financial measure, is defined as net income (computed in

9

accordance with GAAP), excluding gains and losses from sales of depreciable operating properties, plus depreciation and amortization, and after adjustments for unconsolidated joint ventures and other affiliates. See our annual report on Form 10-K for the year ended December 31, 2003 for a reconciliation of FFO to GAAP Net Income Available to Common Shareholders.) Our secured loan covenants may also restrict us from paying interest on debt securities until principal and interest under the secured loans are paid or provided for.

WARRANTS MAY NOT BE "IN THE MONEY" AFTER THEY ARE ISSUED.

Purchasers of any warrants we may issue will be subject to the risk that our common share price may decrease below the exercise price of the warrants, which would make it uneconomical to exercise the warrants and thus adversely affect the value of the warrants.

ABOUT EPR

BUSINESS

EPR was formed on August 22, 1997 as a Maryland real estate investment trust ("REIT") to capitalize on opportunities created by the development of destination entertainment and entertainment-related properties, including megaplex movie theatre complexes. We completed an initial public offering of our common shares on November 18, 1997. We are the only publicly-traded REIT formed exclusively to invest in entertainment-related properties.

EPR is a self-administered REIT. As of March 1, 2004, our real estate portfolio was comprised of 49 megaplex theatre properties (including three joint venture properties) located in eighteen states and Ontario, Canada, six entertainment retail centers (including one joint venture property) located in Westminster, Colorado, New Rochelle, New York and Ontario, Canada, a water park located in Garland, Texas, and land parcels leased to restaurant and retail operators adjacent to several of our theatre properties. Our theatre properties are leased to prominent theatre operators, including AMC, Muvico Entertainment LLC ("Muvico"), Regal Cinemas ("Regal"), Consolidated Theatres ("Consolidated"), Loews Cineplex Entertainment ("Loews"), Rave Motion Pictures ("Rave"), AmStar Cinemas LLC ("AmStar"), Wallace Theatres ("Wallace") and Crown Theatres ("Crown").

As of March 1, 2004, approximately 65% of our megaplex theatre properties were leased to AMC as a result of a series of sale-leaseback transactions pertaining to a number of AMC megaplex theatres, and approximately 63% of our annual lease revenues were derived from rental payments by AMC under these leases.

We aggregate the financial information of all our properties into one reportable segment because the properties all have similar economic characteristics and provide similar services to similar types and classes of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

customers.

Megaplex theatres typically have at least 14 screens with stadium-style seating (seating with elevation between rows to provide unobstructed viewing) and are equipped with amenities that significantly enhance the audio and visual experience of the patron. We believe the development of megaplex theatres has accelerated the obsolescence of many previously existing movie theatres by setting new standards for moviegoers, who, in our experience, have demonstrated their preference for the more attractive surroundings, wider variety of films and superior customer service typical of megaplex theatres (see "Operating risks in the entertainment industry may affect the ability of our tenants to perform under their leases" and "Market prices for our securities may be affected by perceptions about the financial health or share value of our tenants or the performance of REIT stocks generally" under "Risk Factors").

We expect the development of megaplex theatres to continue in the United States and abroad for the foreseeable future. With the development of the stadium style megaplex theatre as the preeminent store format for cinema exhibition, the older generation of flat-floor theatres has generally experienced a significant downturn in attendance and performance. As a result of the significant capital commitment involved in

10

building new megaplex theatre properties and the experience and industry relationships of our management, we believe we will continue to have opportunities to provide capital to businesses that seek to develop and operate these properties but would prefer to lease rather than own the properties in order to minimize the impact of real estate ownership on their financial statements. We believe our ability to finance these properties will enable us to continue to grow and diversify our asset base.

RECENT DEVELOPMENTS

On October 27, 2003, we acquired the controlling interest in a limited partnership joint venture that owns a 447,000 square foot multi-tenant retail and entertainment complex in New Rochelle, New York called New Roc City. The complex is anchored by an 18-screen Regal Cinemas megaplex theatre and IMAX theatre. Our total acquisition cost was approximately \$95 million, consisting of approximately \$25 million in cash and approximately \$70 million in senior mortgage indebtedness secured by the property. For additional information about the transaction, see our current report on Form 8-K filed with the SEC on November 12, 2003, as amended on January 12, 2004, incorporated by reference herein.

On March 1, 2004, we acquired three entertainment retail centers in metropolitan Toronto, Canada and one entertainment retail center in Ottawa, Canada with an aggregate value of approximately US \$152 million. The centers contain an aggregate of approximately 893,000 square feet of retail and entertainment space and are each anchored by an AMC megaplex theatre. A portion of the purchase price was paid in the form of 747,243 restricted common shares of EPR with an aggregate value of approximately US \$27 million (based on an agreed value of US \$36.25 per share). We intend to file a registration statement with the SEC to register the shares for resale by the sellers of the properties. For additional information about the acquisitions, see our current report on Form 8-K filed with the SEC on March 15, 2004 incorporated by reference herein.

BUSINESS OBJECTIVES AND STRATEGIES

Our primary business objective is to continue enhancing shareholder value by achieving predictable and increasing FFO per share through the acquisition of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

high-quality properties leased to leading entertainment and entertainment-related business operators. We intend to achieve this objective by continuing to execute the Growth Strategies, Operating Strategies and Capitalization Strategies described below.

GROWTH STRATEGIES

FUTURE PROPERTIES

We intend to continue pursuing acquisitions of high-quality entertainment-related properties from operators with a strong market presence. As a part of our growth strategy, we will consider entering into additional joint ventures with other developers or investors in real estate, developing additional megaplex theatre properties and developing or acquiring additional multi-tenant, entertainment retail centers and single-tenant, out-of-home, location-based entertainment and entertainment-related properties.

OPERATING STRATEGIES

LEASE RISK MINIMIZATION

To avoid initial lease-up risks and produce a predictable income stream, we typically acquire single-tenant properties that are leased under long-term leases. We believe our willingness to make long-term investments in properties offers tenants financial flexibility and allows tenants to allocate capital to their core businesses. Although we will continue to emphasize single-tenant properties, we have acquired and may continue to acquire multi-tenant properties that we believe add value to our shareholders.

LEASE STRUCTURE

We typically structure leases on a triple-net basis under which the tenants bear the principal portion of the financial and operational responsibility for the properties. During each lease term and any renewal periods,

11

the leases typically provide for periodic increases in rent and/or percentage rent based upon a percentage of the tenant's gross sales over a pre-determined level. In our multi-tenant property leases and some of our theatre leases, we require the tenant to pay a common area maintenance charge to defray its pro rata share of insurance, taxes and common area maintenance costs.

TENANT RELATIONSHIPS

We intend to continue developing and maintaining long-term working relationships with theatre, retail, restaurant and other entertainment-related business operators and developers by providing capital for multiple properties on a national or regional basis, thereby enhancing efficiency and value to those operators and to the Company.

PORTFOLIO DIVERSIFICATION

We will endeavor to further diversify our asset base by property type, geographic location and tenant. In pursuing this diversification strategy, we will target theatre, restaurant, retail and other entertainment-related business operators which management views as leaders in their market segments and which have the financial strength to compete effectively and perform under their leases with us.

CAPITALIZATION STRATEGIES

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

USE OF LEVERAGE; DEBT TO TOTAL CAPITALIZATION

We seek to enhance shareholder return through the use of leverage (see "Risk Factors -- "There is risk in using debt to fund property acquisitions"). In addition, we have issued and may in the future issue additional equity as circumstances warrant and opportunities to do so become available. We expect to maintain a debt to total capitalization ratio (defined as total debt of the Company as a percentage of shareholders' equity plus total debt) of approximately 50% to 55%.

