On November 1, 2004, Government Properties Trust, Inc. (GPT) completed its previously announced acquisition of the Bureau of Public Debt building at 4th and Avery Streets, Parkersburg, West Virginia for approximately \$19.9 million. The purchase price was determined through arms-length negotiations between GPT and BPD Parkersburg, LLC, an unrelated party with an address at 1101 Connecticut Avenue, N.W., Washington, D.C. GPT funded the purchase price with cash on hand.

The Parkersburg Bureau of Public Debt property, completed in September 2004, is fully leased by the federal government under a modified gross lease. The property is occupied by the Bureau of Public Debt and totals approximately 81,000 rentable square feet. The current lease with the federal government expires in August 2019.

At the time of the acquisition, the federal government also exercised an option to expand the Bureau of Public Debt building by an additional 102,000 rentable square feet, bringing the total building to 183,000 rentable square feet. The purchase price of the additional expansion will be approximately \$22.5 million and will be paid over the term of the expansion scheduled for completion during the first half of 2006.
