(1) A maximum of 450,000 stock units and 450,000 shares of common stock may be issued under the 2004 Non-Employee Director Fee Plan. A maximum of 500,000 shares of common stock may be issued under the 2004 Non-Employee Director Stock Option Plan. Shares may be issued under either plan from authorized but unissued shares of common stock or treasury shares. The 2004 Non-Employee Director Fee Plan is subject to approval by the shareholders of the Registrant at the annual shareholders meeting to be held May 24, 2005. If it is approved by the shareholders at such meeting, this Registration Statement will cover only the stock units and shares of common stock to be issued thereunder, and the 2004 Non-Employee Director Stock Option Plan will be terminated. In the event that the 2004 Non-Employee Director Fee Plan is not approved by the shareholders at such meeting, it will terminate and the 2004 Non-Employee Director Stock Option Plan will remain in effect and this Registration Statement will cover only shares of common stock to be issued upon the exercise of options granted thereunder.

(2) Pursuant to Rule 416 under the Securities Act of 1933, as amended, this Registration Statement also covers an indeterminate number of additional stock units or shares of common stock as may be issued as a result of adjustments by reason of any stock split, stock dividend or similar transaction.

(3) Estimated solely for the purpose of calculating the registration fee. Pursuant to Rule 457(h), the fee is calculated on the basis of the average of the high and low prices for the Registrant's common stock reported by The Nasdaq Stock Market on May 20, 2005.

(4) Each stock unit represents the right to receive one share of common stock at a future date, pursuant to the deferred compensation provisions of the 2004 Non-Employee Director Fee Plan. Upon a distribution to a Plan participant, all stock units are payable in shares of common stock on a one-for-one basis.

**Item 6. Indemnification of Directors and Officers**

The Florida Business Corporation Act ( FBCA ) provides that directors of a corporation will not be liable to the corporation or any other person for monetary damages in connection with any statement, vote, decision or failure to act, regarding corporate management or policy, by the director, except in certain limited situations. The effect of this provision is to eliminate the rights of the registrant and its shareholders (through shareholders' derivative suits on behalf of the registrant) to recover monetary damages against a Director for breach of the fiduciary duty of care as a Director (including breaches resulting from negligent behavior) except in certain limited situations. This provision does not limit or eliminate the rights of the registrant or any stockholder to seek non-monetary relief such as an injunction or rescission in the event of a breach of a Director's duty of care. These provisions will not alter the liability of Directors under federal securities laws.

The Registrant's Articles of Incorporation and Bylaws provide that the Registrant shall indemnify directors and executive officers to the fullest extent now or hereafter permitted by the FBCA. In addition, the Registrant has entered into Indemnification Agreements with its directors and executive officers in which the Registrant has agreed to indemnify such persons to the fullest extent now or hereafter permitted by the FBCA. The general effect of the foregoing provisions may be to reduce the circumstances which an officer or director may be required to bear the economic burden of the foregoing liabilities and expense.

The Registrant has a standard policy of directors' and officers' liability insurance covering directors and officers of the corporation with respect to liabilities incurred as a result of their service in such capacities, which may extend to, among other things, liability arising under the Securities Act of 1933.

**Item 9. Undertakings**

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the registration statement.

(b) That, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to

the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding,) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