JOINT VENTURES

We will examine and pursue additional potential joint venture opportunities with institutional investors or developers if they are considered to add value to our shareholders. We may employ higher leverage in joint ventures (see "Risk Factors -- There are risks involved in joint venture investments").

PAYMENT OF REGULAR DISTRIBUTIONS

We have paid and expect to continue paying quarterly dividend distributions to our common and preferred shareholders. Our Series A Preferred Shares have a fixed dividend rate of 9.5%. Among the factors the Board of Trustees considers in setting our common share dividend rate are the applicable REIT rules and regulations that apply to distributions, our results of operations, including FFO per share, and our Cash Available for Distribution (defined as net cash flow available for distribution after payment of operating expenses, debt service, and other obligations). We expect to periodically increase distributions on our common shares as FFO and Cash Available for Distribution increase and as other considerations and factors warrant (see "Risk Factors -- We cannot assure you we will continue paying dividends at historical rates").

OFFICE LOCATION

Our executive office is located in Kansas City, Missouri and is leased from a third party landlord. The office occupies approximately 10,960 square feet with annual rentals of \$192,000. The lease expires in December 2009.

TENANTS AND LEASES

As of March 1, 2004, our existing megaplex theatre leases provided for aggregate annual rentals of approximately \$95.7 million (on a consolidated basis, excluding two unconsolidated joint venture properties), or an average annual rental of approximately \$2 million per property. The leases are typically triple-net leases that require the tenant to pay substantially all expenses associated with the operation of the properties, including taxes, other governmental charges, insurance, utilities, service, maintenance and any ground lease payments. As of March 1, 2004, our existing retail and other leases provided for aggregate annual rentals of approximately \$16.8 million (on a consolidated basis, including joint venture properties), or an average annual rental of approximately \$148,600 per property.

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement, EPR intends to use the net proceeds from any sale of common shares, preferred shares, warrants or debt securities for general corporate purposes, including the acquisition of properties and/or repayment of debt. Further details relating to the use of net proceeds of any specific offering will be described in the applicable prospectus supplement.

RATIO OF EARNINGS TO FIXED CHARGES AND PREFERRED SHARE DIVIDENDS

The following table describes the ratios of earnings to fixed charges and preferred share dividends of EPR.

For the purpose of calculating the ratios:

Earnings are computed by adding

- pretax income from continuing operations before adjustment for income from unconsolidated joint venture(s), plus
- fixed charges, plus
- amortization of capitalized interest, plus
- distributed income from unconsolidated joint venture(s), and subtracting
- interest capitalized

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

Fixed charges include

- interest on all debt, expensed and capitalized
- amortized premiums, discounts and capitalized expenses related to indebtedness
- an estimate of the interest component of rental expense

For purposes of calculating the ratio of earnings to combined fixed charges and preferred share dividends, preferred share dividends include the amount of pre-tax earnings required to pay the dividends on any outstanding preferred shares.

U.S. FEDERAL INCOME TAX CONSEQUENCES

The following summary of certain material U.S. federal income tax consequences is based on current law and does not address all aspects of taxation that may be relevant to particular shareholders in light of their personal investment or tax circumstances, or to certain types of shareholders (including insurance companies, financial institutions and broker-dealers) subject to special treatment under U.S. federal income tax laws.

YOU SHOULD CONSULT YOUR OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP AND SALE OF SHARES.

We believe we have operated in a manner that permits EPR to satisfy the requirements for qualification and taxation as a REIT under the applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"). We intend to continue to satisfy those requirements. No assurance can be given, however, that these requirements will be met.

The provisions of the Code and the Treasury Regulations thereunder relating to qualification and operation as a REIT are highly technical and complex. The following describes certain material aspects of the laws that govern the U.S. federal income tax treatment of a REIT and its shareholders. This summary is qualified in its entirety by the applicable Code provisions, rules and Treasury Regulations thereunder, and administrative and judicial interpretations thereof.

In the opinion of Sonnenschein Nath & Rosenthal LLP, the Company is organized in conformity with the requirements for qualification as a REIT for U.S. federal income tax purposes, and its current method of operation has enabled and will continue to enable it to meet the requirements for qualification and taxation as a REIT under the Code. It must be emphasized that this opinion is based solely on information and representations made by our management. Moreover, our qualification and taxation as a REIT depend upon our ability to meet, through actual annual operating results, distribution levels and diversity of share ownership, and various qualification tests imposed under the Code discussed below, the results of which will not be reviewed by Sonnenschein Nath & Rosenthal LLP. Accordingly, no assurance can be given by counsel

or the Company that the actual results of our operations for any particular taxable year will satisfy these requirements (see "Failure to Qualify"). Sonnenschein Nath & Rosenthal LLP will not review our compliance with these tests, and has not undertaken to update its opinion subsequent to the date of this prospectus.

In brief, if certain detailed conditions imposed by the REIT provisions of the Code are satisfied, entities such as EPR that invest primarily in real estate and that otherwise would be treated for U.S. federal income tax purposes as corporations are generally not taxed at the corporate level on their "REIT Taxable Income" (generally the REIT's taxable income adjusted for, among other things, the disallowance of the dividends-received deduction generally available to corporations) that is currently distributed to shareholders. This treatment substantially eliminates the "double taxation" (i.e., taxation at both the corporate and shareholder levels) that generally results from investing in corporations.

If EPR fails to qualify as a REIT in any year, we will be subject to U.S. federal income tax as if we were a domestic corporation, and our shareholders will be taxed in the same manner as shareholders of ordinary corporations. In this event, EPR could be subject to potentially significant tax liabilities and

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

the amount of cash available for distribution to our shareholders could be reduced.

TAXATION OF THE COMPANY

GENERAL

In any year in which EPR qualifies as a REIT, in general, we will not be subject to U.S. federal income tax on that portion of our net income that we distribute to shareholders. However, EPR will be subject to U.S. federal income tax in these regards: (1) EPR will be taxed at regular corporate rates on any undistributed REIT Taxable Income, including undistributed net capital gains (however, a REIT can elect to "pass through" any of its taxes paid on its undistributed net capital gain to its shareholders on a pro rata basis), (2) under certain circumstances, EPR may be subject to the "alternative minimum tax" on any items of tax preference, (3) if EPR has: (i) net income from the sale or other disposition of "foreclosure property" which is held primarily for sale to customers in the ordinary course of business; or (ii) other nonqualifying income from foreclosure property, we will be subject to tax at the highest corporate rate on such income, (4) if EPR has net income from "prohibited transactions" (which are, in general, certain sales or other dispositions of property held primarily for sale to customers in the ordinary course of business other than (i) foreclosure property, and (ii) property held for at least four years, meeting certain additional requirements), such income will be subject to a 100% tax, (5) if EPR fails to satisfy the 75% gross income test or a 90% gross income threshold (as discussed below), and has nonetheless maintained its qualification as a REIT because certain other requirements have been met, we will be subject to a 100% tax on an amount equal to (a) the gross income attributable to the greater of the amount by which EPR fails the 75% gross income test or the 95% gross income test, multiplied by (b) a fraction intended to reflect EPR's profitability, (6) if EPR fails to distribute during each calendar year at least the sum of: (i) 85% of our ordinary income for that year; (ii) 95% of our capital gain net income for that year; and (iii) any undistributed taxable income from prior periods, EPR would be subject to a 4% excise tax on the excess of such required distribution over the amounts actually distributed, (7) if EPR acquires any asset from a C corporation (generally, a corporation subject to full corporate-level tax) in a transaction in which the basis of the asset in EPR's hands is determined by reference to the basis of the asset (or any other property) in the hands of the C corporation and no election is made for any gains on such transaction to be taxed currently, and EPR recognizes gain on the disposition of such asset during the 10-year period beginning on the date on which that asset was acquired by EPR, then, to the extent of any built-in gain at the time of acquisition, such gain will be subject to tax at the highest regular corporate rate, (8) if EPR has certain redetermined rents, deductions and excess interest between itself and a taxable REIT subsidiary, a 100% tax could apply to such amounts, and (9) a 35% tax could apply to any excess inclusions allocable to any disqualified entities that hold interests in EPR.

