Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 10, 2008, the Compensation Committee of the Board of Directors (the "Compensation Committee") of IGI, Inc. (the "Company") approved an increase in the base salary of Rajiv Mathur, the Company's Chief Executive Officer and President, to \$302,220. Such salary increase will be retroactive to January 1, 2008. On such date, the Compensation Committee of the Company also awarded Mr. Mathur a stock option pursuant to the Company's 1999 Stock Incentive Plan to purchase 500,000 shares of the Company's common stock. The options have an exercise price equal to the closing price of the Company's common stock on the date of grant and will vest 50% on December 31, 2008 and 50% on December 31, 2009.

The Compensation Committee of the Company also approved the Company's 2008 Management Incentive Plan for the Company's Chief Executive Officer and President, Executive Vice President and Vice President. The incentive bonuses for each of these individuals will be based in part on the Company's performance as compared to budgeted results for net income or earnings per share and in part on annual performance reviews for such individuals. The maximum performance bonus for the Company's Chief Executive Officer and President and each of the Company's Executive Vice President and Vice President are 120% of salary earned in the applicable fiscal year and 36% of salary earned in the applicable fiscal year, respectively. Participants must be actively employed by the Company on the date incentive bonuses are to be paid in order to receive an award.

The summary of the material terms of the Company's 2008 Management Incentive Plan described above is qualified in its entirety by reference to the Company's 2008 Management Incentive Plan, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