REQUIREMENTS FOR QUALIFICATION

The Code defines a REIT as a corporation, trust or association (1) which is managed by one or more trustees or directors, (2) the beneficial ownership of which is evidenced by transferable shares, or by transferable certificates of beneficial interest, (3) which would be taxable as a domestic corporation but for Sections 856 through 859 of the Code, (4) which is neither a financial institution nor an insurance company subject to certain provisions of the Code, (5) the beneficial ownership of which is held by 100 or more persons (the "100 person test"), (6) not more than 50% in value of the outstanding shares of which is owned, directly or indirectly, by five or fewer individuals (as defined in

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

the Code) at any time during the last half of each taxable year (the "closely-held test"), (7) which has elected to be treated as a REIT, and (8) which meets certain other tests, described below, regarding distributions and the nature of its income and assets. The Code provides that conditions (1) through (4) must be met during the entire taxable year and that condition (5) must be met during at least 335 days of a taxable year of 12 months, or during a proportionate part of a taxable year of less than 12 months. Conditions (5) and (6) did not apply until after the first taxable year for which an election was made by EPR to be taxed as a REIT. A REIT's failure to satisfy condition (6) during a taxable year will not result in its disqualification as a REIT under the Code for that taxable year as long as (i) the REIT satisfies the shareholder demand statement requirements described in the succeeding paragraph and (ii) the REIT did not know, or exercising reasonable diligence, would not have known, whether it had failed condition (6). A REIT must also report its income for U.S. federal income tax purposes based on the calendar year.

In order to assist EPR in complying with the 100 person test and the closely-held test, and for certain non-tax purposes, we have placed certain restrictions on the transfer of our shares to prevent further concentration of share ownership (See "Description of Securities"). To evidence compliance with these requirements, we must maintain records which disclose the actual ownership of our outstanding shares. In fulfilling our obligations to maintain records, we must demand written statements each year from the record holders of designated percentages of our shares disclosing the actual owners of the shares. A list of those persons failing or refusing to comply with such demand must be maintained as part of EPR's records. A shareholder failing or refusing to comply with EPR's written demand must submit with his or her tax returns a similar statement disclosing the actual ownership of shares and certain other information. EPR's Declaration of Trust imposes restrictions on the transfer of shares that are intended to assist EPR in continuing to satisfy the share ownership requirements, among other purposes.

Although EPR intends to satisfy the shareholder demand letter rules described in the preceding paragraph, our failure to satisfy these requirements may result in the imposition of IRS penalties.

In the case of a REIT that is a partner in a partnership, Treasury Regulations provide that the REIT will be deemed to own its proportionate share of the assets of the partnership and will be deemed to be entitled to the income of the partnership attributable to that share. In addition, the character of the assets and gross income of a partnership shall retain the same character in the hands of a partner qualifying as a REIT for purposes of Section 856 of the Code, including satisfying the gross income tests and the asset tests described below.

ASSET TESTS

At the close of each quarter of EPR's taxable year, EPR must satisfy two tests relating to the nature of its assets. First, at least 75% of the value of EPR's total assets must be represented by (1) interests in real property, (2) interests in mortgages on real property, (3) shares in other REIT's, (4) cash, (5) cash items (including receivables arising in the ordinary course of the REIT's business) and (6) government securities (as well as certain temporary investments in stock or debt instruments purchased with the proceeds of new capital raised by EPR for the one-year period beginning on the date of receipt of such new capital). Second, (a) not more than 25% of the value of a REIT's total assets can consist of securities except for items described in paragraphs (1) through (6), (b) not more than 20% of the value of a REIT's total assets can be represented by securities of one or more taxable REIT subsidiaries, and (c) except with respect to taxable REIT subsidiaries and the securities previously mentioned in paragraphs (1) through (6), (i) not more than 5% of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

the value of the REIT's total assets can consist of securities of any one issuer, (ii) the REIT cannot hold securities having a value of more than 10% of the total voting power of the outstanding securities of any one issuer and (iii) the REIT cannot hold securities having a value of more than 10% of the total value of the outstanding securities of any one issuer. For purposes of the requirements of paragraph (iii), certain "straight debt" obligations may be disregarded if certain requirements are met. EPR may own "qualified REIT subsidiaries," which are, in general, corporate subsidiaries 100% owned by a REIT which do not elect to be treated as a taxable REIT subsidiary. All assets, liabilities and items of income, deduction and credit of a qualified REIT subsidiary will be treated as owned and realized directly by EPR. For purposes of the asset requirements, the securities of a qualified REIT subsidiary will be ignored.

A taxable REIT subsidiary is generally any corporation the stock of which is owned in whole or in part by a REIT and with respect to which both the REIT and the subsidiary elect that it be taxed as a taxable REIT subsidiary.

GROSS INCOME TESTS

There are two separate percentage tests relating to the sources of EPR's gross income which must be satisfied for each taxable year.

The 75% Test. At least 75% of EPR's gross income for each taxable year must be "qualifying income." Qualifying income generally includes (i) "rents from real property" (except as modified below), (ii) interest on obligations collateralized by mortgages on, or interests in, real property, (iii) gain from the sale or other disposition of interests in real property and real estate mortgages, other than gain from property held primarily for sale to customers in the ordinary course of EPR's trade or business ("dealer property"), (iv) dividends or other distributions on shares in other REITs, as well as gain from the sale of those shares, (v) abatements and refunds of real property taxes, (vi) income from the operation, and gain from the sale, of property acquired at or in lieu of a foreclosure of the mortgage collateralized by such property ("foreclosure property"), (vii) commitment fees received for agreeing to make loans collateralized by mortgages on real property or to purchase or lease real property, (viii) "qualified temporary investment income," and (ix) gain from the sale or other disposition of a real estate asset which is not a prohibited transaction.

In addition, rents received from a tenant generally will not qualify as rents from real property in satisfying the 75% test (or the 95% test described below) if EPR, or an owner of 10% or more of EPR, directly or constructively owns 10% or more of the voting power or value of that tenant, if that tenant is a corporation, or 10% or more of the assets or net profits of the tenant, if the tenant is not a corporation (a "related party tenant"). In addition, if rent attributable to personal property, leased in connection with a lease of real property, is greater than 15% of the total rent received under the lease on a fair market value basis, then the portion of rent attributable to such personal property will not qualify as rents from real property. Moreover, any amount received or accrued, directly or indirectly, generally will not qualify as rents from real property (or as interest income) for purposes of the 75% and 95% gross income tests if it is based in whole or in part on the income or profits of any person. Rent or interest will not be disqualified, however, solely by reason of being based on a fixed percentage of receipts or sales. Finally, for rents received to qualify as rents from real property, EPR generally must not operate or manage the property or furnish or render services to tenants, other than through an "independent contractor" from whom EPR does not derive or receive any income, or through a taxable REIT subsidiary. The "independent contractor" requirement, however, does not apply to the extent the services provided by EPR

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

are "usually or customarily rendered" in connection with the rental of space for occupancy only, and are not otherwise considered "rendered to the occupant." For both the related party tenant rules and determining whether an entity qualifies as an independent contractor, certain attribution rules of the Code apply, pursuant to which shares held by one entity are deemed held by another.

Amounts paid to a REIT by a taxable REIT subsidiary as rent will not be excluded from rents from real property if at least 90% of the leased space of the property is rented to persons other than the taxable REIT subsidiary of such REIT and other than persons that are considered related under Section 856(d)(2)(B) of the Code and the amount paid is substantially comparable to rents paid by other tenants of the REIT's property for comparable space.

20

The 95% Test. In addition to deriving 75% of its gross income from the sources listed above, at least 95% of EPR's gross income for each taxable year must be derived from the above-described qualifying income, or from dividends, interest or gains from the sale or disposition of stock or other securities that are not dealer property. Dividends and interest on any obligation not collateralized by an interest in real property are included for purposes of the 95% test, but not for purposes of the 75% test. Furthermore, income earned on interest rate swaps and caps entered into as liability hedges against indebtedness qualify for the 95% test (but not the 75% test). Income earned on liability hedges against all of a REIT's indebtedness, such as options, futures, and forward contracts, qualify for the 95% test (but not the 75% test). In certain cases, Treasury Regulations treat a debt instrument and a liability hedge as a synthetic debt instrument for all purposes of the Code. If a liability hedge entered into by a REIT is subject to these rules, income earned thereon will operate to reduce its interest expense, and, therefore such income will not affect the REIT's compliance with either the 75% or 95% tests.

Even if EPR fails to satisfy one or both of the 75% or 95% tests for any taxable year, it may still qualify as a REIT for that year if it is entitled to relief under certain provisions of the Code. These relief provisions will generally be available if (i) EPR's failure to comply was due to reasonable cause and not to willful neglect, (ii) EPR reports the nature and amount of each item of its income included in the 75% and 95% tests on a schedule attached to its tax return, and (iii) any incorrect information on this schedule is not due to fraud with intent to evade tax. It is not possible, however, to state whether in all circumstances EPR would be entitled to the benefit of these relief provisions. If these relief provisions apply, EPR will, as discussed above, still be subject to a special tax upon the greater of the amount by which it fails either the 75% test or 90% threshold for that year.

ANNUAL DISTRIBUTION REQUIREMENTS

In order to qualify as a REIT, we are required to make distributions (other than capital gain distributions) to our shareholders each year in an amount at least equal to (A) the sum of (i) 90% of EPR's REIT Taxable Income (computed before deductions for dividends paid and excluding net capital gain), and (ii) 90% of the net income (after tax), if any, from foreclosure property, minus (B) the sum of certain items of non-cash income. Such distributions must be paid in the taxable year to which they relate, or in the following taxable year if declared before we timely file our tax return for that year and if paid on or before the first regular distribution payment after such declaration. To the extent we do not distribute all of our net capital gain or distribute at least 90%, but less than 100%, of our REIT Taxable Income, as adjusted, we will be subject to tax on the undistributed amount at regular capital gains or ordinary corporate tax rates, as the case may be. (However, a REIT can elect to "pass through" any of its taxes paid on its undistributed net capital gain to its

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

shareholders on a pro rata basis). Furthermore, if the REIT should fail to distribute during each calendar year at least the sum of (i) 85% of its ordinary income for that year, (ii) 95% of its net capital gain for that year, and (iii) any undistributed taxable income from prior periods, the REIT would be subject to a 4% excise tax on the excess of such required distribution over the amounts actually distributed. For these purposes, dividends declared to shareholders of record in October, November or December of one calendar year and paid by January 31 of the following calendar year are deemed paid as of December 31 of the initial calendar year.

We believe that we have made and will make timely distributions sufficient to satisfy the annual distribution requirements. It is possible that in the future we may not have sufficient cash or other liquid assets to meet the 90% distribution requirement, due to timing differences between the actual receipt of income and actual payment of expenses on the one hand, and the inclusion of such income and deduction of such expenses in computing our REIT Taxable Income on the other hand. Further, it is possible that from time to time, we may be allocated a share of net capital gain attributable to any depreciated property we sell that exceeds our allocable share of cash attributable to that sale. To avoid any problem with the 90% distribution requirement, we will closely monitor the relationship between our REIT Taxable Income and cash flow and, if necessary, will borrow funds in order to satisfy the distribution requirement (See "Risk Factors").

21

If it is "determined" that we failed to meet the 90% distribution requirement as a result of an "adjustment" to our tax return by the IRS, we may retroactively cure the failure by paying a "deficiency dividend" (plus applicable penalties and interest) within a specified period.

FAILURE TO QUALIFY

If we fail to qualify for taxation as a REIT in any taxable year and the relief provisions do not apply, we will be subject to tax (including any applicable alternative minimum tax) on our taxable income at regular corporate rates. Distributions to shareholders in any year in which we fail to qualify will not be deductible by us, nor will they be required to be made. In such event, to the extent of our current and accumulated earnings and profits, all distributions to shareholders will be taxable as ordinary income, and, subject to certain limitations in the Code, corporate shareholders may be eligible for the dividends-received deduction. In addition, individual shareholders would be taxable on such dividends at a current tax rate of 15%. Unless entitled to relief under specific statutory provisions, we (and any successor of us) will also be disqualified from taxation as a REIT for the four taxable years following the year during which qualification was lost. It is not possible to state whether we would be entitled to such statutory relief.

RECENT TAX LEGISLATION

On May 28, 2003, the President signed into law the Jobs and Growth Tax Relief Reconciliation Act of 2003, which reduces the maximum tax rate for both dividends and long-term capital gains to 15% for most non-corporate taxpayers. Because we generally are not subject to U.S. federal income tax on the portion of our REIT Taxable Income or capital gains distributed to our shareholders, our dividends generally are not eligible for the reduced rate and will continue to be taxed at the higher tax rates applicable to ordinary income. However, the new 15% rate does apply to (i) long-term capital gains, if any, recognized on the disposition of our shares; (ii) our dividends designated as long-term capital gain dividends (except to the extent attributable to (a) real estate depreciation, in which case such distributions continue to be subject to tax at

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

a 25% rate), and (b) collectibles and certain small business stock, in which case such distributions continue to be subject to tax at a 28% rate); (iii) our dividends to the extent attributable to dividends received by us from any non-REIT corporations, such as taxable REIT subsidiaries, if applicable; and (iv) our dividends to the extent attributable to income upon which we have paid corporate income tax (for example, if we distribute taxable income that we retained and paid tax on in the prior year).

The dividend and capital gains rate reductions provided in the Jobs and Growth Tax Relief Reconciliation Act of 2003 generally are effective for taxable years ending on or after May 6, 2003, except that the reductions do not apply to taxable years beginning after December 31, 2008. Absent future legislation, the maximum tax rate on long-term capital gains will return to 20% for taxable years beginning in 2009, and the maximum tax rate on dividends paid to individuals will increase to 35% in 2009 and 39.6% in 2011.

TAXATION OF SHAREHOLDERS

TAXATION OF TAXABLE DOMESTIC SHAREHOLDERS

As used herein, the term "U.S. Shareholder" means a holder of shares who (for U.S. federal income tax purposes) (i) is a citizen or resident of the United States, (ii) is a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof (except, in the case of a partnership, the Treasury provides otherwise by regulations), (iii) is an estate the income of which is subject to U.S. federal income taxation regardless of its source, or (iv) is a trust whose administration is subject to the primary supervision of a U.S. court and which has one or more U.S. persons who have the authority to control all substantial decisions of the trust, or has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person.

As long as EPR qualifies as a REIT, distributions made out of our current or accumulated earnings and profits (and not designated as capital gain dividends) will generally constitute dividends taxable to our taxable corporate U.S. Shareholders as ordinary income taxed at a maximum rate of 35% and such U.S. Shareholders will not be eligible for the dividends received deduction otherwise available with respect to dividends received

22

by corporate U.S. Shareholders. It is not likely that a significant amount of our dividends paid to individual U.S. Shareholders will constitute "qualified dividend income" eligible for the current reduced tax rate of 15%. Dividends received from a REIT generally are treated as "qualified dividend income" eligible for the reduced tax rate to the extent that the REIT has received "qualified dividend income" from other non-REIT corporations, such as taxable REIT subsidiaries. In addition, if a REIT pays U.S. federal income tax on its undistributed net taxable income or on certain gains from the disposition of assets acquired from C corporations, the excess of the income subject to tax over the taxes paid will be treated as "qualified dividend income" in the subsequent taxable year.

Distributions made by EPR that are properly designated as capital gain dividends will be taxable to U.S. Shareholders as gains (to the extent they do not exceed our actual net capital gain for the taxable year) from the sale or disposition of a capital asset. Depending on the period of time EPR held the assets which produced the gains, and on certain designations, if any, which may be made by EPR, such gains may be taxable to noncorporate U.S. Shareholders at a 15% or 25% rate, without regard to the period for which the U.S. Shareholder has held the shares. U.S. Shareholders that are corporations may, however, be

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

required to treat up to 20% of certain capital gain dividends as ordinary income. To the extent EPR makes distributions (not designated as capital gain dividends) in excess of our current and accumulated earnings and profits, such distributions will be treated first as a tax-free return of capital to each U.S. Shareholder, reducing the adjusted basis which such U.S. Shareholder has in his shares for tax purposes by the amount of such distribution (but not below zero), with distributions in excess of a U.S. Shareholder's adjusted basis in his shares taxable as capital gain, (provided that the shares have been held as a capital asset) and will be taxable as long-term capital gain if the shares have been held for more than one year. Dividends declared by EPR in October, November or December of any year and payable to a shareholder of record on a specified date in any such month shall be treated as both paid by EPR and received by the shareholder on December 31st of that year; provided the dividend is actually paid by EPR on or before January 31st of the following calendar year. Shareholders may not include in their own income tax returns any net operating losses or capital losses of EPR.

Distributions made by EPR and gain arising from the sale or exchange by a U.S. Shareholder of shares will not be treated as passive activity income, and, as a result, U.S. Shareholders generally will not be able to apply any "passive losses" against such income or gain. Distributions made by EPR (to the extent they do not constitute a return of capital) generally will be treated as investment income for purposes of computing the investment interest limitation. Gain arising from the sale or other disposition of shares and certain qualifying dividends (or distributions treated as such), will not be treated as investment income under certain circumstances.

Upon any sale or other disposition of shares, a U.S. Shareholder will recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference between (i) the amount of cash and the fair market value of any property received on such sale or other disposition, and (ii) the holder's adjusted basis in the shares for tax purposes. Such gain or loss will be capital gain or loss if the shares have been held by the U.S. Shareholder as a capital asset and, with respect to a non-corporate U.S. Shareholder, will be long-term gain or loss if the shares have been held for more than one year at the time of disposition. In general, any loss recognized by a U.S. Shareholder upon the sale or other disposition of shares that have been held for six months or less (after applying certain holding period rules) will be treated as a long-term capital loss, to the extent of capital gain dividends received by such U.S. Shareholder from EPR which were required to be treated as long-term capital gains.

BACKUP WITHHOLDING

EPR will report to our domestic shareholders and to the IRS the amount of dividends paid during each calendar year, and the amount of tax withheld, if any from those dividends. Under the backup withholding rules, a shareholder may be subject to backup withholding at the rate equal to the fourth lowest rate of tax under Section 1(c) of the Code (which is currently 28%) with respect to dividends paid and redemption proceeds unless the shareholder (a) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or (b) provides a taxpayer identification number, certifies as to no loss

of exemption from backup withholding, and otherwise complies with applicable requirements of the backup withholding rules. Notwithstanding the foregoing, EPR will institute backup withholding with respect to a shareholder when instructed to do so by the IRS. A shareholder that does not provide EPR with his correct taxpayer identification number may also be subject to penalties imposed by the IRS. Any amount paid as backup withholding will be creditable against the

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

shareholder's U.S. federal income tax liability.

TAXATION OF TAX-EXEMPT SHAREHOLDERS

The IRS has issued a revenue ruling in which it held that amounts distributed by a REIT to a tax-exempt employees' pension trust do not constitute unrelated business taxable income ("UBTI"). Revenue rulings, however, are interpretive in nature and are subject to revocation or modification by the IRS. Based upon the ruling and the analysis therein, distributions by EPR to a shareholder that is a tax-exempt entity should not constitute UBTI, provided the tax exempt entity has not financed the acquisition of its shares with "acquisition indebtedness" within the meaning of the Code, and that the shares are not otherwise used in an unrelated trade or business of the tax-exempt entity. In addition, REITs generally treat the beneficiaries of qualified pension trusts as the beneficial owners of REIT shares owned by such pension trusts for purposes of determining if more than 50% of the REIT's shares are owned by five or fewer individuals. However, if a pension trust owns more than 10% of the REIT's shares (by value), it can be subject to UBTI on all or a portion of REIT dividends made to it, if the REIT is treated as a "pension-held REIT." A pension-held REIT is any REIT if more than 25% (by value) of its shares are owned by at least one pension trust, or one or more pension trusts, each of whom owns more than 10% (by value) of such shares, and in the aggregate, such pension trusts own more than 50% (by value) of its shares. EPR does not expect to be treated as a "pension-held REIT." However, because our common shares are publicly traded, no assurance can be given in this regard.

For social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts and qualified group legal services plans exempt from U.S. federal income tax under Section 501(c)(7), (9), (17) and (20) of the Code, respectively, income from an investment in EPR will constitute UBTI. However, income from an investment in EPR will not constitute UBTI for voluntary employee benefit associations, supplemental unemployment trusts and qualified group legal services plans if the organization is able to deduct amounts "set aside" or placed in reserve for certain purposes so as to offset the UBTI generated by its investment in EPR. Such prospective shareholders should consult with their own tax advisors concerning these "set aside" and reserve requirements.

TAXATION OF NON-U.S. SHAREHOLDERS

The rules governing U.S. federal income taxation of the ownership and disposition of shares by persons who are not U.S. Shareholders ("Non-U.S. Shareholders") are complex and no attempt is made in this prospectus to provide more than a summary of these rules. Prospective Non-U.S. Shareholders should consult with their own tax advisors to determine the impact of federal, state, local and any foreign income tax laws with regard to an investment in EPR, including any reporting requirements.

Distributions that are not attributable to gain from sales or exchanges by EPR of "United States real property interests" ("USRPIs"), as defined in the Code, and not designated by EPR as capital gain dividends will be treated as dividends of ordinary income to the extent they are made out of current or accumulated earnings and profits of EPR. Unless such distributions are effectively connected with the Non-U.S. Shareholder's conduct of a U.S. trade or business (or, if an income tax treaty applies, are attributable to a U.S. permanent establishment of the Non-U.S. Shareholder), the gross amount of the distributions will ordinarily be subject to U.S. withholding tax at a 30% or lower treaty rate, if applicable. In general, Non-U.S. Shareholders will not be considered engaged in a U.S. trade or business (or, in the case of an income tax treaty, as having a U.S. permanent establishment) solely by reason of their ownership of shares. If income on shares is treated as effectively connected with the Non-U.S. Shareholder's conduct of a U.S. trade or business (or, if an income tax treaty applies, is attributable to a U.S. permanent establishment of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

the Non-U.S. Shareholder), the Non-U.S. Shareholder generally will be subject to tax in the same manner as U.S. Shareholders are taxed with respect to such distributions (and may also be subject to the 30% branch

24

profits tax in the case of a shareholder that is a foreign corporation). EPR expects to withhold U.S. income tax at the rate of 30% on the gross amount of any distributions of ordinary income made to a Non-U.S. Shareholder unless the Non-U.S. Shareholder provides us with a (i) properly executed IRS Form W-8 BEN claiming an exemption from or reduction in the rate of withholding under the benefit of a tax treaty, or (ii) IRS Form W-8 ECI claiming that the distribution is not subject to withholding tax because it is effectively connected with the Non-U.S. Shareholder's conduct of a U.S. trade or business (or, if an income tax treaty applies, is attributable to a U.S. permanent establishment of the Non-U.S. Shareholder).

Unless the shares constitute USRPIs, distributions in excess of current and accumulated earnings and profits of EPR will not be taxable to a shareholder to the extent such distributions do not exceed the adjusted basis of the shareholder's shares but rather will reduce the adjusted basis of the shares. To the extent such distributions exceed the adjusted basis of a Non-U.S. Shareholder's shares, such distributions will give rise to tax liability if the Non-U.S. Shareholder would otherwise be subject to tax on any gain from the sale or disposition of his shares, as described below. If it cannot be determined at the time a distribution is made whether or not the distribution will be in excess of current and accumulated earnings and profits, the distributions will be subject to withholding at the same rate as dividends. If, however, shares are treated as USRPIs, then unless otherwise treated as a dividend for withholding tax purposes as described below, any distributions in excess of current or accumulated earnings and profits will generally be subject to 10% withholding and, to the extent such distributions also exceed the adjusted basis of a Non-U.S. Shareholder's shares, they will also give rise to gain from the sale or exchange of the shares, the tax treatment of which is described below.

Distributions that are designated by EPR at the time of distribution as capital gain dividends (other than those arising from the disposition of a USRPI) generally will not be subject to taxation, unless (i) investment in the shares is effectively connected with the Non-U.S. Shareholder's U.S. trade or business (or, if an income tax treaty applies, it is attributable to a U.S. permanent establishment of the Non-U.S. Shareholder), in which case the Non-U.S. Shareholder will be subject to the same treatment as U.S. Shareholders with respect to such gain (except that a Shareholder that is a foreign corporation may also be subject to the 30% branch profits tax), or (ii) the Non-U.S. Shareholder is a non-resident alien individual who was present in the U.S. for 183 days or more during the taxable year and either has a "tax home" in the U.S. or sold his shares under circumstances in which the sale was attributable to a U.S. office, in which case the non-resident alien individual will be subject to a 30% tax on the individual's capital gains.

For each year in which EPR qualifies as a REIT, distributions that are attributable to gain from sales or exchanges by EPR of USRPIs ("USRPI Capital Gains"), such as properties beneficially owned by EPR, will be taxed to a Non-U.S. Shareholder under the provisions of the Foreign Investment in Real Property Tax Act of 1980 ("FIRPTA"). Under FIRPTA, such distributions are taxed to a Non-U.S. Shareholder as gain effectively connected with a U.S. trade or business regardless of whether such dividends are designated as capital gain dividends. Non-U.S. Shareholders would thus be taxed at the normal capital gain rates applicable to U.S. Shareholders (subject to applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals) on such distributions. Also, distributions of USRPI Capital Gains

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

may be subject to a 30% branch profits tax in the hands of a foreign corporate shareholder not entitled to treaty exemption or rate reduction. EPR is required by applicable Treasury Regulations to withhold a portion of any distribution consisting of USRPI Capital Gains at a current rate of 35%. This amount may be creditable against the Non-U.S. Shareholder's FIRPTA tax liability.

Gain recognized by a Non-U.S. Shareholder upon a sale of shares will generally not be taxed under FIRPTA if the shares do not constitute a USRPI. Shares will not be considered a USRPI if EPR is a "domestically controlled REIT," or if the shares are part of a class that is regularly traded on an established securities market and the holder owned 5% or less of the class sold during a specified testing period. A "domestically controlled REIT" is defined generally as a real estate investment trust in which at all times during a specified testing period less than 50% in value of the shares was held directly or indirectly by foreign persons. EPR believes that it is a "domestically controlled REIT," and therefore the sale of shares will not be subject to taxation under FIRPTA. If the gain on the sale of shares were to be subject to taxation under FIRPTA, the Non-U.S. Shareholder would be subject to the same treatment as U.S. Shareholders with

25

respect to such gain (subject to applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals), and the purchaser of the shares may be required to withhold 10% of the purchase price and remit such amount to the IRS. However, since our common shares and Series A Preferred Shares are publicly traded, no assurance can be given in this regard.

Gain not subject to FIRPTA will be taxable to a Non-U.S. Shareholder if (i) investment in the shares is effectively connected with a U.S. trade or business of the Non-U.S. Shareholder (or, if an income tax treaty applies, is attributable to a U.S. permanent establishment of the Non-U.S. Shareholder), in which case the Non-U.S. Shareholder will be subject to the same treatment as U.S. Shareholders with respect to such gain, or (ii) the Non-U.S. Shareholder is a nonresident alien individual who was present in the U.S. for 183 days or more during the taxable year and has a "tax home" in the U.S., in which case the nonresident alien individual will be subject to a 30% tax on the individual's capital gains. If the gain on the sale of shares were to be subject to taxation under FIRPTA, the Non-U.S. Shareholder would be subject to the same treatment as U.S. Shareholders with respect to such gain (subject to applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals).

If the proceeds of a disposition of shares are paid by or through a U.S. office of a broker, the payment is subject to information reporting and backup withholding unless the disposing Non-U.S. Shareholder certifies as to his name, address and non-U.S. status or otherwise establishes an exemption. Generally, U.S. information reporting and backup withholding will not apply to a payment of disposition proceeds if the payment is made outside the U.S. through a non-U.S. office of a non-U.S. broker. U.S. information reporting requirements (but not backup withholding) will apply, however, to a payment of disposition proceeds outside the U.S. if (i) the payment is made through an office outside the U.S. of a broker that is either (a) a U.S. person, (b) a foreign person that derives 50% or more of its gross income for certain periods from the conduct of a trade or business in the U.S., (c) a "controlled foreign corporation" for U.S. federal income tax purposes, or (d) a foreign partnership more than 50% of the capital or profits of which is owned by one or more U.S. persons or which engages in a U.S. trade or business, and (ii) the broker fails to obtain documentary evidence that the shareholder is a Non-U.S. Shareholder and that certain conditions are met or that the Non-U.S. Shareholder otherwise is entitled to an exemption.

POSSIBLE LEGISLATIVE OR OTHER ACTIONS AFFECTING TAX CONSEQUENCES

Prospective investors should recognize that the present U.S. federal income tax treatment of an investment in EPR may be modified by legislative, judicial or administrative action at any time, and that any such action may affect investments and commitments previously made. The rules dealing with U.S. federal income taxation are constantly under review by persons involved in the legislative process and by the IRS and the U.S. Treasury Department, resulting in revisions or regulations and revised interpretations of established concepts as well as statutory changes. Revisions in U.S. federal tax laws and interpretations thereof could adversely affect the tax consequences of an investment in EPR.

STATE TAX CONSEQUENCES AND WITHHOLDING

EPR and its shareholders may be subject to state or local taxation in various state or local jurisdictions, including those in which it or they transact business or reside. The state and local tax treatment of EPR and its shareholders may not conform to the U.S. federal income tax consequences discussed above. Several states in which EPR may own properties treat REITs as ordinary corporations. EPR does not believe, however, that shareholders will be required to file state tax returns, other than in their respective states of residence, as a result of the ownership of shares. However, prospective shareholders should consult their own tax advisors regarding the effect of state and local tax laws on an investment in EPR.

DESCRIPTION OF SECURITIES

This summary of our securities is not meant to be complete and is qualified in its entirety by reference to our Amended and Restated Declaration of Trust, Articles Supplementary defining the rights of holders of our Series A Preferred Shares, and Amended Bylaws, copies of which have been filed with the SEC and are incorporated by reference herein.

GENERAL

Our Declaration of Trust authorizes us to issue up to 50,000,000 common shares and up to 5,000,000 preferred shares. As permitted by Maryland law, our Declaration of Trust permits the Board of Trustees, without shareholder approval, to amend the Declaration of Trust from time to time to increase or decrease the aggregate number of shares or the number of shares of any class that we have authority to issue. Under Maryland law, a shareholder is not personally liable for the obligations of a REIT solely as a result of his or her status as a shareholder.

As of February 1, 2004, a total of 19,661,496 common shares (excluding treasury shares) and 2,300,000 Series A Preferred Shares were outstanding.

The transfer agent and registrar for our shares is UMB Bank, n.a.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

COMMON SHARES

Holders of our common shares have the following rights:

- Dividends -- Common shareholders have the right to receive dividends when and as declared by the Board of Trustees
- Voting Rights -- Common shareholders have the right to vote their shares. Each common share has one vote on all matters submitted for shareholder approval, including the election of trustees. We do not have cumulative voting in the election of trustees, which means the holders of a majority of our outstanding common shares can elect all of the trustees nominated for election and the holders of the remaining common shares will not be able to elect any trustees.

Liquidation Rights -- If we liquidate, holders of common shares are entitled to receive all remaining assets available for distribution to common shareholders after satisfaction of our liabilities and the preferential rights of any preferred shares.

Other Features -- Our outstanding common shares are fully paid and nonassessable. Common shareholders do not have any preemptive, conversion or redemption rights.

PREFERRED SHARES

Our Series A Preferred Shares provide for quarterly payments of cumulative dividends at the rate of 9.5% of the \$25 per share liquidation preference of the Series A Preferred Shares, or a fixed rate of \$2.375 per share each year. Dividends not declared or paid in any quarter continue to accumulate. On liquidation of the Company, holders of the Series A Preferred Shares are entitled to a liquidation preference of \$25 per share plus all accumulated, accrued and unpaid dividends before any amount is payable to the holders of our common shares. The Series A Preferred Shares are not redeemable prior to May 29, 2007, except in limited circumstances relating to the preservation of our status as a REIT. On or after that date, we may at our option redeem the Series A Preferred Shares in whole or in part by paying the \$25 per share liquidation preference plus all accumulated, accrued and unpaid dividends. The Series A Preferred Shares rank senior to our common shares and on a parity with other parity securities we may issue in the future with respect to the payment of dividends and amounts on liquidation, dissolution and winding up. Holders of Series A Preferred

27

Shares generally have no voting rights, except that if dividends on the Series A Preferred Shares have not been paid for six or more quarterly periods (whether or not consecutive), holders of the Series A Preferred Shares (and other shares having like voting rights) are entitled to elect two additional trustees to the Board of Trustees to serve until all unpaid dividends have been paid or declared and set aside for payment. In addition, certain material and adverse changes to the terms of the Series A Preferred Shares cannot be made without the affirmative vote of at least 66 2/3% of the outstanding Series A Preferred Shares and the holders of all other shares on a parity with the Series A Preferred Shares and having like voting rights.

The relative dividend, voting, liquidation, conversion, redemption and other rights and preferences on any additional preferred shares we may offer will be determined by the Board of Trustees. The prospectus supplement applicable to any additional preferred shares will describe such things as:

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

- the serial designation and the number of shares constituting that series
- the dividend rates or the amount of dividends to be paid on the shares of that series, whether dividends will be cumulative and, if so, from which date or dates, the payment and record date or dates for dividends, and the participating and other rights, if any, with respect to dividends
- the voting powers, full or limited, if any, of the shares of that series
- whether the shares of that series will be redeemable and, if so, the price or prices at which, and the terms and conditions on which, the shares may be redeemed
- the amount or amounts payable upon the shares of that series and any preferences applicable to the shares upon a voluntary or involuntary liquidation, dissolution or winding up of the Company
- whether the shares of that series will be entitled to the benefit of a sinking or retirement fund to be applied to the purchase or redemption of the shares, and if so entitled, the amount of that fund and the manner of its application, including the price or prices at which the shares may be redeemed or purchased through the application of the fund
- whether the shares of that series will be convertible into, or exchangeable for, shares of any other class or classes or of any other series of the same or any other class or classes of securities of EPR and, if so convertible or exchangeable, the conversion price or prices, the rate or rates of exchange, and the adjustments thereof, if any, at which the conversion or exchange may be made, and any other terms and conditions of the conversion or exchange
- the price or other consideration for which the shares of that series will be issued
- whether the shares of that series which are redeemed or converted will have the status of authorized but unissued undesignated preferred shares (or series thereof) and whether the shares may be reissued as shares of the same or any other class or series of shares
- such other powers, preferences, rights, qualifications, limitations and restrictions thereof as the Board of Trustees may deem advisable

OWNERSHIP LIMIT

Our Declaration of Trust restricts the number of shares which may be owned by shareholders. Generally, for EPR to qualify as a REIT under the Code, not more than 50% in value of our outstanding shares may be owned, directly or indirectly, by five or fewer individuals (defined in the Code to include certain entities and constructive ownership among specified family members) at any time during the last half of a taxable year. The shares must also be beneficially owned by 100 or more persons during at least 335 days of a taxable year. In order to maintain EPR's qualification as a REIT, our Declaration of Trust contains restrictions on the acquisition of shares intended to ensure compliance with these requirements.

Our Ownership Limit may also act to deter an unfriendly takeover of the Company.

Our Declaration of Trust generally provides that any person (not just individuals) holding more than 9.8% of our outstanding shares (the "Ownership Limit") may be subject to forfeiture of the shares (including

common shares and preferred shares) owned in excess of the Ownership Limit ("Excess Shares"). The Excess Shares may be transferred to a trust for the benefit of one or more charitable beneficiaries. The trustee of that trust would have the right to vote the voting Excess Shares, and dividends on the Excess Shares would be payable to the trustee for the benefit of the charitable beneficiaries. Holders of Excess Shares would be entitled to compensation for their Excess Shares, but that compensation may be less than the price they paid for the Excess Shares. Persons who hold Excess Shares or who intend to acquire Excess Shares must provide written notice to EPR.

WARRANTS

The terms of any warrants we may offer will be established by the Board of Trustees and will be described in a prospectus supplement, including such matters as:

- the title of the warrants
- the offering price for the warrants
- the aggregate number of the warrants
- the designation and terms of the securities purchasable upon exercise of the warrants
- if applicable, the designation and terms of the securities that the warrants are issued with and the number of warrants issued with each security
- if applicable, the date after which the warrants and any securities issued with them will be separately transferable
- the number or amount of securities that may be purchased upon exercise of a warrant and the price at which the securities may be purchased upon exercise
- the dates on which the right to exercise the warrants will commence and expire
- if applicable, the minimum or maximum amount of the warrants that may be exercised at any one time
- whether the warrants represented by the warrant certificates or securities that may be issued upon exercise of the warrants will be issued in registered or bearer form
- information relating to book-entry procedures
- anti-dilution provisions of the warrants, if any
- redemption, repurchase or analogous provisions, if any, applicable to the warrants
- any additional terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

DEBT SECURITIES

The terms of any debt securities we may offer will be established by the

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

Board of Trustees and will be described in a prospectus supplement, including such matters as:

- the title of the debt securities
- the principal amount of the debt securities being offered and any limit upon the aggregate principal amount
- the date or dates on which the principal will be payable
- the price or prices at which the debt securities will be issued
- the fixed or variable rate or rates of the debt securities, or manner of calculation, if any, at which the debt securities of the series will bear interest, the date or dates from which any such interest will accrue

29

and on which such interest will be payable, and, with respect to securities of the series in registered form, the record date for the interest payable on any interest payment date

- the date or dates on which, and the place or places where, the principal of the debt securities will be payable
- any redemption, repurchase, sinking fund or analogous provisions
- if other than the principal amount thereof, the portion of the principal amount that will be payable upon declaration of acceleration of the maturity thereof
- whether we will issue debt securities in registered or bearer form, or both
- the terms upon which a holder may exchange bearer securities for securities in registered form and vice versa
- whether we will issue debt securities in the form of one or more "global securities" through the book-entry system of The Depository Trust Company, New York, New York
- whether and under what circumstances we will pay additional amounts on the debt securities held by a person who is not a U.S. person in respect of taxes or similar charges withheld or deducted and, if so, whether we will have the option to redeem those securities rather than pay those additional amounts
- the denominations of the debt securities, if other than \$1,000 or an integral multiple of \$1,000
- whether the debt securities will be convertible into or exchangeable for any other securities and the terms and conditions upon which a conversion or exchange may occur, including the initial conversion or exchange price or rate, the conversion or exchange period and any other additional provisions

PLAN OF DISTRIBUTION

We may sell common shares, preferred shares, warrants and debt securities:

- through underwriters or dealers

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

- through agents
- directly to one or more purchasers
- directly to shareholders

We may effect the distribution of common shares, preferred shares, warrants and debt securities from time to time in one or more transactions either:

- at a fixed price or prices which may be changed
- at market prices prevailing at the time of sale
- at prices relating to those market prices
- at negotiated prices

For each offering of common shares, preferred shares, warrants or debt securities, the prospectus supplement will describe the plan of distribution.

If we use underwriters in the sale, they will buy the securities for their own account. The underwriters may then resell the securities in one or more transactions at a fixed public offering price, at any market price in effect at the time of sale or at a discount from any such market price. The obligations of the underwriters to purchase the securities will be subject to certain conditions. The underwriters will be obligated to purchase all the securities offered if they purchase any securities. Any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

30

If we use dealers in the sale, we will sell securities to those dealers as principals. The dealers may then resell the securities to the public at any market price or other prices to be determined by the dealers at the time of resale. If we use agents in the sale, they will use their reasonable best efforts to solicit purchasers for the period of their appointment. If we sell directly, no underwriters or agents would be involved. We are not making an offer of securities in any state that does not permit such an offer.

Underwriters, dealers and agents that participate in the distribution of securities may be deemed to be underwriters as defined in the Securities Act. Any discounts, commissions or profit they receive when they resell the securities may be treated as underwriting discounts and commissions under the Securities Act. We may have agreements with underwriters, dealers and agents to indemnify them against certain civil liabilities, including certain liabilities under the Securities Act, or to contribute to payments they may be required to make.

We may authorize underwriters, dealers or agents to solicit offers from institutions in which the institution contractually agrees to purchase the securities from us on a future date at a specified price. This type of agreement may be made only with institutions that we specifically approve. These institutions could include banks, insurance companies, pension funds, investment companies and educational and charitable institutions. The underwriters, dealers or agents will not be responsible for the validity or performance of these agreements.

To facilitate an offering of the securities, certain persons participating in the offering may engage in transactions that stabilize or maintain the price

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

of the securities. This may include over-allotments or short sales of the securities, which involve the sale by persons participating in the offering of more securities than we have sold to them. In those circumstances, these persons would cover the over-allotments or short positions by purchasing securities in the open market or by exercising an over-allotment option which may be granted to them by us. In addition, these persons may stabilize or maintain the price of the securities by bidding for or purchasing securities in the open market or by imposing penalty bids, under which selling concessions allowed to dealers participating in the offering may be reclaimed if the securities they sell are repurchased in stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. These transactions, if commenced, may be discontinued at any time.

Underwriters, dealers or agents may engage in transactions with us and may perform services for us in the ordinary course of business.

LEGAL OPINIONS

Sonnenschein Nath & Rosenthal LLP will issue an opinion about the validity of the securities and EPR's qualification and taxation as a REIT under the Code. In addition, the description of EPR's taxation and qualification as a REIT under the caption "U.S. Federal Income Tax Consequences" is based upon the opinion of Sonnenschein Nath & Rosenthal LLP. Underwriters, dealers or agents who we identify in a prospectus supplement may have their counsel give an opinion on certain legal matters relating to the securities or the offering.

ITEM 15. INDEMNIFICATION OF TRUSTEES AND OFFICERS

Maryland law permits a Maryland real estate investment trust to include in its declaration of trust a provision limiting the liability of its officers and trustees to the trust and its shareholders for money damages except for liability resulting from: (a) actual receipt of an improper benefit or profit in money, property or services; or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. EPR's Declaration of Trust contains such a provision which eliminates such liability to the maximum extent permitted by Maryland law.

EPR's officers and trustees are and will be indemnified under EPR's Declaration of Trust against certain liabilities. EPR's Declaration of Trust provides that EPR will, to the maximum extent permitted by Maryland law in effect from time to time, indemnify: (a) any individual who is a present or former trustee or officer of EPR; or (b) any individual who, while a trustee or officer of EPR and at the request of EPR, serves or has served as a director, officer, shareholder, partner, trustee, employee or agent of any real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or any other enterprises against any claim or liability, together with reasonable expenses actually incurred in advance of a final disposition of a legal proceeding, to which such person may become subject or which such person may incur by reason of his or her status as such. EPR has the power, with the approval of EPR's Board of Trustees, to provide such indemnification and advancement of expenses to a person who served a predecessor of EPR in any of the capacities described in (a) or (b) above and to any employee or agent of EPR or its predecessors.

Maryland law permits a Maryland real estate investment trust to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted by the Maryland General Corporation Law ("MGCL") for directors, officers, employees and agents of a Maryland corporation. The MGCL

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

requires a corporation (unless its charter provides otherwise, which EPR's Declaration of Trust does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that: (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty; (b) the director or officer actually received an improper personal benefit in money, property or services; or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer

II-1

upon the corporation's receipt of a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and a written undertaking by him or her to repay the amount paid or reimbursed by the corporation if it shall ultimately be determined that the standard of conduct was not met.

EPR has entered into indemnity agreements with certain of its officers and trustees which provide for reimbursement of all expenses and liabilities of such persons arising out of any lawsuit or claim against them arising from their service in that capacity, except for liabilities and expenses: (a) the payment of which is judicially determined to be unlawful; (b) relating to claims under Section 16(b) of the Exchange Act; or (c) relating to judicially determined criminal violations.

EPR has obtained trustee's and officers' liability insurance for the purpose of funding any such indemnification.

ITEM 17. UNDERTAKINGS

EPR undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that subparagraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed by EPR pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For purposes of determining any liability under the Act, each filing of EPR's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated

II-2

by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) For purposes of determining any liability under the Act, any information omitted from the form of prospectus filed as part of this registration statement in reliance on Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(6) For the purpose of determining any liability under the Act, each such post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement related to the securities offered therein, and the offering of such securities at that time shall be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Act may be

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3

permitted to trustees, officers and controlling persons of EPR pursuant to the provisions described under Item 15 -- Indemnification of Trustees and Officers above, or otherwise, EPR has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event a claim for indemnification against such liabilities (other than payment by EPR of expenses incurred or paid by a trustee, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such trustee, officer or controlling person in connection with the securities being registered, EPR will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
